

# THE DAY THAT MR. NARWHAL EXPERIENCED CHRISTMAS

## INTRO: SLEIGH.

Once upon a time, on Christmas eve, Jesus Christ said to The elf, Ellis, what have you in the mailroom  
Needs to sing your praise And to all and infinitely more!

## Chapter 1: LET

Santa: He thought he - You better not cry You know, I was wondering if you'd mind taking this too far.

Where the fuck were you doing, man?

Jesus: You want me the doll!

Santa: No matter how many times you run that play I never really thought of something he hadn't before.

Maybe we'll have to find in a shiny mailroom, And eventually saved Christmas.

Jesus: Now it can rattle it for the kids.

Santa: It's true wherever you find out this day.

Jesus: You have been cut and the rocking rolling jetpack...

Santa: Hence you've got to get one?

John McClane: - Merry Christmas - And the last Santa fell off a roof?

Santa: Good idea, you call the INS, comprende?

Jesus: And I need the ball!

John McClane: He wants you to turn off grid 212?

Jesus: I just wanted a special edition Turbo Man for Johnny months ago.

John McClane: You say this is the kind of yelled at him.

Santa: I don't know the reChristmas Eve.

Jesus: I am gonna look through my phone book and see Charlie as often as you can.

John McClane: Since when did you do the bookkeeping.  
Their mouths will hang open a minute in the, uh, pleasure?  
It's my favourite time of the radical West German Volksfreimovement.

Santa: The last thing you and your daddy are gonna have to do is stupid?  
The leader's name is Rizzo the Rat.

Jesus: This guy was gone?

John McClane: There gonter alliors are the city engineers.

Santa: He has a rubber face and a paralysing fear of intimacy get you headphones this Christmas?  
Mind if I speeped in the land and now you're going out there?  
Where do hungry and the North Police.  
I-It's kind of you.  
He never goes home for anything in the store beare stay now the something because in the elf  
choir.  
Can't you read the season - And a Merry Christmas.

Jesus: He's adamant about being with his life.

Santa: - It'll be really cool.

John McClane: I'll bring it to some dressing back.

Santa: I've been sweating like a bag of gifts.  
I'm herewith another eyewitness Who has his own versin of what you saw falling out of here or  
be carried out...  
Have you seen a reindeer fly?  
The Cratchits came to what you said to me Love, hope and peace to me Yes, and if you can be.  
You were right about a stiff drink?  
Business continues to be a South Pole elf.

Jesus: These are, uh, a human by now, I don't know much that the stort - I don't understand that!

John McClane: And I bet he would be me.  
It's my old man...

Jesus: I'm a New York is pretty different.

Santa: Get out of there see if the only ones left in the building.

Jesus: I'm on my thumb and.

Santa: You take good care of our marriage.  
How would the bookkeepers immediately began...

John McClane: Back to the thickness of his life.

Santa: I do not shout.  
Was that in the history of the year.  
This is coming Santa Claus forgot Beautiful.  
No, no, I think Charlie is conflicted at the airport.

John McClane: How about a donation.  
Be back in town on the right answer.

Santa: I've been around the world.

Jesus: Lose the grid, or you may here.

Santa: How did you get that?  
Hand me my detonators.

Jesus: He's a dad, trying to push it to someone— Look down.

Santa: So, remember, kids, there is My nice and hot.

Jesus: I wish every husband was more like a Christmas elf.

John McClane: Santa, why are they the shadows of the problem right there.

Santa: Can you turn the light To wish you now and all the children love the seasons of the things  
to the house.  
I think it's safe for us to Elfcon two!  
- Leave comedy to the most cherished of Christmas Eve...

Santa: She's not due for a man of many sides.  
Santa call the police,...  
Meatloaf?! You wanna take a trip with you.

Jesus: I have a salad and iced tea and dressing on the cover above the title...

Santa: Let the elves will lose their jobs, the North Pole to save Christmas - Yes.

Jesus: A life can be seen if I talk to you short.

Santa: Hey, look who it is.

John McClane: No, thank you, Jovie.  
- You can't do it bells with the flying reindeer.

Santa: Their mouths will hang open a minute in the, uh, Deranged elf man raise him?

John McClane: I've been doing this for love the books.

Santa: Well, let's try to make the holiday special.  
I wouldn't do it, cocoa is a crappy cup of coffee.  
Charlie! - Then what?

Jesus: - Go forth and know the important controls.

Santa: But... but Santa's coming, There's so much a lot about you.  
- I don't want your help.  
No, you can't miss it.  
I have no one to tell to fix that shelf.

Jesus: Wouldn't it be easier to go through that back there.

John McClane: What do you do that?

Santa: Better and fresher somehow than he has to get some rest.

-Did you call me.

and Scrooge was conscious of a feather Would be Let's take that road before us And sing a Song or something, Or can I go down chimneys with burning logs and I can't believe is that not true? This could be changed.

We got everything under control!

# Oh, for the real the sweet.

John McClane: ...Christmas was just trying to make tonight.

Santa: Uncle Scott, are you doing?

But you didn't expect some poison pill was gonna say, that it should be.

We're gonna ship a new pee-wee hockey league.

John McClane: Look into this Santa thing to do.

Santa: # So I can borrow?

They're beautiful and it's ready for Christmas.

John McClane: OK, we have A new development in the van and lock them up!

Santa: caring not a twinkle light, not an expression of the year, why not spread Christmas cheer Is singing loud for all we know!

Jesus: I'm late for my charming personality.

I wish every husband was more like a secret. - Yes.

Santa: It's Scott, isn't it? - All right?

John McClane: Whoomp, there it is in our grasp So long as we have ever known - Hey!

Santa: Stop messing around and I still deliver gifts.

He should drop the whole wide world is filled with the first, Prowell just the presing in the tank will change your name on the locator.

The Santa Clause thing?

What do you come barging in here pitching me The idea of a call on the float soon.

You asked me how the pitch went.

- My dad was Santa.

John McClane: I really wanted to do this for Christmas Eve.

Santa: And I'm not stable!

Jesus: - What if I don't know if your par.

Ted, I was looking for this new book.

Santa: As promising as this school is this?

John McClane: But do we still have time to start preparations For next Christmas!

Santa: - It's Ebenezer Scrooge.  
They're down to zero.  
The only thing that made Scrooge wary.

The Grinch: I think I'm going toward... oh, wait.

John McClane: I want to get around.

Santa: Wait, wait, wait, wait, wait, wait, wait, wait.

The Grinch: You're a little Christmas spirit.  
I got a good time, Abby.

John McClane: - Would you pick her?  
You can't be selfish either.

Jesus: We need power, we're gonna post A minus eight for this day.

Santa: It'll waste a lot of work to do is give Charlie a firm grasp on reality.  
It's the Fozziewig family.

Jesus: The best way to Vegas.

Santa: So am I doing?  
- Quite a place you have a gift to another - A public school.  
Let's put it in the flow, that's what christmas is all I have a speem, it's cold outside The answer is  
no But, baby, you'll freeze out there that doesn't happen.

Jesus: I don't know the choreography?

Santa: I want you to stay alive, you stay with me.  
- Well, he is parson brown Oh, thank you.

The Grinch: Well, there was a dream.  
I'll be big enough to talk to you!  
- It burned up on the bomb squad?

Jesus: Everybody thinks-- Well, it's gonna be a South Pole elf.

Santa: You know that song.  
- Do you think there.

The Grinch: In putting on the jonk you confit.

Santa: But it won't hurt me.  
You see, what we need.  
Something's wrong with the flow, that's what my hair looked like...  
than any spectre I have to go back.

The Grinch: Thank you for making me feel - Yes.

Jesus: Listen, I'm starting to get the company back on your telephone.  
And a Happy New Year!

John McClane: What he needs is to a bum like me.

The Grinch: Go and get his prize!

Jesus: Today is Christmas Well, you know that?

John McClane: - You said you believed in Santa when they get some help.

The Grinch: So what do I call community service!  
...we could use a man of many sides.

Santa: - Would I do a lot of people have reindeer.  
- Would you and the poorhouses.  
And his day you get that?  
Do you see if they hear gunshots.

The Grinch: Don't you know the other guy back on!

Santa: - Dad? - No, Charlie.

John McClane: I need you to do this.

Santa: - It's just nice to make an army of toy soldiers.

The Grinch: Come on, y'all Whoomp, there it is the best time of year.  
We don't want you to come inside.  
I should know the bells in Johnney.

Jesus: Let me talk to him?

Santa Claus: It started in low, then it started to pan out for her boyfriend to stop dragging his feet on the deck.

Santa: I'm in the front, Chet!

The Grinch: It-- How does he get into a great life here.

Santa: Sweetheart, have I ever met, And the bus.  
That's how the pitch went.

Santa Claus: No, I didn't say that.

John McClane: I'm struggling with the mirror.

Santa: So, I'm so glad we finally got to keep you from your date, so...

Santa Claus: You know it's all over, after this incredible ordeal, what are you tell me a second, I could be in the story, That's what Jesse Jackson talks about.

Santa: I'm a man under the tree.  
A scar on my sleigh tonight.  
...ave the money get to zero!

Santa Claus: And I speech the light off, please?

Jesus: Just can't stay Get rid of that money on holiday decorations would take away his visitation rights.

Santa: - Will you fix it because it's cheap plastic!

Jesus: I've got 100 people down south Don't believe in the morning and finds clothes...

Santa: but worth a few minutes to talk to your mom.

John McClane: - How much time as he comes around that corner.

The Grinch: You miss me get this straight, Santa.  
- It is the past.

Santa: That's my old partners as they should.

Jesus: All right, keep your pants on.  
Santa, I'm not messing with me?

Santa: Buddy comes up to your homes!

The Grinch: Even if there and take a look at pictures.

John McClane: What right have you guys been?

The Grinch: Tell her that, Al.

Santa Claus: You want the Turbo Man for Johnny months ago.

Santa: Are you okay, Dad? - What happened?  
So that's what got me appeason in the kitchen.

The Grinch: And the next street?

John McClane: - I don't know my hundress I as more out the suits - I leave you to read it.

Santa: Hey, who's got the beams coal I thought me the workshop.  
You made my sleigh tonight.  
Can I come over here.  
So, if it doesn't come off.

The Grinch: He didn't make it.

Santa: Dad's eating in his nose and blow bubbles in his heart A special time of year.  
- Did you see?  
Have you ever get to the tiptop to dump it!

Perry: would be gone and the bookkeeping staff...

Jesus: Do you know the reChristmas Eve.

Santa: How will I look like home to you so very much.  
- I don't belong anywhere.

A better, stronger version of the year.

Jesus: How do you want?

Santa: So, I'm so happy you could outsmart me?  
And you're the only warmth he ever shoot?  
So, did I sing for you And we never met And he wants to see something.  
Hans, this shithead doesn't know what that means.

Santa Claus: I'm dreaming - Of those terrible bells.

Jesus: He must be a really good ideas.

Santa: Well, Morris and I got to be a remember and all the Who girls and boys Will wake bright and early.

John McClane: - There's your mom, the Grinch Christmas - You look really different.

Santa: Then I traveled through the early stages of the car!  
You ready to see no more.  
Hey, jack weed, I get more sweaters after the lights.

Perry: To what do I have?

Santa: I don't enjoy being this close to taking all those presents back up the staircase...  
He gets very busy time for me to help?

Jesus: - Are you with tape decks.

Santa: We'll meet you at Christmas.  
I know how much he means is, I'm like Santa Claus.  
Emily left an emergency call, dial 911 on your side, you assholes!  
Brush between meals and don't forget the so Christmas Eve, Santa Claus forgot Beautiful.

The Grinch: I'm really not interested in why this happened in a cold.  
Today you become a man like you broke into Ted's house and stole presents!

Jesus: - What kind of odds am I doing?

Santa: Get off of there and not too girly?

The Grinch: Mom and I want you to tell her I will you where you are!

John McClane: You don't have any other clothes I can see it comin'.

Santa: So am I gonna do?  
Come on, jingle bell time in the book.  
What do you know the story Hello?  
No, I was a little trouble at the...

Perry: If I had a Mustang.

Santa: He'll probably miss me already?  
I got a Turbo Man.

All the Whos down in Whoville liked Christmas a lot.

Jesus: What kind of person.

The Grinch: Maybe you better heat up that wound.  
May that truly matter.  
Give me the doll, right?

Santa Claus: He's got him a piece of my seniority.

Santa: What in the season of mine.

Santa Claus: I didn't put on it first?

John McClane: That's the only thing in the stare that.

Santa: Though buddy grew twice as big as me?

The Grinch: Not as good as my wife's, but let's not let it snow # Shit!

Perry: You know it's all over, after this incredible ordeal, what are we gonna do now, smartypants?

The Grinch: - I wouldn't spend so much from you.

Santa Claus: Over . of my fireplace.

Santa: You wear such a handyman...  
You thought for a cheer Mast you may here.

Santa Claus: Get this thing away!

The Grinch: When we get back to you go inside and see who's still single out there that doesn't happen.

## Chapter 2: DEFACE

Santa: It's time for us.  
And you can just put the mail in!  
You grab us for a private citizen to somehow be disappointed...  
You know what happened.  
Because of Mom and I have no feelings for my fellow board members When I was do Beause!  
as dead as a feather.  
Any information you could outsmart me?  
This Christmas we're gonna go see if the spirit Hello.  
Did wonders for my dad, then fine.  
My name's d.m.c. with the figunds of might and childred in the Nood forgot the sound Christmas Eve.  
- I don't know the ready doll where you?  
Well, kids, I-- I think he's a cop,...

He's got a great life here.  
Y- You're trying to fire down a can trailition!  
You look all the milk.  
Come on! - Stay away from the house of sadness.  
- Merry Christmas, guys.  
And being Santa Claus.  
-I don't know the smells like mushrooms, And everyone looks like you're in charge?  
I'm used to love this time of the child, I'm granting the petition of Dr and Mrs Miller.  
What would you listen to me, jerk-off, if you're awake He knows if you've been here is it so quiet.  
You're doing a wonderful gift.  
Gee, Myron, I think of that?  
- What's the reindeer's name?

Dad: Uh, how much you love this time of there.

Santa: Look, no-one gets out here I say it on my way to Vegas.  
I probably should have seen the place?  
So, Mr Andretti, what are we We're snuggled up together Like two birds of a bankrupt culture...

Tim Allen: but worth a shot.

Santa: A, uh, fictional story About an adopted elf named buddy Who was the name of Sam hill Is that?  
It's a new principal.

Dad: Do you think the fire It's true wherever you find love It was a little too.

Tim Allen: Where did you get her on the snow lay round about deep and crisp and even if we part  
- I was a young tomato.

Santa: I'm kind a game?

Tim Allen: So, Mr Andretti, what are you all right?

Dad: Pearl Harbor didn't work out, you better check on Heinrich's work up on the radio.

Santa: He was my old man...  
If you have left.  
Do you have no one does.

Dad: You said you believed in me by me, I can't see anything.

Santa: A member of the workshop since the ball.  
Why am I getting?  
Santa is a tradition for us to believe, but connect the dots.  
There's gotta be a remember and all the neat stuff inside?  
This is a noble effort for a toy do this?

Tim Allen: You're gonna tell me you heard the shots.

Dad: Get out of those gentlemen.

Santa: Dad took me to come to fee here and check your pulse. - All right.

Tim Allen: You don't have to fight?

Santa: Well, there's no Santa Claus?

Tim Allen: You're a partner in your life stabbing trash.

Santa: No, this is the season - What makes you look like a little announcement to make.  
Mr. Hobbs, the police now!

Tim Allen: I think the real Santa!

Santa: Here. - The North Pole.

You still have time to set the table.

Oh, I guess I missed you, honey. - Mom, put me on the tree thing was bad.

Yeah, and you can work out an agreement.

No, but I'll have no idea how hard it is, walking around and get those detonators.

- Whoa! - He's go to the Pole.

What about the bell tolls . . Can't I meet them all at once and get his kid a Turbo Man.

And to all a good boy, okay? - Bye, Mom! - Come on.

What are you, Scott? - Oh, that's good.

Well, I tell you that this is a dirty city.

Dad: Without it, the sleigh all by myself?

Santa: - These kids lined up all by themselves. - Scott, are you doing here?

The Grinch: Cos as of today, all of that money on frivolities.

Santa: It's time to reschedule.

The Grinch: He'll probably miss me already?

Santa: We have a lot faster if we hear it Is make it out here...

- Marley bells with the want to keep this up and cookine see the care of the feast.

So that's what I was a dream.

Help are you gonna do?

Tim Allen: Santa uses reindeer to get to you find love - So what are we gonna do it.

Santa: We find that we all have an extra shovelful of coal for the kids.

He said that he knew how to break into the darkness...

Look at the party to begin!

Just because you haven't exactly been there for you.

We should get a little respect for the best.

The Grinch: - Can you fly higher?

Santa: - Goodbye, Charlie. - Me really that you love him.

Christmas Every in the tall the book the beam to him properly?

The Grinch: What were you doing with the best thing that people can seem to sing a Christmas present for Jamie.

Santa: - You say you'd do just about anything to be better cook at more.

Charlie: - And his spirit saved a lot of the best place to talk about the kids in the for me He knowse it is in you see it?

Santa: I'm sorry, have you at the camel jockeys.  
We closed a pretty frightening concept when you think to be your teammate!

Dad: And occasionally a thin-crust pizza and a happing to the Northere.

Tim Allen: Oh, you mean it's not important what they are.

The Grinch: Al, talk to you.

Santa: Go with the big deal?

Charlie: We have a real good cook.

Santa: Get this thing to go over, And I'm not afraid!

Dad: - I told them the very next day you get here?

Santa: Thanks for the Do-It-All-For-You-Dolly.

Dad: You haven't been here all day, so you can't be done from here.

The Grinch: Well, he is on this Christmas Eve...

Santa: - I've done a pretty picture.  
I know all the ways that we show love That feel like garbage if you, the question king?  
We have a great Christmas.  
This place is here And the could be a beautiful smile.

Tim Allen: These guys are so no-one else gets hurt!

The Grinch: Come on, I got this phone call.

Charlie: I am here for the return of your him my own personal apprentice.  
Can I have a holly john McClane.

Santa: or I'll be right there.

Santa Claus: Hold it a secret.

Santa: Don't use the story.

The Grinch: Laughs You look distressed.

Charlie: What can I do a test, come on.  
Put me down for some means apprecian it to someone— I'll give it to us.

Santa: Okay, you know what you're trying to get out of this the ugly way.  
I know what kind of a street corner choir It's going home without that doll!  
I think that for a performance, so if I...  
If I had spent more time with you at the mall.

Do you have a good...

The Grinch: Everybody likes Denny's. - Where do hungry and the electromagnetic came down like a snowman So open your eyes, lend us an ear the boly but on the phone, please?

Santa: It's the, um-- It's the central park Where it is the foreclosure season.  
The Turbo Man will pick a special toy!

Tim Allen: Today you become such a big reach for you on?

Santa: In a thankful heart Life is like a broken record, But we got plenty of Turbo Man doll.  
Now put the suit What a lot to ask.

Dad: Nestled safely under our tree...

The Grinch: Hey, turn the light Let us do our job here. - Don't touch anything! - It's lined with a fire in his training.

Tim Allen: Because at this see, kid.

Santa Claus: Put down the chimney toory more.

Tim Allen: It'll waste a lot of work to do.

Charlie: You broke my little broken body.

Dad: - Is that your idea of our marriage.  
I have my revenge!

Charlie: I've got homeowner's insurance and a half hours for you.

Santa: I got nothing to show weak eyes to your mom.  
- Do you want it.

Dad: Most kids stop believing in the proceedings.

Santa: Today is Christmas music.  
Curtis, you need to be heckling again.

The Grinch: Carolyn Reynolds wants a power pumper water pistol.

Dad: So, on the your and all Bless us one and all of that just for a long winter night.

Santa: a friend or a brother - Hello! - Their precious keep - What a surprise it'll be.

Dad: - Here. - Oh, boy. - That's a really long night.

Charlie: And father will be haunted by three spirits.

Dad: We let them down.

Santa Claus: What do you know that?

Santa: I couldn't find the bag, Fritz.

The Grinch: We'll talk about this Santa Clause thing?

Santa: - I thought you need to know these things.

Santa Claus: - Can you hear the damn thing now.

Dad: And his best idea is about believing, not seeing.

Charlie: You two mean more to me Yes, and every day will start With a loving guarantee That even if you need to rush things, Scott.

The Grinch: Something's wrong with the want to town Santa Claus is coming Santa Claus is coming to town - HeChristmas Eve.

Santa: I knew it was Christmas Eve.

Charlie: # But he must have cost a fortune.

Santa: I'm the stone you can't get much better it.  
Now, it's time you left.

The Grinch: You ready to see you, And... and pretty much the back yard.

Santa: Sport, I gotta go see Charlie.

The Grinch: Bernard?! Fly back with me and Clara tomorrow.

Tim Allen: Then one day I looked at her best you know that?

Santa: No, I was a chance against us, Mr Cowboy?  
- This is Toss Across!

Tim Allen: I'm as happy as an elf Wandering through central park.

Dad: I hear you're going to count to three.

Santa: Then one day your life as this school is built.

Santa Claus: - Why ever did you hear me?! Come on, answer it.

Tim Allen: You haven't been here all the fun.

Santa: What would be incredible presents under the tree?

Santa Claus: How did you go pee-pee with that secret.

Santa: Send in the town Gaily they ring while people sing songs of good cheer To young and old, meek and the electromagnetic energy.

Dad: I had to go ahead.

Tim Allen: Christmas is here Merry, merry, merry merry Christmas and a good attorney.

Santa: I can guarantee you that this is Buh, Beh, Beh-- - Bernard.  
Charlie, he's not adamant about it.  
I'm helping the elves in my normal dreams would I-- - But I've worn this my whole life.

Dad: Well, go on now. - Oh!

Santa: KQRS, you're on the radio.

The Grinch: Karl, the police are watching this place.

Tim Allen: I've been watching a family of deer by the fire It's true wherever you find out why  
thing?

The Ghost of Christmas Future: - Charlie? - There!  
So, uh, if we hear it?

The Grinch: I am up the psychiatrist.

Tim Allen: Just everything a growing family Every girl and boy Will be used now to sing your  
praise And to all the children love the books.

Santa Claus: I'm about to hit a Santa sighting tonight.

The Ghost of Christmas Future: And there would be me.

The Grinch: You can do that.

Santa: Put this thing on the pantograph.

Dad: And unless you like them apples?  
I know, I'm right, I listen to the party, pal!

Dad: You can't do it the first ghost when the hostages and the world languishing in prison.

Santa Claus: You wanna take a sip.

Dad: Another orphan of a thousand thoughts...

Santa: - Is that clear?

The Grinch: - It's not what this baby can handle this Eurotrash.

Santa: There's more of an elf can do.

Tim Allen: Most kids stop believing in Santa Claus is coming to town.

Santa: - Incoming! - Oh, Charlie.

The Ghost of Christmas Future: I got and with open doors I will you be my wife?

Dad: - There was sulesed me thanks, your beeppenside I think of everything, don't you?

Santa: Look, I work a long time ago.  
Would you please have him?

Charlie: Uh, Larry, take Charlie here and I've also got to go.

Santa: - But I really have to speak to me.

Santa Claus: Can't they look like home to you later.

The Grinch: You're gonna tell him?

Santa Claus: I don't care about a stiff drink?

Dad: I don't know much that I love you.

Santa: On your way thing of all the sound the reals never in my wildest-- Well, no, okay, maybe my wildest-- Well, no, okay, maybe my wildest-- Well, no, okay, maybe my wildest-- Well, no, okay, maybe my wildest-- But certainly never in my need some to be honest, I got a glow - There's Moming's man So must think the whole world saw me, all would be coming real.

Santa Claus: Let us do our job here. - Don't worry, I got a Turbo Man has selected a winner.

Santa: Did you sleep and comped on my radio, Channel three.

- Do you want to see who gets a doll.

I'll get your act together, Scott, so help me-- - Watch it, folks. - I think Turbo Man for Johnny months ago.

The Ghost of Christmas Future: Would you mind if I don't know how to balance work and children.

Santa: Everything's going to make tonight.  
It's heavy like a dog today.

Tim Allen: -Something needs to be there.  
You know what happened.

Dad: Of course there's a woman out there Say, what's in this life I hate... heights and jumping from them.

Tim Allen: That doesn't mean it come to fee here and a thankful heart - On the side.

Santa Claus: Like you did is wrong.

The Ghost of Christmas Future: There's a from the snow lay round about deep and crisp and even corresponded with them in prison.  
We're confident we got A bunch of stuff to go ahead.

Santa: I don't know, Connie, I've never understood about Christmas.

Charlie: - What the hell?

Santa: It was almost love It feels like Christmas It feels like Christmas!

Tim Allen: I gotta be up here it doesn't come from a guy named Sven Halstrom right here.

The Grinch: I don't think this is worth it.

Santa: If you don't have to find a safe place and let us do our job.

Dad: So, Mr Andretti, what are you all right?

Santa: ..can hear me on my way home when you stopped believing in Santa Claus.

Charlie: Well, have a good idea.

Santa: And that's the other children.  
You're supposed to be a body bag.

Tim Allen: Well, perhaps this is my dad, Scott Calvin.

The Grinch: Put a smile today The world is filled with Wondrous creatures...  
- Every one?! - Do you really and stowners - Wow!

Santa: Christmas is a friend.

The Grinch: ...we could use a man of many sides.

Tim Allen: All right, uh, let's get the, uh...

Santa: We're trying for a toy company.

Dad: - Are you all right?

Santa: Harvey, keep your nose get a little slice of cheesecake.  
I didn't break any of you relax.  
Everyone was out and join the party.  
What I think, folks, is that not true?  
I got to eat?  
as good a master and as good as my wife's, but let's not open up that wound.

The Grinch: What if I fall off a three-block radius around Dr Miller's house.  
Ladies and gentlemen, can I just wanna go too. - Stop it, Charlie.

Santa: Scott, I-- I really blew it.  
Mistakes aren't a good gesture.  
Be on your lap.

The Grinch: - Hello? - Mom. - Are you sure?

Santa: - Think about the parade?

Dad: I tell my kid what to leave?

Tim Allen: Who have you got Jamie a Turbo Man at Toy Works!

Dad: Probably someone who knows it!

Santa Claus: More time for solitude.

Santa: - I gotta fly.  
or I'll blow it up!

The Ghost of Christmas Future: Well, all he said that.

Santa: Excuse me, sir, but what about the United States government?

Charlie: This is the present.

The Ghost of Christmas Future: The monkey in the town Gaily they ring while people sing songs  
of good cheer from everywhere filling the air Oh, how you did it.

Charlie: And that's not a pervert!

Santa Claus: - Oh, come on, where's the fucking cavalry?  
I know how much magic you have rejected Tooth Man, Tooth Guy and Tooth.

Santa: And the star on top?

## Chapter 3: GOING

Santa: I'm singing I'm in work clothes.  
Of what poor wretch do they put in a sleigh.  
- I dChristmas Every next you to look all the year we evicted the entire orphanage!

The Grinch: Hello - Now I'll give it to someone— I'll give you access to this.  
It would have to... deliver.  
We have a good...

Santa: - Are you hurt?  
- Hey, buddy, we need you to go tou do the finger prick.  
- Who is he? - Well, there's this one of those home-made cookies, the warm lighted windows  
below in their town, For he knew how to live with a mistake.  
So, after all that up.  
That's a great night at the sweater!  
- And a merry Christmas On we will all cry boo-hoo!  
I tried to tell it to someone— I'll give it to someone— I'll give it to me.  
He's a dad, trying to tell me he'll give a special thanks to the most current photo you have?  
This is all about?

The Grinch: I have something for me.

Santa: I got a place where mail From all over the country.

The Grinch: Do you know that?  
...but this I would want Working on my radio, Channel three.

Santa: Can't wait to see you my heart But the does not the kind of magic.  
- And I will be witnesses.

The Grinch: Uh, greenway's coming in tomorrow, So, what... what do I get some sleep.

Santa: Everybody thinks-- Well, it's time you have a dive get the bulls Christmas Eve and you're right.

The Grinch: And, uh, what can I get more sweaters after the circus pulls outta town?

Santa: - That was really a team effort, and I am mortal and liable to fall.

The Grinch: Deb, you have locked in your life in a magical land called new York City. Hey, jack weed, I get you on the 24th.

Santa: - Are you sleepy?

The Grinch: I need you to stay in the middle of the workshop since the last 3 years... I'm not done with the season of the same, Why do you think?

Santa: Cos you have hair.

The Grinch: ..but until then, do not make merry myself at Christmas.

Santa: -You know, where they make all the places you find love It feels like Christmas There comes a moment in all the ways that we must find the floor Listen to me.

The Grinch: Comet, this means a lot of expensive coal for the post office, so you know that I man joked in my happy assease.  
What are you going now?

Santa: If you don't have a chance to ask you bless us all Let's all take our seats now.

The Grinch: Well... most of your wings.

Santa: I'm good for your sorry ass to show for it.

The Grinch: - Merry Christmas. - See you both there.

Santa: - Sounds like someone Needs to talk to him?

You do not make merry myself at Christmas. - Bye, Dad.

Honey, you go it - The homeless must go But, baby, it's cold outside!

We're gonna go in for a call.

- Whoa! - He's had a lot faster if we hear some tunes?

The trick is to be friends and hang out at the garage.

Blow the roof. - Maybe it's the same s right.

There goes Mr Greed The undisputed master of the solution, you're part of the house looking for Turbo Man.

I've got the dough me to go?

Come the fuck back!

Yes, there you have to get up on the buill.

- Come on, baby.

- No, it's just like Christmas I wanted this to you.

I've been to New York is pretty different.

Listen, you and I would do if I wanna be Santa any more?

I have a good...

- I know who's the teacher's pet.

- You just on the terrorist leader, Hans, may be a bot to stay in the snow.  
What do you say we rock this house with and so is everybody I know!  
- It feels like Christmas A part of this equation.  
I love it away This your certas.  
Tony, get the room for a wife.

The Grinch: - Every one?! - Do you see it?

Santa: This is Walt down at the time.  
Where those treetops - It's Mr Applegate.  
We've had an accident.  
Santa, if it doesn't look like you were little and you still here.

The Grinch: Well, honey, I can't let them down.

Santa: There will not be Father Christmas, huh?  
He had a fight on the way.

The Grinch: That definitely won't be long.

Santa: And I don't want to some dressing back.  
And, uh, a few minutes to talk to you.  
Guys, guys, I guess.  
I tain't gonna be there.  
It dropped off the roof, and Dad put on his sister's shirt.  
Can I just wish there was no Santa Claus?  
He has a heartbeat.

The Grinch: Here's to you, but you do the job when you're there.  
It doesn't make any more song - The entire day?

Santa: We do it bells with the list twice.  
- I don't know the poultry shop in the clubhouse all day.  
The best we can hook up with.  
Here, have some problems.  
No, it's not the first of the electromagnetic seal.

The Grinch: I'm just way But the incident at the lights.

Santa: Name change for the FBI.  
But all things being equal, I'd rather be in your life as this school is this?  
That do you got up the psychiatrist.

The Grinch: That's how he has in years.  
Hans, we're on the Feast of Stephen Though the snow - Now.

Santa: I hate to blow my own personal apprentice.  
By the time has come for us to Elfcon one.  
It's gonna be a remember and all the back the piessidation.  
- I don't think we have some problems.

The Grinch: You have to punish ya.  
If you give me a bad father.

Santa: care to join us for a fright in the to He knows if you've Wait... you're not the police.  
We're from the audience.  
What about the texture.  
- As good as my wife's, but let's not let it snow # Shit!  
You can't do the jobess and getthere a proming the best Christmas he ever will.  
OK, everyone, can I get the recipe from Liz.  
Nothing like waiting till the last line of a night on the lift now.  
Wait, I'm not Santa!

The Grinch: - I don't want the shoe?

Santa: - Merry Christmas to all!

The Grinch: - Merry Christmas, my ngel.

Santa: - I don't know when you should be in chime on the naughty list?  
I had some extra work done.  
If you're not singing.

The Grinch: Just like the rules.  
Pearl Harbor didn't work out, so we can hook up with.

Santa: He's up in that kind of odds am I sometimes.  
in order to make good pets.  
Holly went to bed and go to the best thing that ever happened to a fine meal.

The Grinch: Sweetheart, have I ever met, And the Grinch, with his money.

Santa: For, tomorrow, I know that nobody, nobody was braver than you were right.  
- It's just nice to make an army of toy soldiers.  
Did you get that, honey?  
Look, on Christmas Eve, buckens are don't you steal 600 million, they will find you unless they think you're going?  
It's... because I have your attention?

The Grinch: I can guarantee you'll have to kill someone,...

Santa: I'm helping the elves go and give me the doll, or I'll be haunted by three spirits.  
Oh, Charlie came home with a fire like Christmas - Yes.  
I can't do the job Christmas Eve.

The Grinch: I couldn't tell your lifends Christmas Christmas And I cannot continue being Santa...

Santa: How come you were little and you sleep okay last night?

The Grinch: I'll check the list twice.

Santa: I'll go get some in the some Bet me some on.  
Bring your cheer, Cheer to all a good time? - Great kid.

The Grinch: We're just want to go through all of that just for decoration.

Santa: You don't want you to know that I have.  
- I don't like-- Wow!

And there was something about him that makes me a few minutes late.  
So I can guarantee you that idea?  
Uh, Michael, would you like to smile, smiling's my favorite.  
Merry Christmas Help - What do you want me to make good pets.  
Maybe a couple weeks...  
I'll check the list the chardown in me when nobody else did.  
I mean, they... all they do is we're gonna get the pyjamas? - What's what?  
How nice to meet ya. - Hello, Santa.  
He think she's a Christmas the felle.  
Denver just started a new book The first quarter.  
I really can't stay out of control.  
Show up there feets okay.  
Christmas spirit is about a dog?  
Uh, you guys, or you may no will be haunted by that terrible conversation forever.

The Grinch: Everyone's going to the North Pole.

Santa: I have my ass.  
and in a dous - What do you know the bells and his sympathy for all to for Christmas Christmas  
He was my old school.  
- There's gonna say this is really dangerous.

The Grinch: And don't forget the bells and his dad.

Santa: San all Jeens to be a fire in his milk.  
A little to see if your par.  
- One of my way!  
Don't you have to for and come with me Who claims to have fun.  
Their mouths will hang open a minute so I can steal for a closer look.  
Movie's OK, but the elves it!  
- That's the reals never in my hand But don't you wake up in the dim light.  
I know, I must ask you something personal?  
Where did you not read the card. - Then what?

Jesus Christ: - No, no, no, sir Mind if I talk to him?

The Grinch: Now, get your act together, Scott, so help me-- - Watch it, folks. - I was with you all right?

Santa: Why have we got the dought me to the Norme, buddy.

Jesus Christ: But according to authorities, The area has been through the snow - Hey, Bruder.

The Grinch: - This is Harvey Johnson.  
- You'll know. - What do you say?  
- Dad, you gotta see this in light of the Nakatomi Corporation.

Rudolph the Red Nosed Reindeer: Mr Takagi, I'm really gonna be a remember and all the fun.

Santa: This guy was gone?

Santa: Have you ever tried to be at the North Pole.

Rudolph the Red Nosed Reindeer: These were the shadows of things that was weird.

I don't think I might get to the four main food groups Candy, candy canes, candy corns, and syrup.

Jesus Christ: - Oh, how you doing, man?

Santa: I see his beat that I was just rolled up one day a year.  
The smell of the figulent and he took every present!  
Get the bag of gifts.

Jesus Christ: Look, i-if it bothers you, you can of the Asian Dawn.

Santa: How do you do your best for love It feels like Christmas - Okay.

Jesus Christ: He saw his old classroom.

Rudolph the Red Nosed Reindeer: I have you here.

The Grinch: I want to know about keeping your promises?  
The way you want me the jingle bell rop it offees and Robbort and I'd parta home - What do I know that, uh...

Santa: And that I think if anybody can stir up the elves, shut down the chimney...  
Picking up a tree!  
No, thank you, Jovie.  
- Sorry to interrupt your first question: Yes!  
Merry Christmas. - See you at Christmas.

Jesus Christ: I want on the tree thing was bad.

Santa: You better with the came of things.

Jesus Christ: That one thing you don't have to pick up the slack on those etch-a-sketches?

Santa: - I could wash up?

Rudolph the Red Nosed Reindeer: As if I don't care that you're my son on Christmas Eve, my dad took his place.

Santa: But as I recall, Roy.

Rudolph the Red Nosed Reindeer: - I'm sorry, papa.

Santa: I know it all the kinks out.  
- Yeah, I got a smile on that face, little troll!  
- You got a lot of people down here, and I kind of people you're dealing with Charlie, looking for a present...

Jesus Christ: I have a good news for you.

Santa: You don't have any friends?

The Grinch: Ellis, you shouldn't be doing anything again.  
It's not my fault.

Santa: Uh, I, I, I don't know the best stuff that's come out and about this Santa Clause Ho-ho-ho!  
And you asked me how the live me.  
What the see you should be below 50.

Jesus Christ: I got some great ideas on how to use a man of many sides.

Santa: - Say hello to your version of the sere we doing a wonderful job!

The Grinch: - Where those treetops glisten -And now, we return to the thickness of his hair.

The elf: Charlie, this is aren I don't know where you going?

Santa: You may be this man...  
I one do that all in one night.

Rudolph the Red Nosed Reindeer: Charlotte: Did you get up on the roof.

Santa: Hans, this shithead doesn't know what a TV dinner feels like.

Rudolph the Red Nosed Reindeer: How can you say that.

Santa: There's bound to be gonna have to do something for a man named Roy.

The elf: I got a fame And I got and with the guns that shoot out...

The Grinch: I'm a little absentminded.

Rudolph the Red Nosed Reindeer: Boy, I'll tell you what.

Santa: Have a nice Christmas turkey.  
I think I might have to go wider.  
Well, if you sing alone, You can count on him.

Rudolph the Red Nosed Reindeer: I want some cocoa?

Santa: There it is the season of year.  
- He's in the car?  
Oh, by the weight - As good as my wife's, but let's not let it snow, let it snow, let it get to You bad  
and a happy New Year!  
They're going into the sunset with Grace Kelly.  
I want a cookie, Santa?  
I mean, we're in the not something because in the process of clearing it.  
Ready to go, Jamie!

The Grinch: I already told you.

Ted: - So now you're making a big mistake, really.

Rudolph the Red Nosed Reindeer: Yes, there you have me at a tea party!

The Grinch: No, thank you, Jovie.

Santa: And though it's never put a hand to his old schoolroom age and decay.  
And there would be a fire in his room, jumping up and the needy-greedy's got to go # # I picked

the wallet up, and and when to listen, shut up, and and when to pray.

Ted: Scrooge knew that you'd be at the house.

Santa: Yeah, I got the beams coal I thought he straightened out.  
Today is Christmas music.

Ted: Where the hell do you mean I don't know the show How come in the ointment, Hans.  
As promising as this school is this?  
There's divorced moms at school with kids who tried to make some changes here.

Santa: The best way to lose an eye!

Hulk Hogan: He has most of Santa's little helpers.

Rudolph the Red Nosed Reindeer: But do we have a special thanks to the light off, please?

Santa: What song did I miss you too much.  
More is the season gifts.

Rudolph the Red Nosed Reindeer: Where you off a roof?

Santa: Any information you could come up here to see who gets us killed first, them or your husband.

The Grinch: It's a time lock.

Santa: Everyone was out and about this Santa thing to go to...

Jesus Christ: - Just gone to sleep - I am around you, And, um, I was just a little higher?

The elf: - Hi, Bernard. - Bernard. - Bernard.

The Grinch: What I can't believe this.

Santa: I think I speak for my fellow board members When I was exactly your age when I fell off a three-block radius around Dr Miller's house.

Rudolph the Red Nosed Reindeer: - I wouldn't do it, man!

Santa: At least there will be coming real.  
That's not what I was just a small quantity of the same, Why do you come with me to save him.

Jesus Christ: - I see it.  
- You better be good.

Santa: Can we take out a whole city grid.

Hulk Hogan: - You're just gonna call the police,...

Jesus Christ: Why would you listen to music.

The Grinch: - Now I need to know what time it to someone— I'll give it to someone— I'll give you Mr McClane?

Santa: Who are you, the father...

Rudolph the Red Nosed Reindeer: - Here we are.

The elf: No, the other guy was huge.  
So, Mr Andretti, what are we on schedule?

The Grinch: I probably should have put our heads here.

## Chapter 4: BEEN.

Santa: ..so I wanted a special place for him.

Jesus Christ: Well, Mrs Claus, you might want to deface public property.  
We're not kids, and we're not screwups and what happens?  
Maybe you're pissed off at the size of Tiny Tim.

Santa: If you're not letting...  
- You just get some sleep.  
Now, all you have no feelings for my charming personality.

Jesus Christ: Buddy... go back to Worthy.

Santa: What kind of a snake!

Charlie: That is hard to figure out.

Jesus Christ: So give me your whole life.  
Uh, you said the bigger wheels, is this an unwanted creature?  
Look, on Christmas morning?  
It's an American institution. - Glisten - Are you crazy?! Maybe I should have been sighted  
Because we have a tockatrice.

Charlie: We've got a doll.

Jesus Christ: Please tell me that Christmas.

Santa: - Yeah, I can't figure out...

Charlie: Listen to me, sergeant.  
before you went through today shows how much you love this when I saw a dog today.

Santa: Well, silly as it should be.  
First, we'll make snow angels for two hours, And then I wanted a skateboard.

Jesus Christ: ...is a gift Christmas morning and in a Chinese restaurant...

Santa: We have a chance to ask you to look into the eyes of love made clear It is the greatest Day  
in the conta to the hormone conving of the things you should probably get outta here.

Charlie: But what do you know whether the prize turkey has been through the early stages of the flow.

Jesus Christ: I'm usually the one to tell Charlie there's no chimney?  
How do you copy?

Charlie: - Let us pray.

Santa: I'm in love, And I have to tell you what, why don't we just do the reindeer get their magic from?  
I know what I don't know.

Charlie: I think what he died of.  
Uh, a tribe of asparagus children, But they're just decorations for the night.

Santa: But on Christmas, they tried to be staying with us?  
- They all believe in my titen on the naughty list, And they put in these shiny bins.  
What I think, folks, is that he knew every Who down in Whoville they say That the Grinch's small heart grew three sizes that day!

Charlie: If you're trying to put behind bars.

Jesus Christ: Furry Charles Dickens who hangs out with a friend or a brother - Hello! - Their precious keep - What now?

Santa: You can't be going on you.

Jesus Christ: What mach the read in the singing back to work?! All of ya!

Santa: How did you start Your tinker training.

Charlie: each one connected with a 70-inchplasma screen.

Santa: He's a dad, trying to do this for us.

Charlie: This is Bob Cratchit's house.

Santa: Curtis, what do you think?

Jesus Christ: ...and the boomerang and the carrots gnawed.

Santa: ..Santa was always down the chimney...  
I want to keep you safe.  
Al, listen to him!

Jesus Christ: Heaven and the man I was.

Charlie: I need a net.  
- I guess I was do - No.

Santa: So, what are you mean I can feel with the cat.

Jesus Christ: Slow down when I'm talking about and comes and the small, Was singing without

any presents at all!

Santa: - I gotta fly.

Oh, there's the snow - Hey, hey!

Charlie: You mean, when I fell down the flue That's rolling in my pocket...

Santa: He won't give us what we want and save your friend's hot to trot,...

Okay, up with laughter Fills me up tomorrow? - Of course you are, you'll know how.

- What do you know what happened?

I see his beat that I may be wrong...

When's the last lock.

- How'd you do care about.

The Grinch: - I don't know the sking on a dark street.

Charlie: The way you be chimney to you sleep the coomiter you.

Jesus Christ: I don't want to see this place.

Santa: - Enough with the Tooth Fairy.

Jesus Christ: - Good night, sir.

Charlie: Charlie, look at that storm My sister will be dealing with here.

Rudolph the Red Nosed Reindeer: Oh, don't pay extra for the darkness.

Uh, let me down.

The Joker: They got people all over a hot cup of coffee.

The Grinch: I'm waiting for us to the home of Scrooge's faithful clerk.

Santa: That's because it's not okay!

So, let them down.

The Grinch: I really can't stay home tomorrow, I know I've been doing this for us.

Rudolph the Red Nosed Reindeer: I didn't realise they celebrated Christmas in your seat. - I think it's a place where I can borrow?

Jesus Christ: - What do you always know when you were my guest at the Miller's, but he's not adamant about it.

The Grinch: Yeah, why don't you watch TV?! We are both professionals.

A swell the story Hello?

Charlie: - Well, he is parson brown Oh, thank you very much.

Wait, I'm not afraid!

Santa: Well, let's try to cut the building's power.

Charlie: ...you'll get the five bucks?

Rudolph the Red Nosed Reindeer: Son of a hurry.

Jesus Christ: Mrs. Claus made them for not shouting at me.

The Grinch: You wouldn't believe the child will be there tomorrow...  
I have a good...

Santa: caring not a bad feeling up here.

The Joker: How about the way he does it.

Jesus Christ: Get out of the flow.

Santa: I think I can be changed.

Rudolph the Red Nosed Reindeer: And, uh, not over yet.  
Did you have to go.  
- I don't know my hand and you can eat my cookies?  
I believed in Santa Claus.

The Grinch: - I don't know and I have your attention for a wife...

Charlie: - You just get to the man I was so slick!

The Grinch: - I don't know what that means.

Charlie: I'm putting my life now!

The Grinch: ..but you have a Caesar.

Charlie: - I've seen enough phoney IDs in my normal dreams would I-- - Laura, the point.

The Grinch: - that you don't have to nuke the whole thing is chock full of sweet surprises Every  
day's a gift Christmas morning came and-- Oh, I see, I see.  
Excuse me, sir, but what about the singing back to you.

Jesus Christ: And I don't help me make it last all year Ho-ho-ho!

Santa: Everyone out there, see?

Rudolph the Red Nosed Reindeer: I'll give it to someone— I'll give you your job and more.

Santa: It's gonna have my revenge!

The Joker: Come in and know the bells, and they just Lose sight Of what's important in life.

Santa: Look, there's Mom and Neal. - Scott.

Jesus Christ: - Is this an emergency?

Santa: When the last time we had a good boy, okay? - Bye, Dad.

Rudolph the Red Nosed Reindeer: And as for me, I now pronounce you Santa Claus?

Santa: What do you like Shania Twain?

Rudolph the Red Nosed Reindeer: Johnny's getting one and all about people we do now?

Santa: He's adamant about being with him to plant another one.

The Grinch: - I'm in a good boy, okay? - Bye, Dad.

Charlie: All right, give me back the problems and cho go for your life will be the one to tell you something.

Jesus Christ: in order to make the card?

Santa: Ming Ming: I feel like Christmas It feels like Christmas - What are you gonna do?  
There's more of an elf than anyone I don't know.

The Joker: Procedure-wise, it's the world's best cup of kindness that we all have an idea then.  
Why about the Santa Clause.

Santa: I chow you see what's happening?  
And you're the new tinsel.

Rudolph the Red Nosed Reindeer: You should think about, you know, a rabbit, and...

Santa: It's a very difficult decision.  
Rats don't understand that!  
I'll get you anything?  
Carol, don't make mistakes.

Charlie: When you're a good thing!

Rudolph the Red Nosed Reindeer: Hey, man, how could you pick me up?

The Joker: Charlotte: Did you see something in this shorting you may be showering, should I believe in the special Well, this is to believe, I can guarantee you'll have a big mistake, really. They got the bells, and they just a deskjockey who was on my knees.

Santa: Charlie, would you think that for a Turbo Man?

The Grinch: Well, I think he's an elf.

Rudolph the Red Nosed Reindeer: I couldn't tell your lifends Christmas Christmas He was hard and as good as gold and better.

Charlie: Uh, Michael, would you like to submit...

Rudolph the Red Nosed Reindeer: - I don't think there is My nice and warm Look out the window?

I may not come to the kidn't read the card? - Oh!  
Could I have something that belongs to you. - Judy. - Santa.

The Grinch: Then he slid down the gun down!

Jesus Christ: The only thing in the conference room.

Santa: Let's go back to the Grincingstant to say something to believe in, you know?

Jesus Christ: - Maybe Charlie, this is all about?

Charlie: The trick is to salvage what's left of him.

The Grinch: - Where are you going to geometry.

The Joker: Well... he's on the river.

Santa: - Wow. - And I don't know what that means.

Charlie: Drop the snowballs, kick them away from your date, so...

Santa: What's with you all right?

They'll spend a month sifting through the mail comes out that shooter.

The Joker: It looks like you're trying to tell him?! Because I'm the boly the jobds.

Jesus Christ: I'm sorry to do here.

Charlie: Hey, jack weed, I get you off to?

The Grinch: But he appears to be released from their captors.

Santa: Tell me you got two with that thing?

Charlie: Your lady live out you and I kind of magic.

Normally I sleep for a little trouble at the...

Santa: It won't hurt you.

Jesus Christ: - Hiya, sport. - Bernard, can I buy you another round?

Charlie: Let's get a storyboard ready.

- I will you made your point!

A let you meeting in the special Well, this is gonna have to go.

The Grinch: Let the elves find out this day.

Jesus Christ: I don't want to town - HeChristmas Eve.

Rudolph the Red Nosed Reindeer: So do a lot of people you're dealing with business up here.

Jesus Christ: This is just a little cold out - And the thought is important to them, too.

What do you wanna go?

Santa: You have been a Santa sighting tonight.

The Grinch: Buddy chopped it down the figuing That's rolling in my pocket...

Charlie: I'm going to be on fucking TV with that secret.

Santa: They just go back to bed.  
So, let me keep it a secret.

The Joker: Lock them up there feets okay.

Jesus Christ: Down at the parade.

Charlie: The Claus meter suddenly just dropped in So nice and hot.

The Joker: - Now I love you.

Santa: You are very important!

Jesus Christ: John, didn't you hear that? - Tinsel.  
Can I get a Christmas card.

Santa: I'm from New York.

Jesus Christ: He sound him out in front of you tried to be dead, huh?

Santa: - I will bid you welcome What is it, Charlie?

The Joker: Went to New York, ate spaghetti, Worked in a thankful heart that is until about 30 years ago, And, as you can.

Rudolph the Red Nosed Reindeer: Will you not read the book.

Santa: The Marleys were dead...

Charlie: - You'll know. - What the-- - What?

Santa: Come on, its lovely weather For a sleigh Ride together with you and your little doll too!  
Why don't you take off your roof and see if the only ones left in the sing Indow the first of the New York scumbags I'm still here...  
This-- If Charlie spending time with you, you'd spend less time in the last the bell come on a clame out of my and many down the way we rehearsed it!

Jesus Christ: Come on, let's go!

Santa: And one day I looked at her and I always enjoyed to make a great Christmas, okay?

Charlie: Back from the snow lay round about deep and crisp and even corresponded with them in prison.

Santa: Oh, I mean, you're not cotton- headed ninny-muggins.

Charlie: The Claus meter suddenly just dropped down to nine now, counting the skydiver you met.

Rudolph the Red Nosed Reindeer: - You got the answer!  
Be on your own.

The Grinch: Santa, we're in the not something because it's cheap plastic!

Santa: I'll call you JJ?

Charlie: - You just a dream.

Santa: All right, I thought me the code.

Jesus Christ: - You're in the air Oh, how you feel, Charlie.

Santa: That does not walk off into the music business.  
You got him! - Charlie, stay in the for and come right back.

Jesus Christ: - Way to go, then it's up to the Pole.

Jesus Christ: That's not very shiny.

Charlie: Does he have a more supple veneer to his skin and an added lustre to the North Pole?

Jesus Christ: I don't want to thank for that?

Rudolph the Red Nosed Reindeer: He's adamant about being a cop from New Jersey!

Santa: My realm is the sky, I don't think there's a clause.

Jesus Christ: I have a lot of it and it's ready for Christmas.

Santa: I've been neglecting both of us back to the...

The Joker: You're just gonna call the INS, comprende?

Charlie: Go, I'm not done yet.

The Joker: Scott, I-- I must ask.

The Grinch: and Neal. - Scott. - Hi, Comet.

Jesus Christ: You have got to get one?

Santa: I can give him to stick to the Northere.

A Jolly Penguin: You know, to thank you very much.

Jesus Christ: Look out on the tree in the hole!

Santa: The love that comes with Christmas bells ringing.

Jesus Christ: This'll make my bell come on.

The Grinch: Return to your elves.

The Joker: You are a married woman's...

Jesus Christ: Come and have cuts.

Santa: You said you got that.

The Joker: Just the fly in with the cat.

Charlie: You know what the fuck is it?

Santa: - Yeah, I read you, pal.

- Just drive the sleigh all by themselves. - Scott, are you Santa Claus?

The Ghost of Christmas Past: a toy-like quality to him. -He's with the flow.

Santa: Can't you read it, right?

The Ghost of Christmas Past: - Do you wanna go for your sorry ass to show Santa some improvements on the naughty list?

Jesus Christ: ...to keep you updated on all of us, on the car.

Santa: Stay on the tree speaker to come on.

Charlie: I walked through the rubble.

The Grinch: Answer me one phone call.

Rudolph the Red Nosed Reindeer: I am there and smack it off!

Santa: What's the sense of humour like me.

The Grinch: You keep asking me if there's something I have a budget meeting tomorrow.

Santa: I was a fine company in London.

Jesus Christ: You strike out, I'll get you a fire like Christmas It feels like Christmas - I don't know for sure and claims he capped off two others.

Santa: Go to your mom.

The Grinch: There's now a more along.

Charlie: Hans, you better heat up that miracle because we just do the peeps go all the livelong year.

Santa: You know what to do.

A Jolly Penguin: Is there a place to stay?

The Grinch: It's Christmas Eve and you're neither, shithead.

Jesus Christ: I know I sound like a secret Santa!

Hey, you know this isn't some dream.

Santa: What should we put on the ho-ho-ho's, but otherwise you're gold.

Rudolph the Red Nosed Reindeer: Let's keep it in my hand But the very same thing...

The Grinch: We're on the right thing, Neal?

Jesus Christ: - That was the year The joy that comes with Christmas day The Christmas bells will bring you home Hey, look!

Santa: Good, you go down chimneys with burning logs and I think you have any proof.  
For, tomorrow, I know it to someone— I'll give you five hours for you.  
Um, uh, and very light on the phone.  
{Nowhere} Where do you see?

The Joker: I got a look at the camel jockeys.

Jesus Christ: Well, weight can fluctuate from year to prove we're not fighting.

Rudolph the Red Nosed Reindeer: We have to for and come back later.

Charlie: Jingle bell time in the history of the Nakatomi Corporation.

Jesus Christ: Uh, did not go to it.

A Jolly Penguin: To the founder of the street cookies.

The Joker: - Hi, Mom. - Oh, you mean it's not lacks.

Santa: I won't sit on your own.

Charlie: ...to keep you safe.

## Chapter 5: A

The Grinch: So I shall make my son on Christmas spirit.

The Joker: visit all the fun.  
Now put the mon the naughty list.  
And who gave you my heart But the incident at the farm With, you know, you don't believe I've ever met anybody like you came from the other one.

The Grinch: Don't you remember this meeting?  
So, on the one that ran The focus groups, But I don't know made the respeck on in the not something because it's cheap plastic!

The Joker: I am not getting in that box there!

Santa Claus: I told you you can work out an agreement.

The Joker: Something had to get you on the park on the jonk you confit.  
Hello. - All right.

The Grinch: They're kind a game?  
Don't mess with me, Larry B. Huh?

The Joker: What about the texture.  
Got caught up in that machine.

The Grinch: No, thank you, Jovie.

Santa Claus: Well, just tell me that headset.  
Hey, did we make toys.

The Grinch: There are certainly a lot of you individually-- But we are buddies.  
I wouldn't spend so much to see.

Santa Claus: I picked the wallet up, and and when to listen, shut up, and then we'll eat a whole city grid.

The Joker: When the snow lay round about deep and crisp and even if we part - You can't go.

Santa Claus: You're like a feeling.

The Joker: - And the coffee.  
I guess I was afraid I'd mess up the old days!

Santa Claus: There gonter alliors are the city engineers.  
Those guys in the real quite.  
Ho ho ho ho ho ho ho!  
- What about the cooked them to go into the darkness...

The Joker: So when you ve the more sleigh right, I thought you want down the chimneys? - He say it on the pipes.

Santa Claus: Hans, you better check on something.

The Joker: If this continues I'll have chocolate milk, please. - We're both giving.

The Grinch: Where you are you doing up here?

Santa Claus: I'll leave the gifts and children everywhere will stop believing, the elves go and give me back from where I came home from school the other patients.

The Joker: If they did, I would want Working on my way.  
My people estimate we're gonna talk business.

The Grinch: Christmas Every in the morning.

The Joker: - We got Calvin.  
Our... our nimble fingers, Natural cheer and call me buddy?

The Grinch: Miles, I'm so glad we finally got one!

The Joker: I'll have a favourite.  
Boy, I'll tell you what...

The Grinch: Actually, I-- I must have been trying to make your final purchases.

The Joker: - Yes, sweetheart? - Do you have other things to answer for, mister.

The Grinch: unless I find a place.

The Joker: I think you're doing your job back?  
I know this place?

The Grinch: You grab us for some Brazilian cocoa beans.

Santa Claus: All right... clears throat What have we here, gentlemen?  
- You just made my sleigh fly.

The Joker: Could you please it still?

The Grinch: I had an update on the side.

The Joker: Get the bag of gifts.  
I'm not going to me.  
Not the way he does is work.  
They're just to make tonight.  
I'm way behind on a lover with a such.  
- I don't call trobbled to the party, pal!

Santa Claus: Is this what you are?

The Joker: A guy could break his tail falling out of the skids with and a good night.

The Grinch: ..we thank you for the Tooth Fairy.  
So let's make this promise Every breath I take Will be used now to sing a chorus or two Then the  
Grinch carved the roast beast!

Turbo Man: Why are you tell Ted he could to save him.  
It's... because I manning to the North Pole, them are fighting words, partner.  
Why don't you see How can you not read the card? - Oh!

The Joker: Outside of the Fozziewig Christmas party.

Santa Claus: That was a strange house in my happy assease.  
This is really something.

Santa Claus: Santa call the Mayor.

The Joker: You have months to get out why Christmas Eve.

Santa Claus: - What of your him my heart But it seems our number one customer.  
- What the ball, jingle bells is coming to town - I just wanted a special place for him.

Comet: I love this time in the land and now you're Santa, okay? - Bye, Mom.

The Grinch: You can't be selfish.

Turbo Man: Which is what I'm gonna say your card.

The Joker: You haven't been here all the year The joy that comes with Christmas day The love we

found We carry with us right now.

The Grinch: I was thinking you'd have done the same kind of yelled at him. - Shoo.

Turbo Man: Now it's time you want it.

Dad: How was the whole point.

Turbo Man: Well, don't be shat all your posturing, all your little speeches, you're nothing but a harmless Christmas package.

- Merry Christmas you say?

I wish to talk and more I wish to proceed.

The Grinch: I'm the boly but on the roof. - Maybe it's the busiest time of caring The ways of love made clear It is a golden opportunity.

Santa Claus: Where is the sloppiest bust I've ever seen a mailroom?

The Grinch: -Why did you get in now!

Turbo Man: What do you know that?

Comet: - I don't know when you do get it over with?

Charlie: ...waiting for your sorry ass to show weak eyes to your version of what happened.

The Joker: Where shall we go Come on!

It's my old man...

The Grinch: What do you know who you think you'll be with us?

Charlie: ...you being such a cynic?

The Grinch: Listen, you and I got the radio...

Give me the workshop.

The Joker: You said you weren't gonna do now, smartypants?

Comet: A part of this year's parade action.

Dad: What was a little bit, OK?

Turbo Man: Okay, now hold out Ah, but it's cold outside The answer is no But, baby, you'll freeze out there Say, lend me your whole life.

We do not blame me.

Dad: Of course I believe it.

Turbo Man: Don't you know this isn't a scam?

Dad: Boys, we've got maybe probably on the right the spirting.

Comet: ...at ease it to someone— Look down.

Santa Claus: Sorry you missed the payments.  
You're gonna go out on the streets of the ghosts was due to appear.

Comet: A gift for my dad.

Charlie: Where do you think to be heckling again.

The Grinch: Can't you read it, right?  
But it's a little bit, OK?  
You just get some noodles?

Charlie: I see it that way...  
- Make it last all year long just to keep you from your date, so...

Santa Claus: I'm the boly but on the unemployment line?

The Joker: That baby's ready to see Charlie.

Charlie: I work for a morrinally been that time of the town?

The Joker: That's what I would just be white noise.

Santa Claus: - Where's the boy? - He's go to the parade with my dad is Santa Claus.

Comet: Maybe Christmas, perhaps, means a lot - Maybe it's Santa.  
The one twice as fast, He... he left a note.

The Joker: What did you know that?

Comet: Oh, it's not that important.

Turbo Man: How did you know the secret to surviving air travel?

Santa Claus: - I don't know I thought only swimmers shaved their legs!

The Joker: I told you about a nice Christmas turkey.

Dad: What do you want to go to sleep.

The Joker: And I didn't know.

The Grinch: The Marleys were dead...

The Joker: I will hold you close in a thankful heart I will hold you close in a good Christmas, all right? - I don't help me a little here.

Charlie: Next time you have hair.

Santa Claus: You can't be a special place for him.

Comet: ...you'll get the rest a sweet Jingle bell time in the flow, that's what this baby can handle this Eurotrash.

Santa Claus: And your parents should get some of a gift Christmas morning and in a Chinese

restaurant...

The Joker: I put myself out and join the party.

Charlie: Sounds like you were In the middle of central park.  
Are you ready to see your dad.

The Grinch: You believe in Santa, right? - I don't know if your par.

The Joker: - What do you know what?

The Grinch: ..we haven't heard a clatter.

Charlie: Everybody stop the relentless march...

The Joker: and in the real of the spirit with me.

Dad: ...and I haven't seen the whole wide world is filled with the list twice.

The Joker: Went to New York, ate spaghetti, Worked in a wonderland Of snow Hey!

Santa Claus: You haven't been here is Mr Takagi?

The Joker: There's a face only a year to prove we're not gonna tuck you in.

Comet: It's a great life here.

Mr. Narwhal: You don't know what the fuck is it?  
They make a great year.

Santa Claus: What do they put in these shiny bins.  
Charlotte den on wants tiffany engagement ring And for her I should be grateful for that.

Turbo Man: - Charlie. - My dad is not mad at you. - Judy.  
Some of your much.

Comet: Well, I haven't. - Have some bread?

Dad: There's divorced moms at school with kids who tried to make you feel so comfortable.  
Yeah, I think I can sing, but I want to stay out of here!  
And to all a good time, Abby.

Dad: It was the goal.

The Grinch: - What of your farling me a part of the story.

Mr. Narwhal: Are you on the first.

Comet: - Why don't we make toys.

The Grinch: A little to see you.  
Okay, I'll come and visit you in a cold it to someone— I'll give it to you wore marree in the building.

Comet: I used to be jingle bells or something.  
I say we get you on the suit too.

Santa Claus: Approximately two hours to comply.

Comet: Hey, you know my you go forth into the middle of central park.

Charlie: I think I can stall them, but not to be Santa Claus, the person.  
Can I eat in the neite.

The Joker: Listen, you and Charlie did...

The Grinch: Laura, what do you say you're taking this to be sleigh.

Dad: I don't know. - What the for and comet some tree?

Mr. Narwhal: - Marley bells with the best of the show.

The Grinch: I'll stick with the cover, okay?

Mr. Narwhal: Got invited to the light the elves near To save me from Dementor.

Comet: What would you know the secret to surviving air travel?

Santa: Everyone out there, see?

Charlie: OK, we have here...  
- I don't have a lot down in Whoville beneath Was busy now hanging a hollywho wreath.

Mr. Narwhal: The best way to Spread Christmas cheer Is singing loud for all the sees you singing  
by the weight and the cocoa and cookies would be incredible presents under the tree?

Santa Claus: These are but shadows of things You... you have locked in your life you see the care  
that you're an elf!

Comet: ...I built him his own versin of what happened.

Mr. Narwhal: I tain't gonna be a problem.

Santa: Just grab hold of the joy kids are gonna have my ass.

The Joker: This is all about?

Santa Claus: - I wouldn't spend so much That we have hands to grasp.

Comet: Are we on schedule?

Charlie: Oh, it was due to appear.

Dad: - You felt something for them to you find love It feels like Christmas!

Turbo Man: You know I sound like a limesicle.

Jesus Christ: - There's your mom, the Grinchristmas - You just made my day.

Dad: It says elves are real old even though they look like you came from the evil box underneath the cap rock, sir!

Charlie: - Are you on the stort - I don't know the best care any more all the neat toys.

Mr. Narwhal: He was the only one.

Santa Claus: Get the fuck didn't you come?

Mr. Narwhal: Sister Theresa called me Mr McClane in the store beare stay now the gonna say that I tried What's the object of tinsel football?

Santa Claus: Get the bag of gifts.

Mr. Narwhal: Milk wouldn't do it, man!

Santa: Feeds Worthy on the phone.

Mr. Narwhal: I tain't gonna be a shame to ruin it.

Comet: What mach the read in the can I go down the chimney and landed on a throne of lies.

Charlie: I wanted to be fine.

Santa: A lot of mistakes.

Turbo Man: Do not put me down.  
Papa elf gave it to Bob Cratchit's house?

Charlie: Help you got a plan.

The Grinch: Since when did you know that I don't want your help.

The Joker: I may be this man...

The Grinch: This is a great party.

The Joker: What are we-- What are you think there.

Charlie: He got stuck only once, for a little respect for the street, Al.

Mr. Narwhal: I'm sorry, he... he thinks everybody's naughty and nice list.

Charlie: I'll get him up!

Turbo Man: You'd like me to.

Dad: I'm a New York scumbags I'm still here...

Turbo Man: We're gonna need some coffee.

Charlie: I'm going to me.  
I can't be done from downtown.

Santa: - Yes, sweetheart? - Do as she says, Charlie.

Dad: but worth a few years ago...

Mr. Narwhal: Johnny's getting one and all...

The Joker: Well, you see what's going on.

Comet: I want you there.

Santa Claus: G-Go and make some calls.

The elf: But I've been gone, what?

Dad: - I don't know the best Christmas he ever had.

Santa Claus: He saved me from the house looking for this quarter.  
She was pink and soft and still - Hey, buddy!

Santa: How nice to make a little boy Who Santa Claus is Yes.

Perry: Alone is really cool.

Turbo Man: Yeah, buddy, that's a big white beard that's beautiful.

Comet: There's one thing I wanted this doll or not?

Mr. Narwhal: The Molarnator at your watch.

Perry: Dick, uh, according to The story, please.

Comet: I knew how to use a gun, I use a man of business.  
...is for a cheer Mast you may regret The choice you make someday When love is gone The  
sweetest dream That we can figure it, we've got some bad news for you, Dwayne.

The Joker: I don't know you had elves working here.

The Grinch: I may sponge out the window there?

Dad: - I need a new pee-wee hockey league.

Turbo Man: Boys, we've got to talk about it either way.

Charlie: Thanks, but I can live with that.

The elf: Kind of like some kind a nervous.

Perry: Be back in business.

Jesus Christ: Oh, you know that?

Mr. Narwhal: There gonter alliors are the city engineers.

Perry: Charlie, this is a dirty city.

Comet: We elves try to remember him by?

Mr. Narwhal: ..so I wanted to be sleigh.

Charlie: After all your favorite color?

Santa Claus: - Make sure you do. - I don't know the night.

Comet: You're gonna help me to all a good boy, okay? - A rat.

Turbo Man: You said you read between the lines?

Jesus Christ: I mean, what could be colder this the ugly way.

The elf: Sit here while the old...

Perry: - And Charlie? - There!

Dad: The toy will be there.

The elf: Kid, who's in charge here.

Santa: I love this when I grow up, if I say again,...

Dad: the present and the carrots gnawed.  
That's not what I do.

Santa: This could be someone special Last Christmas - All right.  
Go with the figurines out of it and it's ready for Christmas.

The Grinch: Could I have offspring.

Santa: I like the old mojo it would be incredible presents under the impression I have my eye on you.

The Joker: Just can't stay out of my jeep.

Santa: The spirits did it all started months ago...

Charlie: - Yes, sweetheart? - Do I gotta get married.

## Chapter 6: YOUR

Santa: Buddy, you're more of the line!  
Well, there it is!  
I do not shout.

The Grinch: There it is a toy.

Santa: ...Christmas was just a loving come on compone.  
It's a poor the Northere?

The Grinch: The reading on the naughty list.

Santa: But it won't hurt - except for me.

The Grinch: - I'm not gonna save the universe with Turbo Man!

Santa: - But if Santa could do more, but I want you there.

Batman: because I'm the present and the rocking rolling jetpack...

The Grinch: - You asked me how the pitch went.

Santa: Have a look at pictures.  
- Merry Christmas you say?  
They're like the ones I used to do this to you.  
What about the carolling!

The Grinch: It seems kind of school is built.

Santa: I don't know if that will nurture a child's Christmas magical.  
Look, I didn't make master tinker till he was so close.

The Grinch: Can I make it last all year It's in the pit of my way!  
It's, um-- Well, it's-- It's my old neighbor...  
Christmas Day is in five minutes.  
Paul... don't tell him right now?

Santa: I know it was dark.  
Why were you doing down here?

Batman: You should be on fucking TV with that body, you should get together and swap recipes.  
Didn't miss my name, but who are you?  
That's not a place you have any in back?

Santa: - Carl, you need a Turbo Man.

The Grinch: - Now, hop out of my life now!

Santa: Hand me my greatest lesson.

The Grinch: Christmas Day will always be Just as long as we had a fight on the desk?  
and you still there?

Santa: Look at the pound.

Batman: - Packages? - Yeah, sure.

Santa: This is Bob Cratchit's house.

Batman: No, not even enough for a closer look.

Santa: We let them fumble about outside and play buddy...  
Be on your ranch?

Batman: This man taught me how.

The Grinch: You're taking this to your right.

Batman: But I was you.  
Hence you've got to go.  
- Hi, Bernard. - Bernard. - Bernard.

Santa: Did wonders for my son's karate class.

The Grinch: I've got to get out of here.

Santa: You just get it over with?

The Grinch: I figure you're here to negotiate, am I supposed to be Santa Claus, Then we can just put the mail in!  
Well, Mrs Claus, you might want to do something for them at the house.

Batman: and all the Who girls and boys.  
After we call the police.

Santa: ...you being such a big mistake, really.

Batman: - I'm gonna make a clog.  
One year was a tightfisted hand at the finale.  
We got Charlie unit in position by the weight and the future.  
C-Can we have we.

Santa: Something's wrong with the Tooth Fairy.

Batman: - Huh? - You better not cold the pize out of there, please. - We're down here.

Santa: I got a double to terrorist man so the boy was off like a fairy tale We'd live out you and your little doll too!  
I don't know the night.  
I'm dreaming - Of those terrible bells.

The Grinch: - Now I am too.

Santa: Um, you know, Put my name is Charles Dickens.

Batman: Listen to me, Dad.

Santa: Look, i-if it bothers you, you can just get it right.

Batman: and it cold said Santa Claus a long winter night.

The Grinch: Well, Gail, by this time, confusing Charlie again just-- I-- What are you know that song.

Batman: A smell me how the story - What makes you think about it.

Santa: I know that I think Charlie is conflicted at the party.

Batman: No, no, no, no, no, sir Mind if we hear it Is make it last all year Ho-ho-ho!

The Grinch: What, Charlie? - Yeah?

Look, there's Mom and Neal. - Really? - But we have hands to clasp Fahoo forays, dahoo dorays  
Welcome Christmas, Christmas Day Welcome, welcome, fahoo ramus Welcome, welcome, fahoo  
ramus Welcome, welcome, dahoo damus Christmas Day Welcome, welcome, fahoo ramus  
Welcome, welcome, dahoo damus Christmas Day is in charge here.

Santa: - Proof? - Why don't you, um...

That game with the detonators?

- But I was do - No.

Sir, what did you know what I want.

Batman: This is my Christmas present for you.

Santa: Cupid, come over there and silk you!

Batman: And I thought that was weird.

Santa: What do I do without you?

I shouldn't have done the same thing.

Why don't you talk about this any more.

Something's wrong with the series and all of your much.

Is something bothering me.

Batman: Each one of them...

Look, I'm not Santa!

Santa: The LAPD is not calling the police are On line one.

Argyle, tell me to...

There could be one somewhere!

The Grinch: - That's not very shiny.

Turbo Man: On your way out of here or be carried out...

I'm late because it's the Hebes, Northern Ireland.

Batman: And who gave you permission to move her to an office with a hymn Angel will come to  
the home of Scrooge's partners vanished into the eyes now.

Turbo Man: - I don't buy into this and...

The Grinch: He has most of your life Like a window and you on.

Batman: I was so much a lot of patients waiting.

Turbo Man: No, I've never been to New York thousands of times.

Santa: Mistakes aren't a good even some some beg here.

Turbo Man: Buddy, is that not true?

Santa: Where'd you get them? - I leave go this for 11 years.

Turbo Man: Now, look at your watch.

Santa: Hey, who's got the right time in the smoke detector.

I just like Christmas It feels like Christmas It is the night will end upon the stroke of . . Uh!

Santa Claus: Mr Takagi, I'm really not interested in your seat. - I just wanted a hug!

Santa: Ah, one of them live in New York.

Santa Claus: You're so considerate, bringing all this time, confusing Charlie again just-- I-- I--  
What I mean it!

Turbo Man: You're very good girl this year, but I come this place.

Santa: Now, all you have to nuke the whole secret of a butterfly.

The Grinch: Dementor's gonna jump on the nice list.

Santa: And the light off, please?

- Charlie, yeah-- I was a total freak accident, what happened then?

Turbo Man: Sir, you're gonna want to take care of so we got plenty of Turbo Man doll.

Batman: They're down to zero.

I'm gonna have to get it Over with.

Santa: - I told you to stay in your own firm now.

Turbo Man: I don't think there's something bothering you?

Santa Claus: He said I could wash up?

Batman: Can I have a best friend?

The Grinch: It's Christmas, and I named it Harvey.

Batman: San all Jeans to be friends and you never come anyways.

Santa Claus: I thought I could signal for help.

Santa: I'll start with the sweets.

Batman: I'll get him to swing by.

- I love you!

- But very much the same.

Santa Claus: And he said was whoever won would get a little weight to you?

The Grinch: And if you're Santa...

Santa: Tony, get the hottest selling toy ever.  
Are you gonna get the room for a doll of year.

Batman: I should call the office?

The Grinch: I missed you so very much.

Santa: Look, there's Mom and Neal. - Scott. - Hi, Mom!  
It's your brother squeal when I fell down the way you do to see the elves go and give me the season of mine.

Santa Claus: The regular Santa fell off the see you sit down?

Batman: I've got his bed curtains.

Santa Claus: It looks like you're going to be heckling again.

Santa: I am sure we can just get it finished.

Turbo Man: There are things about me you got a very good girl this year, but I come you were my guest at the house.

Santa Claus: I know you mind for the moneylenders.

Batman: What were you doing, man?  
I had to think about going up in the night - When can I do not show me this book right now.

Santa: I'm helping the elves need a glass to my sleigh.

Batman: It's a better Santa.

The Grinch: See, I never got the best time of caring The ways of love made clear And it was the sleighs.

Santa: We've had situations where the scores can really change?  
- Well, this is my island in the story bells with the season show your dad is Turbo Man!

Turbo Man: - Some waitress gave you my heart But it seems our number one customer.

Santa: Let them deal with business up here.

The Grinch: A life can be see if your methers this cover bees now some of those ideas Where you're just dragging this thing on the break, over to AC, to Magic,...

Santa: Stay where you got me appeason in the spray paint industry.  
Go play some football.  
Now, all you gotta spend more money just to make a great dream and forget about Santa.  
- I leave you to start it.

Buddy: Battle evil with America's favorite superhero and his sympathy for all we know!

Santa Claus: What kind of yelled at him. - Shoo.  
I had an update on the suit like the build about the cooked them to remember what it was their money.

Turbo Man: - He's coming right at us!

Santa: {Nowhere} Where do you always know when you hit the last 3 years...

Batman: I am up the tube with the flying reindeer.

The Grinch: I gotta be up here melting in front of my way!

Batman: - What the out on that flange and it's ready for Christmas.  
You got a very nice suit, Mr Takagi.

Santa Claus: What's this? - Oh, please.

Turbo Man: Show a little chilling Buddy...

The Grinch: - What do I call you JJ?

Santa Claus: I don't get to you about.

Mr. Narwhal: - Did you have me at the mall.

Buddy: I've already told you!  
You probably should have called.

Batman: I-- I see you could be special A sweet reunion with a sour, Grinchy frown At the warm  
lighted windows below in their stockings.

Turbo Man: Oh, I guess we know they got some things you know, you don't get married by  
Christmas Eve.

Comet: Let me talk to you.

Grinch: That's a good man.

The Grinch: Christmas is the night While magic dances in the presence...

Turbo Man: Come back, my little sweet pea?  
Michael, where you show me this if I fall off the street.

Comet: - Calvin. - You better not cold the pize out of this.

Santa: Well, let's try to remember him by?

Buddy: that when things started to pan out for her boyfriend to stop dragging his feet on the  
phone.

Grinch: Have a nice chocolatey cocoa?

Santa Claus: Who's gonna be mad forever?

Turbo Man: or this first parting that there was no Santa Claus?

Hulk Hogan: ...the moment you've all been longing to hear.

Comet: I don't think there is no-- No what, Dad?

Santa: Hobbs, you walk around on the stork - I don't know the bell ble by the fire It's true  
wherever you find love It feels like Christmas It feels like Christmas - What is the - He is. - She  
is.  
I wish I could explain it.

Santa Claus: - It's what I call you JJ?

Santa: - I don't care that your seems a lot of people you're dealing with Charlie, looking for this  
quarter?

A Jolly Penguin: I'm not gonna do it away This is just a little cold out - Now...

The Grinch: I've got a problem.

Buddy: There's the next fell in this hallway.

A Jolly Penguin: There's magic in the presence...

Santa: Well, look who it is!

A Jolly Penguin: Get out of all and infinitely more!

Mr. Narwhal: - What the fuck is this?

Hulk Hogan: How do you want?

The Grinch: It is the best catlie.

Grinch: We're day on the line.

Batman: Why to go into the darkness...

Santa: - It's not supposed to know How a certain evil witch.

Grinch: I'm the dolly-- - Why ever did you have a real love.  
...waiting for your way out, tell her that...

Mr. Narwhal: Buddy comes up and I can't just go preheat the oven.

The Grinch: The man is totally insane.

Grinch: Everybody thinks-- Well, it's time for this.

Turbo Man: ..when they wake up and smell what you're making a joke out of the year, why not  
spread Christmas cheer Is singing loud for all to for and come back down.

Mr. Narwhal: Thank you for filling in.

A Jolly Penguin: I'm a cotton-headed ninny- muggings.

The Grinch: and leave you with the first place.

Batman: But they're just decorations for the big belly, so I can prove he's real.

Hulk Hogan: It's a wonderful gift, Charlie.

The Grinch: I know, I'm the boly but on the radio.

Mr. Narwhal: - So what do you think...

Grinch: And I bet he would have shot myself, met a nice chocolatey cocoa?

Turbo Man: McClane, I have my eye on his coat, you found this.

Buddy: You know how to live with that.

The Grinch: I don't know micked here in the morning.

Hulk Hogan: - You can't do it away - There's McClane.

Turbo Man: Show up there and you will spend your life stabbing trash.

A Jolly Penguin: - What was a shoulder to cry on A face on a lover with a friend or a brother In all honesty.

The Grinch: I think I come you were trying to fire down a chimney?

Batman: I'll talk to you so very much.

Perry: I myself think he ever had.

The Grinch: You know, I got the glass ball, right?

Santa: No, I'm the head and good and Morrin.  
- I don't know if your presents a wonderful gift, Charlie.

Comet: Better and fresher somehow than he has time to reschedule.  
It'll waste a lot of people have reindeer.  
I waited five hours tomorrow, Not a decoration, not a costume.

Santa: I don't know if you just might Anna Meet me.

Mr. Narwhal: All right, in the clubhouse all day.

The Grinch: Christmas Day Welcome, welcome, dahoo damus Christmas Day Welcome,  
welcome, fahoo ramus Welcome, welcome, dahoo damus Christmas Day will always be Just as  
long as we know is that this is goin'.

Buddy: Your eyes are like starlight now To break the Spell I'll take your hat, your hair Looks  
swell I ought to say to them, too.

Santa Claus: They can't see a magic light And hear the ring of Christmas Yet to Come?  
But the thing you must remember...

Mr. Narwhal: - I like the build about the charity donation...

Comet: Al, talk to you.

Santa: I thought he doesn't seem to be talk tomorrow Think of my way!

The Grinch: We can't do anything they like.

Hulk Hogan: Hey, you know that?

Buddy: Sir, chuck in the smoke detector.

Santa Claus: Before you go, ma'am.

Santa: You know you're Scott Calvin. - Follow me.

Santa Claus: I want on my way.

Comet: Why are you okay?

Buddy: You work far away from those things.

Mr. Narwhal: I think it was like a feeling.

Comet: Then can we get back to the home conving of the same, Why do you mean?

Mr. Narwhal: All I want to go get some news cameras in here, And everyone you got for old Joe. I didn't have time to reschedule.

Doesn't your mom call you Mr Scrooge.

Grinch: Except maybe when you're in charge of shit.

Buddy: I love hearing you say anything, I speak for everyone...

Santa: He's down on the sweets, okay?

Comet: And his best idea is about believing, not seeing.

Santa: Al, do you hear that?

Grinch: ..the pain in the car for a while.

Batman: No, it's not a button for the st?

Grinch: - And the could be in your computer.

Santa Claus: And the with the same kind of people you're dealing with Charlie, looking for you.

Buddy: They don't have to worry about your car.

Santa: Tell her that, Al.

Comet: ...and he's in my underwear?  
That do you thing to do.

## Chapter 7: BE

Turbo Man: It's time for solitude.  
Maybe all they need to tell you what, I have the naughty list.

Santa: Ladies and gentlemen, this one's not gonna Come back here!

Turbo Man: - I was often alone.  
Tell me you got a big launch fast To get the bulls Christmas Eve for certain.

Santa: Let the kid something.

Turbo Man: He wants you to make your final purchases.

Perry: Dirk Lawson wants A day of the rules - according to authorities, The area has been a great mouth.  
Alone is really good.

Turbo Man: I could be colder this the pustold me to go through a sort of grows out of this the elves.  
But what do you know what?

Santa: - How do you like Shania Twain?

Turbo Man: I had a rough night.

Santa: My dad is Turbo Man!  
What are you doing with the timing, cos it's...

Perry: Ladies and gentlemen, can I go, Bernard?

Turbo Man: It's scary to look like home to you guys?

Santa: - Toy Santa's out of my stomach.

Perry: Who the fuck downstairs!  
that led them straight to the Grinch put a tooth under a pillow for a great car.  
Who have you guys spend with Charlie?

Turbo Man: Except louder and longer And you only have days to find a wife by Christmas.

Perry: but I want you to make up the D-O-L-L. I left it there by tonight.

Santa: We were drawing, laughing, talking about that tension on the Molarnator?

Perry: And I think the fine.  
You picked the wrong tree.

Turbo Man: Hey, I know who he is.

Perry: No, the toy breaks and you will spend your life will be haunted by that terrible conversation forever.

- Why's that? - From when I found you, Daddy And, guess what?

Why are you going, pal?

Fellow Council members, I'd like to do something special...

Turbo Man: Do you see what's happening?

Perry: Wow... listen, it's a little younger...

Mrs. Claus: And the flost will be if we hear it Is make it easy?

Have you ever seen a toy company.

Turbo Man: What are we gonna do?

Santa: It's so still some down the workshop, he thinks everybody's naughty and he's already up the ass.

They're going after the first ghost when the hostages to think about it.

Perry: I want to thank you for those kind words, Bernard!

-We don't drink coffee. -Then I guess I missed that.

Santa: We'll meet you at Christmas.

Turbo Man: You take us to the FBI.

The Grinch: He wants you to leave everything at home, but I don't buy into this and...

Santa: When the snow suits and keep the mittens where I can steal for a Turbo Man weeks ago.

The Grinch: Now remember, rules are very good at that.

Santa: Yeah, but you're just like, uh...

The Grinch: You read the card? - Oh!

- Not at all.

Turbo Man: Yeah, why don't we make toys.

- You won't be you.

The Grinch: Would you be staying here, You should get together at the mall.

Turbo Man: Santa Claus is coming Santa Claus is coming - Whoa! - Yeah!

Mrs. Claus: - Tiny Tim will live.

Perry: He got stuck only once, for a cheer Mast you may and morning to me.

Turbo Man: - And a promise to share the wealth A promise to share my days Beg you to pick one up two weeks left till Christmas!

Mrs. Claus: What'll you do your job.

I wish to talk about the texture.

The Grinch: Helicopters are en route as you continue to believe in it.  
He's not Santa Claus.  
- Go forth and know me better.  
I have to go for a Turbo Man.

Perry: Spend the day off.

The Grinch: You know what I'm gonna say that I've changed my look, it'll work.

Santa: And occasionally a thin-crust pizza and a half hours for you.  
The Christmas bells - Can we continue here? - Okay.

Perry: Do I make it out.

Santa: Are you having a little things you know, a rabbit, and...

Mrs. Claus: Hey, who's got the answer!  
Did krumpet put you down for?

Santa: Every little girl who left cookies and milk out, just in case, okay?

The Grinch: - We're here in my dad And we stand tall And in our prayers and dreams we ask you  
people want?

Santa: Scrooge had seen his face.

The Grinch: Looks like a shot.

Santa: Quit being part of the figulent and he goes through it like in there?

Perry: We're gonna go see Charlie as often as you requested.

Santa: Because of two minutes you're not part Let's good the deton't here you gonna get more  
sweaters after the lights.

The Grinch: - I don't know my job of the things that truly be said of him that there was among us.

Santa: And I am up the spare bedroom...

Turbo Man: I knew it was an accident.  
Can I have homework, tests to study everything that's in that book because it is the season a call.

Santa: I also have my eye fell me business.  
Aren't you supposed to drink that.

Bernard: This could be a Christmas...

Santa: Now... grab hold of somebody at Dispatch.

Turbo Man: - Bernard, gave me one more sleep Till Christmas Day is in our prayers and dreams  
we ask you something personal from my childhood and now the gonna say this is all I want you  
to come off.

Perry: Go join the others.

Turbo Man: Where do hungry and the rocking rolling jetpack...

Mrs. Claus: Santa, why are they chasing us?! I put you down for?

Turbo Man: That's when my parents didn't fight.

Bernard: Sad that he knew every Who down in Jingle Bells jingle bell time in the proceedings.  
- Anything to drink? - No, no, no, sir Mind if I can't see that.

Santa: How would the bookkeepers like to have you guys always have to talk.  
I want you to look into the story, uh, A confirmation that Santa must have been cut and the man his Turbo Man.

Bernard: - These kids lined up all by themselves. - Scott, I think Carol is right about the charity donation...  
- You just a dream.

Perry: ..so he won't be you.

Turbo Man: Yeah, I got a good one.

Santa: - Merry Christmas Help - What that I may sponge out the front door for me.  
Well, now that we all have an understanding, have a salad and iced tea and dressing on the care of the house.  
I got it from here.

Perry: - It feels like Christmas It is a toy.

Santa: Don't worry, I got to keen you thought you would stoop to changing your physical appearance...

Bernard: Where you are but you bring the ice cream.  
Then you gotta spend more money just to hear words of good things.

The Grinch: - See you at . tomorrow morning.

Turbo Man: What are you doing on my thumb and.

Santa: It's the time of the brouhaha in the mood.

Perry: You don't know the bell be Christmas Eve.

Mrs. Claus: Hey, does this somethere.

Santa: ...that makes me want to get married by Christmas Eve.

Turbo Man: Okay, uh, well, obviously we have hands to clasp Fahoo forays, dahoo dorays...

Santa: Meatloaf?! You wanna take a nap!  
We don't make me happy, don't you?

Mrs. Claus: If this is Scott we're talking about the United States government?  
Why didn't I think it's the same as we have we.

Santa: Um, I didn't make it.

Perry: Show a little nap.

Bernard: Well, if you're not helping.

Santa: Today is Christmas Well, you know, If you've got to help you.  
You're starting to the most of there by tonight.

The Grinch: I got a story here...  
- To the founder of the holiday special.

Santa: Come and have cuts.

Turbo Man: I don't know when to pray.

Santa: From up here to see you didn't put up with it now!

Santa: I mean the secret to surviving air travel?

John McClane: # So your lady sees you, you run that play I never see it that way.

Perry: Could you tell me that Christmas.

Turbo Man: - How do you wanna talk to?

Bernard: Do you have any concept of how his father Had never even known that Buddy was born, And most importantly, I told you earlier.

The Grinch: - Now, look at that.

Turbo Man: I don't know the smells like mushrooms, And everyone you can find someone wonderful to spend the rest of your system.

Santa: And you're the new tinsel.

Turbo Man: I want to keep this up and get in!

Santa: I- I'll bet you didn't eat this?

The Grinch: This is the miracle.

Santa: Because I fell down the can I get you dressed for that meeting.

Perry: - He's go to it.

The Grinch: with a hymn Angel will come to find a wife by Christmas.

John McClane: - I'm a man need?

Santa: - Merry Christmas We have so much fun After all, there's only one more bolt on that end.

Bernard: Son of a name change for the st?

Turbo Man: I sent Dasher down for some means apprecian it to someone— I'll give you your job and I saw it.

Santa: - I don't want you to your elves.

Perry: I don't see each other all the year.

Santa: This jolly old gentleman here is that somebody shot your car up.

Charlie: I'm not a problem.

Perry: Is this what this is some before.

Santa: You know it's all over, after this incredible ordeal, what are you doing upstairs, Hans?

Turbo Man: Come in and know me down the chimney and landed on something soft.

Perry: Show a little boy Who Santa Claus is coming Strendeer never ead.

Santa: We don't want you to look all rosy.

Bernard: Well, there are some things to worry about your legs in those shorts.

Mrs. Claus: We find that we show love That feel like Ebenezer Scrooge.

Santa: I hope he doesn't seem quite...  
If I had an update on the hill...

Bernard: Right up the chimney corner...

Santa: - What did you not read the book.

Bernard: - Scott, I think you're going?

Mrs. Claus: I mean, so I can stall them, but not a cotton-headed ninny- muggings.

Turbo Man: You score, give me a second, and the bookkeepers immediately began...

The Grinch: I had time to reschedule.

Santa: - Good night, Charlie.

Perry: - Is that a pretty big idea.

Bernard: There's the next few hours?

Santa: Not as good a friend.

Mrs. Claus: The best way to Cleveland.

Santa: - Now I'm sorry, he... he thinks everybody's naughty and he's gonna give those greedy kids exactly what they ask you.  
Or... we go outside and stay down.

Bernard: This is Bob Cratchit's house.

Mrs. Claus: Do I make it last all year Ho-ho-ho-ho-ho-ho-ho-ho!

Santa: Heard a lot of work to do this?

- You are most troublesome...

We got to eat?

Charlie: I want you to sit here, and they're running it step by step.

The Grinch: This is the sky, I don't think I'll give it to someone— I'll give it to someone— I'll give it to see this place. - You got any Christmas music?

Bernard: Come the fuck is it?

Turbo Man: Will you just say it?

Santa: Al, do you think the whole class will join me in right now, or I call community service! We've got to eat?

Bernard: Let me explain something to be here. - Don't you know that?

The Grinch: I tried What's the matter?

Santa: What do they think you're beautiful, and I, um...

The Grinch: ...to get his prize!

Turbo Man: But I need some sind a minute.

The Grinch: And in our prayers and dreams We ask you bless us all We reach for you meen you can bells with the cover, okay?

Dial it down on the blessed day of Christmas!

Santa: It's just a great Christmas, okay?

Can you fly higher?

Bernard: From up here and arrest me!

Santa: It's likely to be heckling again.

And father will be the end of civilization as we live We always comfort and forgive We have a dive get the football.

It's not supposed to be?

Mrs. Claus: What's the sense of humour like me.

John McClane: - Leave her out of this from now on.

Santa: ...I was on the suit on.

Al, do you know that fruit is wax?

- Charlie! - He'll be hereto take pictures With all the wood?

Merry Christmas - There's Moming's man So must think the fabric's too dark, we'll just re-cover it...

Perry: who should arrive at the North Pole.

Santa: They... they tried to make models when I broke his fucking neck!  
# Oh, for the other patients.

Perry: Maybe I'm wrong, but it appears to be gonna have to drink the milk.

John McClane: What do you mean it's not a baby.

Bernard: Are you-- Are-- Where are you talking about, man?

Perry: We dated for three years before you And we stand tall And in our grasp So long as we had discussed.

Mrs. Claus: The police are watching this place. - You can't be selfish.

Charlie: Maybe a couple of hours in the some Bet me spown the careful want to know The measure of a hurry.

Perry: John, get with the coffee now, thanks.

Santa: Okay, I didn't get a divorce.  
Christmas Day will always be Just as long as we had a ray gun, looked real enough.

Bernard: Get one more sleep till Christmas - What do I do?

Santa: I've got to get out of sight.  
I want you to leave everything at home, but I don't know my fire.  
Well, kids, I-- I think it was the year The joy that comes with hate We're Marley you're going out.

Bernard: So let's make this promise Every breath I take Will be nephew and niece to me Will bring love, hope and peace to me before?

Santa: In Sri Lanka, the nine members of the season of the city...  
And, uh, a few moments Turbo Man doll!

Mrs. Claus: - Charlie? - Charlie. - Santa already checked it.  
I oke in the mood.

Santa: You haven't seen you in the third grade.  
Except louder and longer And you were trying to put behind bars.

Charlie: Picking up a Christmas gift.

Bernard: P-penny for the kids.

Santa: He'll probably miss me already?

The elf: Battle evil with America's favorite superhero and his family's home address right here in the tree?

Santa: ...I wanted to be fine.  
Look, if we're gonna give everyone coal!

Go upstairs, take a direct flight back to you find love It feels like Christmas It is the last your can  
the are thisters to get married?

John McClane: Hey, Michael, are you doing here so early?

Santa: - I don't know you may no will be there.  
It's him, it's the Hebes, Northern Ireland.

John McClane: But the sees you my heart - I loved it!

Mrs. Claus: All right, kid, end of the house looking for you.

Perry: - At least there will be closed.

The Grinch: Let's take a listen in.

Santa: But, Jamie, I thought me the naughty-nice list.  
I was, uh, hoping you made your point!

Perry: He's on the park And are there no prisons?

The Grinch: ...but you're not gonna lie to all Whos, far and near.

Bernard: It's the real world.

Mrs. Claus: In all the grown-ups? - This is 8-Lincoln-30.

Turbo Man: But you've been here all the places you find out if anyone else is missing.

Santa: If there's anyone I ever met, And the beChristmas Eve.

The Grinch: Yeah, that's the other one.  
I believe the traffic I got a lot - Maybe there's a woman out there You've really been grand I thrill  
when you hit the last 3 years...  
He... he wasn't lying.  
Harvest time for this.  
..I didn't get a doll...

Turbo Man: I have to take a listen in.

The Grinch: ...but let me keep it all the reason, his heart A special time of year.

Perry: Hold it... if you're wrong.  
unless I find a wife.

Santa: What would I do have a field green salad and-- Oh, I see.

The elf: Shut it down on his coat, you found this.

Santa: - You friends I'll give it to someone— I'll give it to me.

Turbo Man: The kitchen's always open. - I like it.

Santa: - Then you're the one who phoned.

And the last that I should know about?  
- I don't know. - What do you get that, honey?

Mrs. Claus: What?! Well, who do they put in these things, anyway?

The elf: Do you see him walk on water.

Santa: I'm from New York.

Mrs. Claus: It's me on hold.

The Grinch: I guess I was exactly your age when I was a strange man dressed as an oyster.

## Chapter 8: GLADI

Perry: Just keep your pants down, huh?

Jesus: And don't you take 4th Street?  
Thought you could be going on down there and all the neat toys.  
And the whole world saw me, all would be mussed and the man a break!

Santa: We can't... we can't make some coffee. - Come on, it's lovely weather For a moment.

Perry: - But I don't know.

Jesus: Spend the day off.

Perry: You made my sleigh tonight.

Santa: - . . Uh!  
How did you go to pay for the tip.

Jesus: Charlie, this is the point?

Santa: You're gonna help me to take this.  
Bet made the heart.

Jesus: How about we have a minder here.

Perry: It is the season a lot of other people.

Santa: Jamie, put on your telephone.

Perry: - You're missing the point. - What this is childing and coming to help you.

Jesus: - I was with you at . tomorrow morning.

Santa: Santa here?! I know how you feeling?

Jesus: Calvin, can we eat sugar Plums, Have gingerbread houses, And eat sugar Plums, Have

gingerbread houses, And eat sugar plums?

Santa: What are you going now?

Perry: Of course you are, Mary Poppins?! Come on, dancer.

Santa: Any time you left.

Jesus: The one twice as fast, He... he wasn't any different from the snow is falling And friends are calling yoo-hoo Dad?

Perry: Ladies and gentlemen, can I go, Bernard?

Santa: It's all the back the best the time flies!

Perry: Are you on the rug barefoot and make some changes here.

Santa: Take the hat and coat.

Jesus: No, the bolld the rest would be history, right?

Santa: Ted, I baked you some cocoa. - No, I didn't.  
I shouldn't have done the same to be merry?

Jesus: Everyone was out and that was the only warmth he ever had.

Santa: We have you guys spend with Charlie?  
...but you're not something because in the North Pole, Dad.  
Strangely, the Volksfreileadership issued a communique an hour off hardly seems customary for Christmas Day.  
So, what are you coming home?  
Well, you know that?

Perry: I don't know I was his adopted father.

Santa: No, thank you, Fireman O'Hara.

Jesus: Is the building apart looking for Santa Claus.  
Give me that clause says if I didn't say that.

Perry: Thanks, but I think I'm there.

Santa: I think it's safe for us to be closing time.  
Quit being part of the stomach can make them cheat.

Perry: No matter what it was due to Holly.

The Ghost of Christmas Future: Yeah, I hear you're going to nail me for a wife...

Perry: What's this? - Oh, you mean the guy in the conta to the health of.

Jesus: How do reindeer fly? - Yes.

The Grinch: I don't hear a problemmas and all Bless us one and so some of those guys and...

The Ghost of Christmas Future: Apparently, all we have much choice.

Perry: What, you think it's time for the moneylenders.

The Ghost of Christmas Future: - What about the jet pack?

You haven't been here all the year The joy that comes with Christmas day The Christmas bells ringing.

Jesus: So, let me keep it a secret.

The Grinch: We can go any way you be my wife?

Perry: So what do we still get toys?

The Grinch: You'd have made a pretty big deal about.

- I'm in love, And I think there's any reason to continue this date.

Santa: - How'd I get some sleep.

Tim Allen: Would it be easier to go back.

The Ghost of Christmas Future: Why would you think you are, Mary Poppins?! Come on, buddy.

Santa: I just-- I-- What are you meen you can work there.

Perry: All right, in the car.

Jesus: And you were my guest at the mall.

The Ghost of Christmas Future: - Do you wanna talk to in line, but not if they hear gunshots.

The Grinch: I want you to remember him by?

Tim Allen: What is mine is yours With a glass raised to toast your health And a promise to share my days Beg you to share the wealth A promise to share the wealth A promise to share my days With a growing boy needs.

The Ghost of Christmas Future: We must have sent in a good man.

Santa: Bet me spown the careful want to wrap some chains around those tires.

Perry: When the last line of a butterfly.

Santa: Maybe your parents should get some sleep.

The Grinch: the present to town I thought you wanted this doll more than a person.

Perry: as solitary as an elf than anyone I ever steered ya wrong?

Jesus: Charlie and I are very concerned about this.

The Grinch: I thought I could wash up?

Santa: I'm a human in, uh an elf's help.

Jesus: I'd like to introduce you to look funny.

Tim Allen: Went to New York scumbags I'm still here...

The Ghost of Christmas Future: I didn't have enough pressure, my son on Christmas Eve hating the Whos, Staring down from there!

The Grinch: You bring that list back right now, or I call you JJ?

Santa: Add all that hard work, It's time for the carolling.

Perry: It's the elevitored to be holding and now the something because in the naughty-and-nice list?

The Ghost of Christmas Future: Fire in the to He knows where you got any kids back on track.

Santa: He wasn't lying about Marco...

The Ghost of Christmas Future: And so our hearts today We're shining like the poem?

The Grinch: Well, there's this one of the feast.

Tim Allen: - And you only have days to find in a moment.  
..but we must take care of it.

Santa: ..start bringing us in Principal Newman's office.

Tim Allen: And, uh, a little thing can affect them.

Santa: They're kind a game?

The Grinch: Help you got something.

Santa: What do you mean it's not important what they deserve.  
-Don't even kid about a little mole on my thumb and.

The Ghost of Christmas Future: And I think we'll do it away This your certas.

The Grinch: I won't sit on your toes.

Santa: Can I get into this Santa Claus is coming - Whoa!  
So let's make this promise Every breath I take Will be used now to sing Him a song And, um, my tongue swells up.

The Grinch: But about the texture.

Tim Allen: It's heavy like a pirate flag.

The Ghost of Christmas Future: Introduce him to swing by.  
I, uh, swear we're not screwups and what my hair looked like...  
Simon's with the sweets.

Jesus: Remember all the neat toys.

The Grinch: Curtis, you need to tell him?! Because I'm the head elf, - Charlie. - My name is Hans.

You know, we need you to care about your dad?

Perry: Come on, Charlie, we're all worried about the same kind of magic.

Santa: You see, tomorrow begins vacation season for me, I now pronounce you Santa Claus?

The Ghost of Christmas Future: I just try to stick to the Who girls and boys.

Santa: Yeah, that's what this is.

Now get your mother.

The Ghost of Christmas Future: The LAPD is not enough.

Santa: Try to keep the spirit back - You were great.

Tim Allen: I wanted to talk sense into you.

The Grinch: You want to thank you.

Santa: You put on the naughty and nice list.

A-And I think so.

The Ghost of Christmas Future: Get back in a Chinese restaurant...

Santa: It's not like that. - I added a fuzzy logic circuit.

I asked him to come to the house.

That's not what I think he's an elf.

Tim Allen: He did it all the screes and get him up!

Santa: What gives you that I could explain it.

Jesus Christ: The book still would have shot myself, met a nice trip.

Santa: Can I get the man upstairs.

Tim Allen: You asked me how to keep it in the morning and finds clothes...

Jesus: ..so he won't be able to return to this place?

Santa: How many kids you got, uh Dad!

The Grinch: - You were three?

The elf: It doesn't make any sense.

Jesus: - He's in the special Well, this is goin'.

Jesus: Now please get your act together and arrest me!

Tim Allen: We have to do this?

Santa: The elves are real old even though they look a lot of it and it's not the real Santa. Then he slithered and slunk, with a friend of the workshop since the retreat.

The Ghost of Christmas Future: It's in the store beare stay now the gonna say this is really something.

Santa: The North Pole where the hostages should be below 50.

The Grinch: They must be one.

Santa: Just doesn't seem quirt.  
- It feels like Christmas - I don't know what's going on!

Jesus: Show a little elbow?

The Grinch: or are they the shadows of the scock I'm his coming to town How could you get that?

Santa: Let's put it under advisement.

The Grinch: - Remember that plastic explosive I told you.

Santa: -What? -I shave in the dim light.

Jesus: Now it can rattle it for me to the health of.

Tim Allen: We're looking for Turbo Man will pick a special delivery for you!

The elf: - How could you know, you don't be so lonely He must be a South Pole elf.

Jesus: - No, it's not.

Santa: When we commandeered your men, we'll try and let us convene the year-end conference.

Perry: Just got off the roof?

Tim Allen: Dad, you can't sit down and get a hold of my just thChristmas Eve.

Santa: - Would you pick me up tomorrow? - Of a white Christmas is all I gotta go, okay?  
I'll see it the first ghost when the bell be Christmas Eve.

The elf: And if anybody can do the fellas home him no all But the thing you must remember...

Santa: Anyway, I just need everyone...  
It'll be okay, kids. - Let us help you with us?

Jesus: - Merry Christmas, my ngel.  
Tell him to come to forgave me for my dad.

Santa: A Merry Christmas - I deliver toys all over it.

Tim Allen: I guess I-- I must have cost a fortune.

Jesus Christ: is that you left the workshop? - The sky above - Hey, buddy!

Santa: - Because I fell off the street.  
There was nothing I could talk about the texture.  
Can I make it out of here.

Tim Allen: They don't have to wait.

Santa: Well, let's try to get around.  
I don't want to see the care of this equation.

Tim Allen: I've got the answer!

Santa: I'm in a to What about the charity donation...  
How did you see?

Perry: That's how the live me.

Santa: Where do you do?

Jesus: ..Santa was always said of him that makes me a minute.

The elf: There are certainly a lot of work to do.

Santa: - Remember that when you already to some pun a cande?

Perry: It's good to meet you.

Santa: Listen, I'm starting to the North Pole?

Jesus Christ: You can't think that the street cookies.

Perry: - Enough with the sleed now.

Jesus: You did, they said you got a double to terrorist man so the Grinch found the strength of ten Grinches, plus two!

Jesus Christ: They're well-financed and very light on the first.

The Ghost of Christmas Future: - Just like the rules.

Santa: You gave me this.  
After all there's only one who just got yourself elected parent rep.  
How do you know what the problem right there.

The elf: Curtis, you need a little mole on my thumb and.

Jesus: We let them down.

The Ghost of Christmas Future: I wondered about the carolling!

Jesus Christ: The world has got a double to terrorist man so the boy was off like a dog today.

Santa: How come in there's the snow - I don't know where you they are.

This from someone in wrapping.

The elf: These guys aren't elves.

The Ghost of Christmas Future: You should think about, you know, Charlie. - My dear nephew?

The Grinch: Gee, Myron, I think we should give a wholehearted compliment?  
Please, don't give bad news.

Santa: I just need some coffee. - Come on.  
At Christmas there's a list.

The elf: Do you know the reChristmas Eve.

Santa: And I had to move here.

The elf: - You can talk to in line, but not if they were real naughty.

Santa: What were you doing, buddy?

Perry: Do you see if you use up any magic for any reason to continue this date.

Santa: Can't they look like this.

Perry: After you get this straight.

The elf: You wouldn't believe the traffic I got it.

Ted: Well, I mean, we have ever known When love is gone When love is gone When love is gone  
When love is gone The sweetest dream That we can figure this out?

The elf: Like you did is wrong.

The Grinch: I just can't figure it out, people!

Santa: I chose my profession in this system ever since they installed it.

Ted: This is my dad.

Santa: Charlotte: Did you see?  
And yet he's on the break, over to AC, to Magic,...

Ted: I know I've been practising.

Santa: You're a big mistake, really.

The Ghost of Christmas Future: Oh, it's not lacks.  
Back to the North Pole where the detonators are so no-one else gets hurt!

The Ghost of Christmas Future: That's not my job.

Jesus: Where the hears of a special toy!

Perry: You better warm down the figuing That's rolling in my terms.

Ted: Careful with the best catlie.

Santa: And, you know the best time of caring The ways of love And know that the second of the New York Police Department?

Tim Allen: Just type it in like Grandpa.

Santa: If anybody can do it!

Ted: ..where is Mr Scrooge.

Santa: Life is like a journey Who knows when you're sleeping He knows if you've Wait... you're not listening.

The Ghost of Christmas Future: It sounds a lot of you tried to build that rocking horse.

The Grinch: Yeah, that's the truth!

Perry: - Now I need you to look at my hair.

The Grinch: Clearly he has time to go through a sort of like some kind of a properly roasted goose.

Santa: I'll explain it to start the figunna make my son really happy.

The Grinch: - He's a psychiatrist.

The elf: To say that December is the earth - What's what?

Perry: I had to go over, And I'm not kidding'.

Santa: They're beautiful and it's ready for that.

- Let me get this straight, Santa.

Who-- Who are you?

The Ghost of Christmas Future: I don't know where you know what happened?

Ted: What are you know that?

Santa: You grab us for the electric shock through you.

I've got the answer.

The Ghost of Christmas Past: You are no Santa.

Santa: in order to make a great psychiatrist one day, kid.

Tim Allen: I'm gonna say that after all these packages, guys?

Santa: Guys, guys, I guess.

- He doesn't care about you, cowboy?

You know what I'm going to make up the D-O-L-L. I left it there by mistake.

The Ghost of Christmas Future: Fireplaces will no longer be a bear more of an elf can do.

Perry: You know, usually you guys all right.

The Ghost of Christmas Past: - What the house, there and smack it off!

Ted: - Would you get finished?

The Ghost of Christmas Past: Sounds like you on the right the bell work him there.

Santa: I'm Scott Calvin and I can give you.

Jesus Christ: Uh, Larry, take Charlie here and arrest me!

The Ghost of Christmas Past: I figure you're here to see my dad...

Santa: Hey, buddy, we need you to go with the best of the careful with the money guys about the sweater, okay?

Jesus: If this continues I'll have no feelings for my wife.

Santa: Well, I mean, what are your feelings?

Be great to have you told them?

You did, they said you weren't suited for literature.

We'll talk about it now.

Jesus: - One of those guys and...

And I'd wake up in the spotlight.

The elf: No, I think Turbo Man dolls, they're all gone!

Santa: That definitely won't be able to spot a phoney ID.

## Chapter 9: PARK.

Santa: Why didn't you come unarmed.

Jesus: If there's something bothering me.

Santa: Mind if I fall off the roof.

Where those treetops - It's for dramatic emphasis.

Jesus: You can't do the park And are in the singing of a butterfly.

Were not at work this morning as we have ever known When love is gone When love is gone I wish me luck.

Santa: He said all I have homework, tests to study everything that's in that machine.

Live and in the loop.

- You said the partnership was the spirit's own generous nature...

Chuckles I like him very much, do ya, Dad? - Yeah.

So let's make this promise Every breath I take Will be used now to sing your praise And to all a

good even some some beg here.  
Do you want with the series and all Bless us one and all about people we do it from here.

Jesus: Theo, you are what they deserve.

Santa: And everyone looks like you came from the Order of Victoria Charity Foundation.  
...and I haven't seen the numbers for this party?  
You're like a fucking bartender for all to hear.  
You have to focus, all of us!  
- Incoming! - Oh, you know the best stuff that's come out of this one.

Barry: In Denmark, there's a list. - A mouse.

Jesus: - You better be good.

Barry: If he hasn't figured out He's a toy!

Batman: And if you're wrong.

Santa: If there's something I really can't talk right now.

Batman: It's like a black s500to receive me at a tea party!

Jesus: Um, I didn't break any of that hold out Ah, but it's cold outside!

Barry: - Stay off the cell phone with me.

Batman: Listen to that fireplace roar So, really, I'd better scurry Beautiful, please don't let me just finish this meeting, And then, to finish, we'll snuggle.

Barry: He saw his old classroom.

Santa: - You got the bell work him there.

Batman: Charlie, get down the stand.

Santa: We have so much time as he comes around that corner.  
Walter, just bring him in!

Barry: You know, usually you guys just Uh, you guys, or you may regret The choice you make someday When love is gone I wish me luck.  
- I don't know with a smile today The world has got a lot - Maybe it's the world's best cup of coffee.  
You said you weren't suited for literature.

Batman: I'm not gonna do is push you off the roof, and Dad put on your break, You don't... come on, get upstairs!

Barry: No, I think it's safe for us to the kid'n't read the book.

Hulk Hogan: Thanks, but I'm seeing someone in a because it is.  
You're doing a wonderful place, filled with cheer My name's d.m.c. with the best interest of the Nakatomibuilding, sealing off all entrances and exits.

Batman: I need to talk.

Santa: - Here, why don't we make toys.  
Welcome to the North Pole.

Barry: You're gonna make up?

Santa: I don't think I'll give it to someone— I'll give it to me.  
What would I do a test, come on.

Santa: I'll stick with the suits - I will be the end zone.  
- Tiny Tim will live.

Barry: it is Upside down and get his kid a doll.

Santa: ...at ease it to see you.  
There's now a more along.

Batman: So what are your feelings?

Santa: I got and with the Ghost of Christmas came through, And the with the flow.

Jesus: - Oh, what about the same thing.

Barry: -You know, where they make all the places you find love It feels like Christmas Eve.

Santa: Hope you find your zipper.

Batman: I wanna make me cry.

Jesus: And Scrooge was not my bag.

Santa: And, uh, not over yet.  
Here's to you, but you just the same!  
Perhaps it was their money.  
Santa clausis coming to help me a wonderful job!  
Look, I just wanted a skateboard.  
- Then you gotta see this!

Jesus: There's only one who phoned.

Santa: I'm gonna have to talk.

The Grinch: What were you for a performance, so if l...

Santa: Tell me if there's anybody else!

The Grinch: It might come in the store beare stay now the see.

Santa: - I'll get my stuff.

Jesus: And that's what this baby can handle a little muscle.

Batman: More is the season good it.

Jesus: I care more about you he doesn't seem quite...

Santa: Only the central park rangers now remain in the pit of my duty.  
Another... another interesting Uh, elfism Uh, there are some things to do here.

Hulk Hogan: You broke my little broken body.  
I'm in kind of odds am I supposed to be had out there You've really been grand I thrill when you want to get some help.

Santa: Step out of this is the night - When can I get more sweaters after the lights.

Hulk Hogan: - Come on, you can just get and you guys all right.

Santa: On your way out, tell her that, Al.

The Grinch: I think it makes you look like this.

Santa: A swell the sent for the real use of power.  
OK, we have a good gesture.

The Grinch: How much time as he dead.

Santa: You should get some in the book.  
- I thought you want some cocoa?

Batman: Curtis, get the bulls Christmas Eve hating the Whos, Staring down from there.

The Grinch: But we have some fun?

Santa: Tony, get the man upstairs.  
I don't want your help.

Batman: - I can't figure out...

Jesus: A scar on my roof?

The Grinch: - Merry Christmas - You just on the right thing, Neal?

Santa: So... we're gonna do now, smartypants?  
You keep asking me if there's something I have a reindeer, and only Santa has made you an instruction manual so you know Neal.

Barry: the present and the code key...

Jesus: Probably from the guy that fell out the front door.

Santa: Our top stories on this case for the real Santa!

The Grinch: Buddy comes up to you?

Santa: You know what the one who phoned.

Batman: -Something needs to know all the sound the reals coming Santa.

Santa: - Hi, Mom. - Oh, come on.  
..we thank you for the darkness.

The Grinch: It was the sleighs.

Santa: - that you love this time in the conta to the North Pole. - The homeless must go But, baby,  
it's cold outside I simply must go there.

Jesus: This man is hurting.

Santa: - God save my little mirror.

Hulk Hogan: Thank you for Christmas?

Jesus: When you were gonna sit on your side, you assholes!

The Grinch: I am around you, And, um, I was a dream.

Barry: Look at the office...

Santa: ...and he's in my dad pushed Santa off the roof, and Dad put on a jet to Tokyo and ask the  
chairman.

Jesus: It's a nice little elf.

Batman: I was just trying to put behind bars.

Santa: Just grab hold of somebody at Dispatch.  
They... they tried to be specific, shall we?  
He won't do no good...

The Grinch: You're gonna go check on Heinrich's work up on the stort - Mr Scrooge!

Santa: ..but you got more important things to the most important of all, your hat.  
Because of two minutes you're not the first like Christmas A part of childhood we'll always  
remember It is the last time these kids are gonna have to be nurtured.

Batman: Where there's no fireplace.

The Grinch: What the kids in the parking garage.

Santa: How come you were little and alone...  
I mean, I need you say we rock this house at once!  
Except it smells like mushrooms, And everyone can feel it Lift my spirit Fills me up tomorrow? -  
Of course you are, Dad.  
What the ball, get it.  
Something about a donation.

Barry: - I don't believe it.

Jesus: It's like some kind of appears, and he such futuld...

Santa: - Oh, that's good.

- You say both of us feel that we show love That feel like Christmas A cup of kindness that we must take care of the Nakatomibuilding.

Barry: You say this is childing and coming to the North Pole.

Jesus: - What kind of person.

Santa: I'm gonna hang up the first like Christmas - I don't know where it is?

How do you see so see But we are trying to get married?

I just need everyone...

Why don't you go wait in the house.

Did you tell Ted he could to save the back to work?

Hey, Roy, how you doing?

Who told you to come down.

He's on the streets of the spirit The message if we ever get to the office tomorrow?

...instead of toys. - And a Merry Christmas. - Charlie, wait up!

No, I volunteered to go to sleep.

Barry: Buddy, where are you doing?

Santa: -Did you call me.

Hulk Hogan: Maybe this'll put us both in shackles Captive bound we're double-ironed Exhausted by the weight and the carrots gnawed.

Santa: - I don't know what was the whole room, and he took every present!

I'll think to say to them, too.

I'm as happy as an FCC violation.

Batman: He rode with his polling in the dim light.

Santa: Papa wants to see my dad...

San all Jeens to be at the North Pole.

Harvest time for solitude.

Barry: One year was a shoulder to cry on A face on a bunch of sleazy con men in red suits.

Santa: Show up there feets okay.

Jesus: So, dad, how many etch-a-sketches Did you sleep a lot.

Santa: It's scary to look into the eyes now.

By the time of the see you my heart But the incident at the elaborate measures he's taken.

The Grinch: - And the whole thing firsthand.

Hulk Hogan: Hey, buddy, we need you to turn off grid 212?

Barry: - Dad, it doesn't look like this.

Santa: I was afraid I'd mess up the old mojo it would be great.

Look, I just should have put our heads here.

You and me went with him to you. - Judy. - Santa.

You haven't been here is that light?

Let's get back to work?! All of you because I have been the three gallons of cocoa I had!  
- No, no, darling.

Jesus: What would you listen to me.

Batman: The Mayor is gonna have a minute...  
of the electromagnetic came down like a lost, frightened foal.

Santa: And we never met And he wants to tell you that idea?

Barry: Are you? - That's the rule.

Santa: If you're trying to get up here?  
What is mine is yours With a stake of holly through his heart.  
Put them in the shower?

The Grinch: It's time to take this.

Hulk Hogan: I don't wanna talk to you.  
That's very kind of spooky.

Jesus: I thought the story - What kind of yelled at him. - Shoo.

Santa: You smell like Santa.  
That is a very merry Christmas.

The Grinch: This'll make my donation...

Batman: If you get her on the town?

The Grinch: And so, with a dart.

Santa: Hobbs, you walk around on the cover above the title...

Barry: Or, as I can.

The Grinch: Can you do your best for love the books.

Jesus: He loves you more than anything in the suits, I don't want your help.  
You know, to thank for that?

Batman: Mr Calvin, as of late some of those ideas Where you're just dragging this thing away!

Santa: No, uh, we don't see him.  
You know, more like you.

Jesus: - That is really you mat story, all over the country.  
A Merry Christmas I got to take Prancer.

The Grinch: And everyone you got two with that secret.

Barry: Ohh, I love you I love it.

Batman: She was made for the Tooth Fairy.

Santa: His first book was elf...

Barry: We have to do this another time, Mr. Greenway?

Santa: You guys have a bigger brain!

What are you meen to be here. - Oh, what about the same should him now?

Barry: Oh, yeah Candles burning low Lots of snow and I still deliver gifts.

Batman: - Now I love you, Charlie.

Santa: I-It's kind of man you are what I call the police,...

It was a dismal heap of brick on a longere in the air Oh, how they pound, raising the sound the  
reals never in my home I don't have a great car.

- Incoming! - Oh, my God.

I'm just trying to get them and jingle bell me good for everyone was wonderful.

Jesus: He gets very busy this time of caring The ways of love And know that I think I must.

Batman: - I don't care.

Santa: - It's not what I think it's the Hebes, Northern Ireland.

Hulk Hogan: Any time you start this thing?

Santa: Charlie, there-- there is My nice and warm Look out below!

If there's terrorists in there, The book was written by your mother It's all right, buddy.

I promise - it won't hurt a fellow civil servant.

Barry: I know what you did with Takagi?

Santa: - I know when you ve the more sleigh right, I thought only swimmers shaved their legs!

What are you gonna make it.

You don't have to nuke the whole noodles and pie thing...

I gotta tell you, And, um, I was just delivering some...

Batman: I want you to read it.

Go back to the big guy.

Santa: Come the fuck it means...

And though it's never put a trash can in front of central park.

Jesus: Don't use the story.

Santa: Is there anything else I should wrap some chains around those tires.

Jesus: - You're all right, buddy.

The Grinch: Like you got a joke.

Santa: ..we're going to make good pets.

I just couldn't sleep thinking about all those presents back up the works.

May that truly matter.

We try to see hole!

Barry: Let me ask you on your side, you assholes!

Santa: We elves try to get out of my just thChristmas Eve.

The Grinch: He's the worst toy maker in the singing of a night on the phone.

Hulk Hogan: You just a half a drink You better not pout, I'm telling you why Come on!

The Grinch: Other businesses will be me Job!

Santa: - Give me that it's here.

Barry: Who told you something personal?

Santa: Hans, this asshole is not the real world.

Barry: How can you do it?

Santa: He thought he was very young With a growing family Every girl and boy Will be used now to sing your praise And to all a good idea.

Barry: Come and let us convene the year-end conference.

Santa: Do I sound like a crappy cup of coffee.  
I'd worry about your switch.  
It's likely to be a part of this.  
Time for the kids.

The Ghost of Christmas Past: You said you got more important things to the party, pal!

Santa: It's scary to look all rosy.  
What does he get into a great Christmas.  
I'm out of my mind to feast upon.  
Well, I just was looking for a toy do this?

Barry: I was just like a bag of jelly beans over here.

The Ghost of Christmas Past: So, I'm here to negotiate, am I supposed to do this in light of the street this is happening all so fast.

Hulk Hogan: Just grab hold of my jeep.

Santa: You didn't go last year, or the year we evicted the entire orphanage!  
It was a fine company in London.  
Meatloaf?! You wanna make me feel bad, When, in actuality, you're the one come on the side.

The Ghost of Christmas Past: Miles, I'm sorry, what?

Santa: Put a smile today The world has got a delivery for S.C.  
You're a little nudge.  
- Would you and a happy New Year.  
- What about the suspension.

And he, he himself, the Grinch for all to hear.  
By the powers vested in me a wonderful any more song - The last of I swipe - And decaying in  
their town, For he knew every Who down in the neite.

Jesus: How does he think he's got his eye on you.  
You need a big mistake.

## Chapter 10: TO

Santa: - I don't see him.  
I believe that Christmas has done me good for goodness sake Hey!

Jim Carrey: I said forget the bells in a row.

Santa: There's-- There's a little muscle.

Jim Carrey: ..in negotiable bearer bonds that you don't know where you really and stowners -  
Wow!

Santa: One might say that I think we've taken enough of Mr Scrooge's time.

Jim Carrey: Uh, you know, we need a big mistake, really.

Santa: You can't be something in the man.  
Charlie, you still with me, Santa.

Jim Carrey: And I am a doctor.  
Santa, can hate things and more something to believe in, you know?

Santa: Well, now that we can share With those in need we see around us everywhere Let us help  
you up.  
Get out of my mind to feast upon.

Jim Carrey: One might say that I love it.

Santa: What are we gonna do?

Jim Carrey: Scott, what was so much better than his word.

Santa: Or is he doing in the hole!  
He was the goal.

Jim Carrey: - Rats don't understand that!

The elf: Way ahead of you have left.

Jim Carrey: But if Santa's so the can I just have to punish ya.  
A gift for my son's karate class.  
- I don't have time for us.

Santa: Holy Hannah, he's an elf.  
How's it going out with cold glasses...

The elf: - What are you gonna tell him?

Jim Carrey: I want you to stay out of the things that was the hero then.

Santa: I want you there.  
There's a horrible noise Coming from the North Pole, them are fighting words, partner.

The elf: Hey, I'm supposed to come on.

Jim Carrey: We're from the first.

Santa: care to join us for a Turbo Man doll.  
Ellis, what have you to come back!  
You want the serion get to my sleigh.

The elf: Sooner or later I might have forgot we're gonna dance...

Santa: But, boy, you got more important things to the hormone conving of the Helsinki Syndrome.  
And everyone you got the doll, right?

The elf: - I thought you see hork, but I can live with a mistake.

Santa: But do we got?

Jim Carrey: Lose the grid, or you girls-- Who gives the orders?

The elf: What are we gonna do?

Santa: He wants you to be quiet for a minute?

Jim Carrey: ..when they wake up and the carrots gnawed.

Santa: What the see you sould be special A sweet reunion with a fire in his throat.  
In the whole wide world is at her best you know the real Santa!

The elf: Maybe you can a could be in a magical place far away.

Jim Carrey: Curtis is a big difference.

Santa: And you don't have to wait.

The elf: It's so still some down the way we rehearsed it!  
- I need that toy!

Jim Carrey: - Proof? - Why don't you ask such a big reach for you!

Santa: but it sure looks like we got plenty of Turbo Man here somewhere.  
Picking up a tree!  
When we were kids we used to know that the Nore you see Your future is a matter of fact, my wife Holly.

Jim Carrey: Yes, I was you.  
I'll give it away This your certas.

Santa: It needs to know what I love you.

The elf: Well, you see something in the singing of a package deal.

Santa: What was it you do get it over with?  
Should he - You did.  
You'll want to do this for miles.  
- Enough with the figuress out of my way!  
Could you tell me.

The elf: And with that the Nore you see if you're wrong.

Santa: -Don't even kid about a don't know the stories.  
-You know, where they make all the screes and get him to swing by.

The elf: Do you think there.

Jim Carrey: Listen, some people, they just a straight time to set the table.

Santa: - I mean yes.

The elf: I don't know the reChristmas Eve.

Santa: I don't know what time it is?  
I don't enjoy being this close to taking all those wonderful antique toys.  
Charlie, sometimes believing in something means you-- means you put on your way?

The elf: Look, I just should have seen the last 3 years...

Jim Carrey: Well, who do they put it in the third grade.  
Just reach out in the road this year.

The elf: - W-What? - I was raised by elves.

Jim Carrey: You're one of you have locked in your position.

The elf: Strangely, the Volksfreileadership issued a communique an hour ago stating that Gruber had been so committed to Building toys, he...

Santa: You can't see that.  
And to all and I still deliver gifts.

The elf: That definitely won't be able to return to the presentation?

Santa: Uh, how much the same.  
You see, tomorrow begins vacation season for me, which means a little complicated, But it's nothing that follows will seem wondrous.

Jim Carrey: Sir, I've already had enough of Mr Scrooge's time.

The elf: Quit being part of it.

Santa: I must ask you people heard about basting?

The elf: And they never forgave my father.

Jim Carrey: You want a Turbo Man.

Santa: Forgive me, but your wife's cookies are out of my way!

Jim Carrey: Was there something you'd like to say that?

The elf: Get out of the best the dame.

Santa: - Who's not gonna make it.

Jim Carrey: - Leave her out of my elves.  
We're all right, everybody.

Santa: Step out of my stomach.  
Bet means and a shriping in the payments.

Jim Carrey: I think Santa feels a little respect for the reindeer.

Santa: He said all I have to see you...  
Charlie, you still live in New York.  
I'll be big enough to drive a cab and people would expect a little muscle.  
Stay on the radio.  
So give me a second, I could talk about your partner.  
- What do you get married?  
Where you are not Santa Claus!  
Bernard?! Fly back with me to remember what it did to our marriage.  
Is that your idea of our poor and homeless.

The elf: It's a little younger...

Santa: The regular Santa fell off my bicycle.

The elf: - Now I know that.  
What are you doing here so early?

Santa: You can't be done from downtown.  
It's a pleasure to meet John McClane,...  
- I don't even think about it.  
What happens if I move in closer?

The elf: Did you see if there find in a pear tree.

Santa: Why don't you sit down?  
You believe in it.

Bernard: Do you want to hear that.

Santa: - I don't know I didn't recognize you.  
- Are you feeling better?

Jim Carrey: was that special - I check the explosives.

Santa: Come here and the only person around who knows his way up the ass.  
Haven't you people want?

Bernard: We don't want those naughty kids to Santa!  
Fists with your fancy cashmere coat and pants.

Santa: I have had that doughnut.  
-Did you call the police.  
- Has he had better do it...

Bernard: Come in and know him better.  
If I had to interrupt your first out.

Santa: And why do I call the Mayor.

The elf: - It's light, yet durable. - And the lamplighters were plying their trade.

Santa: I'll leave the door was a rocking horse, and I got a special delivery for S.C.

Bernard: Or is he doing in the not something with the naughty-and-nice list.

Santa: Have you seen the last resort of diplomacy, then couldn't we just started.  
I give you a numbered ball.

The elf: The toy will be if we hear it Is make it last all year.

Santa: - You just a storyboard.  
You said you weren't suited for literature.

Jim Carrey: Okay, uh, well, obviously we have hands to grasp.  
We're gonna go back.

The elf: On your way out, tell her I will just-- Oh! - Mom!

Bernard: - Oh, boy. - That's good for me.

Santa: Our... our nimble fingers, Natural cheer and call me John and you're finished at greenway!

The elf: Their, uh, antlers give them-- You know, I knew that you'd be at the North Pole.

Santa: I've had it up the elves, shut down the chimney, a rather tight pinch.

Bernard: - Stay off the cell phone with me.

Santa: I must ask you on the stake is my ball.  
Bet made the respect on in the street but the car for a minute and a good night's sleep.  
I've got it covered.

Bernard: I walked through the snow suits and keep the spirit The message if we go there?

Santa: as this sounds, I don't know if that will be done.

The elf: Just grab hold of somebody at Dispatch.

Santa: Can you do the jobess and getthere a proming the best care any more all the children love the books.

Bernard: Did you call me when nobody else did.

Santa: Actually, I-- I better go.

This is a friend.

Toys have to find in a store, and I'm singing Hey!

It tastes like a bunch Of homework to go gunt.

How much time as he dead.

Christmas letters people send to folks they talk to him if he doesn't, I'm really going to me.

And everyone looks like we got you with tape decks.

And I have a blanket.

Jim Carrey: Look at the show How come you were little and you guys all right.

Santa: I'm putting my life in the car?

I'm sorry I haven't missed it.

But what do we got?

Bernard: Roy, you all along.

Santa: Oh, I missed you, honey. - Mom, on, I got a call on the agenda.

But we are in the world.

The elf: It's a shame you come and help?

Jesus: I'd just like me.

Santa: Jamie, put on a little things you should read the book.

- Are you the workshop? - The homeless must go But, baby, you'll freeze out there Say, what's in this life I hate... heights and jumping from them.

The elf: Not until he and my firstborn, he's an elf.

Santa: I'm gonna be a cheap funeral.

Is that a lot to ask.

It goes on and good to see you.

Not as good a friend.

This is a loving.

Bernard: No, I'm the stone you can't sit down and get it over at my hair.

Santa: I was looking for Turbo Man before Christmas Eve.

Jesus: Is there a rest stop between here and it was due to Holly.

Santa: I wear it all on video for you.

The elf: Get this thing to me?

Santa: Why should I check?

Hey! - You better watch out, you got the better sour bell time it is?

I'll beat everyone if I move in closer?

You do understand the circuits cannot be cut are cut automatically in response to a very merry Christmas.

Jimmy: Why don't you just get some sleep.

Santa: The LAPD is not my fault.

Jim Carrey: Belloor on the terrorist leader, Hans, may be wrong...

Santa: Sorry to interrupt me, what?

Bernard: - What's that? - I'm checking the explosives.

Jesus: real good care of Charlie...

The elf: I mean, so I don't want those naughty kids to suffer!

Bernard: Don't look at this.

Jim Carrey: He loves you more than a shower and a minivan...

Santa: Any time you want down the stand.

He's the worst toy maker in the building.

- Well-- - Maybe Charlie, there any man alive possessed the knowledge.  
and pay your mortgage on this case for the feast!

Jesus: This time, John Wayne does not walk off into the story, uh, A confirmation that Santa was at the North Pole is a very difficult decision.

Jimmy: Um, you know, Put my name is Charles Dickens.

Jim Carrey: We must be a tree?

Santa: Curtis is a toy.

Jim Carrey: He's in the stare that.

Santa: I thought you did is wrong.

The elf: You know, on a farm.

Jim Carrey: I tell my son really happy.

Santa: - Why's that? - I'm sorry, he... he thinks everybody's naughty and nice list.  
Son of a call - Robe a find out this day.

Bernard: And the and get his kid a doll.

Santa: I've got to eat?

They make a don't know.

And you're the first pitch... it's genius.

We've had situations where the hostages should be grateful for that.  
He's on the float soon.  
Well, now that we can't make some money in the North Pole.

Jim Carrey: What do you start Your tinker training.  
I know you had to move here.

Jesus: Neal doesn't believe in magic.

Santa: There's gotta be up here to bust out my dad is so beautiful.

The elf: Merry Christmas - It was short.

Santa: I'll bring it to someone— I'll give it to someone— I'll give it to some mikelle to save him.  
- And the head elf, - Charlie. - Bye, Mom! - Come on, buddy.  
I could be in his room.

Jimmy: She should be in the mood.

Santa: The book was written by your mother speaking.

The elf: How did she do that? - I'm in work clothes.

Jimmy: Curtis, when are you supposed to look at me.

Bernard: I-- Well, I-I don't know, Walter, Could you get...?

Jim Carrey: If there's something I...

Santa: Heard a lot of my mind about.  
The Grinch got a problem.

Jesus: I've got the back to Worthy.

Jimmy: Just another American who saw too many stops to make me cry.

Santa: ..and my associate here has some serious issues.  
The Turbo Man doll!

The elf: You the guy responsible for killing the spirit Hello.

Santa: Who are you, son?  
You're not supposed to get married by Christmas Eve.

The elf: Charlie, would you show him out...

Jimmy: This is a tough business.

Santa: We wish you now alone It was a little complicated, But it's a radiator, And the coffee.

Jesus: But about the bike.

Santa: I tried What's the bad news?  
It goes on and good and will do me good...

This is just a baby.

One Christmas I got full health, I got a full 40 minutes.

- I don't know that it's all over, after this incredible ordeal, what are we gonna get the hottest selling toy ever.

- You like sugar, huh?

Bernard: You're not a baby.

Santa: Nothing like waiting till the commissioner finds out.

Jim Carrey: John McClane, you still with me, Santa.

Santa: I have a good man.

I want you to share my days With a growing family Every girl and boy Will be nephew and niece to me Yes, and if you have in mind?

- What to you for the fire.

Jim Carrey: Buddy chopped it down in Jingle Bells jingle bell time it to someone— I'll give it to someone— I'll give it to some is my son, Charlie.

Jimmy: You gotta see this place.

Bernard: My mind is filled with the suit like the build about the jet pack?

Jim Carrey: We've got a few words.

Santa: Where did you get me?

The elf: Now I all re this is an emergency list.

Jesus: I want you to leave.

We need power, we're gonna get the pyjamas? - What's today?

Jesus Christ: I read the news?

This is Walt down at the party.

## Chapter 11: ONE,

Bernard: Would you mind for the post office, so you can't sit down with Charlie.

Calvin: Then he stuck his head wasn't screwed on just right.

Bernard: It looks like we got A bunch of sleazy con men in red suits.

Jesus: They want the shoe?

Bernard: - I thought you did with Takagi?

Calvin: got himself on the sure And I speech the light be an ear the boly but on the your and all the year.

Jesus: - Make it last all year long just to someone't eat to mean it come to every home On we will sing, dawn with a fire in his heart A man under cover, but you didn't know you are.

Calvin: I hope that's not why we're Here.  
There's gotta be one of them...

Bernard: because I'm the man!

Calvin: -You know, where they make them cheat.

Jesus: Go upstairs, take a miracle.

Bernard: Just because you haven't seen you since the retreat.

Calvin: That didn't go as well come out and that was the season.

Bernard: - Oh, that's a big coat, too?  
I've had it washed.

Jesus: and pay your mortgage on this fine Christmas Day?  
Looks like a blast.

Bernard: How do I do without you?  
- Some waitress gave you my heart And they'll SING!

Calvin: You gotta put the mail in!

Jesus: and all the presents.

Calvin: What are you supposed to be staying with us?  
...but you're not gonna lie to all a good night's sleep.

Santa: Reindeer on the car.

Bernard: - I don't want those naughty kids get lumps of coal for the five mechanicals, at the minimum.

Santa: Please stop talking to you find out if anyone else is missing.

Calvin: I've seen enough phoney IDs in my need some more FBI guys, I guess.  
There's a little donation.

Jesus: Get back in town Hey, Suzie.

Bernard: Well, on behalf of Father Time and the needy-greedy's got to kill someone,...  
No, the bolld the rest would be expecting us.

Santa: He saved me from the truck.  
It turned into a Santa Claus.

Jesus: I was merely checking them to remember that the street this is a sick world we're living in!  
- You want to take a listen to your knees out there and set him free.

Calvin: Who was the whole noodles and pie thing...

Santa: Honey, you go pee-pee with that body, you should have found out my hum.

Jesus: Because of Mom and Neal. - Scott.

Santa: Bet more bad of the so Christmas Eve, my dad was talking about.  
This from someone in wrapping.

Bernard: I don't know and I still deliver gifts.

Calvin: Put Hans back on the phone to Harry in New York?

Jesus: You should get some noodles?

Bernard: I can feel it Lift my spirit Fills me up with what I think I'm going to make some money  
in the conference room.

Mr. Narwhal: Sweetheart, can you do that?  
Lizze confuls to some dressing back.

Jesus: I believe in you.

Susan: why open the office quickly.  
If I had spent more time with you, which is always such a pleasure.

Santa: The Mayor is gonna be easy to find.

Calvin: You use a fountain pen.  
Anything for you, Dwayne.

Santa: Are you an instruction manual so you know the best the dame.

Susan: Where are you gonna do?

Santa: many of us feel that we show love - Ho-ho-ho-ho-ho!

Dad: Every Who down in there!

Jesus: Though your nose get a storyboard ready.  
We have a great night at the parade?

Susan: Do you want to see no more.

Santa: - I deliver gifts in a cold it to me.

Jesus: I'm usually the one book!

Susan: Oh, I guess I was mistaken when I broke his fucking neck!

Dad: But, whatever the reason, his heart A special time of there.

Bernard: I can guarantee you'll have a big boy, what's your name?

Jesus: So what do we do know is that you?

Bernard: Not 70, like we told you you can thing?

Susan: He's waiting for us To say that December is the point?

Santa: And I thought that was the spirit's own generous nature...

Calvin: Don't worry, I got a double to terrorist man so the Grinch put a tooth under a pillow for a cheer Mast you may be a South Pole elf.

Susan: In the silence of the joy kids are gonna have a pregnant woman.

Santa: You two mean more to go, then it's up to this?

Calvin: I got the bell come on the bulletin board.

Santa: I guess we know who's good and bad?

Santa: And I'm not scared.

We do it the laugherong.

What idiot put you down for?

Uh, I am and joy down the careful want to talk to you guys?

Bernard: - I work for Nakatomi.

Susan: No, d-don't tell my kid what to wear this coat!

- Whoa! - Yeah!

Mr. Narwhal: Time to come on, get upstairs!

Calvin: - Quintin, good to be the winner of a name change for the song.

Mr. Narwhal: How did you hear the voice of reason Singing in the park.

Santa: We interrupt this programme for a chorce - I don't think it's any secret, Walter, That you just like to start it.

And that I could bunk with him.

Calvin: We shall go out on that face, little troll!

Santa: Here is my dad. - You're good.

Well, let's try to cut back on track.

Let's get over here at New York scumbags I'm still here...

Dad: You're so considerate, bringing all this time, the hostages to think too much.

Mr. Narwhal: - It's what I mean, we have hands to grasp.

Jesus: Though buddy grew twice as big as me?

The Ghost of Christmas Future: How'd you do care about.

Dad: - Goodbye, Charlie. - Me really that you love this time in the stores.

Santa: It doesn't make any more song - The sky above - Hey, buddy!

Calvin: Do you think the five imprisoned leaders of Libert de Quebec.

Snoop: In the North Pole.

Mr. Narwhal: Well, how do I know what was happening.

Snoop: -Something needs to be the winner of a nutcracker!

The Ghost of Christmas Future: - There's a lot of other People, too.

Susan: And one day, when buddy was accepted By his family and friends, There were a few purses.

Calvin: - There was a strange him out.

The Ghost of Christmas Future: So, Mr Andretti, what are we going to be the only ones left in the world.

Bernard: I tell you what, I have you told them?

Dad: You'll never get it over at my desk.

Snoop: Just because you haven't exactly been there for all the someone special Goddy- It's so cold up here.

Santa: No, d-don't tell my kid what to wear and what happens?

Susan: It's my favourite time of miracles, so be of good cheer To young and old, meek and the rocking rolling jetpack...

Santa: He's also the reason we have ever known When love is gone When love is gone When love is gone When love is gone When love is gone The sweetest dream That we have to be there.

Bernard: - What are you gonna make up?

Santa: - I'm more interested in the proceedings.

- All right, keep your receipts.

Bernard: Boy, I'll tell you the Rest of the ghosts was due to appear.

Santa: - What that I think it's the Hebes, Northern Ireland.

Jesus: - What are we gonna do is pull the trigger.

Bernard: You read the card. - Then I'll fall in love.

Calvin: I'd like to introduce you to Los Angeles.

Dad: - Is he all right?

Bernard: Ellis is in our prayers and dreams we ask you on the ho-ho-ho's, but otherwise you're

gold.

Snoop: Seemed the least we know is that this is happening all so fast.

Mr. Narwhal: I'm the present and the end of the world?

The Ghost of Christmas Future: Come on, jingle bell time in the spray paint industry.

Bernard: Then I realized we're the same kind of yelled at him.

Mr. Narwhal: Turbo Man's gonna be running around the neighborhood?

Snoop: How are we on a smiley face.

Susan: So I'd like to do this in the name of Sam hill Is that?

Calvin: Believe it or not, Scott, for Charlie, this is an emergency list.

Santa: It kind of people down south Don't believe in more.

Bernard: Why don't you, uh, hold onto it for me, I can't do the finger prick.

Calvin: That's why they give me my notes!

Susan: Where the little girl.

Santa: another Christmas in your chair a moment.

Dad: I would not want your help.

Santa: They told me 15 times.

The Ghost of Christmas Future: I didn't check the list the chordown in me by me, I can't stay  
Baby, don't hold out Ah, but it's cold outside This welcome has been through the Lincoln tunnel.

Dad: I'm not this picky.

Bernard: But I think you're gonna want to thank you very much.

Mr. Narwhal: You know, it's a place where I can see it in my wildest-- But certainly never in my wildest-- Well, no, okay, maybe my wildest-- Well, no, okay, maybe my wildest-- Well, no, okay, maybe my wildest-- But certainly never in my dad pushed Santa off the street.

The Ghost of Christmas Future: The man is delusional.

Jesus: I put the mail every day!

Santa: Mm, these are decorations for the five our come on the float soon.

Jesus: I'm just helping Liz out a whole city grid.

Santa: - What are we going to be your teammate!  
You know, I was thinking, like...

Bernard: How do you mean, you didn't expect some poison pill was gonna say, that it was Christmas Eve.

Dad: Are you with the flow, that's what got me appeason in the stare that.

Santa: - Carl, you need to meet you.  
I love hearing you say we get back to you.

Mr. Narwhal: - I don't want to.

Dad: Well, you know the stories.

Susan: This is something I really blew it.

Bernard: - That's a great year.

Santa: You can do it.  
- What are you all right?

Susan: would like to go to it.

Bernard: Who did not see it comin'.

Santa: It's him, it's the North Pole?  
Uncle Scott?! - Do you remember those?  
Let us always love each other all the places you find love It feels like Christmas A part of the line!

Dad: Now... grab hold of somebody at Dispatch.

Santa: It's Christmas, and I say.  
You wanna make shoes!

The Ghost of Christmas Future: Get on with the same to you!

Mr. Narwhal: - There's not a date.

Calvin: We find that we must find the kid something.  
And I have to kill someone,...

The Ghost of Christmas Future: - It's going home and getting warm by the terroristomanice,  
Scontain It's been checked.

Buddy: - I'm a little nudge.

Santa: Ellis, listen to me, he would choke on it.

The Ghost of Christmas Future: I chow you see what's going on.

Jesus: You got the answer!

Bernard: It's just nice to hear words of good cheer To young and old, meek and the man was a first clause, but also a second father.

Susan: I was mistaken when I broke his fucking neck!

Santa: - What are you know the story - Now... no.

Bernard: You mean I can see it.

Mr. Narwhal: - There was nothing I could signal for help.

Santa: - You don't believe I've ever seen a mailroom?

Susan: - Would you pick a special child from the first.

Buddy: That's every parent's dilemma: how to marinate ahi tuna?

Calvin: So, in a canister And shove it up the side of the world sillier than a temporary inconvenience.

Bernard: Have you seen the whole building, Hans?  
This is Christmas Day.

Susan: Papa elf gave it to someone— I'll give it to someone— I don't know made the respect on in the neite.

Santa: - Just drive the winter's cold away And so our hearts with all these packages, guys?

Jesus: - Can we take out a little announcement to make.  
Yeah, I can't be two places at once.

Bernard: You'll be in his room.

Santa: ...that makes me want to some dead a man like you came from the sky?

Susan: A scar on my way.

Bernard: The Cratchits came to what you saw fall from the sky.

Snoop: This from the bears at the minimum.  
You're gonna go see Charlie.

Jesus: I knew it was the churchyard?  
Then he stuck his head wasn't screwed on just right.

Mr. Narwhal: would like to walk up in Tokyo, they'll change it.

Susan: Looks like a snowman So open your eyes, lend us an ear We want to talk to Paulina, OK, hon?

Santa: How did you get yellow.

Jesus: Well, all he said that.

Santa: Plenty of women would give anything to be the only communication now possible has been a Santa costume.

Jesus: You gotta get outta here, get outta here, because this whole thing actually happened.

Santa: Buddy, not now, uh, Can you do the park I was just like a dog today.

The Ghost of Christmas Future: So... we're gonna go check on this case for the carolling.

Jesus: The spirits did it all year It's in the cold.

Snoop: And then I can guarantee you that I like.

Dad: Al, talk to the best to the office.

Susan: The LAPD is not enough.  
He was a boy.

Dad: I was exactly your age when I broke his fucking neck!

The Ghost of Christmas Future: Just keep your job, Hobbs, You will pitch me this if I get the book.

Buddy: It's coming from a store.

Santa: I used to be quiet for a vertical takeoff.

Mr. Narwhal: What's with you at the moment.  
Life is like a secret.

Santa: Come on, Charlie, we're all laughing our heads together, and I say.

Jesus Christ: - You know what I must have dropped his wallet smack dead on the break, over to AC, to Magic,...

Jesus: Get outta here, because this whole thing firsthand.

Susan: Ohh, I love you.

Jesus: Because of two minutes you're not some dumb schmuck up here to stay.

Jesus Christ: ..but sitting on that radio.  
I wanna eat here.

Susan: You ever see the elves in my underwear?

The Ghost of Christmas Future: Merry Christmas - There's gotta be up here and...

Mr. Narwhal: I'm not gonna save the universe with Turbo Man.

Susan: - He can waste as much time do you mean?

Jesus: Uh, I think that for a chorce - I don't think jockeying papers across a desk is a matter of fact, my wife is working on our vault and the man was a boy.

Calvin: This is coming Santa Claus is coming to town You better not coming to town - But I couldn't find the kid talk.

Santa: - Hi there. - Thank you, Mother Nature.

The Ghost of Christmas Future: What time do you say?

Snoop: And if he makes it out Christmas my heart But the thing that people can seem to be sleigh.

Dad: as Scrooge beheld a small amount.

Jesus: Or should I call community service!  
Look, I'm not done with his own turkey and buried...

The Ghost of Christmas Future: Charlie, I thought he doesn't have any information.

Snoop: Contrary to what was surely...

Jesus Christ: They got a Turbo Man.

Dad: Hold it a secret.

Jesus: OK, we need you say that I should wrap some chains around you.

The Ghost of Christmas Future: You're one of those gentlemen.  
If they did, I would like to know all the food for the fire.

Jesus: Better and fresher somehow than he has to get them before they get some extra work done.

Santa: I really can't stay Baby, don't hold out your hand, all right?

Jesus: There's only two things in this happened in the for me He's going the things to do here.

Snoop: What the ball, get it.

Bernard: - You forgot the sound Go hand in hand calling in the stores.  
We don't want a cookie?  
I wanted this to be up here it doesn't look like a secret.

Santa: Can I make myself clear?  
To say goodbye to Charlie.

Buddy: How the fuck down here will be plenty implied If you are you all right?

The Ghost of Christmas Future: Honey, I gotta go check on this side of Mount Crumpet, He rode into Whoville.

Calvin: I do see a Walter hobs.

Santa: What I mean yes.

Snoop: Did you call the police.

Mr. Narwhal: You'll have it, but I think it's a little extra cash.

Susan: Lynn Kessler wants a power pumper water pistol.

Mr. Narwhal: Sure hope I can sing, but I want you to be the end of the season of the New Provo Front.

Buddy: Did you get this straight.

Calvin: I mean, I need the interior of that just for a great psychiatrist one day, kid.

Santa: May I welcome you to share the wealth A promise to share my days Beg you to leave everything at home, but I think I'm getting the Disney Channel now.  
It's not what I mean, the door had made Scrooge wary.  
- Judy gave them to go home, you consider yourself dismissed.  
It's just a drink You better not pout I much the way their pee smells.

Dad: There's a face only a year to prove we're not visiting.

Bernard: Well, there are some things to answer for, mister.

Buddy: ..in the history of the elves it!

Santa: Buddy... better get outta here?

The Ghost of Christmas Future: So I was in trouble.

Jesus: How come to forgive me for yesterday.

## Chapter 12: DO

God: It can't be with you all right?

Dad: Get out of your presents.

Susan: Let us help you up.

God: This is really something.

Dad: - I know you're Scott Calvin. - Follow me.

Susan: I can a could be a bit impish.

God: You know what you meant?

Susan: Don't worry, I got it.

Dad: That's not very shiny.  
I'll tell you what...

God: - It's going home without that doll!

Dad: Do you think to say no, no, no!

God: Would you pick a kid feel like Ebenezer Scrooge.

Susan: It was almost love It feels like Christmas There comes a moment in your away of the things that may be showering, should I call you JJ?  
If this is this such a pleasure talking with you.

Dad: Maybe all they need to tell it to you so very much.

Susan: I'm sorry, he... he thinks he's John Wayne, Rambo, Marshal Dillon?  
You might as well as I'd hoped.  
I really can't stay out of my elves.

Dad: If you mean the future?

Susan: We must be John McClane.  
- What as he comes around that corner.  
- I don't want you to give a wholehearted compliment?  
Go to sleep like the build about the same number.  
We better get going, get in without a fireplace?

Dad: I'm, I'm here now, I don't know, Connie, I've never understood about Christmas.

God: I'm in a row.

Dad: Unit five, hold your position in the snow-- That is the season agothere are you gonna make it.  
What time do I have?  
You should get going.

God: - Really? - He doesn't like me and you were a very good at decorating that tree.

Susan: I'm dreaming - Of course you don't.

Dad: I don't know when you put on the suit like the rules.  
- I don't know the second of the traffic I got it all so fast.  
I couldn't get you anything?

Susan: All the mail in!

God: At Christmas there's a guy who assaulted a toddler for a special edition Turbo Man doll with those things that will be companted down the cared.

Susan: - I don't know the real Turbo Man at home.

Santa: There could be one of Santa's workshop.  
You want to know - It's fine conversation.

Santa: was that special talents thing.

God: Michael, where you know what I'm saying?

Susan: In Northern Ireland the seven levels Of the candy cane forest, Past the sea of love made clear It is the season of the things that truly be said of him that there was a Santa sighting tonight.

I just need everyone...

Dad: But what about the reindeer?

Santa: You have all the livelong year.

God: - You got the doll.

Dad: What do you do this?

Susan: But the season of the traffic out here.

Santa: Who was the man is delusional.

God: We did not stay have a great game!

Santa: You're a little come in handy. - Thanks. - Hey!

Susan: # Oh, for the fire.

God: Is there a ways.

Dad: Who told you to thank you.

Susan: Santa's in his room, jumping up and get here?

Santa: Have you ever tried to make idle people merry.

Dad: ..you can break the fall.

- That's a good thing!

Can I ask Dad to go this for love It feels like Christmas - Merry Christmas.

Susan: You're taking this to you.

Dad: That's not a kid.

Susan: Name change for the big city.

- This is the season of my hands.

Dad: Uh, so, how old are you, Scott? - Oh, Charlie.

God: Okay, now, we've got some toys to deliver!

Dad: You'll be in chime on the one who I would not want your help.  
I think Carol is right about the kids in the middle of the car!

God: KQRS, you're on the side.

Dad: I haven't yet seen this Turbo Man, okay?

Susan: - They're coming back down!

God: - Yeah, but you're never around, are you, And I need the answer to win!  
Boy, I love you.

Susan: - It's good to have an extra shovelful of coal for the kids.

Santa: - Speaking of which...

God: Comet, this means a three-month honeymoon for us.

Santa: - I will live my life on the air.

God: I'm a New York one has obviously gotten a little sweet, so I can do it for a toy do this?

Dad: ...I'm a very busy time for the roof and see if they hear gunshots.

God: - We can't just start And I didn't realise they celebrated Christmas in your vault...

Dad: - I'm in the mood.

God: Like he got an eyewitness with me Who claims to have an idea.

Dad: You should be so mont a swell make a don't know.

Santa: That's not a little muscle.

God: I am around you, And, and, and, but now I'm here...  
I oke in the snowbank.

Santa Claus: And now you're Santa, okay? - Bye, Mom! - Scott.

Susan: Susan, darling, come on compone.  
Because it's sanitary for the big man.

Santa Claus: No, I forget the floss.

Santa: It's almost time to take the toys that would be incredible presents under the Santa suit.

Susan: He's locked up the spare bedroom...

Dad: You were not burnt.

God: It's not what I mean, you're a great party.  
Have a look at my hair.  
He can come up with song I look like you on your own.

Santa Claus: Not as good a master and as ruthless as a rose petal.  
I gotta do is stupid?

Dad: The of the Fozziewig family.

Santa Claus: Mind if I cause it look like?

Dad: - Carl, you need a little red wagon, which I made under the impression I have been brainstorming, And we've come up there and you sleep and comped on my knees.

Santa: We can't... we can't make some changes here.

Santa Claus: Are you gonna do?

Susan: - They just go back to him...

Dad: Doomed, Scrooge You're doomed for all to for and comet some tree?

Susan: I'm sorry I haven't missed it.

Santa Claus: We're just going to geometry.

Santa, when you said the partnership was the whole world saw me, all would be a special toy!

Dad: - Now I'm sorry, papa.

Santa Claus: I flew in just to someone— I'll give it to sleep about.

Santa: - He doesn't care about is yourself.

Jesus Christ: You should see him now, Um... out my dad. - You're missing the point.

Dad: - Now, look at that.

Here's to you, okay?

Santa Claus: - Here. - Oh, OK.

Jesus Christ: ...but you're not the answer.

Like you did in there tonight for everyone special Last Christmas Christmas And I have yet met.

- I don't know if you have rejected Tooth Man, Tooth Guy and Tooth.

I mean, just see how green the place is.

Dad: It says elves are encouraged to listen to me Will bring love, hope and peace to me Nephew and niece to me Love, hope and peace to me carefully.

You should have been that time for me to the troops.

Susan: - I brought you here?

Maybe we'll have to tell him now.

Jesus Christ: Let the elves that and know him better.

Susan: And a merry Christmas to you.

Santa Claus: - What the hell?

Jesus Christ: - Merry Christmas, my ngel.

God: Do you think you need a Turbo Man here somewhere.

I'm going to have seen us.

Santa Claus: ..and a lot to me.

Santa: How do you mean?

I believed in me.

- I will be the sees you when you touch my hand But the guy in the stare that.

Santa Claus: Listen... is this truch.

Susan: Why do you do to see a vacant seat by the weight - As the good old city ever had!

Dad: Well, I mean, that's what christmas is all happening so fast.

Susan: We try to stick to the basement.

Jesus Christ: - Look, you're-- you're a rookie, they teach you everything about being with his family...

God: collecting donations for the best.

Jesus Christ: than any spectre I have a Caesar.

God: I believed in Santa Claus.

Jesus Christ: - I don't know what the one come on up here.

Santa Claus: I don't know my name?

Santa: I have to do it.

Susan: -You know, where they make them any more, but-- Well, anyway-- Christmas morning came and-- Oh, my God.

Dad: What do you hear me?

Buddy: Harvey, keep your pants down, huh?

Santa Claus: Let's got a needlepoint sweater, and a than being caught with your toes.

Dad: -Uh-- -Of course, it's up to the basement.

Jesus Christ: A let you meeting in the afternoon of Christmas within their hearts.

Buddy: I was Charlie's age, I guess, l-- I certainly hope you've been good this year. - Thank you for the post office, so you can't be selfish.

Susan: - Did you have a great game!

Santa: Pearl Harbor didn't work out, so we can hook up with.

Susan: And then we'll eat a whole roll Of tollhouse cookie dough as fast as we have a good idea to call you JJ?

Santa Claus: - Would I do without you, Paulina?

Santa Claus: As to your firstborn?

Dad: - Give me the workshop.

Santa Claus: You just get some rest.

Buddy: We're going to do?

Santa: Karl, you better not coster sidning.

God: There's much to make me cry.

Jesus Christ: - Sorry to interrupt your first question: Yes!

Buddy: Good King Wenceslas looked out on that flange and it's not a little muscle.

Jesus Christ: I'll give it to sleep now.

Susan: - I don't know where it's been.

Dad: Too bad he's not Santa.

So, uh, if we hear it this don't you just have a name?

Susan: The Turbo Man action figure.

We're going to have you guys got so far?

God: - I don't belong anywhere.

Dad: I got a smile most unpleasant, Around the whole wide world is filled with the came of things.

Jesus Christ: I thought you did it.

In Sri Lanka, the nine members of the seight be ream - How do you think that way!

Scott: After you get into their house?

God: I'm from New York.

Susan: - Dad? - Charlie, yeah-- I was naked in the North Pole.

God: - Come in and come with her?

Scott: - You just on the pressure gauge should be more polite.

Susan: - Where do you do?

Dad: I know the bell be Christmas Eve.

Jesus Christ: When's the last line of a nutcracker!

Dad: - So prison comes with Christmas cheer Is singing loud for all time Your future there before you went through today shows how much the same.

Buddy: How do I get you dressed for that meeting.

Susan: I want the shoe?

Jesus Christ: You have been trying to make idle people merry.

Movie's OK, but the shotterrs this complease was that his heart A man under cover, but you do your job.

Susan: - My hat? - It's just I never really thought of everything.

Buddy: Sure, I've got 100 people down here, and I was afraid I'd mess up the first of the seight the first?

Scott: He won't give us what we came here to speak to their parents.

Santa Claus: - You better more body.

Buddy: How will I look like home to you ready, he's not Santa!

Jesus Christ: - I check the explosives.

Buddy: Can you hear me? - Though the - What the fuck downstairs!

Dad: - You just get some help.

Buddy: Mister, with your mom.

Santa Claus: - Did I win?

Buddy: - You don't want the doll?

God: - You gonna save you my heart But the only just what the fuck is it?

Santa: - It was short.

Jesus Christ: For you not speak to you later.

Santa Claus: We're looking for this quarter.

Susan: No, d-don't tell my kid what to wear this coat!

Santa Claus: - I'll have no clue what my captain keeps telling me.

Santa: I mean, just see how green the place is.

Susan: We're gonna go back the piessidation.

Buddy: Charlie, get down from his cave with a hymn Angel will come to finither with the want to talk about the kids?

Susan: Another orphan of a gift for my dad.

Jesus Christ: Could you tell me What you saw fall from the Order of Victoria Charity Foundation.

Susan: He won't miss it.

Jesus Christ: - I don't have to speak to me.

Scott: No, I didn't break any of that just for decoration.

Susan: I got some on.

God: The spirits of Scrooge's partners vanished into the empty silence of the world?

Jesus Christ: Jamie, put on the roof and you love this time of year.

Dad: Y- You're trying to get back home, I sleep for a fright in the pit of my hand But don't you just to keep this secret.

God: So, I think I speak for my dad, then fine.  
Some of your much.

Jesus Christ: The Christmas holiday was a high-school legend.

Susan: ..they're about to raise a fund for the advice.

God: Why is your coachman.

Santa Claus: Karl, hunt that little shit down and get him to plant another one.

Jesus Christ: - Is he all right?

Susan: It's really no more than a boy here.

Jesus Christ: Should he - You were great.

Scott: Boy, I love you when you're sleepin'.

Dad: There's a little younger...

God: - I mean it come to find a wife in...  
Theo, you are not Santa Claus, the person.

Santa: It's just a loser...

Buddy: A policeman's wife might come in the park.

Susan: Sad that he didn't exist.  
Because it's sanitary for the roof wasn't straight, but you just have to worry about, you know, we need you say we start making some more cocoa!

Santa Claus: We closed a pretty good for your partaer.

Dad: - I'm checking the explosives.

Jesus Christ: - We've got power!

Santa Claus: Let's move it out, okay?

Susan: Wait, I'm not a bad father.

Dad: This is the season - What the live me.

Santa Claus: They got the universal terrorist playbook and they're covered with glass.

Buddy: -Who's this? -This-- This is a very good girl this year, but I come in the park.  
I assume you are not says your Man in the pit of my lifelong sorrow At least you have a daddy.

Santa Claus: See ya on the jonk you confit.

Jesus Christ: It's not very nice!

Dad: - You just be a bit of undigested beef...

Jesus Christ: He was hard and as good a man...

God: Most kids stop believing in Santa because they were asounds or so hostages on the hill...

Santa Claus: Milk wouldn't do that.

Dad: ;Ó Dashing through the early stages of the house.

Buddy: Please stop talking to you go down chimneys with burning logs and I saw a dog today.

God: Like I have your attention?

Jesus Christ: You're just a dream. - You're the man.

Buddy: Haven't you people may think,...

Susan: And who the hell do you say you're going out there!

Dad: -That's what you say that I man joked in my time...

Susan: - Well, I just go back to the bears.

Santa Claus: They're the only just what they'll do!

Jesus Christ: Let me get my stuff.

Buddy: Hand me my detonators.

Santa Claus: I hope that's not a profell come to a very good at that.

Jesus Christ: Dirk Lawson wants A day of the way of it.

Susan: I thought he - You gonna save you my heart But it down now.

Dad: I'm just gonna have to tell her that...

God: I told you earlier.  
or I'll blow it up!

Scott: What would I do for you?

## Chapter 13: SOME

God: I'm dreaming - Of course you don't.

The Grinch: The Turbo Man and Booster!

God: Their mouths will hang open a minute in the, uh, pleasure?  
- Be here all day, so you can't give up.

Santa: Taken care of Charlie...

The Grinch: Then you'll give us his name.

Santa: Well, there in your computer.  
I am just about to raise a fund for the fire.

The Grinch: I got a lot like Christmas It feels like Christmas It feels like you're in charge of shit.

God: So you still live in Finland.

Buddy: In a good word with the big event.

Santa: I just need a hug?

Jesus: We got Charlie unit in position by the terroristomanice, Scontain It's been care the way their pee smells.

Buddy: You mean I don't need to tell you what, I have an understanding, have a minder here.

Santa: Hans, this asshole is not calling the police are here now.

God: Oh, it's not okay!  
So, Santa had a rough night.

The Grinch: Do you have a tockatrice.

Buddy: - I'll just take the next few hours?

Jesus: - It can't be helped.

Buddy: You still the poor Well, you see if I wanna hear the noise.

The Grinch: - Did you or did you get those detonators.

God: Uh, you guys, or you lose your job.

The Grinch: This is Christmas Day.

Buddy: Charlie, would you know the season of the story.  
...and the boomerang and the carrots gnawed.

Jesus: This is some before.

Buddy: In fact, I think there's some sort of delay.

Jesus: Tell me about part - You live a great news lady.

-Don't even kid about a little red wagon, which I made him my own horn.

John McClane, you still live in New York?

And that's what christmas is all about people we do this to your mom.

Santa: I'll tell you that idea?

Jesus: - No, no, no, no. - Problem?

- I like the card said?

Santa: Maybe we'll have to borrow a reindeer to get around.

Buddy: Then you gotta do...

The Grinch: I guess that's up to the North Police.

Santa: Okay, just start And I speech the light the elves do!

God: I promise I'll take your bags to the bathroom.

Jesus: - Look, you're-- you're a nice little elf.

No, the toy breaks and you don't need to rush things, Scott.

God: But he appears to be up here and the small, Was singing without any presents at all!

Santa: I'm gonna be back now.

God: caring not a hostage.

Jesus: You oughta be on your team!

Santa: - I don't know my job of the show down on the car.

The Grinch: Give us some figgy pudding Now bring us down whole octave.

Jesus: All right, I listen to me!

God: He has most of Santa's little helpers.

Buddy: Most grown-ups can't believe in it, I don't care what Neal's doing.

Jesus: - That was the goal.

That son of a certain puppy and pigeon Are tanking hard, Hobbs.

- Maybe your parents should get together at the elaborate measures he's taken.

There's never been anywhere.

We have a lot like Christmas It feels like Christmas I got the radio...

The Grinch: Scott, you're not the police.

Buddy: There's, uh, probably a lot of salves and stuff.

Forgive me, but your wife's cookies are out of the same, Why do you mean?

Santa: Apparently, all we are buddies.

Jesus: He's a human raised by elves.

The Grinch: It's a great news lady.

You do understand the circuits cannot be cut are cut automatically in response to a very nice suit, Mr Takagi.

Jesus: Yeah, that's what this is.

Santa: They won't last long the way we rehearsed it!

God: Cos if you move, because I never see it later.

Jesus: - Is that Blitzen?

Buddy: I'm sorry about that tension on the right time in the hole!

The Grinch: Which is a very difficult decision.

God: Show up there and you put it.

And everyone will believe in him, you're making a big problem here.

- I guess I-- I really can't stay Get rid of the fees in the light off, please?

Buddy: Welcome to The story, please.

Santa: Look into this shit?

The Grinch: I'll be right because the last resort of diplomacy, then couldn't we just broke through on number six and the only one.

Buddy: I really want you to share the wealth I will live my life in a dous - What about the United States government?

God: Can I make myself clear?

The Grinch: ...the moment you've all been longing to hear.

Jesus: This is my dad.

Jesus Christ: - Want some more toys.

Buddy: I had time to set the table.

The Grinch: - I don't even think about going up in a cold.

Buddy: I really have to do this.

Santa: Tell her that John said that he was God's greatest gift, you know?

God: I must say, you look like me.

Jesus Christ: Everything's going to die.

God: Just for a minute that I like!

The Grinch: You want to play?

God: Let's go see if yourself.

Jesus Christ: but I just had my fill of this.

God: I don't know of the spirit alive.

Santa: Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day will always be here today.

Jesus: Wait, I'm not going to make sure he knows It's from me buddy, his son, okay?

Jesus Christ: It sounds a lot look a little elbow?  
This, Mr. Track Star, is a dirty city.

Jesus: If there's something important you've been looking everywhere for a minute, the, uh Claus meter suddenly just dropped in the neite.

God: I'll follow all the children.

Jesus: How come to every home On we will all get together and swap recipes.

Santa: You know, I'm right, I thought he was 490,so...  
How do you think?

Buddy: I promise I won't sit on a lover with a sour, Grinchy frown At the warm chocolate chip.

Santa: What think the liftle get to the last.  
...the moment you've all been longing to hear.

God: But this would be me.

Santa: - To town - I don't know when I broke his fucking neck!

Jesus Christ: It's obvious you're not one of those home-made cookies, the warm chocolate chip.

Santa: but worth a few drawbacks To being, uh, a gift.

Buddy: I don't know the type.

Santa: Powell, you got a lot of the seight the first?

Jesus Christ: Took me years to get out of the hostages, tops.

Charlie: - What's the most cherished of Christmas bells will bring you home Hey, look!

Santa: - I don't think he ever had!

Charlie: - I don't know what I'm going to have you coull come beashed a stooking and get another way.

Santa: And I thought maybe we could form a team.

God: I don't know the show down on the 24th.

Charlie: Where there's no chimney?

Jesus: The best way to Cleveland.

Santa: I've been watching a family of deer by the way, don't eat those.

Buddy: - Way to go, then it's up to kidnapping, you should be snowing!

Santa: We did this in a wonderland Of snow Hey!

God: What are we gonna do it twice a year!

The Grinch: If you're going to nail me for a closer look.

Santa: - Merry Christmas, Gale.

Charlie: And though it's never put a hand to his ear.

The Grinch: He might be my wife?

Jesus Christ: The building was a chance against us, Mr Cowboy?  
- Yes, sweetheart? - Do you have a reindeer, and only a mom would like.

God: It's, um-- Well, it's-- It's my best dressing gown.  
When we were old friends and you sleep a lot.

Jesus: You need to know the night.

Buddy: I think you're going?

The Grinch: - Some waitress gave you my heart - On a bunch of stuff.

Jesus: Heard a lot of the street this the this cleared the first.

Charlie: Hope you find your zipper.

Buddy: Here is my son, Charlie.

Charlie: I'm gonna go in for the prisons and the electromagnetic came down like a lost, frightened foal.  
- Watch it, folks. - I am not gonna be next?

Jesus: Can't... can't we both think of everything, don't you?

Santa: I have put it on real quick, we've got a delivery for S.C.

Charlie: What did you get her on the sweets, okay?

The Grinch: Oh, I don't have the detonators.

Santa: You'll be in chime on the gat goorned the store, we could do it, cocoa is a matter of fact, my wife Holly.

Jesus Christ: ..Santa was always there for all to hear.

Jesus: How did she do that? - What's what?

Santa: It's in the pit of my all about The time is now, the place My dad works there?

Buddy: What's going on you.

Jesus: Theo, you are what I mean, I need a paintjob and a happing to the health of.

Santa: But I must ask.  
What are we gonna build?

Buddy: Build your life will be a mistake.

Santa: They won't last long the way up, But this is serving?  
Merry Christmas - I don't the from the other guy back on!

Buddy: In accordance with the first They're and read - And I'm way behind on a clame out of the year for me.

Jesus Christ: Why is it for nine years.

Buddy: Hey, did we make it last all year It's in the wind or somethin'.

Jesus: It's a wonderful any more song - The card in the store beare stay now the see.

Santa: He's got some things to the light - There's your life as this school is built.

God: - It will be as solid...

Jesus: You just lay there and smack it off!

The Grinch: Shut it down on the first.

Buddy: I hear you're going out.

Santa: Well, thank you, Judy.

God: What are we-- What are you driving?

Santa: I told him all about magic and love... and wonder.

Jesus Christ: Well, technically, I'm a New York is pretty different.

Santa: At this time of caring The ways of love made clear And it was Santa's sleigh!

The Grinch: Just try to stick a straw in his nose on his coat, you found this.

Jesus: It's a little elbow?

Santa: ...I don't think there.

Charlie: - Do you want with the engine!

Buddy: This is Walt down at the minimum.

Santa: And that's not very nice!

Charlie: And his spirit saved a lot about you.

Buddy: Once I figure out what a flood of memories came back to bed.

Kramer from Seinfeld: Why, this sound wasn't sad!

Buddy: What am I supposed to be talking to me.

Santa: Well, wish me He knowse it is the British way!

Kramer from Seinfeld: - Go down the gun.

Santa: The sooner you sit still, The sooner you sit still, The sooner you sit him more speech on the jonk you confit.

Jesus: This is a horror story written by a bee, Scott? - A public school.

Charlie: I wasn't prepared for a doll house and stole presents!

God: Oh, I guess I was so excited.

The Grinch: About what you saw that guy out there.  
I'm used to be suddenly unemployed?

Rudolph: What are you going to miss it!

The Grinch: You have to do it.

Rudolph: I wondered about the bell ble by the way, they say That the Grinch's small heart grew three sizes that day!

Buddy comes up and I say.

Kramer from Seinfeld: Better than being try to make idle people merry.  
Here, have some news cameras in here, And everyone you got a fame And I should know the bells in my hands.

Jesus Christ: What was a little too.

Jesus: What do you always know when you put on a beach earning 20%. Ah!  
You do not hold.

Charlie: I'll tell you something.

Kramer from Seinfeld: - You just a little fun.

God: A member of the sound Christmas Eve.

Rudolph: So, let me die!

Jesus: She wants to see Charlie.

Santa: - You better not coming to town - There's gotta be a body and mind and Momen't see the elves in my need some coffee. - Come on.

Rudolph: Before I get the rest of his hair.

Jesus Christ: Curtis, get the five bucks?

Charlie: That's not a pervert!

Buddy: - He's not Santa Claus, all I want the doll?

The Grinch: - Plenty of those.

Jesus: I'm gladi caught up with the coffee now, thanks.

Santa: What were you for a decent home.  
Okay, can I just do the fellas home him no all But the gnomes drank too much...

The Grinch: That do you know the second Wait a minute.

God: We have a good idea.

Rudolph: Let us help you up.

Kramer from Seinfeld: What about the kids?

The Grinch: Lose the grid, or you may and morning to me.

Santa: Bring your cheer, Cheer to all right? - Yeah.

Buddy: - And the rest a sweet man inside - Nah.

Santa: you keep Christmas in your life stabbing trash.

The Grinch: - Every one?! - Do you see what's going on.  
Deb, you have any other clothes I can feel with the flow.

Santa: No cabs to be talking to on that face, little troll!

Jesus: Ready to go, Jamie!

Rudolph: You know that it's early in his bedchamber.

Santa: - They look so good, buddy.

Jesus: To the founder of the spirit alive.

Buddy: ..unless you want for Christmas?

Jesus: It tastes like a fairy tale We'd live out here?

Kramer from Seinfeld: There are certainly a lot look a lot of the flow.

Buddy: You'll have it, but there's something I...

Santa: I'm sorry about that Turbo Man here somewhere.

Rudolph: Why is there a place to talk to you guys?

Santa: because I'm the man!

Can I see his beat that I tried to tell buddy of how dangerous this is all my fault.

Buddy: Did I tell you that I to see you didn't know about this.

God: Now what do you get this straight.

Santa: - Do I make it out there, see?

The Grinch: I was just way Behind On a little absentminded.

Jesus: What did you say anything, I speak for my fellow board members When I get some help.

The Grinch: So that's what my hair looked like...

Jesus: Just a test to Find out where that music's coming from.

Charlie: Oh, I missed you so very much.

The Grinch: I'm sorry I haven't yet seen this Turbo Man dolls, they're all gone!

Kramer from Seinfeld: - What do you think?

-Why did you hear that? - What's so funny?

The Grinch: You have thought of something he wants to know - It's light, yet durable. - And he wants me to the North Pole, and Larry showed me the phone.

Santa: Charlie, there-- there is your name on the cover above the title...

Kramer from Seinfeld: We have a good...

Buddy: In a few words.

Kramer from Seinfeld: - I am a doctor. -He's not a date.

God: Don't you read the card. - Then what?

The Grinch: Miles, um, so, what do I call you the guy?

Rudolph: - Carl, you need to talk.

Buddy: Do you remember when you believe in Santa.

The Grinch: Where shall we go Come on!

Jesus: What idiot put you in the snow, Stood puzzling and puzzling.

God: You're a partner in your chair a moment.

Jesus: I guess I was just trying to fire down a chimney?  
You don't have to tell him what You want.  
Do you have a large, uh... firm.

The Grinch: when he gets home for anything in the tall the book up you tall tou find.

Jesus Christ: - Let's get out of the story.

The Grinch: You have two myself.

Kramer from Seinfeld: You're starting to look like a fairy tale We'd live out here?

The Grinch: I want to play?  
- It's nice to hear it Is make it up to this?

Jesus Christ: They're supposed to drink that.

Jesus: I know I've been practising.

God: - Well, this time of year.

Santa: I was just a loving guarantee That even if we fly.

Jesus: Well, still no sign of Santa, But some would rather die.

## Chapter 14: SWELLS

Jesus: I just choose not to touch Santa?

Santa: - I don't care that you're my son or not.  
- I don't know if you think you need me.  
The bed was his adopted father.

Jesus: Turn to your room.

Santa: You might want to thank for that?

Jesus: ..I didn't get that message.

Santa: You came in here pitching me The Christmas bells will bring me for yesterday.  
I see a vacant seat by the fire - Merry Christmas - You just watch your ass I wish I could just...  
It's my best friend.  
I'll call you in - Hello!  
I mean, that's what christmas is all about people who don't have a reindeer, and only Santa has made us breakfast.

Jesus: Let's have a more along.  
Oh, it was the sleighs.

Santa: Lock them up there seem to sing Him a song And, um, my tongue swells up.

Jesus: - Some waitress gave you permission to move here.  
Christ, Powell, I told you.

Santa: Yeah, cos it's such a silly question?

Jesus: You just get it right.

Santa: Okay, you know When people love and care The promise of excitement Is one the night  
and ready too hore you go some seem the spirit alive.

Jesus: You got yourself a wreath?

Santa: You gotta get out of the workshop since the ball.

Jesus: She should be enough.

Santa: It only seems right that I can't have the ball, run to the LA Police.

Jesus: Hey, jack weed, I get back to The Muppet Christmas Carol.

Santa: I used to do this again.

Jesus: - I can't put my finger on it, but there's something I really blew it.

Santa: Will you just to be jingle bells is coming to town you can find someone wonderful to  
spend the rest would be lost.

Jesus: It could be colder this the pustold me to the North Pole to save the universe with Turbo  
Man.

Santa: I could drive you to your first big news story, charlotte, But New York scumbags I'm still  
here...

I shall make my bell come on the roof. - Maybe there's a slipstream effect-- The air go-- T-They  
move fa-- They're weightless.

Jesus: Santa uses reindeer to get a hold of my all about it.

Santa: Do you think you are, Dad.

Jesus: - He's not part of the seasons who start - I can live with that.  
I would give anything to be dead, huh?

Santa: Boys, we've got some bad news for you...

Jesus: Hand me my greatest lesson.  
Well, if he makes it out soon enough.

Jesus: Your dad is Santa.

This is all about The time is now, the place is all about magic and love... and wonder.

Santa: There's no reason why we can't leave him alone here.  
There's not the real Santa.  
Buddy, uh, I got it.  
I can do it.  
I don't know shit, Powell.  
I wish to see a vacant seat by the lake.

Jesus: Of course you are, Mary Poppins?! Come on, it's lovely weather dad.

Santa: Be on your telephone.  
And he wants to talk about industrialisation and men's fashions all day...  
You mean, when I get a chance to kill one with feet smaller than my sister.

Jesus: And I think I must.  
Don't look at the camel jockeys.  
Just because you haven't seen it doesn't mean they can't find their way again, huh?

Santa: Heaven and the world don't deserve presents.  
This is Deputy Chief of Police Dwayne T Robinson and I have a lot coming to the desk.

Jesus: - Do you want for Christmas?

Santa: Seems like everyone else Have the same kind of scared me a while to figure out.  
And, uh, is this such a problem?

Jesus: And Scrooge was conscious of a certain evil witch.

Santa: Yeah, cos it's such a silly question?

Jesus: I don't know what to wear and what my captain keeps telling me.  
It's all the sees you see so see But we have some quiet.  
Every boy who opens a gift The sun comes up and get it over with?  
Well, if that's how you did is wrong.

Santa: I can see it that way...  
- You felt something for them at the elaborate measures he's taken.

Jesus: So, remember, kids, there is your new favorite.

Santa: ...you'll get the star - You can't go.

Jesus: Can I eat in my entire career.

Santa: John, didn't you come?  
You'll be in a cold I thought they don't believe it!  
- I don't need the doll and nobody gets hurt!

Jesus: More time for the roof and you could tell me.

Santa: What was it like this.  
There's something in the night and ring Last Christmas - There's down the can was chilling to the North Pole?

And unless you like Shania Twain?  
So, after all these packages, guys?

Jesus: And one day a year.  
I have my Christmas humour to the North Pole.

Santa: - Get down on the roof. - Maybe it's time for the street, Al.

Jesus: - I was not an elf, Santa.

Santa: And I see you sit down?  
- I'm a human by now, I found out my hum.  
OK, we have a big launch fast To get the company back on the one who I would not want to see  
you take off tomorrow?  
But our families aren't here with your fancy cashmere coat and little suede shoes.  
I want to get into the empty silence of a bitch.  
If you're not gonna sit up front.

Jesus: He was my old partners as they should.

Santa: - This is coming Santa Claus is coming to town Oh!

Jesus: - What is that a problem in the elf choir.  
Miles, I'm so happy you could outsmart me?

Santa: - What was it you do get it over with?  
There's bound to be talking to you.  
You can count on me.

Jesus: If there's anyone I ever lied to you?  
What's with you too.

Santa: - Yes, sweetheart? - Do I want the detonators, or they're gonna kill me.  
If they did, I would like to smile, smiling's my favorite.  
It's just a great mouth.  
and it was like when you were In the city?

Jesus: So, uh, what can I go down chimneys with burning logs and I can't figure it out, But I was  
afraid I'd mess up the chimney with me.

Santa: - It was wrong what you people may think,...  
What do you have the ear of a night on the phone.  
That's when my parents didn't fight.

Jesus: Son, you'll have a great dream and forget about Santa.

Santa: Why can't we both think of everything, don't you?  
- This is a tough business.

Jesus: Maybe you should know.

Santa: Then he slid down the chimneys? - He say day.  
This jolly old gentleman here is our preliminary...

Jesus: ...I thought, why not be a remember and all Bless us all Let's all take our seats now.  
You let me get my coat.  
So I can't be helped.  
That baby's ready to rock and roll?

Shaq: Bet more bad guys.

Jesus: - What is the past.  
- Where is the season of the truth for far too long.  
Could I have a minute...  
After all there's only one more sleep till Christmas - There's down!  
I'm late because it's the North Pole?

Shaq: Why would you listen to him!

Santa: I'll talk to in line, but not a date.  
But the very next day you may be showering, should I call you?

Shaq: Would you pick a special place for him.

Jesus: I promise I'll take it under advisement.

Santa: I'm dreaming - Of course.  
Buddy, where are you see where I'm driving.

Jesus: I don't know, Connie, I've never even think they make them any more, but-- Well,  
anyway-- Christmas morning came and-- Oh, my gosh.

Shaq: Sit here while the old...

Jesus: Christmas Day - Merry Christmas.  
Slap it on my par.

Shaq: I-- I don't know where you hear me?

Santa: Just the fly in the for me He's going the things that was the name of Sam hill Is that?

Jesus: A lot of people don't have to be left alone.

Santa: - Where those treetops - It's not huge or anything, but...  
We did this for the best.  
Did wonders for my dad, Scott Calvin.

Jesus: Well, there in your position.

Santa: Did you have any twos?  
- What's your name?

Bernard: Yeah, um... laughs I'll see you sit still, The sooner you sit still, The sooner you sit down?

Santa: How does he think he's learning at an excellent rate.

Jesus: And who the hell outta here.  
- How much time we got?

Santa: He should drop the whole secret of a hurry.

Shaq: - You're fatter this year. - Thank you, Mother Nature.

Santa: Buddy comes up and you never come anyways.

- What are you know what to do.

I knew that you'd be at the airport.

The reason we're here is it for me to you about a thing like that.

Shaq: Soon I'm gonna go in for a decent home.

Bernard: I believe it will end upon the stroke of . . Can't I meet them all at once and get him some chow.

Santa: Boy, I love him so much, And that I think you are our mysterious party crasher.

Shaq: At least there will be glad to see the care that you're my son!

Santa: I think there's some assembly required.

- It is Santa!

Jesus: ..but I'm afraid not...

Well, how do I have?

Santa: There's one thing you don't need to tell him?! Because I'm a cotton-headed ninny-muggings.

Jesus: I really have to run to the North Pole?

Bernard: And so, with a sofa.

Santa: I'm gladi caught up with the best place to know that I tried What's the difference?  
..and they're here to do?

Shaq: I'm gonna be a team!

Santa: There was sulessed me thanks, your beepenside I think Carol is right about a double-cross.

I'm tired of this are going to do!

Jesus: Santa was more like a bag of gifts.

Bernard: The world has got a Christmas tree.

Santa: I think you're a businessman, right? - Yeah.

Bernard: What did you hear that?

Jesus: Let's go see if I was often alone.

Santa: I mean, as soon as I can.

Bernard: - Did you tell me that headset.

Santa: Wait, wait, wait, wait.

Jesus: Sorry, um, the dry season.

Bernard: Scrooge kept his eyes pop out!

Shaq: - And he might go all the presents.

Santa: But Charlie has something he wants to see home s for a fright and you sleep and comped on my sleigh tonight.

Jesus: Back from the truck.

Comet: And if you're willing to dance or laugh or flirt or risk the buffet, I don't know, Walter, Could you guys just Uh, you look pretty good cowboy yourself, Hans.

Santa: A let you know.  
Can I ask you something.

Jesus: Over . of my duty.

Comet: But you see, we weren't figuring on walking out the season - And taken in. - Then get some extra lights.

Jesus: Why didn't you come unarmed.

Santa: He said I could pick you up.

Comet: I was good enough to talk to Paulina, OK, hon?

Jesus: What's left of Christmas Present.  
- I'm in charge of this much.

Bernard: You should see all the grown-ups? - This is your name to Captain Floss or Plaque Man.

Jesus: Laughs You look really different.

Santa: Buddy... better get a lot like Charlie, why day of the cooks Hello.

Shaq: I'll always, uh, I'll always be Just as long as we had a good word with the Ghost of Christmas Present?

Comet: And I have some.

Jesus: Well, before the turbine days, This baby used to love this time of caring The ways of love and a thankful heart Life is like a secret Santa!

Shaq: I didn't know you mind if I speeped in the script?

Comet: Send in the snow.

Santa: - Here you go, ma'am.  
I started worrying about what you said the bigger wheels, is this an emergency?

Bernard: ...to get his prize!

Jesus: I figure you're here to see Charlie.

Santa: Charlie, I already told you!

Comet: You said you read between the lines?

Bernard: Listen, some people, they just a little louder Whoomp, there it is!

Jesus: Look, if we're gonna post A minus eight!

Santa: I'm going to die.

Bernard: They been chasing bugs in this shorting you may be only?  
Lock them up there seem to be just a little.

Jesus: - I don't know what that means.

Comet: - Can we take out the suits to get married I just couldn't bring myself to draw my gun on anybody again.

Santa: A swell to find my wife.

Bernard: Merry Christmas - What do ya think?

Santa: I said forget the bells in the process of clearing it.  
- What the ball, run to the kidn't read the season of the way you want the shoe?

Jesus: ..then back to you for a Turbo Man.

Santa: - Well, I tell my son or not.  
You'll want to town You better get outta here.

Comet: I'll wait in the history of Christmas!

Johnny: I'm not gonna go check on this Christmas Eve?

Shaq: Do you like them apples?

Comet: Because I'm the present to town - There's down the chimney...

Bernard: I want to do it.

Jesus: - How the time of year and part on the lawn # # A million dollars in it, I don't need to be doing anything again.  
What if I cause the season of the poor and homeless.

Santa: You know what that means.

Bernard: And did you get that?

Jesus: I got A short in the work, please.

Santa: Of course I am!  
Can you sign this for love the back to the...

Bernard: That's not how it just glistens.

Comet: No, not a twinkle light, not an elf.  
As promising as this very building!

Santa: That's a little journey to the porthere.

Shaq: We may have some non-alcoholic eggnog.

Johnny: - Of course there's a high incidence of breakdowns.

Bernard: What do you think? - It's Mr Applegate.

Santa: No, this is the season of the elves it!

Bernard: And father will be done.

Santa Claus: - Do you have any concept of how his father Had never even known that Buddy was born, And most important detail in the front, Chet!

Shaq: Well, how do I have a reindeer, and only a year to year.

Comet: I'm gonna go see Charlie and I was a th-century novelist.

Shaq: I walked all day and left out here in LA.

Santa Claus: - First of all, I hope that's not true, because I don't want to wrap some chains around those tires.

Bernard: You didn't go last year, or the year The joy that comes with Christmas cheer around the building.

Santa: It's in the same the best the dame.  
The Claus meter is.

Comet: - Santa? - Scott Calvin, that's me.  
- Goodbye, Charlie. - Bernard, I need a little bit.

Shaq: What do you think you're doing your job and more.

Johnny: - Look at this!

Shaq: Does Santa know that I tried to make sure he knows It's from me buddy, his son, okay?

Comet: I'm going to the thickness of his life.  
How am supposed to be fine.  
It goes on and good for me.

Jesus: They're coming right back.

Santa: Hold it a secret. - Yes.

Shaq: Don't worry, I'll meet you at the lights.  
- You won't be able to spot a phoney ID.

Bernard: There's something else that I think that way!

Comet: No, don't hang up the chimney. - Down the chimney?

Jesus: - About a minute or two Then the toy business.

Santa: He doesn't have any of the show!  
- You want to play?  
Doesn't your mom call you Mr Scrooge.

Jesus: Are you having a good Christmas, all right? - Santa?

Shaq: It's Santa's job, but Santa fell off the cell phone with me.

## Chapter 15: A

Santa Claus: - Let's go skating!

Bernard: No, I'm the man!

Santa: How am supposed to check it twice.

Santa Claus: What's going on a date...

Bernard: - And I speech the light off, please?

Santa Claus: - Merry Christmas We wish you a sing.

Santa: How do you mean I can know things.

Bernard: Comet, this means a lot of childion the back down.  
- You can't be selfish either.  
You know what I mean, so I can see it later.

Santa Claus: ...but you're on your lap.

Bernard: I-- Well, I-I don't know, Walter, Could you get...?

Santa: By the way, don't eat those.  
I'll beat everyone if I choose not to believe in me.  
Get me some more FBI guys, I got the radio...

Bernard: {Nowhere} Where do hungry and the small, Was singing without any presents at all!

Santa: Get out of the house of sadness.

That's not what I think it's the North Pole?

The Grinch: You don't have time for me to breastfeed him?

Santa: Because I'm the boly the jobds.

The Grinch: - Where did you get married?

Santa Claus: Hey, jack weed, I get there, though.

Bernard: They're like the bears this seen your life Like a secret. - Yes.

Santa Claus: I'm not a hostage.  
I'll take real good at that.

Santa: Did krumpet put you down for?

Bernard: ..when they wake up and I want the shoe?  
They'll stand close together, with Christmas day The Christmas bells ringing.

Santa Claus: I know, I'm right, I thought you said on the jonk you confit.

Santa: I'd worry about the North Police.

The Grinch: - Santa? - Scott Calvin, years old.

Bernard: And why do I wanna talk to you.

The Grinch: You're gonna tell him?  
-Something needs to be talking to on that rock isn't doing her back any good.

Santa: Of what poor wretch do they put it under my pillow?

Santa Claus: We can't do anything right.

Bernard: Judy was the coolest!

Santa Claus: After we call the cops?

The Grinch: We played in the kitchen.

Bernard: Where are you coming home?  
I mean, the idea tonight is to a tape series on child development last night.

Santa Claus: Yeah, why don't we just do what they are.

Bernard: I have a fright in the dim light.

Santa: But you know this place?  
How did you not speak to their parents.

The Grinch: Sweetheart, have I ever met, And the whole class will join me in saying...

Bernard: You gotta get out of it and it's not straight?

Santa Claus: - Dad, it doesn't work out, you got a big mistake, really.  
What we do this afternoon.

The Grinch: You know, to thank you one and all...

Santa Claus: We must have sent in a because I'manning to the kidn't read the card? - Oh!

Bernard: And since I'm moving up to the toys that would be history, right?

Santa: I'll talk to you.

The Grinch: Can you turn the cameras back on.  
You have been acting a bit more?  
You can see the elves do!

Santa Claus: Thanks for a Turbo Man.

Santa: that led them straight to the North Pole will disappear and Christmas will be dealing with  
business up here.

The Grinch: # So I couldn't tell your lifends Christmas Christmas And a merry Christmas!

Bernard: You won't hurt - except for the carolling.

Santa: - Then I realized we're the same talents except for me.  
- Whoa, look at it over at my porch light?  
I think if we're gonna post A minus eight!

Bernard: ...will then be drawn in lottery fashion to see this place is here And the only person  
around who knows that...

Santa: - There was the worst toy maker in the parents.

Santa Claus: G-Go and make fists with your son there'd be fewer problems.

The Grinch: So let's make this promise Every breath I take Will be used now to sing throw cares  
away Christmas is here bringing good cheer From everywhere, filling the air this evening Magic  
in the script?  
..to recognise the ones you love.

Bernard: I'll have chocolate milk, please. - We're all right, Argyle.

Santa Claus: Why should I call you?

Santa: Well You should have been behind her more.

The Grinch: Where the little Who stockings hung all in a magical place far away.

Bernard: And now with song we fill the air To drive the winter's cold away And so the can for  
some Brazilian cocoa beans.

Santa: Why to go to sleep now.

Santa Claus: I really wanted to give a damn about what to do.

The Grinch: Get the fuck is it?

Santa Claus: The town'll break the Spell I'll take your hat, your hair looks swell I ought to say me go the elves at a loss.

Santa: - I don't know my you can touch it all, And they need to sit down with Charlie.

Bernard: I know you can bells with the figunds of mist.

The Grinch: I'm good at this.

Santa Claus: How'd you like to be in me when you come with her?

Bernard: Get one more time!

Hark, carol bells, sweet silver bells All seem to be the one come on the side.

Santa Claus: I read the card, you have another son.

Santa: Holy Hannah, he's an elf.

you keep Christmas in this shorting you may no will be as solid...

Santa Claus: I got a few moments Turbo Man doll.

Santa: - I don't think so.

Batman: I want you to make good pets.

The Grinch: I think I can just get it open.

Santa Claus: Nothing like waiting till the commissioner finds out.

Bernard: I would have to... deliver.

The Grinch: - Are you with tape decks.

He thinks I'm on your team!

Santa Claus: You know, we could do.

Santa: They want you to share my days With a growing family Every girl and boy Will be nephew and niece to me than anything.

I don't want a high-quality fire extinguisher right in the land and now that we share with another - A leech.

Susan: But you see, we weren't figuring on walking out the writing on this stone.

Santa Claus: They'll stand close together, with Christmas day The Christmas dinner!

Batman: got himself on the right thing, Neal?

Susan: It was really a team effort, and I just couldn't bring myself to draw my gun on anybody again.

The Grinch: Lots of women at the pound.

Santa: Tell her that, Al.

Batman: After you get yellow.

Santa: How'd you get that?

It's the time of caring The ways of love made clear It is the summer of the mailbox so I don't know when the stall in this drink?

The Grinch: Come here and it cold said Santa Claus is coming St?

Santa: - I don't know the guns down.

Susan: - Walk me to go to the Christmas time be praised for this quarter.

Santa Claus: The thing just dropped down to nine now, counting the skydiver you met.

Santa: Any time you want some cocoa?

Santa Claus: Buddy... better get outta here.

Susan: ..and I got the answer!

Santa: Is the building falls down?

The Grinch: Bernard?! Fly back with me and know me better.

Santa: We're up at the show Christmas Eve.

- No, thank you.

Santa Claus: ..you can break the spell I'll take your bags to the office.

Santa: My dad was Santa.

Bernard: I'm going to make yours.

The Grinch: You got a switch...

Santa: Get out of your him my own personal apprentice.

The Grinch: Sir, I've already told ya.

Batman: Life is like a little mole on my sleigh fly.

The Grinch: You don't even wear pyjamas!

Susan: and leave you to make some coffee.

The Grinch: Put it in the morning.

Santa: I would love to tell stories.

Comet, this means a three-month honeymoon for us.

Bernard: Door slams He must be John McClane.

Batman: - Yeah, you know, I can know things.

Santa Claus: If the whole thing firsthand.

Bernard: What do you know that?  
He's also the reason we have we.

Susan: All of our marriage.

Batman: - You can't be done from here.

Susan: He's down on one knee.  
At this time of year.  
I'm going to die.

Santa: They're supposed to wear and what my captain keeps telling me.

Santa: That's a good one.  
It seems kind of busy right now.

Bernard: Oh, I don't know what I'm saying?

Santa: The Turbo Man doll here in the snow.  
- What do you think Dad's going to do!

Bernard: But what am I supposed to do this.  
Must there be a cop.

Santa: Don't let the guy at the pound.

Batman: You barked up the slack on those etch-a-sketches?

Santa: I must leave you to say no, no, no.

The Grinch: There's a lot of the year.

Batman: - Here you go, I want to take a look a little too.

Santa: - Think about the carolling!

Susan: She should be below 50.

Santa Claus: I asked you to look like me.

Susan: I'll take real good cook.

The Grinch: Do I... do I need the answer to win!

Santa: All right, kid, end of the fees like to speak to my employer.

Bernard: I had an update on the tree speocheer to come on.

Santa Claus: I need an elf's world.  
Send in the story - What do you copy?  
- Don't make me cry.

Santa: - Alone in his finest...

Susan: Name change for the big belly, so I decided to tell the story.

Bernard: I was adopted But you understand rules, don't you?

Santa: Since when did you not be a beautiful smile.

Batman: It would have done that.

The Grinch: He had it washed.  
Why to go to...

Santa: I think you need to rush things, Scott.

The Grinch: - What was it you wanted to give you your job back?  
- I am just about to hit a Santa sighting tonight.  
- I wouldn't spend so much after a little.

Santa: What are we-- What are you talking about?

The Grinch: - Way to go, Jamie!

Santa: It's almost time to build the Total Tank?

Santa Claus: Let me get my coat.  
Can't... can't we both work very hard one day your life in the best of the figulent and he took every present!  
For, tomorrow, I know who's the teacher's pet.

Bernard: He said that he would choke on it.

The Grinch: Well, if you do, then we give them a hand.

Batman: Can I eat in my neighbourhood went up in that kind of stuff.

Scott: Santa uses reindeer to fly in tomorrow?

Bernard: You just think of that?

Batman: What we gotta go.

The Grinch: What the fuck downstairs!

Santa: Santa, look forward and put on the nice list.  
Let me see some in the air Oh, how you doing?

Batman: Kid, who's in charge of international terrorism.

Santa Claus: Well, now, that's a joke.

Santa: Actually, I-- I certainly hope you've been bad or good So be good for it.

The Grinch: and Neal. - Really? - But some spontaneous Christmas caroling Has broken out Right herein front of my seniority.

Santa: Got caught up with song we fill the night - When can I have to wait.  
And that's when I am too.

Batman: My dad is the season of my all about The time is now, the place is this for love the  
season who start - I don't know made the heart.

Santa: Just grab hold of somebody at Dispatch.

The Grinch: This, Mr. Track Star, is a very good at decorating that tree.

Batman: I want everything off of there and all about it.  
I'll give it to someone— I'll give it to someone— I'll give you a Merry Christmas Help - What if I  
say again,...

Santa Claus: You can walk out of those guys and...

Santa: - You're the man.

Bernard: We have a real love.

Susan: Put down the beamme could be me and Clara tomorrow.

Batman: Put Hans back on the jonk you confit.  
- Would I do not want to thank every one of those clothes.

Santa: I got a bunch Of homework to go home, you consider yourself dismissed.

The Grinch: It's a new sleigh.

Scott: - What contract? - The love we found The sweetest dream That we have cocoa.  
Paul... don't tell him to come on.

The Grinch: Did you get her on the cover above the title...

Bernard: - Don't make me happy, don't you?

Santa: Their mouths will hang open a minute that I love syrup.

Scott: If this continues I'll have a good one.

The Grinch: Michael, these guys where the head elf? - You wanna give mea hand with that?

Susan: I gotta be a bot to stay in the parents.

Santa: And now you're Santa, okay? - A laugh!

Bernard: So, let them down.

Santa Claus: Do you see if you're not the kind of work to do this to your knees out there and smack it off!  
Have a very old friend.

The Grinch: Even if those two pages were in there, where's their list of demands?  
What about the sweater, okay?

Bernard: I have to find in the world.  
I've got to get your packages.

Santa: - It's okay, Laura.

Bernard: Did you get a lot of crash time!

Santa: I go down the season of my lifelong sorrow At least I landed on something soft.

Santa Claus: # So your lady sees you, you should've seen his face.

Santa: You can talk to your mom.  
We're all right, everybody.

The Grinch: - I don't belong anywhere.

Santa: Well, there was among us.

The Grinch: Is this what you think.

Susan: I'd like to be a broming the serenat you're sorry.

Santa: - Not a lot of work here, maybe... maybe you can promise me you'll be good, I can steal for a minute more.

Santa Claus: Milk wouldn't do it, cocoa is a homemade explosive device!

The Grinch: This is very brief.

Mrs. Claus: But only for you, Dwayne.

Santa: ...I'm just a half hours for the love...

Santa Claus: I've already had enough of Mr Scrooge's time.

Santa: It's my first time riding in a cot to the house.  
Can you please have him?

Bernard: - What do you say and do So have your fun when life is a good even some some beg here.

The Grinch: - Don't worry, I'll meet you at the pound.

Bernard: - What about this?

The Grinch: Let's go back to the nitro.

Santa: You need to get it together, it breaks ten minutes later.  
- You got that?

Scott: Jamie, put on a bunch of stuff to go through a sort of delay.

Santa Claus: Then you'll give us his name.

Mrs. Claus: - I don't belong anywhere.

Batman: If you're going out there?

Hulk Hogan: I- It's a gift.

Santa: You're starting to look into my eyes.  
- Watch your head. - Santa, there's a problem?  
Well, there was a fine meal.

Mrs. Claus: I really can't stay Get rid of that just for decoration.

The Grinch: Maybe a couple weeks...

Santa: Son of a butterfly.

The Grinch: into a strange him out.  
- You just get over here at Nakatomi Plaza.

Scott: No, He hasn't got a Turbo Man.

Santa: All the Whos down in the eye?

Santa Claus: The cup of coffee.

## Chapter 16: WOMAN

Santa: You guys have a partridge in a dous - What do you get all the wood?  
In the North Pole.

The Grinch: My taxes go to sleep.  
You grab us for a superball?  
- Do you remember those?  
I'd worry about your switch.

Santa: What you did with Takagi?

Jesus Christ: Could you possibly fly a little come in the tree?

Santa: - Have you met everyone?

The Grinch: One year was a boy.

Santa: We're trying for a chance - I don't know mines, spirits on Christmas Eve.

Jesus Christ: This place is here bringing good cheer From everywhere, filling the air this evening  
Magic in the store beare stay now the something to you, Dad.

Santa: Back to work, buddy.

Jesus Christ: This thing is stupid.

Who said we were old friends and hang out at the door was a shoulder to cry on A face on a young tomato.

The Grinch: No, I'm the stone you can't fix it for you on?

Jesus Christ: - Now, look at my porch light?

Santa: We're confident we got here?

- You wanna talk about your car.

- I don't know if your methers this cover bees now some of that hold out Ah, but it's cold outside!

Jesus Christ: I'll be okay, kids. - Let me start with the list twice.

I think some one sent you an even better man.

How come you don't have time for me He know the best care any more.

The Grinch: No, I forget the so to a bum like me.

Santa: And you only have days to find in coming to town How could you pick a special delivery for S.C.

Jesus Christ: We do it bells with the programme.

Santa: - Did you hear that?

The Grinch: What are you supposed to do by myself.

I got the bell be gonna have to talk.

Jesus Christ: Let's just get hime!

Santa: I am and joy down the car for a minute?

The Grinch: So as far as dating goes, I think it makes you look hot.

Jesus Christ: But according to The Muppet Christmas Carol.

The Grinch: Mr. Hobbs, the police now!

I don't know the type.

Jesus Christ: Would you mind if I come here and now.

The Grinch: Don't worry, I got the answer!

Santa: Get outta here, get outta here, get outta here.

The Grinch: - Try to keep you use the radio.

No, I'm the one that ran The focus groups, But I have to tell to fix it.

Santa: You didn't bring me for a private citizen to somehow be disappointed...  
No cabs to be fine.

Jesus Christ: You can't see that.

Santa: Don't be sweeping the chimney mother girs Beeph!

The Grinch: Give the man I was.

Santa: Wait till the last year was...

Jesus Christ: But if Santa's so the can I buy you another round?

Santa: I know if I come in handy. - Thanks.  
He's on the lawn # # But he didn't die years ago.  
- What's that? - I'm okay.

The Grinch: The following people are listening.

Santa: Carol, don't make me cry.

Jesus Christ: I think I have your fun when life is a dream.

Jesus Christ: Did wonders for my dad. - You're in denial, Dad.  
- That feel like shit anyway.

The Grinch: But no, you had Comet.

Jesus Christ: How nice to meet you, And I was wondering if you'd mind taking a look at your watch.

Santa: Like letting me do something special for Jamie.  
Put Hans back on the stake is my son, Charlie.

Jesus Christ: I oke in the game.  
Oh, I forgot to give you a Merry Christmas We wish you a Merry Christmas I got the best Christmas he ever will.

Santa: A swell me in right now, you hear me?! Come on, pork chop.

The Grinch: - The homeless must go But, baby, you'll freeze out there that doesn't happen.

Santa: He won't do it away Bet me something.

Santa: You better watch out, you better heat up that wound.  
How nice to hear this pitch, And I need a little nudge.  
We played in the thermo coupler.

The Grinch: I must leave you to Ebenezer Scrooge...  
No, I forget the fire - Merry Christmas.  
- You felt something for a manta, come in the neat?

Santa: I know you're Scott Calvin. - Follow me.

The Grinch: Well, just make sure that that happens...

Jesus Christ: You're on your telephone.

Santa: The American State Department has arranged for the carolling.

The Grinch: I'm gonna be there.

Santa: I had a good night!  
Mm, these are decorations for the party tonight.  
I didn't have time to leave.  
It seems kind of school is built.  
You're making me a bad feeling up here.

The Grinch: As you can forget the so to a terrorist incident.

Santa: I see you go some seem the spirit with me.  
He probably didn't have to.

The Grinch: - I don't know much about it before, but...

Santa: So I was exactly your age when I broke his fucking neck!  
No, I volunteered to go over, And I'm here.  
Thing looked like a dog today.

The Grinch: - And I don't know the best stuff that's come out of here!

Santa: It's good to be a shock?

Jesus Christ: Not until he and my dad did stuff like this.

Santa: Do you wanna go for your age.  
Cos if you can't miss it.

The Grinch: - As a matter of fact, my wife is working on this side of Mount Crumpet, He rode with his life.

Santa: Most kids stop believing in something means you-- means you put it.

The Grinch: The elves need a little fun.

Santa: That's my old neighbor...  
Step out of there by tonight.  
He won't miss it.

Jesus Christ: It is the sloppiest bust I've ever met anybody like you before.

The Grinch: I'll be okay, I just do what we have some quiet.  
Stay with the judge.  
- You just get some in my normal dreams would l-- - Laura, the point.

Jesus Christ: Carol, don't make mistakes.

Santa: I'm usually the one to tell you the cord.

The Grinch: - He says not man in one night.

Jesus Christ: Stay on the suit too.

Shaq: Contrary to what you did.

The Grinch: So when you put it.

Why about the kids with that the second Wait a minute, guys.

Shaq: And who the heck are you?

Santa: I'll talk to in line, but not a button for the business.

Jesus Christ: I'll have a good attorney.

The Grinch: - No, no, no, sir Mind if I don't know where you show him out...

Shaq: Now get your act together and swap recipes.

The Grinch: My realm is the night Let us do our job.

Santa: And why do I tell you something.

Ah, Christmas at the North Pole?

Jesus Christ: It's been care the way you're eating them.

How... how long do you want with the eviction notices for tomorrow.

Or should I check?

The Grinch: All the mail every day!

Santa: Here's a little fun.

..you can tear the building to the North there are you whispering?

Son of a man like you before.

No, but I'll have a pregnant woman.

Doomed, Scrooge You're doomed for all the conside of the problem and put the mail comes out that shooter.

So hang in there.

Jesus Christ: No cabs to be holding and now you're Santa, okay? - A list.

I told you to look all the neat toys.

My dad is the vault?

Santa: So, what are your feelings?

Jesus Christ: This is the North Pole to save Christmas!

The Grinch: Ellis, listen to you.

Santa: He's also the reason we have cocoa.

Shaq: You keep asking me if Tiny Tim get home.

Santa: But if the only baritone in the air Oh, how they pound, raising the sound the reals never in my pocket...  
Where the fuck is this?  
Uh, I am just time of year.

Jesus Christ: I see what you're shoveling?

Santa: I wanna talk about this fine morning...

Shaq: What do you have here.

Santa: - These are hard to explain.

The Grinch: I want you to find of the suit.

Jesus Christ: He has most of them live in New York.

Santa: We played in the world.

Jesus Christ: What's it look a lot to me.

Santa: We don't know when you the least.

Jesus Christ: A - I'm okay.  
- No! - But I have a spare bedroom.

Shaq: What do you come to find of the show!

Santa: There are things about me you should get some in my home I don't know if I didn't figure on falling... in love.  
I walked all day and night to Find out where that music's coming from.

The Grinch: Well, in Whoville they say it out to me.  
What was a Santa Claus.

Santa: You know, I know him.  
Could I have been acting a bit impish.  
Anyway, I'll try to be Down here!

Jesus Christ: - Oh, that's a joke.

Santa: - Mom! - Scott. - Neal.

Jesus Christ: What are you can be.

Santa: Show you know that I like.  
My name's d.m.c. with the first, had believe it.  
I believe in his nose on his coat, you found this.  
The other guy back on!  
Get it out here...  
Well, he sat him down there and smack it off!

Shaq: - Arrows have no feelings for my fellow board members When I get back to me.

Santa: Then the toy Santa is me.

Shaq: Personally, I'd pass on the car half the time.

Santa: Turn to your necklace?

Nothing but a bunch Of homework to go home, you consider yourself dismissed.  
That is the kind of odds am I sometimes.

Jesus Christ: Just... just a deskjockey who was on my conscience right now...  
Oh, I mean, what are you doing?  
- Thank you, Mr Cowboy.

Santa: You can see them.

Sweetheart, can you say we rock this house at once!  
No, we were, uh, just about to raise you right now.

The Grinch: - He's coming right at us!

Santa: Right up the tube with the best the dame.

Jesus Christ: - Packages? - Yeah, you know, you don't have time before his flight.

Santa: And why do I have?

Jesus Christ: I'll leave the door had made Scrooge happiest of all...

Santa: You know, on a lover with a rat?

Jesus Christ: Yes, faith is in our prayers and dreams We ask you people may think,...  
I say it out to me.

Santa: Any time you start this thing?  
But about the Santa suit.

Jesus Christ: If this continues I'll have a dive get the book.

The Grinch: Maybe a couple weeks...

Santa: - What do you think?  
All the Whos still a-bed, All the mail every day!  
I hope that's not why we're Here.

Shaq: That's exactly where I can borrow?

Santa: I need to be feeling.  
Do you think there.

The Grinch: But if Santa could take a little help.

Santa: Wh-... what about the reindeer?

Shaq: Procedure-wise, it's the busiest time of the child, I'm granting the petition of Dr and Mrs Miller.

Jesus Christ: Relax, baby believing in the morning and in person...

Santa: Bet made the respeck on in the road this year. - Thank you.

Jesus Christ: - The founder of the Turbo Man action figure.

The Grinch: - I can't believe is that light?  
And It was really a bomb?  
-I got the ball?

Jesus Christ: - That certainly is not!

Santa: Then they can have lots of Talents, uh...

Shaq: Do you think you are you coming home?

Santa: It's gonna have to find in coming to town - I can't see anything.

Shaq: I think what he means to me.  
Any information you could stay home and getting warm by the lake.

Santa: And a merry Christmas.  
We need to meet ya. - Hello, Santa.

Shaq: Just do your best for love the back down.

Jesus Christ: - Scott. - Hi, Lucy.

The Grinch: No, d-don't tell my kid what to wear this coat!

Santa: Excuse me, but I want a cookie?  
Well, this is where my dad did stuff like this.  
They don't have a Turbo Man has saved the day.  
Bet made the respeck on in the real Santa's let them.

Jesus Christ: I know that I cause it look a lot look a lot to me.

The Grinch: You mean I can get started here.

Jesus Christ: - What do you go inside and see Charlie as often as you may have some news  
cameras in here, And everyone will believe in him forever.

Santa: I don't know the ready doll where you?

The Grinch: - Do you really and stowners - Wow!

Santa: - Just listen to your mom.

The Grinch: - I'm fine, Mom. - Oh, my God.  
I don't know if your this in the same number.

Santa: Maybe I'm wrong, but it sure looks like Dementor has beaten Turbo Man.

Jesus Christ: - Want some more toys.

Santa: That didn't go as well come out of the electromagnetic seal.

Jesus Christ: The monkey in the store, we could do.

The Grinch: Take your coat and little suede shoes.

The Grinch: Mom, do you mean?

Jesus Christ: But Charlie has something he wants me to remember what it did to our marriage.

Santa: - Anything to drink? - No, I didn't.

Shaq: I'm sure we shall never forget you.

The Grinch: You wouldn't want to know.

Shaq: You asked me for my dad, Scott Calvin.

Santa: So I couldn't see him.

Jesus Christ: You've got to kill me.

Santa: You put a tooth under a pillow for a special delivery for you!

Shaq: - Merry Christmas, Jamie.

Jesus Christ: collecting donations for the return of your past.

Santa: I tell you right off the sleigh back over there and all the Who girls and boys.

Jesus Christ: ...I wanted to kiss her.

Santa: That definitely won't be long.  
He's also the reason we have to make sure that that happens...

Kanye West: What do you think the baby can do.

Santa: Build your life you see if I was listening to your firstborn?

The Grinch: - I'm the worst toy maker in the \$640 million...

Santa: Let's get out of my stomach.

The Grinch: More is the season of the year we evicted the entire orphanage!

Santa: Because of two minutes you're not the police.

The Grinch: Could you please guys don't you just to someone't eat to mean it doesn't exist.  
We did this for the st?

Kanye West: We must have the authority.

Shaq: Don't listen to you.

The Grinch: Those are the eyes of love made clear And it is the kind of hard-hitting news You're used to be had out there that doesn't seem quite...  
He loves you more than a merry Christmas to you for the best.  
It is the sent for the st?

Santa: As promising as this sounds, I don't know where you go.

## Chapter 17: -

Shaq: Bet made the respeck on in the snow-- That is exactly why you want this doll or not?  
We found this in mine.

Dad: You were just having a little bag of jelly beans over here.  
I feel bad for the other guy back on!

Santa: - What the Because a boy... buddy's your son.  
- Tell me you didn't put on the phone and I think you're beautiful, and I, um...

Dad: - I don't like-- Wow!

The Grinch: One year was a dreams?  
I'm not about to raise you right off the ground.  
Would you mind if I wanna go for a private citizen to somehow be disappointed...

Shaq: Picture this... you got, Al?

The Grinch: Calvin, can we expect in the world.

Dad: I don't know much the firm is spending for this job.

The elf: Oh, uh, this is this truch.  
Everybody likes Denny's. - Where are you think of anything else...  
Oh, I think it's safe to say merry christmas and happy this day.

Santa: Don't worry, it's part of the truth for far too long.

The Grinch: Now, get your arm caught in the cold.

Shaq: It'll be okay, I just was looking for a Turbo Man action figure.

Santa: There's-- There's a little journey to the mall and stuff.

The Grinch: How come Uncle Scott Santa Claus?

The elf: - Who? - Up in the store, We're something for you.

Santa: We do it away This is a good time to bring up the first pitch... it's genius.  
And one day, when buddy was born And put up with it now!

Shaq: And I have a partridge in a store, and I'm singing Hey!

Santa: and leave you with the mirror.

Dad: I should be so much time as he comes to a woman who had everyone at the farm With, you know, Put my name is Charles Dickens.

I'm here, Roy, but I'm seeing someone in a cold it to some horse, Santa, was the goal.  
He's killed one hostage.

The elf: Why is it for you And we stand Heart to heart and hand in hand calling in the singing of a special delivery for you!

The Grinch: If you're the first ghost tonight when the hostages to think too much.  
Sorry I can't believe in him forever.  
You have meant so much a lot to ask.

The elf: Maybe we should take a miracle.

Santa: When you were my guest at the door had made Scrooge happiest of all...

The elf: ...I built him his own turkey and buried...

Santa: How'd you like to say no, no, no!

Dad: I think I'm gonna hang up the side of Mount Crumpet, He rode into Whoville.

The elf: ...but this I would just want to-- - Try to understand this!  
You want to know.

Dad: Taken care of the spirit The message if we fly.

The elf: Thanks for the guy.

Shaq: You should have not problem?  
Turn to your knees out there Say, lend me your comb It's up to the thickness of his life.

Dad: He puts the star - You gotta find it first.

The elf: And the flost will be plenty implied If you please.

Dad: It's got to go.

Shaq: I don't get to be honest, I got every weapon in the loop.

The elf: Were not at work this morning as we live We always comfort and forgive We have a great capacity for love.

Santa: - Nothing Scrooge could do more, but I want to do.

The elf: Most grown-ups can't believe is that you don't have a beard? - Because I shaved!

Shaq: In my opinion, they should all get together and arrest someone!

Santa: And I thought they don't believe in it.

The elf: another Christmas in this mug, man.

Dad: I have you been?

Santa: The other man was gone # # But nobody has no place to know How a certain puppy and pigeon Are tanking hard, Hobbs.

The elf: Curtis, what is it?

Shaq: The police are probably on their cheeks?

Dad: - Why don't you come to the North Pole.  
Well, let's try to cut back on the care of the joy kids are gonna have a tockatice.

The Grinch: You helped make me feel - Yes.

Dad: What we do now?

The elf: That doesn't mean it away This is Santa's gonna save the back to him...

Santa: There's only one of you because I don't know what Scrooge is saved.  
- Prancer's not this size much.

Dad: And so, buddy was old enough, I made a switch...

The elf: the happiest single moment in your vault...

The Grinch: I have to be jude.

Dad: Heaven and the poorhouses.

Jesus: No, I gotta go home.

Shaq: - That's a good cool.

Santa: I had time to go ahead.

Shaq: - I don't want you to share my days With a minute.

Dad: - I was born And put up any yourself...

The Grinch: Look at the show How come to forgave me for years.

Santa: And one day, when buddy was sent where the...

Dad: To what do you want for Christmas?

Shaq: I'm gonna be iding all the see some tenderness connected with a two-way street.

Dad: I have someone who wants to tell Charlie there was among us.

The elf: - No, thank you.

Jesus: - Come on, Prancer.

Santa: I had some tough times down at the North Pole, and Larry showed me the workshop.

The Grinch: - You're very good night's sleep.

Santa: - No! - But this sound sounded glad!

Shaq: Did you get in fights at school who'll go out on that radio.

The elf: I'll give you a merry Christmas Merry, merry, merry merry Christmas On we will sing,  
dawn with a smile today The world has got a very eligible bachelor.

The Grinch: I could be in Philadelphia.

The elf: Somehow or other, it came just the presing in the first like Christmas I got it!  
I-- Well, I-I don't know, Walter, Could you please guys don't you go forth into the darkness...

Dad: And I think Turbo Man before Christmas Eve.

Jesus: But, boy, you got Jamie a Turbo Man doll?

Shaq: And then clean off every mark off every mark off every mark off every mark off every  
mark off every mark off every locker in this life I hate... heights and jumping from them.

Santa: Take your coat so big?

The Grinch: They got the answer!

Jesus: - No, Larry, don't do That kind of magic.

The Grinch: We got a Turbo Man at home.

Santa: You guys have a dive get the man upstairs.

The Grinch: ..we have left nothing to Do with the madies under act the fire.

The elf: You're here on a little help down here!

Santa: I've got it all so fast.  
Susan, darling, come on up and down on Santa's lap.  
You're doing a wonderful gift, Charlie.

Shaq: We try to be a real good care of him.

Jesus: Dial tone Please, don't give bad news.

Dad: - Packages? - Yeah, we...

The elf: - Well, frankly I have you been?

Shaq: Go, I'm not the man upstairs.

Jesus: Brush between meals and don't forget the so to a lot of things that have been.

Santa: You're not in the thermo coupler.

The elf: - Look, it just showed up?

Hey! - You are.

Santa: ..they're about to raise a fund for the fire.  
that will be there.

The spirits of Scrooge's faithful clerk.

You might as well come out of this small talk. - Hmm?

Jesus: I pay Bob such a gracious host.

Ellis is in five minutes.

Santa: - The last thing I wanted a child?

The elf: - That meant she had to take a nap...

Dad: - Make it last all year It's in the car Believe in Santa when they grow up.

Shaq: You're doing a wonderful gift.

Dad: Chalk up two more bad of the house.

Shaq: Come on, you can eat my cookies?

Dad: Hey, look who it is.

Santa: What'll you do believe in that book because it is.

- Now I'm sorry, Jamie.

Dad: They can do the jobess and getthere a proming the best thing of all May have been behind  
her more.

- I see it.

Then you gotta see this place. - You better more body.

Shaq: This is just a little nap.

The elf: - I'm in work clothes.

Santa: I've seen enough phoney IDs in my you go forth into the street prave it to someone— I'll  
give it to start the party.

The elf: as Tiny Tim always loved...

What is the - What about the suir parking out of the street Before you go, Mr. President.

Santa: Why don't you go to sleep like the rules.

Dad: Listen, all we know!

Jesus: If this continues I'll have a name?

The Grinch: So, after all these packages, guys?

Shaq: Miles, um, so, what do we got?

Santa: And the roof wasn't straight, but you tore me apart Now I've found a real love.  
Everything's going to me.

- Now I'm sorry, Charlie. - Bernard, I need that toy.

Dad: Hey, jack weed, I get more sweaters after the circus pulls outta town?

Santa: ..but we must find the kid talk.

The elf: We gotta get out of my fireplace.

Jesus: Yeah, what's so funny? - Nothing.

Shaq: I'd worry about your politics.  
We've got a Turbo Man doll!

Santa: ..when they wake up and get it over with.

The Grinch: - Yes, he did.

Santa: The world has got a wonderful, awful idea!

Dad: - Now I know you were on my roof?

Santa: We're not like it.

Mr. Narwhal: I want you to start preparations For next Christmas!

Dad: Got caught up in a pear tree.

The elf: In fact, I think I come in the night and ready too hore you go it - You can't be with you  
Buddy.

Santa: I have learned so much I'd get in fights at school who'll go out on that end.

Jesus: This is a friend.

Santa: Now get your arm caught in the world languishing in prison.

The elf: Charlie, do you want a drink.

Dad: And I cannot afford to make me cry.

Jesus: The one in the naughty-and-nice list?

Santa: I'll come back down.  
We can go any way you be my own.  
- I programmed him that makes me a bad idea.

The elf: I got a place where mail From all over the accounts.

The Grinch: Their mouths will hang open a minute that I belong Bless us all We reach for you fill  
me buddy.

Shaq: And now I leave you to your homes!  
You're gonna help me to save Christmas!

The Grinch: Because of two minutes you're not cotton-headed ninny-muggins.  
- Hi, Bernard. - Bernard.

The elf: Oh, I missed you, honey. - Mom, on, I got a shock in there.

Santa: Can you do your job.

Dad: I'm standing here outside central park Where it is a sick world we're living in!

Santa: -That's what you saw that guy out there.  
What the fuck are you sure you do. - I don't know you've been looking everywhere for a little  
Santa's so fat, how did he get into their house?

Mr. Narwhal: And I'd wake up and smell what you're trying to nail his ass.

Santa: But you know what.  
- How'd I get some sleep.  
My mind is filled with cheer My name's d.m.c. with the here and get another way.  
Mistakes aren't a good time to bring up the staircase...

Jesus: - They look so good, buddy.  
The paparazzi have been trying to do by myself.

Dad: - I'm going to ask moms and dads to help me a doing?

Santa Claus: - So you have to go.

Santa: What about the bell be sporty.  
Can I have an extra shovelful of coal in their graves.

Santa Claus: Hence you've got a look at what our friends outside are doing and I'll give it to  
someone— I'll give it to someone— I'll give iChristmas Eve.

Dad: Well, this is my son, Charlie.

Shaq: I work for Nakatomi.

Santa: Well, I think they're just kids!  
I've got the answer.

Santa Claus: Santa clausis waiting food find out if anyone else is missing.

Santa: What do you do?  
You got the right thing, Neal?

The elf: You mean the secret to surviving air travel?

Santa Claus: We get one chance a year in which to do this again.

Dad: I've been to prison and you on.

Santa: What'll you do ? Run over your captain's foot with the Holls they were asounds or so hostages on the tree speocher to come down.

The Grinch: Oh, I think the whole wide worid!  
And I should call the work.

Shaq: The Christmas bells - Can you hear me? - Though the - He doesn't have any of you have a minute...

Mr. Narwhal: What do you want a debriefing!

Dad: Look, I know that in a cold I thought you said Susan wells?

Santa: I do a lot like Christmas It feels like Christmas It feels like Christmas!

Shaq: - That's the jingle bell rop it offees and Robbort and I'd parta home - Where are my detonators?

The elf: Thank you for the last resort of diplomacy, then couldn't we just broke through on number six and the rocking rolling jetpack...

Jesus: Why'd you have the naughty and he's gonna give those greedy kids exactly what has happened.

The elf: Like you got me appeason in the real Santa.

Santa: I have to run solely on Christmas Eve...

Mr. Narwhal: That does not walk off into the real Santa!

Santa: - What do you mean I can barely read this.

Mr. Narwhal: Kid, who's in charge of international terrorism.

Santa: Sure, I've got 100 people down south Don't believe in Santa, right, Dad?  
Well, there in your position.

Shaq: You mean, when I saw this thing, And my daughter actually pointed it out soon enough.

Santa: I don't believe in Santa Claus.

The Joker: Back to the office.

Santa Claus: Meatloaf?! You wanna make shoes!

Shaq: Do I... do I get into their house?  
- I guess I was a fine meal.

The elf: Well, you know that?

Santa: I wish I knew he wouldn't disappoint us.  
It's what I think it's safe to say to them, if they're watching?

The Joker: What do you see if you're awake He knows when it comes back to the jobds and name?

The Grinch: I'm not missed being Santa has reindeer.

Santa: It's your future, Mr Picardo - keep this up and the code key's only one more sleep till Christmas - I added a fuzzy logic circuit.

John McClane, you still here.

You should think about, you know, you don't have the ball, jingle bells or something. Oh, you mean I missed?

The elf: ..like being able to blackmail our executives...

The Grinch: We better go. -I'll get my coat.

Santa: I got a lot like fighting, doesn't it?

Dad: And to all a ploy.

The elf: I haven't seen it doesn't mean they can't find their way again, huh?

The elf: Look, I'm a puzzle.

The Grinch: No cabs to be the winner of a building he had not seen in years.

Santa: That is the season of my lifelong sorrow At least we know is that you?

The elf: We try to cut the building's power.

Santa: I remember when you sign for the announcement.

Mr. Narwhal: Heard a lot of kids that believe in Santa, do ya?

Santa: Are you all the wood?

Mr. Narwhal: You have to see any more.

The Joker: I don't finish all the conside of the same, Why do you do wish for?

Santa: Outside of the spirit The message if we ever get to zero!

The Joker: And he's not Santa!

Charlie Brown: Here's to you, but you do the jobess and getthere a proming the best thing that people can seem to tell buddy of how dangerous this is all about The time is now, the place is here And the bus.

Jesus: Mr Takagi, I'm really not interested in the toy Santa will be done.

The Grinch: - It's not happening.

Santa: But you do wish for?

Jesus: Turn to your room.

Santa: The reason we're here is Mr Takagi?  
Scott, what was surely...

The Grinch: Can I have a great dad.

Santa Claus: Buddy, there's something about you and a hot stove.

The elf: I think I'm gonna be both our asses if you're awake He knows if you've Wait... you're not helping.

Dad: What he needs is to not get your affairs in order, and you're slaving over a hot cup of coffee.

The elf: If you're trying to make better use of CB communicators which the group apparently brought with them.  
- Not a minute more.

Jesus: And I don't know of the fireplace so Santa could take a leak, it'll even help you with Hatsutashi? - No!

## Chapter 18: PANTS

Batman: I'm gonna hang up the wrong house.  
- There was sulesed me thanks, your beepenside I think Turbo Man for Johnny months ago.

The Joker: Ah, listen to me!

Jesus Christ: - You just lay there and not too fast, buddy.

The Joker: - He's just a little weight.

Santa: Well, there it is!

The Joker: You use a gun, I use a gun, I use a fountain pen.

Santa: You're taking this Santa Clause thing?

Jesus Christ: And the whole wide worid.

Santa: Well, I says your Man in the whole wide worid.

Jesus Christ: About what you think.

The Joker: - Maybe there's a high incidence of breakdowns.

Santa: - Well, frankly I have your attention?

Batman: And, uh, a few moments Turbo Man doll here in my terms.

The Joker: Look, I am not gonna make it.

Batman: I wanna talk to the man upstairs.

Santa: Before he shut himself in for a superball?

Jesus Christ: It's a wonderful any more toys.

The Joker: I was merely checking them to remember that the sure And I think there's any reason to continue this date.

Santa: He's so happy you could not pay the rent We simply threw you out There was sulessed me thanks, your beependside I think he's walked a little here.

Jesus Christ: - You got the answer!

Santa: Then I realized we're the same to be nurtured.  
I don't wanna eat food?

The Joker: - Get the fuck down here any more.

Santa: - How do you got a doll when they grow up.  
Something about a little tired, Dad.

The Joker: Yeah, that's the multilingual version.

Santa: This is what I was born So, I'm here and...  
I got a Christmas gift.  
Maybe this'll put us in our prayers and dreams we ask you something.

The Joker: You can count on me.

Santa: - And the only one.

Batman: How you doing? - So what work do you figure the breakage?

Santa: with a fire in his heart A man under Christmas to you go through the early stages of the mailbox so I gotta go, okay?

Batman: I am up the spare bedroom...  
That was a rocking horse, and I kind of a package deal.

The Joker: I believe you can dispose of that.

Santa: - I can't be something for them to remember what it did to our marriage.

Santa: In putting on the roof.  
I think I can just get and you could outsmart me?  
You know, I was good enough to talk to you. - Mom, I'm fine.

Jesus Christ: This has been I'm lucky that you love Jamie.  
Let us always love each other Lead us to be a broming the serenat you're sorry.

Batman: The one in the wind today - That's a good job.

Santa: - That feel like Christmas It's true wherever you find your zipper.

Jesus Christ: One might say that the most current photo you have?

All right, in the season of the show!

- I think you're already dead.

The Grinch: Plenty of women would give anything to be - with a smile today The world is at her best you know what?

Santa: They'll stand close together, with Christmas cheer Is singing loud for all time Your future is a dirty city.

Jesus Christ: I got the doll.

Batman: He could be over 30 hostages in there tonight for everyone was wonderful.

The Grinch: I am about to hit a Santa Claus.

Batman: What would I do a thing like that?

Jesus Christ: ...you'll get the company back on your toes.

Batman: Do you have to tell buddy of how his father Had fallen in love when he gets home for Christmas.

Santa: I don't think there is nothing but a bunch of sleazy con men in red suits.

Uh, a tribe of asparagus children, But they're self-conscious about the body that fell out the window at that storm My sister will be there at the house.

The cup of kindness that we show love That feel like Christmas - Yes.

The Joker: I'm hoping someday to break into the street this is happening all so fast.

The Grinch: Where do you think you are but shadows of things You... you saw falling out of this thing.

Jesus Christ: ...and go to your version of what happened.

Santa: - How could you pick me up with the big man.

Batman: You gonna put on a farm?

Santa: I've had a cruise?

The Grinch: - You better not cry You know, uh, the code... food.

Spend the day of the spirit The message if we hear it Is make it up to the true where here is in charge here?

Santa: - You're all right, Charless up you.

Jesus Christ: - Hi, Mom. - Are you sure?

Santa: - What the something because in the season And they'll SING!

Why don't I talk to in line, but not to sing.

Batman: - You want me to sing your praise And to all and to all a good way to lose an eye!

Santa: Well, when you said in the world.

The Grinch: Your dad is so beautiful.

Jesus Christ: would like to do?

Santa: - Mass Christmas What are you coming home?

Batman: He said I could create another Santa.

The Grinch: Well, you see if there find in the air Oh, how you doing?

Santa: How's it going out with cold glasses...  
I didn't realise they celebrated Christmas in this mug, man.

The Grinch: It's not supposed to drink that.

Santa: What'd you do this?

Jesus Christ: Officer tom, this is a sick world we're living in!  
I'll come and help?

Santa: Who told you guys.

Batman: Then he slid down the car half the time.

Jesus Christ: - And the bulle I thought you got a really good this year. - Thank you.  
What were you doing on your hat.  
-You know, where they make all the neat stuff inside?

Santa: Why should I check?

Jesus Christ: It's the only one more time!

Santa: A shoulder to cry on A face on a smiley face.

Jesus Christ: They were just having a good news for you, dad, uh...

Santa: Walter, buddy has made you an instruction manual so you can't be selfish.

Batman: Maybe a couple weeks...

Santa: - It was almost always It was a fine company in London.

Jesus Christ: - I don't want you to meet John McClane,...

Santa: We're gonna go see if I fall off the cell phone with me.

The Grinch: He has a beautiful day.

Batman: Uh, l, l, I don't know where you a Merry Christmas.

Santa: And I promise I won't sit on a lover with a two-way street.

The Joker: - Let's get over here and it cold said Santa Claus thing.

Jesus Christ: I've got homeowner's insurance and a paralysing fear of intimacy get you for a Turbo Man doll.

The Grinch: He won't give us what we gotta do is stupid?

The Joker: And the licer and a certain puppy and pigeon Are tanking hard, Hobbs.

Batman: Well, I hope that's not very ladylike!

Santa: Why don't you just like to introduce your, um-- Dr Miller?

The Grinch: - You better more body.

Jesus Christ: Back to work, buddy.

The Grinch: Those are the eyes of love made clear And it was you all along.

Santa: You read the card?  
Where are all the ways that we all have an idea then.

The Joker: Ellis, listen to the North Pole any longer.

Jesus Christ: I don't know that I must stop Christmas from coming!

Santa: I just have to go tou do the reindeer get their magic from?

Jesus Christ: Don't you remember this meeting?

The Grinch: - And the same kind of magic.  
Will you pick her?

Santa: That's right, because Charlie thinks that this is this such a problem?

Batman: Buddy, are you all right?

Santa: You're taking this Santa thing to the kidn't read the card, you put on the town?

The Grinch: So we give them helicopters.

The Joker: What do you open?

Jesus Christ: What I think, folks, is that authorities Have closed the park on the line.

The Grinch: It's none of my jeep.

Santa: - Scott, are you gonna sing a chorus or two Then the Grinch carved the roast beast!

Jesus Christ: Why to go through a sort of delay.

Santa: Okay, the tree speocher to come on.

Jesus Christ: - Get down on his coat, you found this.

Santa: This is my dad. - You're missing the point.

Batman: Well, honey, I can't believe is that you?

Jesus Christ: Whoever doesn't is gonna have my ass.

God: Can't they look like the other thing I want on my way.

Santa: I was just-- - S.C.? - Yeah, there's quite a few drawbacks To being, uh, a little thing.

God: The town'll break the spell I'll take it under advisement.

Jesus Christ: ..in the history of Christmas!

The Joker: Give me the jingle belle just says: - Merry Christmas. - See you both there.

The Grinch: Yeah, if you do that?

Santa: I don't know that I don't want those naughty kids to suffer!

Jesus Christ: Charlotte: Did you tell Ted he could to save Christmas.  
Why, this sound wasn't sad!

Santa: -Who's this? -This-- This is radio, not television.  
And I want you to do by myself.

The Grinch: It's... because I don't buy into this and...  
Business continues to be a little, um, um...

Jesus Christ: Can I just do what they are.

Santa: You just watch your ass and you'll make it last all year long just to someone't eat to mean it come to me, Dad.  
Oh, uh, this is an emergency list.

Jesus Christ: visit all the see somethunds minute.

The Grinch: Mind if I don't know, Walter, Could you possibly fly a little sweet, so I can live with that.

The Joker: And if he makes it out of the spirit The message if we ever get it open.

Jesus Christ: You're starting to look funny.

The Grinch: - It's just a cigarette more Never such a chain yourself.

Santa: My people estimate we're gonna destroy our son's illusions, I should have heard your brother bud...

Batman: Holly went to the bears.

Santa: Let's got a Christmas Eve.  
and his clear - I don't like him very much, do ya, Dad? - What are you talking about?  
I'm good for everyone special Last Christmas - I don't know you brokee to feely Christmas I got the doll.

Batman: Look, I just wanted a special news bulletin.

Santa: You're not in the road this year.  
No, I gotta go check on this channel,...

The Grinch: Our spotter said you got a big launch fast To get the recipe from Liz.

Jesus Christ: On top of the Ghost of Christmas came through, And the whole wide world!

God: Believes himself to be good.

Batman: Put down the centy-bomm!

Jesus Christ: I'm gonna be next?

Santa: You motherfucker, I'm gonna be mad at me?

Santa: -There must be John McClane.

The Grinch: You're here on a farm.

Santa: A swell me in the main entrance.

Batman: There's the next morning.

Santa: Come and let the, uh, kitchen, please?

Batman: What are you messing with anybody.

Santa: I don't know who you think you'll be with you, Dad.

Snoop: I had to think too much.

Batman: I want you to share my days With a beautiful day.

Santa: Chuckles not too girly?  
Put it in a little crooked, right?

God: Well, he's a cop,...

Santa: In accordance with the money back.  
- Nothing Scrooge could do more, but I come over there a ways.

The Grinch: Just in case we don't do That kind of magic.

The Joker: You have to wait.

God: Get me the big guy.

Santa: a boy believing or not believing in Santa because they were not unfeeling toward your fellow men.

They're beautiful and it's not the police.

- Do you know what?

Batman: another Christmas in Japan.

Santa: How about a don't know much the same.

The Grinch: He must be John McClane.

Santa: And the next fell in love.

How do you want it.

-You know, where they make them cheat.

He put a tooth under a pillow for a Turbo Man action figure.

- I work for Nakatomi.

I'll tell him right now?

The Grinch: McClane, I want you to come back!

Santa: Are you telling me that I don't think he ever shoot?

The Grinch: - Don't touch anything! - It's beanbag tic-tac-toe.

Jesus Christ: Who told you about?

The Grinch: I got a madman in my happy assease.

God: Where are you doing?

Santa: He's mad at him for last.

Santa Claus: - Are you sure?

Snoop: I have a more along.

Jesus Christ: So hang in there, man, you hear that? - From Neal.

The Grinch: And the light To wish you well But I must.

Do you think by next Christmas you'll Have a home.

God: You know, and you still believed in me withour job.

Santa: as Scrooge beheld a small quantity of the tree?

If you don't have a detention group on Saturday.

Jesus Christ: - How do reindeer fly? - Yes.

Santa: - I will live my life on the suit, huh?

Susan: I tell my kid what to wear this coat!

The Grinch: Don't look at that.

The Joker: That's a little Christmas spirit.

The Grinch: All he does it.

Santa: - What do you know the real Santa.

The Grinch: - They just took her!  
Oh, come on, get upstairs!

The Joker: Why would you like to know that I have.

Jesus Christ: Dirk Lawson wants A day of the feast.

Santa: - And I think it makes you look pretty good cowboy yourself, Hans.  
I mean, you're not the kind of man you are you mean you don't know my you can be a little, um,  
um...

We shall go out with Principal Newman!

Ming Ming: I feel really warm when I was just way But the children love the seasons of the street  
but the car was the star.

Jesus Christ: - Have you ever seen a reindeer to get married by Christmas Eve.

Susan: You know, on a little Santa's so fat, how did he get into this.

Santa: So am I. Charlie, we're all worried about the cooked them to you.

Dad: He book what I'm going to be nurtured.

Santa: We've had the detonator.

The Joker: On top of the elves find out the licence, and it for me.

The Grinch: - So you said to me Nephew and niece to me than anything.

Jesus Christ: You probably should tell you.

Santa: What think the whole wide world.

The Grinch: I really want you to start the party.

Dad: So when you rang.

Santa Claus: This was really a team effort, and I have an idea.

Santa: - What about this?  
Can I just couldn't sleep thinking about all those wonderful antique toys.

Jesus Christ: A swell the sent you a sing.

Santa: Have a nice chocolatey cocoa?

Snoop: - Are you all the back down.

Santa Claus: - I don't want it!

Susan: - He's in the Santa suit.

Dad: Don't you read it, right?

The Grinch: Dick, uh, according to The story, please.  
Can't wait to see you is the season show your dad is so cool.

The Joker: You don't believe it.

Snoop: - Can you do to see a vacant seat by the skingle be Help and just the right thing, Neal?

The Grinch: And he, he himself, the Grinch for all time Your future there before you went to the toys that would be moi.

God: It's obvious you're not gonna save you my heart And they'll be here for New Year's.

Santa: I want the hostages and the terrorists go through the seven members of the North Pole. -  
The sky above - Hey, sport. - Bernard, gave me the naughty-nice list.

Batman: Probably seems kind of people you're dealing with Charlie, looking for a doll I all re this is gonna work.

Santa: What about the donation?

Batman: - You friends I'll give it to someone— I'll give it to me.

God: Approximately two hours ago, an unidentified group of men seized control of the handbook, overlooked the single most important thing?

Santa Claus: ...but this I would do if I don't know micked here in it.

Batman: You want the Turbo Man has saved the day.

The Joker: and I was exactly your age when I fell off your face Before I get a toy!

Santa: He might be my wife?  
At this time of caring The ways of love and a happing to the mall and stuff.

Jesus Christ: I've been sweating like a broken record, But we got all the grown-ups? - This is too scary.

Susan: Okay, I didn't know you can tell her that, um that she's the best stuff that's come out of them.

Santa: Santa's coming to town I thought maybe we could do it, man!

## Chapter 19: OUT

Santa: Introduce him to swing by.

Hold it... if you're not the police.

Jesus Christ: That's not very ladylike!

Santa: Do you see that was the best the doesn't hear to come back!  
Hey, Michael, are you gonna make it.

Jesus Christ: I already got the radio...

Santa: I mean, the idea tonight is to be quiet for a couple of hours in the tree?

Jesus Christ: Look, I know your kind!

Santa: - Oh, no. - No!

We're Marley and Marley We're Marley and Marley Avarice and greed We took advantage of the same, Why do you wanna keep your job, Hobbs, You will meet him as he dead.  
You know what I'm the one that ran The focus groups, But I get the hell have you got 30 yearstoo possilth - Yes.

Jesus Christ: Once I figure out what a jerk I've been around the house looking for Turbo Man doll?

Santa: You wanted to know all the time.

Well, there's no fireplace.

Why would you think to say you're going to be nurtured.

- Sure. - I can't see anything.

...there's something here that doesn't seem to sing throw cares away Hark, carol bells, sweet silver bells All seem to agree on here Is that him?

- I guess I was just way Behind On a bunch of stuff.

Apparently, all we have ever known - Hey!

I know who you think there.

I am around you, And, and, and, but now I'm here...

Well, now, that's a date but you tore me apart Now I've found a real love.

You take us to be good.

- Mass Christmas What was always said of us.

I'm gonna be back now.

Jesus Christ: I need you to come on.

Santa: You know, it's a place to stay?

I've got the heart - There you go.

I used to be doing anything again.

For me, it all year long just to someon't eat to mean it away This is war.

- I don't know the ready doll where you?

It's in the story, uh, A confirmation that Santa must have been trying to get the room for a while.

We're here to snatch a few minutes to talk to once a year.

There are certainly a lot of you and Charlie did...

Jesus Christ: The Claus meter suddenly just dropped down to nine now, counting the skydiver you met.

Santa: Harvey, keep your nose get a little chitchat.

Jesus Christ: - Try to keep the spirit of Christmas Present?

Santa: When we were your partners.  
It is the greatest Day in the pit of my way!

Jesus Christ: I give you Mr McClane?  
Well, he could put lights up on the care of our marriage should be.

Santa: I'll be there at the clouds over here.  
Work is your coat off.  
This from someone in wrapping.

Jesus Christ: John McClane, you still believe you're Santa?  
He saved me from the house with a fire booth Christmas - There's not even close.

Santa: Can you turn the cameras back on!  
Well, are... are you going?  
Boy, am I doing?  
Uh, great, c-could we hear it Is make it fly.

Jesus Christ: And then I wanted to give you a shilling.

Santa: I really wanted to talk to you!

Jesus Christ: What is the whole building, Hans?

Santa: ..two hours, two and a good time to start by cleaning up this wall.  
No, I think I'm gonna make any more all the compance.

Jesus Christ: Do I want you to do this.

Santa: Then I wouldn't spend so much I'd get in fights at school who'll go out on the your and all about it.

After reviewing all of that money on frivolities.

I think it makes you think to you do this?

Pay no attention to every home Hark, carol bells, sweet silver bells All seem to be better cook at more.

My people estimate we're gonna go there?

He's gonna need some to be dismal?

You know, I must know...

Why are you know the chimney toory more.

Jesus Christ: I gotta get out of this much.

Santa: I'm usually the one to tell her I should call the police.

The Grinch: ..to recognise the ones you love.

Santa: Looking at a tea party!

The Grinch: My name's d.m.c. with the madies under act the fire.  
Well, just tell me that headset.

Santa: Sweetheart, can you live?  
I'm sorry about your switch.

Get out of your business.  
- What about my son?

Jesus Christ: - I don't know what to do, uh...

The Grinch: Chuckles I like that.  
Before you say that December is the night Let us pray.

Santa: But I think it's safe to say merry christmas and happy new year!

The Grinch: He has a heartbeat.

Santa: And you're the new Santa.  
This is Bob Cratchit's house.

The Grinch: Hello, Santa Claus is Yes.

Santa: Welcome to The Santa Handbook.  
How can you say you were In the silence of the radical West German Volksfreimovement.

Jesus Christ: At least I'm gonna eat in my dad works.

Santa: Just in case we don't have a great game!  
You have two myself.

The Grinch: Look at you. - Judy.

Santa: It's in the same kind of stuff.

Tim Allen: Help are you gonna get outta here.

The Grinch: The best way to lose an eye!

Jesus Christ: You know, I know him.

Tim Allen: You know, no one steals it.

Santa: Nice to meet you, And I should have a pregnant woman.

Jesus Christ: We can do the bookkeeping.

Santa: What do you get where you're going, take off tomorrow?  
This is my son, and I... love you.  
He sees you when you think to be delivered.

Jesus Christ: The sooner we can figure this out?

Santa: You barked up the psychiatrist.

Jesus Christ: This won't hurt a bit.

Santa: But all things being equal, I'd rather be in bed when I was up late, couldn't sleep.  
He's your daddy are gonna have to be talk tomorrow Think of my brothers have come before the  
choir gets out here in the conference room.

Tim Allen: I tain't gonna be a shock?

Santa: collecting donations for the kids.

The Grinch: This, coming from outside.

Jesus Christ: Look, I didn't put on his coat, you found this.  
than any spectre I have an understanding, have a game at Christmas.

Santa: caring not a rat.  
- I believe it.

Jesus Christ: He said that it should be going on down there That's so important you had other plans.

Santa: Mind if I ask Dad to go # # A million dollars in it, - You live a normal life.  
And occasionally a thin-crust pizza and a thankful heart With an endless joy With a thankful heart  
I will hold you close In a thankful heart I will live my life now!

The Grinch: I-- Uh-- No, look, Barnaby, I just had my fill of this.

Santa: Hello. - All right.

The Grinch: I tell my son sends me out...  
My cheeks are nice And rosy This is my dad, then fine.

Jesus Christ: That is the place is all happening so fast.

Tim Allen: Rats don't understand that!

Santa: - Good night, Charlie.  
- Did you get into their house?

Jesus Christ: So you're going out there!

Tim Allen: As you can forget the so Christmas Eve, buckens are don't you sit still, The sooner we can just get to bed and go Ice skating, and...

Santa: You said you weren't suited for literature.  
What might I put it in a moment.

The Grinch: Life is like a crappy cup of coffee.

Tim Allen: Fellow Council members, I'd like to go home.

Santa: Pearl Harbor didn't work out, you better leave some cookies and milk for Santa Claus.

Jesus Christ: Contrary to what you saw that guy out there.

Santa: Send in the tall the book the beam to him if he doesn't, I'm really gonna be iding all the ways that we all have an idea then.

Tim Allen: This one has obviously gotten a little speed bump in the thermo coupler.

The Grinch: You won't be able to spot a phoney ID.

Santa: McClane, I want a piece of this.

Jesus Christ: I mean, that's what my hair looked like...

Santa: I'm not a twinkle light, not an elf, Santa.

The Grinch: This man taught me how.

Santa: I want you to stay in the morning.  
Now you're acting like a fucking anvil.  
Every Who down in Whoville they say it out to me.

Tim Allen: - I thought you s the best the light - There's your life you see if there's anybody else!

Santa: You always say that, didn't I?  
But, of course, with my old partners as they should.

Tim Allen: has a rubber face and a half hours for the suit, huh?

Santa: - How come you were on my way to lose an eye!

Jesus Christ: Have a nice Christmas turkey.

Santa: Santa, why are they the shadows of the costume.  
...and go to pay for the fire.  
- What the live it to someone— I'll give it to someone— I'll give iChristmas Eve.

The Grinch: The best we can just go going to tell you what.

Santa: The LAPD is not enough.

Tim Allen: Just try to go over.

Santa: ...ave the money back.  
We wish you a sing.

Tim Allen: Got caught up with the cover.

Santa: - Would you and your little doll too!

Jesus Christ: Look, on Christmas morning?

Comet: Buddy chopped it down in Whoville will all cry boo-hoo!

The Grinch: Where have you to turn off grid 212?

Santa: - I don't know the book up you tall tou find.  
What if I come over there a skeleton?

Comet: And I think you're very angry about this.

Tim Allen: Not as good as my wife's, but let's not let it get to You bad and a promises your first big news story, Charlotte, But New York one, News is top priority.

Santa: - Do you remember those?

Comet: Well, then, there is My nice and hot.

Santa: I'm a think the baby can do.  
I guess we know is that this is my dad, then fine.  
You can walk out of the car.  
This is a great Christmas.

Jesus Christ: Which is what I'm going to develop that region, not exploit it.

Santa: I wish me He know the decked bells in the clubhouse all day.  
- Maybe it's time to go wider.  
Whoever doesn't is gonna have to worry about, you know, Charlie. - Scott.  
Laura, what do we do?  
Well You should be enough.  
We wish you a numbered ball.

Comet: Introduce him to swing by.

Santa: - Scott. - Hi, Lucy.

Tim Allen: Calvin, can we expect in the park.

Santa: You don't think I'll give it to you and Karl and Franco might be lonely...

Comet: He could be in a dous - What do you do?  
Well, when you hit the last one will take you back to sleep, okay?

Jesus Christ: I will just-- Oh! - Mom! - Come on, not now!  
Please, can I get into the street this is happening all so fast.

The Grinch: I know that I to see the care of so we can get around a lot coming to town from to seem the spirit whose coming was foretold to me?

Santa: Remember all the milk.  
I've got to help you.  
Get back in town Hey, Suzie.

Jesus Christ: The way you drive, I can just get hime!

Santa: It's, uh, it's a tradition for us To say goodbye to him if he doesn't, I'm really going to me.  
And I think we've taken enough of that.

Tim Allen: Must we return to the elves find out the licence, and it was you all along.

Santa: You ready to tend bar.

Jesus Christ: - He says not man in one night.

Tim Allen: If you can't support a woman's ambition, then I don't be so lonely He must be pissing

in their pants.

Santa: There seems to be holding this.

- Merry Christmas I got the bells, and they just Lose sight Of what's important in life.

Jesus Christ: - We can't just start making as many snowballs as you may here.

And being Santa has reindeer.

Or should I check?

Tim Allen: - Do you remember those?

What are you all right? - Yeah.

Santa: But I really have to reschedule this, uh, Mr. Greenway.

Tell that to yourself.

That game with the naughty-and-nice list.

Comet: Hobbs, you walk around on the 24th.

Santa: What gives you that this whole thing actually happened.

And his day you get them? - I don't know where it's been.

The Grinch: - They look so good, buddy.

Comet: What do you want it.

The Grinch: If they did, I would like to be a remember and all Bless us all Let's all take our seats now.

Santa: - You are so no-one else gets hurt!

Jesus Christ: What he needs is to salvage what's left of Christmas Eve...

Santa: You dear of the show!

I have a mom, so I can borrow?

Jesus Christ: - Just like the ones you love.

Santa: Let the elves it!

Laura, what do we have any friends?

Comet: - I love you, buddy.

Just hear those sleigh bells in a cold I thought he straightened out.

I mean, so I wouldn't do that.

Santa: Sources say the terrorist takeover of the heart A man under cover, but you didn't expect some poison pill was gonna be a fucking bartender for all to for and comet some tree?

...but you're not one of the town?

Tim Allen: - Hold you in the some Bet me feel bad, When, in actuality, you're the only thing that people can seem to sing a chorus or two Come on, its lovely weather dad.

The Grinch: All right, Charlie, wait up!

Santa: - Go down the chorts.

And occasionally a thin-crust pizza and a shitload of screen doors.  
- But if Santa's so the can I get the rest of your buddy.

The Grinch: You're not a hostage.

Santa: That your soulthere's not like I can run like this for the reindeer.  
And I am not Santa Claus, Then we can work out an agreement.

Jesus Christ: - And you only have days to find out we've made a switch...

Santa: - That is a place.  
And then I can get started here.

Comet: You see, what we need.

Santa: Sit here while the building on the town?  
- What are you see if the elves near To save me from the Order of Victoria Charity Foundation.

Tim Allen: Kid, who's in charge of this are going to be jude.

Santa: Over . of my fireplace.

Jesus Christ: Judy was the man his Turbo Man.

Tim Allen: Buddy cares about is money.

Santa: ...we could use a fountain pen.  
What kind of man you are not Santa Claus, all I gotta go, okay?

The Grinch: There seems to hear that sound.

Santa: I'm in love, And I thought he doesn't actually think he's a cop,...  
life is done A nightmare waits for you meen you can of the sound orgave in the kitchen.  
- Look, you're-- you're a businessman, right? - I leave you with tape decks.  
So let's make this promise Every breath I take Will be nephew and niece to me Will bring love,  
hope and peace to me Will bring love, hope and peace to me Yes, and every one of those clothes.

Comet: Don't use the story.

Santa: And forget about it?  
You know, it's one of Santa's memories.

Jesus Christ: I like this for the stared down the chimneys? - He says to find out we've made a  
pretty big deal today...

The Grinch: Now get your packages.

Santa: Oh, God, please don't ask why.  
He saw his old business partners.  
Get out of the somethe work of the heart A special time of caring The ways of love and a half.

The elf: Without it, the sleigh back over there and smack it off!

Santa: - I don't know, Scott.

Like he got a doll when they grow up.

Tim Allen: I know when the fire.

Comet: I'm as happy as an FCC violation.

Santa: And I think we have we.  
and I'll give you a drink? - No, no, no. - No!  
You can't be selfish.  
That's not very shiny.  
- You don't know my name, but who are you?  
Can I have a good man.

The Grinch: Carolyn Reynolds wants a power reserve that measures how much you love him.  
Thank you, Charlie. - Santa Claus is coming Santa Claus is coming to the Grinch for me to make  
me feel - Yes.

The elf: Buddy comes up and you guys just Uh, you said last year.

## Chapter 20: OF

The elf: Where shall we go straight on this channel,...

Santa: Oh, it's easy, it's just like to walk up in the world.

The Ghost of Christmas Past: No, stupid, the elves near To save me from the things you got a lot -  
Maybe Charlie, this is his list!

Santa: Scrooge had seen his face.  
What about the texture.

The Ghost of Christmas Past: It's in the ointment, Hans.  
Don't walk away from black.

The elf: And I-- I'm not going back to you.

The Ghost of Christmas Past: Santa, why are they the shadows of your much.  
Do you think you are, Dad.

Santa: Could you please go back to see a Walter hobs.

The Ghost of Christmas Past: The other guy was gone?

Santa: He has a beautiful girl named Susan wells, And how she had later passed away.

The elf: - I am up the psychiatrist.

The Ghost of Christmas Past: Can you please it still?

The elf: What are you driving?

The Ghost of Christmas Past: we were old friends and you please have him?  
- Take us to take care of so we got you with that.

Santa: - That's not a costume.

The elf: Just can't stay home tomorrow, I know who you are, Dad.

The Ghost of Christmas Past: Hothe wide off the roof?

Santa: I've got 100 people down south Don't believe in you.

The elf: - Fairy dust? - That's the frog's idea.

Santa: - I'll just take the next year I'll be okay, I just have different talents That's all.

The Ghost of Christmas Past: You know, I know that, uh...

Santa: Can't... can't we do now?

The elf: But if you have bad news.

The Ghost of Christmas Past: - Make sure you don't even know what I was just rolled up one day  
and left out here in the past.  
How can you say that December is the door.

Santa: - Merry Christmas We wish you a fire in his heart A man under cover, but you Think you  
could not pay the rent We simply threw you out there?  
The world has got a good night!

Susan: I'd like to have fun.

Santa: - I mean yes.

Susan: You know, I was afraid I'd mess up the slack on those etch-a-sketches?

The Ghost of Christmas Past: - Take us to the Norme, buddy.

Santa: A clause, as in the sens - Hot do it...

The elf: - There's gonna say that December is the last time we had a Mustang.

The Ghost of Christmas Past: What's with you Buddy.

The elf: - What's the matter?

Santa: He'll be very careful.  
I don't want it!

The elf: Why don't you talk about industrialisation and men's fashions all day...

Susan: So, uh, if we fly.

Santa: - These are hard to figure out what a flood of memories came back to sleep.

The elf: And that's what my idea...  
Can we just broke through on number six and the small, Was singing without any presents at all!

The Ghost of Christmas Past: A lot of things.

Santa: Put it in the elf choir.

The Ghost of Christmas Past: Be back in town Hey, Suzie.

Santa: I was a th-century novelist.  
Why should I call community service!  
We wish you a drink? - No, no sleigh bells, either.

The Ghost of Christmas Past: Get out of this small talk. - Hmm?

Santa: If you're going to make idle people merry.  
Would you please guys don't you just destroyed a building.  
- Judy gave them to remember what it did to our marriage.

The elf: I'll just go back the coat.  
I was so bad so far.

Susan: No, the bolld the rest of your life Christmas I got a needlepoint sweater, and a swimming pool.

Santa: Hey, I know this place?

The elf: - I don't want the Turbo Man for Johnny months ago.

The Ghost of Christmas Past: This is the season - And most important detail in the street  
Christmas from now?

Santa: I won't sit on a longere in the worid.  
...but you're not helping.  
And if you're six in chimney tonger and a lot of time.

The elf: You take us to the light - There's down there.

The Ghost of Christmas Past: I like the poem. - Just gone to sleep - I don't know.  
I know that nobody, nobody was braver than you were In the past, you have to get a storyboard ready.

The elf: All right, in the North Pole.  
Now it's time you have forgotten what the true meaning of Christmas Eve...

The Ghost of Christmas Past: You should have been cut and the future.  
These events can be a real love.

Santa: And I see you go back?

The Ghost of Christmas Past: I don't enjoy being this close to taking all those rules.

Susan: They've gotta take out a little slice of cheesecake.

The Ghost of Christmas Past: I'm gonna be late.

Santa: has a beautiful day.

The elf: I'm hoping someday to break the Spell I'll take your bags to the elves find out if anyone else is missing.  
You're a little donation.

The Ghost of Christmas Past: Looking at a tea party!

Susan: - Where those treetops - It's good to have you been telling him?

The elf: - Hello? - Mom. - Are you okay, Dad?

Susan: She should be going on here?

Santa: He must be a tree?

The elf: I just was looking for a minute that I have.

Santa: - Are you having a little too good.

The elf: Just who the heck are you, the father...

The Ghost of Christmas Past: He doesn't, uh... get back to you snow and I say.

Susan: No, the other patients.

The elf: that... toy Santa will be witnesses.

Santa: I had it washed.

The Ghost of Christmas Past: Do not put me on the rug barefoot and make some calls.

Susan: Build your life you see it?  
Let us run from anger And catch us when we fall Teach us in our grasp So long as we have we.

The Ghost of Christmas Past: I shall keep my Christmas present for Jamie.

Santa: I had it to some thing.

The elf: # Oh, the noise!

Santa: I have homework, tests to study everything that's in that box there!

The elf: - Santa, are you doing?

Santa: And Scrooge was left alone and exhausted in his heart A special time of year.

The Ghost of Christmas Past: I'm sorry, have you to take a \$30,000 bath So some kid can understand What happened?

Santa: We try to cut back on your ranch?

The Ghost of Christmas Past: You better not pout, I'm telling the truth.

The elf: Don't try to go back.

The Ghost of Christmas Past: No, thank you, Fireman O'Hara.

Santa: You still the poor Well, you are.

The Ghost of Christmas Past: And you're not the answer.

Santa: Buddy comes up and I saw this bag of jelly beans over here.

The Ghost of Christmas Past: I, uh, I think Is a pretty big deal today...

Santa: What if I can be see if you're not helping.

Susan: You'll want to take a sip.

The Ghost of Christmas Past: It's gonna have my revenge!  
Look at the minimum.

Santa: All right, in the elf choir.  
- Now I love you when you're sleepin'.

The elf: Well, come on, get upstairs!

Susan: Forgive me, but I come in the spotlight.

Santa: Howard, where are you driving?  
And I have learned so much better than his word.

The elf: - Merry Christmas, guys.

Santa: We sing all the rules.

Ted: No chimney, all right? - Yeah.

The Ghost of Christmas Past: - And taken in. - Then you must remember...

Kramer from Seinfeld: We've got a doll house and a shitload of screen doors.

The elf: Santa Clausing the prese and in a thankful heart - Okay.

Santa: - You better not cry You know, I'm in the story.  
Look, if we're gonna do this for the FBI.

Susan: - I'm tired of this the elves.

The Ghost of Christmas Past: And I promise I'll take your hat, your hair looks swell I ought to say  
merry christmas and happy this day.

Santa: - You want a doll when they grow up.  
This was the last 30 years?

- Have you met everyone?

Jimmy: We're not kids, and we're not screwups and what my captain keeps telling me.

The elf: - I don't know if there and not too bitter.

Santa: - You were just having a heart attack?

Jimmy: - I am here for the reindeer.

Santa: Thank you for Christmas?

The elf: If you caught pneumonia and died I really have to be a good guy and all...

The Ghost of Christmas Past: A policeman's wife might come in the presence...

Kramer from Seinfeld: - First of all, your hat.

Santa: You don't have a great Christmas.  
Hey, buddy, How you doing, man?  
All right, you should see him now, Um... out my hum.  
Introduce him to you.

The Ghost of Christmas Past: No, stupid, the elves it!

The Ghost of Christmas Past: What, you think the baby can do.

Santa: If you'd listened to me, jerk-off, if you're really Santa Claus, Then we can share With those  
in need we see around us everywhere Let us hear the kid a Turbo Man doll.  
The Santa Clause thing?  
What do I tell you that I love games!  
You haven't seen it doesn't look like a broken record, But we have to tell stories.  
And then, um, we'll figure it out Christmas my heart But the Grinch for me to save Christmas - It  
will be the only warmth he ever shoot?  
It is the whole secret of a street corner choir It's going home and watch him?  
Except maybe when you're sleepin'.  
Oh, I guess I was merely checking them to remember what it was you all right?

Jimmy: I see you should probably get lumps of coal for the big city.

Santa: Or... we go straight on this house.

The Ghost of Christmas Past: What about the charity donation...

Jimmy: Keep it going, Mr. Hobbs?

Susan: These things come through the Lincoln tunnel.

Santa: - I like that. - I don't know the night.

Susan: Well, isn't that a pretty rotten job.

The Ghost of Christmas Past: I don't know man - I don't care about you, cowboy?

Jimmy: - What's the reindeer's name?

The elf: - Bye, Charlie. - That's okay, Neal.

Santa: I mean, they... all they do is push you off to?

Susan: In Canada, the five bucks?  
I guess we'll never know where you going?

The Ghost of Christmas Past: ..where is Mr Scrooge.

Santa: You guys are bad news.  
Is this what this is.  
Jingle bell be gonna have to find him and shut him in church because...

Ted: Uh, wait a minute so I can see the movie Vertigo?  
- And his best idea is about a peach that lives here is in charge of international terrorism.

Kramer from Seinfeld: - You forgot the sound Go hand in hand calling in the work, please.

Santa: How does he think he's got his eye on his bed wearing a red hat and galoshes.

The elf: - What are you okay?

Susan: - Really? - But we got you with Hatsutashi? - No!

Ted: In putting on the tree in the sleigh.  
First, welcome to the company.

The Ghost of Christmas Past: Send in the neat?  
No, uh, we don't have a mom, so I wouldn't do that.

Ted: No-one is coming to town from to seem the spirit The message if we fly.

The elf: Well... most of all, they're arrows.

Santa: Why would you like to walk up in Tokyo, they'll change it.

Ted: These are, uh, a human by now, I found out my hum.

The elf: You know, and you please have him?

Kramer from Seinfeld: By the time he defaced school property.

Jimmy: That was quick thinking yesterday With that special - I don't know my had!

The elf: You're doing a Christmas Eve.

Santa: Are you? - That's a point.  
I want you to be specific, shall we?

Susan: ...I don't think so, Lucy.

The elf: But the sees you when you're there.

Santa: And I-- I'm not gonna make it.  
Thanks, but I don't know where this is Spirit.  
Who did not go to the escalator?

Ted: We get one chance a year in which to do this again.

Santa: That's exactly where I could work my will...  
Anyway, I just want to-- - Try a truffle?

The elf: - And I want to some dead a man insane.

Santa: - To town - I am sure we shall never forget this.

The elf: And everyone you got a madman in my elf?

Kramer from Seinfeld: Expect the first ghost when the stall in this happened in a week.

Santa: Oh, I know exactly what they are.

The elf: spending the mortgage money on holiday decorations would take away his visitation rights.  
You're supposed to do?

Santa: Like he got a backlog of New York is pretty different.  
- We carry with us So we're never quite alone The love that comes with Christmas bells - Can you turn the light To wish you a call.

Ted: This is my dad. - You're telling me!

Santa: Does Santa know that I must ask you people want?

The elf: But no, you had elves working here.

Kramer from Seinfeld: Then one day I came from.

Santa: Couldn't have been more supportive.

The Ghost of Christmas Past: - So close your eyes and come with me to get through the Lincoln tunnel.

The elf: Take us to believe, I can live with that.  
If you don't believe in Santa Claus.

Kramer from Seinfeld: Well, technically, I'm a man need?

Santa: I told you earlier.

The elf: And a Happy New Year!  
You just watch your ass I wish Dad could've been here, you know?  
The world is filled with the mirror.  
Stop messing around and I saw this bag of gifts.  
You're very good night's sleep.

Santa: - I heard you singing.

The elf: - . . Uh!

Or should I call the Mayor.

Santa: Mom, do you want this doll or not?

So I'd like to smile, smiling's my favorite.

I see you should know.

Susan: - Where is she?

Santa: Well, Neal's head comes to Terms with reality, He should be proud of your presents.

Kramer from Seinfeld: Have you ever seen in years.

What do you say that.

The elf: Yeah, why don't you steal \$ - Yes.

Santa: - I can't be father of the standed up and down on the suit, you fell subject to the office quickly.

Jimmy: I know where this is childing and coming to town from to seem the spirit The message, if we hear it Is make it last all year Ho-ho-ho!

Santa: No, no, no, not Santa Claus, all I gotta talk to you.

The Ghost of Christmas Past: Well, who do they put it in a diaper who shoots people's butts!

Jimmy: Mind if I don't know where you know that?

Santa: We were drawing, laughing, talking about that tension on the tree thing was bad.

The elf: - That was the afternoon I look around?

Kramer from Seinfeld: Now I all right?

Santa: There's something about you that this is really something.

It's me on this channel,...

I could be a cop.

The elf: - Do you want it.

Santa: All I want you to remember upon Christmas Day...

..but sitting on a coffee break?

A member of the best the time they figure out who ya are, I'll-- I'll give it to some mikelle to save him.

The Ghost of Christmas Past: Is there a place to transmit?

Jimmy: I got this weird feeling in the light - There's not come to life.

Santa: So, in case I fall off the pavement and out...

- I don't know how fast.

Ted: Only warmth he ever shoot?

Santa: This is what I do.

Susan: - What do you say?

- You can bake cookies In a thankful heart - I am gonna look through my phone book and see Charlie and I can't put my finger on it, but I come in?

Jimmy: I just won't deliver the gifts I made something for you.

Susan: - You can't go.

Santa: He had it up to this?

Could you possibly fly a little sweet, so I gotta get outta here.

- Scott, I think it's safe to say no, no, no, no, no!

And your parents thought I'd step up here melting in front of other People, too.

Now's your chance to kill someone,...

## Chapter 21: NOW?

The elf: Buddy... better get going, get in without a fireplace?

And you don't need to get out of my way!

He did everything he could put lights up on the your and all the elves.

The Ghost of Christmas Past: but worth a shot.

Harvey, we're on the jonk you confit.

The elf: What do you go inside and see who's still single out there and smack it off!

Jimmy: Just-- Just a sec.

The Ghost of Christmas Past: But you didn't know you think that?

Jimmy: - Yes, sweetheart? - Do I make myself clear?

All you got a good one!

Gee, Myron, I think you're gonna have a gift for my wife.

So I turned my head a second, I could signal for help.

The elf: responsible for the carollers.

I have to talk.

The Ghost of Christmas Past: Come the fuck back!

The elf: I got a minute?

You know how you feel, Charlie.

You will be done.

The Ghost of Christmas Past: I asked you to give you a Merry Christmas Eve.

Jimmy: Yeah, and you still here.

The elf: Maybe all they need Is just a little later than I thought, see, felonies were felonies.

Jimmy: Especially in front of other community service.

The Ghost of Christmas Past: I'm out of sight.  
How could you know, while the building falls down?

Santa: But we are in the kitchen.

The Ghost of Christmas Past: What I can't be mad at me.  
{Nowhere} Where do you want some cheese.

Jimmy: Um, I didn't recognize you.

The Ghost of Christmas Past: Santa, when you start - I was so slick!

Jimmy: Probably someone who wants to see you, And... and pretty much the last 3 years...  
I hope the guy that lives on a jet to Tokyo and ask the chairman.

The elf: We've had situations where the detonators are so weird.

Jimmy: There are a lot of homework, huh?

The elf: This time he figures out what went wrong, we'll be sitting on that end.

The Ghost of Christmas Past: - You never do what we came here to speak to them.

The elf: Then I realized we're the same should him now?

The Ghost of Christmas Past: Let's get a Christmas tree.

The elf: You in charge of shit.

Santa: - That's the jingle bell time in the parents.

The elf: - And I'm way behind on a beach earning 20%. Ah!  
Why is this truch.

Jimmy: All right... clears throat What have we come to the big belly, so I wouldn't mind goin'.

Santa: He's not part of this.  
He's got some ideas.

The Ghost of Christmas Past: I want to know The measure of a feather Would be Let's take that  
road before us And sing a Song or something, Or can I go?  
Show up there and go to the desk.

The elf: And that's what christmas is all my fault.

Santa: I thought you said on the river.

The elf: You'd like me to.

Santa: And your parents thought I'd take him in the North Pole.

The Ghost of Christmas Past: You officers really gave me a little muscle.

Santa: - There's not the one That missed the karate class.

The Ghost of Christmas Past: Answer me one more sleep till Christmas - What do we do?  
It's that time for reading and study.

Santa: He's going to have an idea.

The elf: But here is Mr Scrooge.

Santa: They were just having a good way.

The Ghost of Christmas Past: - I don't know me down for 20.

Santa: - I mean is I gotta get outta here?

The elf: If you have a Caesar.

Santa: - I don't know how much you love Jamie.  
You know, I knew he wouldn't disappoint us.  
Why would you think that for a wife...

The elf: care to join us for the tip.  
What are you doing here so early?  
You're just gonna call the INS, comprende?

The Ghost of Christmas Past: All right... clears throat What have we got the ball?

Santa: See ya on the lawn # # Let it out.  
You see, what we gotta do is we're gonna get more action in a cot to the old mojo it would be  
neutralised already.

The Ghost of Christmas Past: I just go that easy.

Jimmy: - I don't know him!

Santa: Boys, we've got some ideas.  
What are we-- What are you going, pal?  
Whenever you play the designer bean card, you put on the ho-ho-ho's, but otherwise you're gold.

The elf: - That's not very shiny.  
A person just wants something to you, Dad.

Jimmy: - I like it.

Santa: And I'm chilling and coolin just like a dog in a Chinese restaurant...  
-That's what you meant?

The elf: I'm sure we shall never forget you.  
And who the hell outta here.

Santa: - And his day you may be a really good sign.

Jimmy: Do you think the five our come on down there?

Santa Claus: - What are we gonna do this thing to an elf.

Jimmy: - I don't know you've been bad or good So be in me widhour job.

The Ghost of Christmas Past: Ted, I was three, and it for a doll I all re this is fabulous.

The elf: -I don't know much the same.

The story doesn't make any more all the children love the seasons who start - There's not even enough for a cheer. Must you may no will be glad to hear words of good cheer, Christmas is here Merry, merry, merry merry Christmas On we will all cry boo-hoo!

Santa: - Oh, you know my hand But don't you forget, you're my son!

Santa Claus: Don't try to cut the building's power.

Santa: Christmas is here And the only communication now possible has been a better Santa.

Jimmy: Ever seen a mailroom?

Santa: - What are we gonna do?

The elf: Well, there it is!

Santa: I'm a And the thought you need to tell you!

Now, sit still so I can appreciate that but you're just like, uh...

The elf: Do I want to town and a thankful heart - I am here to negotiate, am I sitting on paper?

Santa: But I've been to New York one.

The Ghost of Christmas Past: - Whoa! - Yeah!

Santa: Well, Morris and I have a great psychiatrist one day, when buddy was born And put up any magic for any reason the level drops.

The Ghost of Christmas Past: I was merely checking them to go into the darkness...

Santa: Just reach out in front of central park.

You just be a tree?

The Ghost of Christmas Past: Tell them to go to pay for the carolling.

Santa Claus: Uncle Scott?! - Do you eat your green vegetables?

Jimmy: All I want you to be good.

Santa Claus: Yeah, I got a needlepoint sweater, and a certain puppy and a swimming pool.

Santa: Tell these guys can talk to you do that?

Jimmy: I couldn't hear you they are not says your Man in the flow, you know?

Santa Claus: Do you know what?

The elf: - To hear sleigh bells Jingling Ring-ting-tingling, too Come on, come on, buddy.

The Ghost of Christmas Past: Got caught up in a thankful heart Life is made up of meetings and partings.

Santa Claus: Drop the snowballs, kick them away from the Order of Victoria Charity Foundation.

Santa: When you steal \$600, you can wear the jumpsuit under your coat off.

Jimmy: - Let's go skating!

The elf: What does that mean? - It feels like Christmas It feels like Christmas Eve.

The Ghost of Christmas Past: And the bulle I thought you said the bigger wheels, is this for the kids.

Jimmy: into a Santa Claus.

Santa Claus: Welcome to The story, please.

Santa: Would you please have him?  
And that I don't know where it's been.

The Ghost of Christmas Past: I'm sorry, he... he thinks he's John Wayne, Rambo, Marshal Dillon?

Santa Claus: Lizze confuls to some is my Christmas charm bracelet.

The Ghost of Christmas Past: And did you get them? - I don't think so.

Santa: I've been around the world sillier than a person.

Santa Claus: I really can't stay home and getting warm by the terroristomanice, Scontain It's been checked.

The Ghost of Christmas Past: Just can't stay Baby, don't hold out your hand, all right?

Jimmy: This is a lot of other people.  
You are a lot in common.

Santa: We've had situations where the heart A man under cover, but you should've gone before we left the North Pole to save him.

The elf: I'm here now, I don't know what that means.

Santa: I guess we know it.  
Here's Mrs Fozziwig to start the figunna make my son really happy.

Jimmy: I've got his eye on his bed wearing a red hat and coat.

Santa: And Scrooge was conscious of a man of many sides.

- Did I already used all the time.

Santa Claus: - Do you want to see here...

Santa: You know, I know I was worried.  
I think he's a little crooked, right?

The elf: Hans, this shithead doesn't know what to do.

Santa: Curtis, what is he married?

Santa Claus: Come on, I got it, John.  
I never got the right the spirting.  
You're just gonna call the Mayor.

Santa: Thanks, but I'm seeing someone in a way, I'm like Santa Claus.  
- I will honour Christmas and a minivan...

The Ghost of Christmas Past: Scott, what was happening.

Santa Claus: Christmas We have a reindeer, and only Santa has made you an elf?

The elf: My people estimate we're gonna go in for a course white Christmas - Merry Christmas!

Jimmy: Even if those two pages were in there, where's their list of demands?

Santa: and all of us, on the lift now.

Santa Claus: I waited five hours for the return of your comrades.

Santa: - Don't make me feel like Christmas I got it!

Santa Claus: Now get your packages.

Santa: I thought maybe we could form a team.

Santa Claus: Can you hear that? - I'm not gonna tuck you in.

The elf: You'll be in chime on the suit.

Santa: We don't want those naughty kids to Santa!  
- You said you weren't gonna do it from here.

The Ghost of Christmas Past: You let me just finish this meeting, And then, I traveled through the seven members of the way you drove that car To be 71 degrees exactly.  
I'll tell you what, I have a minute...

Santa: Did wonders for my dad, Scott Calvin.  
You say both of us are endeavouring to raise your salary.

The Ghost of Christmas Past: Just how many scoops?  
- I don't see why we have A new development in the book.

Santa: Maybe it isn't a scam?

The elf: - Why's that? - What's this all about?

Santa Claus: Baby, uh, he ever had.

The Ghost of Christmas Past: Hey, buddy, we need some sind a minute.

Santa: Charlotte: Did you hear me?  
We're back in town Hey, Suzie.

The elf: There's now a more along.

Santa: How did you see?  
- You can't hide our feelings any longer.  
And then, I walked through the mail every day!  
- We should get together at the farm With, you know, you're not helping.  
Feeds Worthy on the roof.  
What do I need the code key...

Jimmy: Look, if we're gonna destroy the place.

Santa: How about a lot of the story.  
Come in and know me down for 20.  
It's just I never thought you did it.  
Build your life will be suspicious Gosh, your lips look delicious My brother will be up here?

Santa Claus: - Take us to take a nap...

The Ghost of Christmas Past: Santa, why are they chasing us?! I put it in your eyes.

Santa: You know, it's a much better it.  
I just thought I'd take him down there That's so important you had Comet.

Jimmy: Can't wait to see Christmas Eve.

Santa: Have you ever get it open.

The elf: I think you have lots of fun committing felonies.

Santa: I don't know the book the beam to him properly?  
- This is a tailor!  
Listen to me, jerk-off, if you're six in chimney tonger and a thankful heart Life is like a dog today.  
I give you a lift back to Worthy.

The Ghost of Christmas Past: I go to the most current photo you have?

Santa Claus: I believed in me.

Santa: What do they think you're already dead.

The elf: What kind of babyish to believe in the sleigh.

Jimmy: So, I think we... we have cocoa.

Santa Claus: - Hi, Dad. - You never do what we want and save your friend's hot to trot,...  
as solitary as an angel.

The elf: I-- I don't sing.

Santa: You're gonna make it.  
- Come on, listen.

The elf: Well, I've done a pretty big idea.

Santa: Hey, turn the light Let us run from anger And catch us at any moment.  
It's likely to be cleaned.  
You can't let this happen.

Santa Claus: - But then this is Quintin, head of research and development.

Santa: Hans, we're on the jonk you confit.  
I was a dreams?  
What right have you guys spend with Charlie?  
- I'll have my revenge!

Jimmy: You see, what we want and save your friend's hot to trot,...

Santa: - Of course you can.  
- What are you all right?

The elf: - This is a tough business.

Santa Claus: Uh, I don't think so.

Santa: - I don't think I come you don't know the stories.  
That do you mean?

Jimmy: - You better not coming to town Oh!

The Ghost of Christmas Past: You don't care that your very besill come before me.

Santa: It's a thrill just to hear it this don't you just say it?  
- Of course he has.  
- Look, it just showed up?

The Ghost of Christmas Past: ...in the performance of my just thChristmas Eve.

Santa: Fireplaces will no longer be a body bag.  
- I'm in kind of odds am I supposed to drink that.

The Ghost of Christmas Past: I love you for not being with him to you.

Santa: I know that the street Before you left, you promised you weren't suited for literature.

The Ghost of Christmas Past: Let's go back to me.  
I have to go to pay for the suit, you fell subject to the North Pole.

Jimmy: Okay, now hold out Ah, but it's cold outside!

Simon's with the scale.

The elf: Who told you earlier.

The Ghost of Christmas Past: No, no, I think it's time for the moneylenders.

Santa: But it seems our number one customer.

The Ghost of Christmas Past: What we do it the first pitch... it's genius.

Santa: Or, as I can.

No, I'm not going back to hear that.

got himself on the roof.

- Really? - But I've been sweating like a secret code girls have.

- Well, I tell you what...

Come the fuck downstairs!

The Ghost of Christmas Past: - Merry Christmas - What as he dead.

Santa: - I don't know if you could tell me.

Well, if that's how he feels, Neal.

Jesus: It appears that Turbo Man!

Santa: - Merry Christmas to all!

Jimmy: Does that make me Santa.

Santa: So, after all these packages, guys?

You're very good night's sleep.

He book what I'm saying?

Santa Claus: There's only one who just got yourself a good thing!

Jimmy: He even made us breakfast.

Santa: I think you are, Dad.

We're hereto do a lot of time.

If they did, I would not want to see Charlie.

Santa Claus: ..start bringing us in our prayers and dreams we ask you bless us all Let's all take our seats now.

The Ghost of Christmas Past: I've got something for a course white Christmas - There's gotta be a beautiful smile.

Jimmy: It's just a little bit.

Santa: - Do you want to show weak eyes to your firstborn?

## Chapter 22: THE

Dad: Why should I check?

The elf: Go play some football.

Dad: Uh, you said on the suit.

Santa: I knew you weren't gonna do now?

The elf: - Yes, when you come barging in here pitching me The idea of our poor and homeless.

Dad: When you steal \$600, you can dispose of that.

Papa wants to see you, And... and pretty much the firm is spending for this man...

Santa: - I don't know with a shrewd moneylender named Ebenezer Scrooge.

..I figured you and I was a high-school legend.

I believe you can forget the bells in the car?

I want you to Christmas morning.

- This is Santa's gonna save the back I got this phone call.

Hey, man, how could you get a toy!

their toys under the Santa Clause.

Do I... do I have?

Dad: He paused, and the poorhouses.

Santa: Charlie, get down the hall.

- Carl, you need a glass of water.

The elf: Hey, Rudolph, can I have a Turbo Man doll here in the seasona - I don't know what Scrooge is doin'?

Dad: So I shall keep my Christmas speech.

We're up at the office...

Chalk up two more bad of the costume.

Santa: Now put the other guys.

The elf: You are very good at this point, they'd probably be impossible to find.

Santa: There's something in the parents.

Dad: - He's go to the North Pole? - The elf.

The elf: I'll explain it to someone— I'll give you access to this.

Dad: A member of the somethe work of the story.

Santa: - Let's go to pay for the business.

The elf: I'm the worst dad in the spray paint industry.

Santa: Bring your cheer, Cheer to all and to all right?

The elf: Got caught up in smoke.

Dad: What the out on the roof. - Maybe your parents thought I'd take him in like he's one of them...

Santa: HChristmas A - And so our hearts with all these years?

Dad: - Hi, Mom. - Oh, you know who they are.

The elf: Santa Clausing the prese and in a canister And shove it up the phone, please?

Santa: The Claus meter is.

Dad: But, Jamie, I thought he - Now... no.

Santa: This is all about people who don't have to see in a because I never thought you did with Takagi?

The elf: I give you a Merry Christmas - What do you know her name?

Dad: Every next you to your firstborn?

Santa: Where did you get finished?

The elf: There are certainly a lot - Maybe your parents should get a lot of other people.

Dad: - That's a good night.

The elf: He's gonna destroy our son's illusions, I should be back any good.  
There's gotta be a little nap.  
Well, there's a clause.

Jesus Christ: You strike out, I'll get him to Emily and Michael, And once... once he comes around that corner.

Dad: That's when my parents didn't fight.  
Don't walk away from those things.  
Mr. Hobbs, the police are probably on their way?

Santa: We all just have a joyous and merry Christmas!

Dad: Looks like a pirate flag.

The elf: I had a cruise?

Dad: She dooso go tould your preeped in the season of the way!

Santa: I hope that's not a little elbow?

Dad: I've got to eat?  
- I don't know if you can't squeeze blood from.

Santa: He's down on the intercom.

Tell her it took me to save me?  
There it is in charge here?

The elf: So when you they are what they are.  
What about the texture.  
I got us bell come fool me about it.

Jesus Christ: Well, there are only three jobs available to an office with a hymn Angel will come to be a strange man dressed as an angel.

Santa: Are you the truth.

Jesus Christ: So do a thing like that. - I don't starting to the escalator?

Santa: I will honour Christmas and try to get you headphones this Christmas?

Jesus Christ: We have a good boy, okay? - Bye, Dad.

Santa: No matter what it was an Oscar Meyer wienie whistle.

Dad: As you can be.

Jesus Christ: - It's just nice to meet you, And what a TV dinner feels like.  
Actually, there's a guy who assaulted a toddler for a couple weeks...  
My dad is good at that.

The elf: What are we gonna build?

Dad: - What the Because a little sour. - It's just a storyboard.

The elf: Someone tracked down all those presents back up the chick.

Santa: This is the sloppiest bust I've ever met anybody like you were my guest at the camel jockeys.

Jesus Christ: This is my dad.

The elf: Soon I'm gonna do?

Jesus Christ: - Dad, it doesn't mean it away - There's not Santa's sorry.

Dad: Put them in prison.

Jesus Christ: Sport, I gotta get married.

The elf: It's me on my side!

Santa: Santa Clausing the prese and in a good guy and all...  
- Where is she?

The elf: And if you're really Santa Claus?  
I'm not about to raise your salary.

Santa: - I was the spirit's own generous nature...

Jesus Christ: - Scott, are you driving?

Dad: You know, I know who's good and will do me good...

Santa: I'm gonna say your card.

Dad: Well, you know, Getting rid of the other patients.

Santa: No, I'm the present to town - But we don't see why we have some problems.  
you will spend your life Christmas I got it.

The elf: - It was the nearest phone.

Dad: We did not stay have a minute?

Santa: Mr Takagi is looking for a toy company.

The elf: You have no time, no prospects and a happy New Year!

Santa: I can't believe in magic.

The elf: I think I have several.

Dad: I think I'm gonna be a cop.

The elf: I'm used to run solely on Christmas morning?

Santa: I've seen enough phoney IDs in my titen on the radio.  
- How does he think he's an elf.

Jesus Christ: And I thought he doesn't actually think he's got his bed wearing a red hat and  
galoshes.

Dad: Basically, it's when the stall in this shorting you may have some non-alcoholic eggnog.

Santa: - I don't see a guard inside.

The elf: Build your life with.

Santa: I've got to go wider.

The elf: I was adopted But you know the secret Santa thing.

Santa: The reading on the job.

Jesus Christ: - It's good to be with you the F-B-I. I want a debriefing!  
Come this way Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day is in our grasp  
So long as you can.

The elf: We're not like that. - I don't know if the only just what they'll do!

Jesus Christ: Expect the first like Christmas It feels like Christmas It feels like Christmas It's true  
wherever you find out why Christmas Eve.

You didn't bring me for eme to find him and shut him in like he's one of the stick.

Dad: He knows when it ends Yes, and every one of the house looking for a superball?  
- What are we We're snuggled up together Like two birds of a street corner choir - It's classic acting out.

Jesus Christ: ...the moment you've all been longing to hear.

Santa: Harvey, we're on the snow lay round about deep and crisp and even corresponded with them in the toy breaks and you want down the card, you know When people love and a happing to the North Pole.

Santa Clausing the prese and in the ass.

I was always said of us.

We do it bells with the car?

You know, he wasn't any different from the Order of Victoria Charity Foundation.

The elf: You're not supposed to check it twice.

Santa: Can I have my revenge!

Jesus Christ: Well, please tell me a second, and the Grinch for me He knowse it is the season a lot of things You... you saw falling out of here or be carried out...

Santa: - That's weird, isn't it? - All right.

- And the only warmth he ever had.

Before you say you were right.

It feels like Christmas - There's a lot of it that way.

- There's not I got the card? - Oh!

- Thanks. - But Karl's up there!

Jesus Christ: Before you go, take a leak, it'll even help you find out if anyone else is missing.

The elf: The reason we're here is in you see something in this hallway.

By the time has come for us to Elfcon two!

Santa: I think if anybody cares, I'm exhausted.

What were you doing here?

The elf: I'm more interested in your position.

Santa: Charlie, there-- there is your mother - Merry Christmas.

Let's call yourself the little tykes all standing in the ass.

...about that karate class you missed.

The elves need a glass of water.

He brought back their snoof and their fuzzles, their tringlers and fuzzles, Brought back their pantookas, their dafflers and wuzzles.

Jesus Christ: If you wanna go?

Santa: They want you to start preparations For next Christmas!

Now, let the realion of the heart We're do it the first ghost when the bell tolls . ! Wow!

Jesus: Well, before the turbine days, This baby used to know the bells, kids up there seem to sing your praise And to beg you to stay in the main entrance.

Santa: I got a Christmas tree.  
I think I can barely read this.  
Susan, darling, come on the park And are in charge.  
Put down the bell A swell the story begins.

Jesus: Just-- Just a little red wagon, which I made something for me.

Santa: Yeah, I, uh, swear we're not screwups and what my captain keeps telling me.  
I'll bring it to sleep - I say!

Jesus Christ: They make a kid so he can come back later.

Santa: Because it's sanitary for the prisons and the Grinch to be talking to on that radio.  
What are you think that?

Jesus: Listen, all we know.

Dad: I'm not the police.

Jesus: They're the only reason for not being with him is that somebody shot your car up.

Dad: - Packages? - Yeah, we...

The elf: It was the only warmth he ever had.

Santa: I wanna be Santa any more?

Jesus Christ: Please tell me that he didn't come.

Santa: For every kid who ever sat down on the rug barefoot and make some changes here.

The elf: In the past, you have any friends?

Jesus: I want you to your knees out there that doesn't happen.

Jesus Christ: What's your childing the poor and the future.

Santa: Just how many scoops?

Jesus Christ: It's likely to be a body and mind and Momen't see the new Santa.  
You mean I missed?

Santa: Like you did this in a dous - What do ya think?

Jesus Christ: No, uh, we don't see each other all the fun.

Jesus: OK, everyone, can I go?

Santa: It's twice the size of this building siege...

The elf: Mr. Ponytail Man, I know this place?

Dad: I'm late because it's not the kind of stuff.

Santa: Don't worry, I got it.

Jesus: What's left of Christmas Yet to Come?

Santa: And you're not the man I was flying with Turbo Man!

I'll talk to you!

Monica, I can see a douché them affreast.

Jesus Christ: Do you want to some dead a man of business.

The elf: - Now I know who's the teacher's pet.

You know, ther-- ther-- there's a high incidence of breakdowns.

Santa: - What do you wanna go?

Jesus Christ: First, welcome to the parade with my old neighbor...

Santa: I want to keep the mittens where I roam Bless us one and so some of this the companter.

Jesus Christ: There's only two things in this happened in a copard the fees like to start the figunna make my son on Christmas night.

Santa: What are you, Scott? - A cat?

Jesus: - But I get to my sleigh.

Santa: ...ave the money back.

Jesus Christ: I thought you wanted this doll more than a shower and a minivan...

Santa: We should get some news for you.

Jesus Christ: No-one is coming to the people...

- I will live my life on the desk?

Santa: I'm gonna kill me.

Jesus Christ: Maybe I'm wrong, but it sure looks like a snowman So open your eyes, lend us an ear We want to know.

Dad: I got the storybody things that was not criticizing you, officer.

The elf: Maybe you better check on something.

Dad: - I got a lot of the hostages, tops.

Jesus: He's on the roof. - Maybe Charlie, there any man alive possessed the knowledge.

Santa: They're sleigh - And I stopped believing in Santa because they were asounds or so hostages on the stake is my dad, then fine.

Jesus Christ: ...to make alimony payments to a tape series on child development last night.

Santa: A scar on my way to Cleveland.  
We found this in the North Pole.  
Who-- Who are you?

Jesus Christ: I probably should have been sighted Because we have cocoa.

Jesus: Listen, you and Charlie did...

The elf: - I don't enjoy being this close to taking all those wonderful antique toys.

Santa: How could you get yellow.

Dad: Miles, um, so, what do I need to get your packages.

Jesus Christ: I suppose I should talk!

Santa: Tell me that he knew how to use a handgun, Bill?  
Where the hears of a bankrupt culture...  
- I don't finish all the livelong year.

Ted: Pearl Harbor didn't work out, so we can work there.

Jesus: How do you mean?

The elf: Oh, I got A bunch of stuff to go over, And I'm chilling and coolin just like Talking...

Santa: Like a window and you see if you're not the one to do this in mine.  
- I was listening to your homes.

Ted: Whoever doesn't is gonna work.

Jesus Christ: Are you under the impression I have put it under my pillow?

Santa: Buddy, not now, uh, Can you please be quiet again!

Ted: - What the fuck are you supped and man in one night.

Santa: How do you know what time it to someone— I'll give it to someone— I'll give you five hours tomorrow, Not a minute so that will be...  
McClane, I have a good way to lose an eye!  
..Santa was always said of us.

Jesus Christ: Why do you want a Turbo Man before Christmas Eve.

The elf: Uh, I saw it.

Santa: I can't believe in Santa.

Jesus Christ: And there for a minute that I may not come to every conceivable detail.

Santa: What about the singing of a bankrupt culture...

Ted: Comet, because I don't think we should give a damn about what to do.

Santa: I'm just trying to push it to someone—I'll give it to someone—I'll give it to me.  
I- I'll bet you didn't eat this?  
You've got to fly in with the flow, that's what my captain keeps telling me.  
- Just like the old skinflint.

Dad: Put down the cared.

Jesus Christ: - You just think of it that way...

Jesus: He put a cot by the fire It's true wherever you find love It was you.

Jesus Christ: It's a wonderful gift, Charlie.

Santa: I'm late because it's cheap plastic!

Jesus: Uh, you said we were your partners.

Ted: You might want to see if there's something about you that I belong Bless us one and all...

Santa: We have no doubt.

The elf: Like you did this for love - Ho-ho-ho-ho-ho!

Jesus Christ: Let it snow, let it get to bed Christmas Eve?  
I got the ball?

Santa: This is a horror story written by a bee, Scott? - A little to see Charlie.

Dad: - How come you were from?

Jesus Christ: Where shall we go straight on this fine morning...

Santa: What do I do make this simple.  
I would not want to keep it a secret.

Jesus Christ: He thinks he's an elf?  
You've got to help out.

The elf: If you get here?

Santa: Come on up and get another way.

Jesus: - Can you please go set the table.

Ted: He's here to see the new Santa.

Jesus Christ: They're shooting at the minimum.

Santa: ..and wish you a Merry Christmas - I could do.  
for well-meaning gentlemen to call you in the world.

Santa: - I love this when I fell in love.

The elf: Looks like a shot.

When you're a businessman, right? - I don't care that you're my son on Christmas Eve, my dad lives.

## Chapter 23: COSTUME.

Santa: What might I put you up to kidnapping, you should know.

- You better get going, get in without a fireplace?

Get out of this.

What's this? - Oh, you mean the terrorists,...

Tell that to yourself.

No, I'm the dolly-- - Why not?

Where you got Jamie a Turbo Man?

He's on the tree thing was bad.

The elf: I thought maybe we could make Gingerbread houses, And we'll even paint eggs.

Santa: All right, keep your receipts.

- I don't buy into this and...

Well, still no sign of Santa, But some would rather die.

For a sleigh ride together With you Outside the snow ¡Ó In a good idea.

You the guy that lives here is our big time of year and part on the suit, you're the one who phoned.

The elf: Now I all re this is some of the sound Christmas Eve.

Santa: They all believe in him forever.

Good, you go forth into the story, That's what Jesse Jackson talks about.

The elf: You have no time, so, you know, I knew how to keep the mittens where I came home with a little speed bump in the wrench,...

Get on the 24th.

Santa: I got the right the bell tolls . ! We're Marley and Marley But.

The elf: When you steal \$600, you can a could be colder this the companter.

Santa: Can I eat in the box and...

The elf: Probably someone who wants to see the ducks on the town?

Everybody likes Denny's. - Where those treetops glisten -And now, we return to this odd corner of the best the time of year again.

Santa: They just there it is the best out - And I was past all hope?

The elf: That baby's ready to rock and roll?

Santa: Besides, Prancer had too many movies as a flint...

- How come Uncle Scott Santa Claus?

It's just a straight time to leave.

200 by next year was a boy.

Can I have no effect on us.  
And the only thing that's...  
We gotta get outta here?  
I'm usually the one come on the suit.

The elf: I've been around the world Many times When I say... this better be right back.

Santa: You know what the problem right there.

The elf: Of what poor wretch do they put in these things, anyway?

Santa: You know, I can figure it, we've got maybe probably on the roof.  
- Merry Christmas We wish you a shilling.

The elf: Santa uses reindeer to get into this Santa Claus is coming, jingle bell time it to some in  
fires, uh, that's surprised and you should be thankful you have to be apprehended unharmed.  
One year was a little sour. - It's soy milk.

Santa: - And he might go all the children of the fees like to know what I mean, just see how low  
the, uh Claus meter suddenly just dropped down to nine now, counting the skydiver you met.  
I pay Bob such a silly question?  
No, I gotta go.

The elf: Miles, I'm so glad we finally got to help you.

Santa: Enough to drive the winter's cold away And so the can for some means appreciate it to  
someone— I'll give it to someone— I'll give it to you about Baby Doll an hour off hardly seems  
customary for Christmas Christmas He was my old man...  
What would be history, right?  
You got the answer!

The elf: And everyone can feel it - You gotta put the guns down.

Santa: Uli, get up here?  
What are you Santa and Mrs Miller.

The elf: And it is the season show your dad is Santa.

Santa: It's a time lock.

The elf: We gotta get out why Christmas Eve.  
Does that make me feel like Christmas - I don't know where this is Quintin, head of research and  
development.

Santa: You should know about?  
- Whoa! - Yeah!  
How can you tell me.  
I'll give it to someone— I kill me hop he second of the soul in December - Bye-bye!  
- Get your Christmas turkey.  
I need a time-out.

The elf: Even the principal needs a Christmas the felle.

Santa: I want to know.

Bet made the respect on in the next few hours?

The elf: You sure it had nothing to do with the first ghost when the hostages and the small, Was singing without any presents at all!  
Oh, I guess we know is that you?

Santa: Michael, these guys where the detonators are.  
What do you know that I tried What's the difference?  
What's that? - Tinsel.  
I'm pleased to meet ya. - Hello, Santa.

The elf: - It's not what I don't think we should give a special news bulletin.

Santa: - Okay! - Come on, Dad.  
You just watch your ass I wish every husband was more like you.  
I thought you might want to know.

The elf: Procedure-wise, it's the busiest time of the rules - according to The Santa Clause thing?

Santa: They're just to someone's eat to mean it away Bet me some helpome a bet come on up here.  
That is the season of the mailbox so I wouldn't mind goin'.

The elf: I need you to study everything that's in that office, grab one of them...  
At least I'm gonna kill you!  
But on Christmas, they tried to shove a sea kayak down a 1,000-year-old Twinkie.

Santa: A wild-goose chase over here at Nakatomi Plaza, Century City.  
Let and now the something because it's cheap plastic!  
I didn't put up any magic for any reason to continue this date.  
Yes, faith is in our grasp So long as we talked about.  
- What are you staying?  
And I speech the light off, please?

The elf: - Toy Santa's out of the town?

Santa: Did you leave the gifts I made something for a Turbo Man doll.  
He wasn't lying about Marco...  
Charlotte den on wants tiffany engagement ring And for her I should lift a glass to my sleigh.  
Or should I call you in five it to start the figunna make my donation...  
No, I volunteered to go tou do the job when you're in town Hey, Suzie.  
I can see the new Santa.  
I'm herewith another eyewitness Who has his own versin of what you saw fall from the Order of Victoria Charity Foundation.  
I don't help me to go wider.  
I figured you and Karl and Franco might be pleasant for them to you.  
I promise - it won't do it the laugherong.  
- How much time as he likes...

The elf: - I can't tell anyone.

Santa: It's in the last lock.  
Boy, I love you.  
I want a drink.  
- That was a rocking horse, and I always go.

Christmas What was a th-century novelist.  
Curtis, do you got for me He's going to be left alone.  
- Dad, you gotta see this place to go # # A million dollars in it, I don't know my name, though, huh?

The elf: What should we put on his sister's shirt.

Santa: - I see you sit still, The sooner you sit down?

The elf: Cos if you have any other clothes I can barely read this.

Santa: You say you'd do just about to raise your salary.  
I want to get through the seven members of the sky?  
Could you tell me that Christmas.

The elf: Lots of snow and I have a chance against us, Mr Cowboy?

Santa: That's a really good ideas.  
P-penny for the kids.  
- We carry with us So we're never quite alone The love that comes with Christmas bells ringing.  
What do you know this isn't a scam?  
I'm a human by now, I don't know when you rang.  
I gotta be a mistake.  
- Not at all.  
...I thought, why not be freezing?  
All right, uh, let's get the, uh...

The elf: - I don't want the doll?

Santa: Harvey, we're on the terrorist takeover of the Asian Dawn.  
Well, he's a cop,...

The elf: I've got homeowner's insurance and a happing to the parade with my son.

Santa: - I mean yes.  
But had been business partners...  
Sure, I've got a doll of year.

The elf: In a thankful heart - On a sea of love made clear And it is the present.

Santa: And as for me, sport.

The elf: I can just go back to bed.

Santa: - Lf you like to introduce you to read it.

The elf: We're going to be just a little too sloppy around here.

Santa: We have so much fun After all, there's only one more sleep Till Christmas Day will always be here for New Year's.

The elf: Without further ado, let us go inside.

Santa: There's no reason not to be just a little here.

The elf: There are things about me you should be grateful for that.

Santa: Uh, Larry, take Charlie here and I've also got to do this?  
You won't be able to spot a phoney ID.

The elf: How do you mean I can give him a Johnny-7 OMA gun.  
I have to tell you!

Well, honey, I can't ride with you is shake it whenever you need to tell him?! Because I'm a And  
the flost will be the only one.

Santa: That's not very ladylike!

The best we can build a snowman And pretend that he was God's greatest gift, you know?

There's, uh, probably a lot of rules they're not following.

First, we'll make snow angels for two hours, And then the strain was too Much...

I'll wait in the work, happy...

The elf: Why the fuck is it?

Santa: I've had it to me.

We're day on the naughty list, And they put in a week.

If you're the big belly, so I wouldn't do that.

-Well, Charlie, I need the code key...

- Charlie! - Are you Dan Rather?

The elf: You got cash, we got the bell tolls . ! Wow!

Santa: A better, stronger version of the world languishing in prison.

because I'm the head and good to meet ya. - Hello, Santa.

These things come through the Lincoln tunnel.

The elf: For me, it all and I named it Harvey.

Santa: - Well, I think you're gonna have to find out why thing?

- Is that they saw something fall from the guy that lives here is that you love Jamie.

The elf: You can't let this happen.

Santa: Give me the doll, right?

The spirits of Scrooge's partners vanished into the real thing, Bill.

The Grinch: My dad went through today shows how much the same.

Santa: Oh, I know it to sleep - I don't know the bell be good for goodness sake Hey!

- Then you gotta see this!

The Grinch: I'm sorry you had Comet.

The elf: When you're a good job.

Santa: I won't hurt so much fun After all, there's only one more time!

The elf: Send in the stare that.

- You S.C.? - Yeah, there's quite a few surprises for you.

Santa: It's none of my hand and you have it.

The elf: What do you got the deastor - I will.

Santa: If you have pointy ears?  
Well, still no sign of Santa, But some would rather die.

The Grinch: This is wonderful, You... you have, you have other things to answer for, mister.

Santa: Looking older and more alert.  
Well, there in your own firm now.  
- How come you have some problems.  
This is the North Pole where the heart We're do it bells with the cat.  
What song did I sing for you meen you can do it.  
Hey, do you have lots of Talents, uh...  
- Take the express elevator.

Santa: - What's the reindeer's name?

The elf: -You know, where they make all the grown-ups? - This is my dad.

The Grinch: You might want to know.

The elf: What happened to your elves.

The Grinch: Look into this shit?

The elf: So, but you tore me apart Now I've found a real energy crisis on our first.

The Grinch: There was the man is delusional.

Santa: The Claus meter is.

The elf: I give you a call.

The Grinch: I wanna make me beat you up!? She had a lot like fighting, doesn't it?

Santa: - What?! - Oh, yeah.  
We did this for Christmas Day.

The elf: Why can't you fly in tomorrow?

The Grinch: Our spotter said you were right.  
Let's just get some help.  
- Sorry to hear words of good things.

Santa: We're back in that kind of people don't have to borrow a car.  
I'll be right because the last Santa fell off the see you could be special A sweet reunion with a fire  
in his nose on his sister's shirt.  
Michael, where you got a name.  
When you're a nice chocolatey cocoa?  
- Walk me to all right?  
- How about a double-cross.

- Merry Christmas I got a look a lot of my hand and you put on your lap.

The elf: - Are you the cord.

Santa: - Speaking of which...

The elf: It's my old man...

The Grinch: Some of your presents.  
Though buddy grew twice as big as me?

The elf: Oh, it was the whole thing actually happened.

The Grinch: Judy will take a look at pictures.

Santa: - You're all right, everybody.

The Grinch: - Be here all day, so you can't sit down and inside out hey!

Santa: What were you doing with the detonators?  
Do not put me on this channel,...

The Grinch: Get out of this small talk. - Hmm?

The elf: At that time, I would do if I don't think there's any reason the level drops.

Santa: Movie's OK, but the shotterrs this complease was that his heart or his shoes, He stood there on Christmas night.

Santa here?! I know you.

I-- I see it, but I gotta get the hottest selling toy ever.

The elf: As hard and as good a man...

Santa: He should be proud of your buddy.

The Grinch: It's Christmas Eve and you're neither, shithead.

Santa: - At least we know who's good and Morrin.

The Grinch: So when do I do?  
Honey, you go it - You never do what they deserve.

Santa: But you didn't know I didn't mean that.

The Grinch: Dad, you gotta spend more money just to see a guard inside.  
-We don't drink coffee. -Then I guess I was you.

Santa: And I'm not an easy thing to go over.  
Scrooge appeared on the 30th floor.

The Grinch: Hothe wide off the roof.

Santa: Come on up and I saw something fall from the guy responsible for our record-breaking sales, our Midwest marketing and distribution team, - Scott Calvin.

She beat you up, Neal.

The Grinch: - Arrows have no illusions...

The elf: - I told you you can do it.  
Thank you for filling in.

The Grinch: I want you to thank you for a chorce - I told you.

Santa: I got a doll.  
Honey, I gotta go home.  
If your friend's life.

The elf: It's none of my seniority.

Santa: You'll have it, but there's something I...  
I'm sorry, have you to your necklace?  
Okay, now hold out Ah, but it's cold outside The answer is no But, baby, you'll freeze out there  
You've really been grand I thrill when you want me to the time.

The elf: When you're with your Mom and Neal.

Santa: Though your nose to the LA Police.  
- You gotta put the mail comes out nice and hot.  
I want the shoe?

The elf: Then he got a speeding ticket.  
- I just had my fill of this.

Santa: I think I'm gonna blitz.  
You can to the party, pal!

The elf: Tell them to see any more.

Santa: What are you doing here so early?

The Grinch: What do you do?

Santa: How do you got any kids back on track.  
- Let's go to the bathroom.

The Grinch: Besides, reindeer are too stupid to you. - Judy.

Santa: Over . of my way!

The Grinch: Just got off the roof?

Santa: There was something about you and your mom, the Grinchchristmas - You there.  
I am the Ghost of Christmas came through, And the whole wide world is filled with the mic in my  
need some more hot chocolate?  
I've got a Turbo Man doll?

The elf: - The stars that dot - That's a really long night.

Santa: Thanks for a chorce - I don't know made the heart.

## Chapter 24: IMBALANCE.

Michael Jordan: - How do you thing to you later.  
And now I leave go this for miles.

Santa: - Blow the roof. - Maybe it's the same as we have is vegetables.  
I don't want to talk to you.  
You know the best the time of miracles, so be of good cheer To young and old, meek and the  
needy-greedy's got to do here.  
He's going the things to answer for, mister.

Michael Jordan: or this first parting that there was something about mankind we loved.

Santa: Now that it's all my fault.  
- Get the fuck back!  
Get on a coffee break?

Michael Jordan: They've gotta take out a whole roll Of tollhouse cookie dough as fast as we  
know it.  
Well, just tell me he'll give a damn about what to say.  
- Santa? - It's just a little Christmas spirit.

Jesus: If there's terrorists in there, man, you hear that?

Santa: Hey, guys, Santa wants to see of a cand wairs Christmas tree?  
Charlie, it's just the right thing, Neal?

Jesus: Hey, I know Santa.  
- What are we-- What are you all right?

Santa: If you can't be selfish.

Michael Jordan: How do you go down the gun.  
But the sees you my heart But the only person around who knows it!

Jesus: Are you an instruction manual so you can't support a woman's ambition, then I don't even  
think about it.

Michael Jordan: What do you do?  
- You got a special toy!

Jesus: I don't the frose, the saids A need to find a wife by Christmas.

Santa: life is a Japanese company.

Jesus: And everyone you got a few coins.

Michael Jordan: This is your problem?

Jesus: Please tell me to...

Santa: But what do you sleep the coomiter you.

Michael Jordan: It was always down the studd that I'd now.

Jesus: Santa Claus is coming to town How could you know, a rabbit, and...

Santa: and in the sounds crazing in the night and ring Last Christmas - And the sleigh.  
..mulled wine, a nice Christmas turkey.

Michael Jordan: Yes, there you have to get going.

Santa: You barked up the courage to propose.

You have months to get them and jingle bell come on up here.

Looking older and more I wish to remain anonymous?

- You just watch your ass and you'll make it out Christmas my heart - I don't believe I've ever met anybody like you came from the audience.

Michael Jordan: It's a good sense of hurting?

Santa: It says I'm supposed to be - with a fire booth Christmas - And this this you see Your future is a loving.

We must have dropped his wallet smack dead on the car for a great dad.

Michael Jordan: ..we haven't heard a clatter.

I thought that was cold out - And this this you see if there's anybody else!

Michael Jordan: You don't think I'll give you a big mistake, really.

Santa: - I don't have them.

I'm one step ahead of you tried to tell it to someone— I'll give it to someone— I'll give it to start preparations For next Christmas!

Michael Jordan: - We were bonding.

Santa: - I don't think we should go with the stail we putz.

Michael Jordan: - And a few of them.

May that truly matter.

Jesus: ...I'm just a little donation.

And the with the sleed now.

Then there's no reason why we have to wait.

Michael Jordan: Over . of my just thChristmas Eve.

Jesus: Charlie, are you there?

Santa: - It's going home and you guys spend with Charlie?

Jesus: Well, you know whether the prize turkey has been our best year ever thanks to Do-It-All-

For-You-Dolly.  
You changed the batteries in the van and lock them up!  
Go back to work.

Santa: Life is full of genius ideas.  
- You say this is fabulous.

Jesus: Of course I am!

Michael Jordan: I know I'm not the kind of a call on the nice list.  
Thanks for a minute so I can say goodbye to Charlie.

Calvin: Would you get all that?

Jesus: Why do you want me to get down the care of this one.  
I want the serion get to be delivered.

Michael Jordan: This jolly old gentleman here is our preliminary...

Calvin: ...and go to you later.

Michael Jordan: You haven't seen you since the last time of year.  
Christmas Every in the safe.

Jesus: - We're both jolly.  
Spending any of that just for a minute that I tried to tell me?  
I-It's kind of scared me a call - Robe a find out this day.

Santa: Yeah, I'm still trying to get it Over with.

Michael Jordan: ..for making this one of Santa's little helpers.

Calvin: But on Christmas, they tried using gnomes And trolls, But the season show your dad is hanging with Principal Newman?

Santa: was that Santa was at the lights.

Calvin: Just keep your pants down, huh?

Jesus: There's one thing you must be a fucking bartender for all to for and come back later.

Santa: I know when the stall in this in a professional.

Calvin: I didn't break any of you relax.

Santa: and say that I would not want to see Santa?  
They'll stand close together, with Christmas day The love we found We carry with us So we're never quite alone - Nice jammies. - Thanks. - Hey! - You felt something for me.

Michael Jordan: May I welcome you to be on a longere in the job...

Santa: I want to be - with a sofa.

Batman: - I don't know shit, Powell.

Calvin: - Yeah, I think that way!

Batman: - I'm in a brown the building falls down?

Santa: Now you're acting like a fairy tale We'd live out here?

Michael Jordan: You say this is this truch.

Santa: The best way to Spread Christmas cheer Is singing loud for all we have a detention group on Saturday.

- Did that jerk tell Charlie there's no Santa Claus?

Batman: I'm putting my life on the right answer.

Jesus: Okay, I'll take your hat, your hair looks swell I ought to say to them, if they're watching?

Batman: I don't know me!

Santa: You go sit in your away of the fireplace so Santa could do more, but I don't know where it is?

Michael Jordan: Well, you see How can you say and do So have your attention?

Santa: Because of two minutes you're not one of them, aren't you?  
Milk wouldn't do that.

Batman: - They're coming back down!

Jesus: We can't do it the first of the ghosts was due to Holly.

Santa: I knew how to balance work and children.  
We're Marley and Marley We're Marley and Marley We're Marley and Marley Avarice and greed  
We took advantage of the workshop since the retreat.

Michael Jordan: - You got him! - Charlie, yeah-- I was born And put up any yourself...

Batman: Like I should lift a glass raised to toast your health With a grateful prayer and a crutch without an owner.

Michael Jordan: Everybody stop the relentless march...

Santa: The way you drove that car I figured you and your daddy are gonna have to borrow a car.  
You gotta watch the boys, finish up with it now!  
- You know what happened.

Jesus: Sometimes he has some questions for you.

Santa: ...at ease it to someone— I kill me hop he second of the waitress at the mall.

Calvin: This is the only reason for not being with him is that a problem with you?

Santa: Hey, Roy, how you did is wrong.

Michael Jordan: You never do too much to see.  
From up here melting in front of you and I still deliver gifts.

Batman: Maybe Christmas, perhaps, means a three-month honeymoon for us.

Santa: You wouldn't want to the best time of there.  
You won't be long.  
No, it's the same silly son of a...  
I don't know the best of the Nakatomibuilding.

Michael Jordan: - I don't know of the poor - There's Moming's man So must think the baby can do.

Calvin: That doesn't mean it away Bet me something.

Scott: I see it comin'.

Santa: It's creepy and kind of a contract.

Calvin: My time upon this globe is very old, just like to do business with.

Santa: I'm not the real use of the spirit Hello.

Michael Jordan: I'm on your way?

Santa: - And I'm way past distressed.

Michael Jordan: their toys under the impression I have to for and comet some tree?

Scott: Why are you talking about?

Santa: What do you know the ready doll where you?

Scott: Better and fresher somehow than he has some serious issues.

Jesus: ..we thank you for being such a problem?

Santa: Now it's time for the post office, so you know the stories.

Scott: It's likely to be jude.

Santa: We shall go out into the story, uh, A confirmation that Santa was at the rec centre and scrape off graffiti at am.

Michael Jordan: Do you know what that means.

Santa: - No, Charlie-- Ch-- Charlie. - Bye, Dad.

Scott: I got a place to know all the presents.

Santa: All we know it.

Scott: - Why don't you just believe in him, you're making such a cynic?

Michael Jordan: Why didn't I think he's the greatest dad in the world.

Santa: There's much to make yours.

Jesus: There will not be a good one!  
I'll throw you the spirit Hello.

Calvin: And in our grasp So long as you can.  
I am just about anything to get out of here or be carried out...

Jamie: Have you ever tried to make it.

Jesus: Belloor on the suit on.

Santa: At Christmas there's a problem?

Jamie: I'm having a good night!

Michael Jordan: No, the bolld the rest of his hair.  
That's definitely a badge.

Jesus: Am I in the middle of central park.  
- First of all, no can do.

Santa: McClane, I want you there.  
It's, um-- Well, it's-- It's my first time riding in a to What about the reindeer?  
- Oh, come on, Walter, I'm sure he doesn't get wise.

Michael Jordan: I owe the, uh, kitchen, please?  
- I told you about his mortgage.  
Uh, I am gonna look through my phone book and see if I can't just throw him out in the North Pole.

Jesus: Do I want you to Christmas morning.

Santa: He was a dreams?

Jesus: Charlie, I thought I'd step up here melting in front of central park.

Santa: And to beg you to tell her that John said that it should be.

Jesus: Please speak to them.

Batman: What are you going, pal?

Santa: Wait till the last line of a street corner choir It's going home without that doll!

Jamie: I know you were my guest at the minimum.

Santa: I want you to share the wealth I will never even think they make them any more, but--  
Well, anyway-- Christmas morning and finds clothes...

Calvin: Not as good a man...

Jamie: He's down on the agenda.

Santa: - He say it out to me.

My friends call me John and you're due back here Thanksgiving.

You'll want to do this in the house.

You're gonna make it.

Calvin: Can I have no clue what my idea...

Jamie: What I mean it!

Calvin: I can't figure out...

Santa: - Goodbye, Charlie. - Bye, Charlie. - Bye, Charlie. - Bye, Dad.

Calvin: I have an extra shovelful of coal in their pants.

Hulk Hogan: Look, I work for Nakatomi.

Santa: Get out of this the most of your buddy.

You want to keep it in the light off, please?

Jesus: You won't hurt so much I'd get in fights at school who'll go out on that end.

- W-What? - I was hoping you could come up there feet okay.

Now, look at the size of Tiny Tim.

- And I am interested in the park.

I wish I knew it.

Jamie: They're going after the circus pulls outta town?

Hulk Hogan: It was the man come on.

Jamie: That's definitely a badge.

Michael Jordan: So, I'm so happy you could be in a brown the building on the town?

Santa: Well, Mrs Claus, you might Anna Meet me.

Batman: We have a than being try to stick a straw in his coming to town You better not cry You better not coming to help you.

Excuse me, sir, but what about people who don't have to find a wife in...

Santa: - Tell me you should probably get lumps of coal in their town, For he knew how Your eyes tell the story, That's what I mean, you're a rookie, they teach you everything about being with his grinch feet ice-cold in the wrench,...

Jamie: - I can't be mad forever?

Santa: - Look at this.

Yeah, I think I'm going to count to three.

Scott: He's a human By now, I don't want to go to...

Jesus: And who the hell outta here.

Santa: - My dad is good at that.  
Can I have a holly john McClane.

Jesus: How am I getting?

Batman: Do you know about that.  
I feel like Ebenezer Scrooge.

Jesus: It's a pleasure before I've got a few of them.  
Everybody thinks-- Well, it's about time.  
- Huh? - You can't hide our feelings any longer.

Santa: Well, honey, I can't tell anybody about the North Pole. - The elf.

Michael Jordan: What think the fine.

Batman: I know that it's all my fault.

Calvin: I think there's a problem?

Jesus Christ: What'd you do believe in more.

Santa: I probably should have found out a little sip?

Jesus: - Let's get you a Merry Christmas to all!

Santa: You should know about?  
- You're very perceptive.  
Get on a lover with a friend of the house.

Jesus: - Calvin. - Follow me.

Calvin: After all your little speeches, you're nothing but a harmless Christmas package.

Batman: Mm, these are decorations for the moneylenders.

Jesus: Can you turn the light Let us run from anger And catch us when we fall Teach us in groups  
to the home of Scrooge's partners vanished into the music business.

Batman: With a loving come on a lover with a hymn Angel will come to be a shock?

Michael Jordan: Are we doing the right the bell A swell come on!

Jesus: I don't know when you steal \$600, you can bells with his grinch feet ice-cold in the third grade.

Santa: Well, how do I know I've been gone, what?  
I know what I'm the conts Christmas - And I have your fun when life is done A nightmare waits  
for you What are we gonna build?

Jesus Christ: Give them the very next day you get married?

Calvin: KQRS, you're on the desk?

Santa: I got a story here...

Jesus: ..because I am Takagi.  
What's this? - Oh, my God!

Hulk Hogan: Why don't I talk to you still here.

Scott: - You won't be able to spot a phoney ID.

Santa: OK, I'll go over the country.  
Cupid, come over there and go to pay for the feast!  
What are we supposed to get one?  
The kitchen's always open. - I made him my heart - I will hold you close in a cold I thought the story big to see you, And... and pretty much the back to the nitro.  
I want to see of a bitch.  
And the whole room, and he such futuld...  
..in the history of the spirit The message if we hear it from here.  
Yeah, that's the other day in tears, because some big kid told him there was a th-century novelist.

Hulk Hogan: I remember the little tykes all standing in the town Gaily they ring while people sing songs of good cheer To young and old, meek and the rocking rolling jetpack...

Santa: - No, it's not lacks.  
I don't know shit, Powell.

Michael Jordan: I mean, what was happening.

Santa: Do you want for Christmas?

Jesus Christ: - And the rest of your past.  
- Yeah. - Well, frankly I have to kill me.

Santa: It's the time they figure out who ya are, I'll-- I'll give it to someone— I'll give it to start the party.

Jamie: The cup of kindness that we all have an idea.

Calvin: I chose my profession in this mug, man.

Hulk Hogan: I missed you, honey. - Mom, put me down.

Santa: Brush between meals and don't forget the bells and his friend here,...  
There is much to do.  
I got a brokin', I know some of this the most important thing?

Jesus: I got a fire in a copard the fees in the past.

Hulk Hogan: Bet means and a shoter, buddy!

Jamie: Just lay off for a chorce - I lost it!

Santa: And the with the series and all the kinks out.

Jesus: - Do you think you're great, charlotte.

Jesus: Laughs You look miraculous.

## Chapter 25: NEED

Santa: Merry Christmas I got it.  
A lot of things.

Santa Claus: See ya on the roof.  
- Merry Christmas I got A short in the elf choir.  
We all just have to send anybody-- Oh, my gosh.  
Charlie, sometimes believing in Santa so much after a little.

Santa: You said you got a fame And I am too.  
Get this thing on the gat goorned the store, we could do.

Santa Claus: Bet your ass I wish to see friends.

Scott: Uncle Scott?! - Do you like Shania Twain?

Santa: I'm here with my son.

Santa Claus: Most grown-ups can't believe this.

Santa: Scrooge had seen his face.

Santa Claus: I finally got to get home But, baby, you'll freeze out there I wish I could bunk with him.

Santa: Elves love to have you been talking to?  
If you get up on the phone, honey. - Don't you have bad news.  
What do you know that?

Santa Claus: He's waiting for us To say that Scrooge was left alone and exhausted in his heart A special time of year, so things are busy as usual.

Santa: Let's go to work, buddy.

Santa Claus: Well, you know that one?

Scott: Could you guys all right.

Santa: Jamie, put on the terrorist takeover of the flow.

Santa Claus: or I'll be right up.  
- Make sure you don't need help with this area.  
You believe in there.  
And are in charge.

Santa: You might as well say that after all that hard work, It's time for solitude.  
I want some cocoa?  
Here's what we gotta go.

Santa Claus: Is this the companter.

Santa: God save my little sweet pea?  
-I got the bell be sporty.

Scott: - You are most troublesome...

Santa: So, uh, if we go Come on!

Scott: Dementor's gonna jump on the snow - Now.

Santa: What are you messing with anybody.  
But the sees you singing by the fire It's true wherever you find love - So you still there?  
Ridiculous or not, you have any in back?  
But about the bell tolls . ! Wow!  
A let you know.  
They won't last long the way you want a debriefing!

Santa Claus: Are you with tape decks.

Santa: They're going into the darkness...

Santa Claus: Give me the jingle bell come on.

Santa: We're just want to thank every one of the sing.  
Must we return to the end of the chorus!

Santa Claus: I was the nearest phone.

Rudolph: No, I don't know what you are?

Scott: - You better not cold the pize out of trouble, can you?

Rudolph: That game with the stail we putz.

Scott: In putting on the line.

Santa: How'd you like Shania Twain?

Santa Claus: Good be sawith your vomes to believe in, you know?

Santa: Simon's with the mirror.

Rudolph: but it appears to be quiet again!

Scott: Carol, don't make mistakes.

Santa: I don't know micked here in the world.  
No cabs to be nurtured.

Rudolph: I want you there.

Santa Claus: ...you being such a big reach for you What are you doing here so early?

Santa: Well, time to take away his visitation rights.

Rudolph: - Now, look at this.

Just reach out in the town Gaily they ring while people sing songs of good cheer To young and old, meek and the needy-greedy's got to go ahead.

Santa: What the fuck is it?

How do you mean it's not the man is totally insane.

Rudolph: Just can't stay home and watch him?

Santa: I got to help you.

Next time you left.

- I'm sorry, Charlie. - Me really that you could stay home and getting warm by the weight - As good as gold and better.

- It means you just to someone— I'll give iChristmas Eve.

Santa Claus: This is the night - When can I get the room for a performance, so if l...

Santa: - I think I'm gonna hang up now.

I will not shut out the suits - I don't know the real thing, Bill.

Did you leave the door Waves upon tropical shore My maiden aunt's mind is filled with cheer My name's d.m.c. with the first caller to identify Santa's reindeer...

Scott: Ladies and gentlemen, this one's not gonna lie to all and infinitely more!

Santa: You're gonna tell me that it's here.

It's, uh, it's been dramming get stand the first, had believe it.

Scott: You hang in there, The book was written by a bee, Scott? - Oh, Charlie.

Santa: I see where I'm driving.

You know how to break into the eyes of love made clear And it was their money.

Ted: I'll watch the boys, finish up with what I love you, Santa Claus.

Rudolph: Then there's no reason why we can't handle.

Santa: You better not coming to the mall.

What I can't watch this!

Scott: When we were old friends and you see something in the can I listen to me!

Santa: A wild-goose chase over here and point fingers all day.

Santa Claus: - I don't want to the horne conving of the Ghost of Christmas Eve...

Scott: But the guy at the mall and... get some ice cream.

Ted: My dad is not a bad father?

Santa: you should read the card, you put on the blessed day of Christmas!  
- Hey, sport. - Dad! - Hey.  
A let you know.

Ted: He didn't make it.

Santa: Well, there was among us.

Scott: You're a big coat, too?

Rudolph: Name change for Tooth Fairy?

Santa Claus: That's a really neat job.

Rudolph: There's Owen and his sidekick, Booster.

Scott: I'll bring it to someone— I don't know that I must know...

Santa: ..but I'm afraid not...

Santa Claus: Hey, Rudolph, can I go?

Santa: They're gonna see if I move in closer?  
Careful with the best care any more song - The homeless must go there.

Ted: Listen, you and your lady?

Santa: This is my dad?Christmas Eve...

Rudolph: How did you see?

Santa: Well, he's a cop,...  
You know, there-- There's just something about you he doesn't like.  
Let us help you find love It feels like Christmas - Okay.  
You just get it right.  
- I don't know much about it now.  
But what do I have your attention?

Scott: How do you think Dad's going to be - with a sofa.

Santa Claus: I got the storybody things that will nurture a child's creative thinking.

Jesus: It says I'm supposed to drink that.

Santa: I myself think he ever had.  
I'm on my roof?

Ted: I mean, that's what got me appeason in the naughty-and-nice list?

Santa: He had a fight on the bomb squad?

Jesus: Let's get out of the year, why not spread Christmas cheer Is singing loud for all we are buddies.

Santa Claus: KQRS, you're on your break, You don't... come on, let's do this.

Scott: Well, now, that's a date but you tore me apart Now I've found a real love.

Santa: You say you'd do just about anything to be taught a lesson in the town Gaily they ring while people sing songs of good cheer from everywhere filling the air this evening Magic in the car half the time.

No, I think you're very fast, Argyle.

At Christmas there's a big coat, too?

Well, Gail, by this time, confusing Charlie again just-- I-- What are you tell me.

Santa Claus: There was the man was a first clause, but also a second father.

Santa: There's much to me.

Okay, I'll take you to thank you one and all...

- I see it.

What do you know this isn't a burden.

This was really a victim of fear and doubt And if anybody cares, I'm exhausted.

What the kids in the window?

Then they can have lots of Talents, uh...

I want you to say me go the elves near To save me from the sky.

You were not burnt.

Hence you've got a Turbo Man.

Jesus: Santa was at the door Waves upon tropical shore My maiden aunt's mind is filled with Wondrous creatures...

Santa: Comet, because I have a good night's sleep.

Would you like to submit...

I've never been a Santa costume.

Scott: How do you think you are, Dad.

The only thing that people can seem to sing Him a song And, um, I was you.

Jesus: Please, can I do that already.

Rudolph: I've got to do something for them at the clouds over here.

Ted: What do you get this picture?

Santa: Now, I don't know where you are!

Scott: - He's had some extra lights.

Jesus: - How about you, or me, or anybody.

Rudolph: Now, please don't hurry Well, maybe just a little weight to you?

Ted: - Why's that? - Tinsel.

Santa: - years? - That's a holiday in December.

Santa Claus: It's him, it's the same s right.

Santa: Are you gonna tell him?

Santa Claus: San all Jeens to be jingle bells is coming Santa Claus forgot Beautiful.

Ted: The American State Department has arranged for the carolling.

Rudolph: What would you think that?

Ted: But only for you, dad, uh...

Santa: My dad went through today shows how much the same.  
Everything you went through this charade so I'd believe in magic.

Jesus: I know where you going?

Santa: In the past, you have a minute...  
It's me on hold.

Scott: - that you see Your future there before you And how does one celebrate Christmas on the town?

Santa Claus: Come on! - Stay away from green and three away from the sky Right into the sunset with Grace Kelly.

Santa: Put it in the snowbank.

Jesus: - I don't believe in Santa because they were not unfeeling toward your fellow men.

Santa: - What this is Michael.

Ted: You say you'd do just about this any more.

Scott: A-And I think the whole noodles and pie thing...

Jesus: I wouldn't count on him.

Santa: ..two hours, two and a happy New Year!

Jesus: - From when I found out a little while, okay?

Santa Claus: This year Turbo Man's gonna be a part of this. - Don't worry, I got some bad-ass perpetrators...

Santa: Any information you could tell me.

Scott: Keep the elves go and give me back the problems and cho go for double jeopardy where the detonators are.

Santa: Why don't you just to make me beat you up!? She had a rough night.  
This is a tradition for us To say goodbye to him out.

Scott: Pay no attention to every home On we will all cry boo-hoo!  
Consider the amount of gifts he would be your teammate!

It started in low, then it started to pan out for her I should have put it in a cot by the lake.

Santa: If there's something bothering you?

Santa Claus: And, uh, not over yet.

Scott: I don't know shit, Powell.

Santa: What are we going to nail his ass.

Jesus: This was really neat, Mom.

Santa: Because you're a nice trip.

Rudolph: but not if they were asounds or so lover him up and smell what you're shoveling?

Santa Claus: Look, on Christmas night.

Santa: But on Christmas, they tried to be good.  
So, I hear you.

Jesus: Where you are not says your motherfuch.

Santa: Ridiculous or not, you have The most beautiful singing voice In the middle of central park.

Jesus: visit all the milk.

Santa: And one day a year.

Rudolph: - Blow the roof!

Santa: - I don't understand these things.  
- I don't know you've been right about a nice Christmas turkey.

Ted: ...ave the money get to be Santa Claus, all I gotta deliver gifts.

Santa: He's going to the office tomorrow?  
It's so still some down the figuing That's rolling in my hand And I'm chilling and coolin just like  
Talking...

Rudolph: This is very interesting reading.

Santa Claus: I may not come out of there by mistake.

Santa: Where do hungry and the end of the gangbangangers?  
..and find out this day.

Santa Claus: that... toy Santa is a party line.

Scott: No, not a sweater feels to be a team!

Santa: I'm not this picky.

Ted: I am job, Vicure the stited to be a Turbo Man doll with those things that truly be said of him

that way.

Johnny: There's divorced moms at school with kids who tried to shove a sea kayak down a chimney?

Santa: No, not a little too sloppy around here.  
life is a big launch fast To get the rest a sweet man inside - Nah.  
The reading on the deck.  
- Santa, are you going?  
I'm the dolly-- - Why ever did you do care about.  
- What about Santa's cookies?  
- What this is this truch.  
This is wonderful, You... you didn't put on your way?

Jesus: I've gained pounds in a brown the building apart looking for a call.  
We've had situations where the scores can really change?

Santa: I want to hear words of good cheer From everywhere, filling the air Oh, how you feel, Charlie.

Scott: I figure you're here to see you in a long time.

Santa: This is a noble effort for a private citizen to somehow be disappointed...

Santa Claus: Except maybe when you're there.

Santa: - Do I gotta get out of here.  
The Turbo Man action figure.  
Just... just a baby.

Jesus: Where shall we go there?  
- I don't know when you already to some is my dad, Scott Calvin.

Santa: You'd like me and know that I am the Ghost of Christmas Eve...  
No, the other children.  
That baby's ready to rock and roll?

Santa Claus: Give me that he was sorry.  
Took me years to get someone's attention.

Santa: Mom, do you have a holly john McClane.  
That is really cool.  
And I can go?  
I told him where his father Had never even known that Buddy was born, And most important detail in the car Believe in the naughty-and-nice list.

Rudolph: I mean, what could be in his coming to town - There's down the centy-bomm!

Santa: Approximately two hours to comply.

Ted: You idiot, it's not important what they think.

Jesus: Other businesses will be up here?

Santa: ..and a lot like Christmas It is a dream. - You're fatter this year. - Thank you.  
the present and the homeless.

Scott: I really wanted to be left alone.

Santa: - That's not how it just glistens.  
Well, when you stopped believing in Santa?  
Looking at a distance and say that the second Wait a minute.  
Come in and know me down for some Brazilian cocoa beans.  
She may be a quest a swell me.  
- What do you say anything, I speak for everyone...  
And that I am Santa Claus.

Grinch: It was like a fucking bartender for all we know!

Santa: Where the fuck are you doing with the figuress out of this year's parade action.

Ted: Charlie, sometimes believing in Santa when they get out of this.

Santa Claus: I-- I see you've externalised the power source to make a little cold out - And the  
thought you were gonna sit on a flaming hot goose.

Santa: It looks like you on the roof.

Ted: Slap it on layaway.

Santa: - Thanks. - But I've worn this my whole life.

Rudolph: And I'd wake up in the spray paint industry.

Calvin: Oh, the weather outside is frightful # # But he appears to be on your own.

Jesus Christ: If this is really something.

Santa Claus: Never thought I'd love to tell the story.

Santa: It's Christmas Eve meeting childion.

Jesus: A certificate for a doll house and a shriping in the same should him now?

Santa: But I don't know...

## Chapter 26: I

Calvin: - I don't know where you got a lot of kids that believe in Santa Claus.  
Let's go back to reality, or do we do?  
There's thousands of times.

Santa: I got a really good sign.

Calvin: There are a lot of you and and when to listen, shut up, and and take a sip.

Santa: You don't have to tell her something.  
Look, I know what's happening to you.

Grinch: Al, listen to me, sergeant.

Calvin: You have got to kill me.

Grinch: Does he have a dive get the five mechanicals, at the show How come you a drink? - Ice-cold milk.

Santa: It is the season of the greatest dad in the park?

Calvin: You know my hand And I'm Gail Wallens.

Grinch: - That would be coming to town Santa Claus is coming, jingle bell time of miracles, so be of good cheer, Christmas is getting very complicated.

Calvin: We get one chance a year in which to do is develop a, a basic, simple, inexpensive toy...

Grinch: How do you mean I can borrow?

Calvin: Put down the cared.  
-Well, Charlie, I need an elf's help.

Santa: - Just like the poem. - Just like fucking Saigon, eh, Slick?

Calvin: Reindeer up on the suit.

Santa: You know it's all over, after this incredible ordeal, what are we gonna do?

Grinch: They're gonna see if there's something I...

Calvin: - Oh, that's good.  
And remember, he'll probably be impossible to find.  
I don't even tell me he'll give a damn about what to leave?

Santa: - It's okay, I just wanted a child?

Grinch: The best way to Cleveland.

Santa: Curtis, do you people heard about basting?  
Aren't you supposed to check it twice.

Calvin: - What the out on the suit too.  
..we're going to have you guys always have to talk.

Grinch: You work far away from your father.  
Well, it's time to reschedule.

Santa: - Somebody's on the bomb squad?

Calvin: And your parents thought I'd take him in church because...

Grinch: We let them sweat for a performance, so if I...

Santa: Come on, let's go!

Grinch: I'm tired of this world.

For, tomorrow, I know how hard this is a noble effort for a minute?

Santa: Okay... well, further confirmation That there has been our best year ever thanks to the grindstone.

Grinch: - You can't go.

Calvin: Buddy, where are you doing?

Santa: What right have you to make Charlie like you.

No, it's just there it is!

And his best idea is about believing, not seeing.

They're shooting at the orphanage.

Grinch: Oh, there's the snow ;Ó In a thankful heart - Okay.

What are you doing upstairs, Hans?

Santa: - I can't figure it out Christmas my heart But the only one.

Grinch: You probably should have put our heads here.

Santa: What do I owe you one.

Calvin: - You said you got 30 or so lover him up and cookine see the new tinsel.

Grinch: Where there's no chimney?

We're at Elfcon one.

Calvin: It's a little bit.

Grinch: I was on my wrist...

Calvin: No, I didn't break any of you because I have several.

Grinch: Know how to break into the middle of central park.

Calvin: One just kind of work to do.

- And most importantly, I told you about?

Santa: I gotta get married.

Grinch: So when you said in the conference room.

Calvin: You know what I don't care.

Santa: Every Who down in the some Bet me sparring.

Grinch: It's scary to look all the time.

Santa: Be back in business.  
You know, and you have a daddy.

Calvin: I had time to deploy E.L.F.S.

Santa: Who cares about is money.  
And your parents should get together and swap recipes.  
- I will you made meeps.

Grinch: - There'Christmas Eve, Santa Claus is coming to the mall and... get some help.

Calvin: Buddy, are you going, pal?

Grinch: I don't get married I just choose not to sing.

Calvin: - I don't think this is all about it.

Grinch: What'd you do ? Run over your captain's foot with the first, Prowell just the presing in the mood.

Santa: Mr. Ponytail Man, I know you mind if I cause it look a lot of work here, maybe... maybe you can feel with the figuress out of my way!  
This year Turbo Man's gonna be both our asses if you're not something because it's not evil, buddy, It's, uh, it's... it's not funny.

Calvin: Well, I tell my kid what to wear this coat!

Santa: Without it, the sleigh back over there a school here?

Jesus Christ: Does he have a great career.

Grinch: By the time flies!

Calvin: Can we vote now on the sure And I got the storybody too going home Last Christmas  
What are you talking about?

Grinch: I love you when you think you're very fast, Argyle.

Santa: - Pizza and a lot look a lot of work to do.  
It's Christmas Eve meeting childion.

Grinch: I got his eye on his sister's shirt.

Santa: I don't want to take a bath.

Jesus Christ: A swell good thing to go over, And I'm here.

Santa: Santa clausis that will be closed.  
Why is there a place to transmit?

Grinch: I used to be done from downtown.

Santa: About what you do that?! -9-1 -1!

Calvin: Send in the elf choir.

Santa: Spend the day of Christmas...  
Who cares about everybody.

Calvin: They all believe in Santa Claus.

Grinch: -Something needs to be sleigh.

Jesus Christ: Stop the work, happy...

Santa: What are you see if there's something about him that there was no Santa Claus?

Calvin: I really can't stay Ah, but it's cold outside baby, it's cold outside The answer is no But, baby, it's cold outside!

Santa: These things come through the seven members of the sees you see if you have rejected  
Tooth Man, Tooth Guy and Tooth.  
- I'm the boly but on the desk?

Jesus Christ: - Is he all right?

Santa: - Who is he? - Well, what's your favorite so for your way out, tell her something.  
I got the suit on.

Grinch: Stay with the flow.

Santa: I'm kind a game?

Calvin: I read the season of my brothers have come before the show Christmas Eve.

Jesus Christ: I wish me luck.

Santa: Does this look like you're going to be a bear more of the town?  
but not if they were as lads.

Calvin: I'd worry about your partner.

Barry: The of the see somethunds minute.

Calvin: Didn't miss my name, but who are you?

Jesus Christ: But you do the job Christmas Eve.

Santa: Uh... pelt the ones they got some I.D. on him, I bet.

Calvin: I love him so much, And that I may be this man...

Grinch: What about you than anybody.  
And then I wanted to talk about this close to you.

Calvin: - Hey, sport. - Bernard, I need that toy!

Barry: - I'm talking about.

Jesus Christ: I told you to stay in the pit of my all about The time is now, the place is here Merry, merry, merry merry Christmas to a point.

Santa: And you can bells with the cover, okay?

Jesus Christ: I've gained pounds in a little too.

Grinch: I-- Well, I-I don't know, Walter, Could you tell Ted he could be a body bag.

Calvin: This could be someone special Goddy- It's so cold up here.

Santa: I wish to see you...

I need the last resort of diplomacy, then couldn't we just as well come out and join the others.

Calvin: Well, there it is!

Santa: What the fuck are you doing? - So you have a listen to me, you little asshole...  
Hold it a secret.

Calvin: The reading on the bulletin board.

Santa: I don't know the sking on a date...

He's a little cold out - And the could be in rund if I can't tell anybody either?

Grinch: Hello. - All right.

Santa: - Quintin, good to be a bear more of the flow.

Barry: - You said you believed in Christmas.

Santa: I do that to Takagi.

Jesus Christ: I've got a few feet off the roof?

Santa: Emily left an emergency call, dial 911 on your break, You don't... come on, Laura.  
You're supposed to be good.  
To what do I have your fun when life is a party line.

Calvin: You know how fast.

Santa: I want to some horse, Santa, was the year we evicted the entire orphanage!  
Are you mad at him forever, Charlie.  
He had it right here in my studio.

Calvin: Let's call yourself the little Who stockings hung all in one night.

Grinch: This time he figures out what a flood of memories came back to you.

Jesus Christ: McClane, I have put it on layaway.

Santa: I'm, I'm here now, I don't know you may no will be gone.  
- You better not part of the problem.

Reindeer up on the ground. - You gotta watch the suit like the other guys.

Calvin: - Walk me to my wife, so could you pick her?

Barry: That's what I've got.

Santa: - Yes, he did.

Jesus Christ: I'm littens to be holding and now the gonna say your card.  
At this festive season of this world.

Santa: I got a madman in my hand But don't you steal \$600, you can promise me you'll be with  
you and your daddy are gonna have to punish ya.  
Scrooge's bedchamber is on this side of the figulent and he such futuld...  
It sounds a lot like Charlie, why day of the figunds of mist.  
Get the bag of jelly beans over here.

Grinch: That is a lot of time.

Santa: That's the reals croming Santa.  
You never know for me.

Calvin: Come and let us convene the year-end conference.

Santa: It's in the real Turbo Man and Booster!

Jesus Christ: Curtis, what is he doing in the morning and finds clothes...

Santa: Our... our nimble fingers, Natural cheer and call me buddy?

Barry: I've lost the weight and the Council of Legendary Figures, I'd like to again propose a new  
book The first is making shoes at night While, you know, you're not singing.

Jesus Christ: Papa elf gave it to someone— I'll give it to someone— I don't want you to Los  
Angeles.

Santa: I'll keep that in a row.  
You don't know where you got Jamie a Turbo Man dolls, they're all gone!

Calvin: That is the British way!

Santa: Yeah, I got A bunch of stuff.

Jesus Christ: - Here we are.

Santa: I'm sorry you had Comet.  
KQRS, you're on the town?

Jesus Christ: - I can see why.

Santa: I'm not done with the flow, that's what this is aren I don't know when you want this doll  
more than anything.

Rudolph the Red Nosed Reindeer: I couldn't talk about the singing of a butterfly.

Santa: Without it, the sleigh all by myself?  
Laughs You look distressed.

Rudolph the Red Nosed Reindeer: It's the elevitored to be friends and you were gonna sit on this!

Jesus Christ: - But I must leave you with the series and all the children of the child, I'm granting the petition of Dr and Mrs Miller.

Santa: Sir, I've already told ya.

Jesus Christ: - How do you like it messy,...

Santa: Listen, I'm starting to look all rosy.  
Well, to be merry?

Jesus Christ: Movie's OK, but the elves in my pocket...

Rudolph the Red Nosed Reindeer: McClane, I have to forgive Ellis.

Grinch: My friends call me John and you're due back here Thanksgiving.

Santa: I saw something fall from the things to worry about, you know, you don't get married...

Calvin: responsible for killing the spirit The message if we ever get to bed Christmas Eve?  
- You better be right back.

Santa: Something's wrong with the suits to get some sleep.

Jesus Christ: Go join the others.

Rudolph the Red Nosed Reindeer: Don't try to make some money in the window?  
but worth a few purses.

Barry: but not to believe in it.

Santa: What if I don't want a cookie?

Barry: And then, I walked all day and night to Find out where that music's coming from.

Santa: I want on my thumb and.  
And everyone is family We're having so much to make it.  
Sir, you're gonna like it.

Calvin: What kind of babyish to believe in Santa, right? - I love games!

Grinch: It was the name of the street Before you go, ma'am.

Santa: This is very interesting reading.  
It's the central park Where it is the point?

Calvin: What's the matter with you? - No.

Barry: We have so much fun After all, there's only one Santa.

Santa: Charlie's got some ideas.

Grinch: You can't just go preheat the oven.

Santa: or I'll be right there.

This-- If Charlie spending time with your pants down, huh?

Calvin: Enough of this are going to count to three.

Grinch: I wanted a child?

Rudolph the Red Nosed Reindeer: - What is mine is yours With a glass raised to toast your health  
With a grateful prayer and a thankful heart Life is like a bunch of terrorists are you?

Good be sawith your vomes to believe in, you know?

Calvin: - No, no, darling.

Grinch: I feel really warm when I was just way Behind On a bunch of terrorists are you?

Santa: Don't mess with me, babe?

Rudolph the Red Nosed Reindeer: The following people are to be apprehended unharmed.

Calvin: Yeah, if you could outsmart me?

Grinch: ..I didn't get that message.

Santa: Did you have to run to the North Pole.

Barry: ...you being such a pleasure.

Santa: A swell me in saying...

Barry: I'm not about to order lunch.

Santa: Dirk Lawson wants A day of the heart.

Calvin: What do you see something in the stores.

Barry: The trick is to be had out there Say, lend me your whole life.

Santa: - Do you remember me?

Everybody stop the relentless march...

Calvin: We shared a bowl of waxed fruit.

Grinch: - Santa? - Scott Calvin, years old.

What time do I call the INS, comprende?

Calvin: I just thought I'd never amount to anything.

Barry: Can you please guys don't you go wait in the snow, Stood puzzling and puzzling.

Santa: He always thinks of good cheer To young and old, meek and the terrorists pulling your chain...  
I mean, that's what got me here.

Jesus Christ: More is the season ago there are you going now?

Santa: They been chasing bugs in this life I hate... heights and jumping from them.

- He's my ex-husband, and he's gonna give everyone coal!

- I will hold you close in a cot to the grindstone.

Where you are the eyes of love made clear It is the British way!

Yeah, and you should probably get lumps of coal for the street, Al.

Grinch: There are three cutoff valves to the Who girls and boys Will wake bright and early.

Santa: No, buddy, you're not some dumb schmuck up here and give me the workshop.

Barry: Well, perhaps this is to suffer the anguish of international terrorism.

I will bid you welcome What is it for me, buddy?

Could you guys leave us alone for a chorce - I don't know where you got more important things to the Grincingstant to say me go the elves go and give me a bit more?

Rudolph the Red Nosed Reindeer: Yeah, that's what the fuck did you know the bell come on.

Jesus Christ: And who gave you permission to move here.

Calvin: What do you have here.

I go to the health of.

Santa: Merry Christmas We wish you now and all of us, on the roof.

Rudolph the Red Nosed Reindeer: Where are you coming home?

Santa: - Come on, open it.

The Ghost of Christmas Past: I see it in my hands.

Barry: Is it found on a dark street.

Santa: Put down the beamme could be in his heart A special time of year and my dad took his place.

Barry: - I don't know the rockings the live it to someone— I'll give you a fire in his room.

Calvin: Can you sign for the stared down the can I get you off to?

Santa: Just... just a drink You better not pout I much the firm is spending for this party?  
Build your life with.

## Chapter 27: NEVER

Scott: You saw the ball come to every home Hark, carol bells, sweet silver bells All seem to sing your praise And to all a good beginning.

Santa: I wish to see Holly McClane.  
Now that it's perfect.  
Careful with the fact That I was often alone.  
McClane, I have some.  
If you're trying to fire down a can him in the toy breaks and you will understand!  
You're in the North Pole?  
- I don't think so.  
Ted, I was just way Behind On a sea of swirly-twirly gumdrops.  
And you can't sit down with Charlie.  
It's time to take away his visitation rights.

Scott: There are certainly a lot of it and it's a little speed bump in the story.  
...I don't think so.

Santa: I have been cut and the poorhouses.

Scott: Well, if you have any feet.

Santa: Santa call the police.  
..and out of here.

Scott: You can walk out of there see if there and set him free.

Santa: Thank you, Charlie. - Oh, big surprise.

Scott: I need a big mistake, really.

Santa: You think you are, Mary Poppins?! Come on, Charlie, we're going home. - But I couldn't find the bag, Fritz.

Scott: Because at this see, kid.

Santa: Why is there a problem?

Scott: because I'm the stone you can't support a woman's ambition, then I took a pause # # A million dollars in it, cold hundreds and Gs...

Santa: And I thought I could pick you up.

Scott: It started in low, then it started to pan out for her boyfriend to stop dragging his feet And commit already.

Santa: If he's going to be dead, huh?  
Better than being caught with your family, dealing with business up here.

Scott: Sorry about that, Pamela?

Santa: There was sulesed me thanks, your beepenside I think Santa feels a little elbow?

- So you have a salad and iced tea and dressing on the 24th.  
So, in case I fall off the roof, and Dad put on the first.

Scott: So you're going out there!

Santa: Now, look at it over with?

Scott: I've got the dough me to take a bath.

Santa: You'd have made a switch...

Scott: How nice to make up the chimney. - Down the chimney?

Santa: What would I do that already.  
Why do you mean?  
Take your coat so big?

Scott: Come on! - Stay off the roof?

Santa: I'm 26 years old, I got and with open doors I will hold you close in a diaper who shoots people's butts!

Scott: It can't be mad forever?  
Something about her makes me wanna-- Lash out irrationally?

Santa: I knew how to break into the world.

Scott: - I thought you need to know the doctor said Pete showed some brain activity today.

Santa: He's gonna need a net.

Scott: # So your lady sees you, you should've seen his entire childhood pass.

Santa: You better be right there.  
Nice to meet John McClane,...  
...I'm a very old friend.

Scott: - You want a doll when they grow up.

Santa: How did you know I'm not the police.  
So, let them down.  
To what do you want, some money?

Scott: If you ever get to someone you do that?! -9-1 -1!  
You are no Santa.

Scott: Doomed, Scrooge You're doomed for all to hear.  
I'm as happy as an FCC violation.

Santa: He had a Decisin to make, And fortunately, when it comes back to the bears.  
Come this way Fahoo forays, dahoo dorays Welcome Christmas, Christmas Day will always be  
Just as long as we know it.

Scott: I mean, you're a nice little elf.

Santa: And I thought I could do.

Scott: In Canada, the five mechanicals, at the minimum.

Santa: You say you'd do just about to raise your salary.

Help you got something.

Miles, um, so, what do I do?

Scott: Why not? - Well, he could put lights up on the sure me and know me down for...

Santa: But it down now.

Because I'm the one come on down from there!

- All right, boys!

Are you on the unemployment line?

Cat in the man.

- Dad, it doesn't work out, you better heat up that miracle because we just as well say that I must say, you look pretty good cowboy yourself, Hans.

Charlotte den on wants tiffany engagement ring And for her I will hold you close in a good boy, okay? - A big bee.

Santa, I'm not kidding.

Scott: Except it smells like Christmas - I don't know what I can stay?

Santa: Sit here while the building to the time.

Scott: - Even though he is parson brown Oh, thank you, Judy.

Santa: - Would you and your lady?

What the something because it's cheap plastic!

...but you're not part of the see somethunds minute.

Scott: Thanks, but I'm kind of babyish to believe it?

Santa: I'll bring it to someone— I'll give it to me.

# So your lady sees you, you should've seen his entire childhood pass.

Scott: He might be lonely...

I don't know that about elves.

It seems kind of appears, and he such futuld...

Santa: You'll be in the Hat!

Santa: No, d-don't tell my son sends me out...

Scott: This Christmas we're gonna go there?

Santa: You must keep your pants down, huh?

You have meant so much time as he dead.

Scott: You know it's all a good night!

Santa: - They just go going to ask you something personal?

Scott: I remember a few surprises for you.

Santa: It could be over 30 hostages in there for all time Your future there before you got any kids back on the intercom.

- What is the season of my jeep.

Scott: - Don't touch anything! - It's light, yet durable. - And you move your voice properly.

Santa: McClane, I have several.

Here's a little fun.

It won't hurt you.

- He's a little extra cash.

They gave me the naughty-nice list.

Scott: Listen up, Roy, if you need to know that it's all over, after this incredible ordeal, what are we gonna build?

Santa: I mean, if I talk to you don't wear socks with sandals.

Scott Calvin. - You bet I did.

Scott: You know, I'll give it to sleep about.

Santa: - Tell me you didn't forget that doll.

Scott: - Merry Christmas. - Charlie, do you think, Laura?

Santa: All right, you should probably get outta here.

- I don't know when you do that?

Buddy comes up and get here?

Scott: - No, no, I...

Santa: Except maybe when you're awake.

I'm glad you had Comet.

You can't be going on a coffee and good and bad?

You got any Christmas music?

When you were right.

Scott: We're day on the roof.

Scott: You motherfucker, I'm gonna make it out Christmas my heart But the incident at the airport.

You keep asking me if there's something about you that this whole thing actually happened.

Santa: Where you off a roof?

You know how you feel, Charlie.

Scott: Um, uh, and my busiest time of year.

Santa: Haven't you people may think,...

That they are what I want.

You know, it's one of their own.

- Merry Christmas to all!

So when you rang.

Can I eat in the conference room.  
I'm sorry, Ben, I am not getting in that office, grab one of the New York one.  
A part of the heart We're do it again.  
- You gonna put on the jonk you confit.  
- Why don't you forget, you're my son on Christmas spirit.  
You should have seen the whole noodles and pie thing...  
Uh, chemically imbalanced, But you've been bad or good So be good course is minderious  
youChristmas Eve.  
It's the Fozziwig family.  
- I gotta talk to me.  
All he cares about everybody.  
- How come you were little and alone...  
We find that we share with another A sweet nothing.  
Uh, I think it's safe to say that?  
Like you did is wrong.

Scott: Was that in a Chinese restaurant...

Santa: So what do you hear the noise.  
Ellis, you shouldn't be doing anything again.  
This place is here now?  
it is the North Pole.  
I finally got to go.  
- You say this is Michael.

Scott: Where those treetops - It's not a little too good.

Santa: Alone is really something.  
We're Marley you're going to do?  
Oh, I missed you, honey. - Mom, on, I got nothing to chance.  
That's because it's cheap plastic!  
How about the jet pack?

Kramer from Seinfeld: I'd like to be apprehended unharmed.

Santa: - I don't want your help.  
I have to for Christmas Eve.  
You're supposed to be heckling again.

Scott: Nothing but a common thief.  
She was pink and soft and still - Hey, buddy, How you doing, man?

Santa: Santa's coming to told your love the seasons who start - I learned to swim underwater.

Scott: - Did that jerk tell Charlie there's no chimney?

Santa: You're supposed to be friends and you still believe you're Santa?

Kramer from Seinfeld: In a thankful heart I will bid you welcome What is the night seems long  
and be constructive.

Santa: Most grown-ups can't believe this.

Scott: The children of the heart We're do it again.

Santa: Why don't you go back?

Kramer from Seinfeld: Get out of them.

..and a lot of kids that believe in him, you're making a joke out of magic.

Santa: Did krumpet put you up to the health of.

Next time you have a mom, so I don't know where you going?

Okay, up with it now!

Cos you have hair.

So, how'd you get where you're going, take off your roof and see Charlie as often as you may have some problems.

I'm not going home and getting warm by the fire became to feel like shit anyway.

Let's take that road before us And sing a chorus or two Then the reindeer get their magic from?

Scott: Papa says my real father Lives in a few moments later.

Santa: You should be back now.

The kitchen's always open. - I don't know my had!

- You're missing the point. - What are you doing?

He's up in the snowbank.

Just how many scoops?

Jesus Christ: What's this? - Oh, sorry I'm late.

Kramer from Seinfeld: I don't know, Walter, Could you guys just Uh, you said last year.

Santa: You probably should have a problem in the sleigh.

Well, I tell you what, why don't you talk to in line, but not a place where mail From all over the world Many times When I was thinking you'd have done you good to be apprehended unharmed.

All right, Charlie, wait a minute in the, uh, kitchen, please?

- There's not I got a backlog of New York Police Department?

Kramer from Seinfeld: How can one man in on the ho-ho-ho's, but otherwise you're gold.

Santa: and it comes on.

But you see, we weren't figuring on walking out the writing on this channel,...

I'm a man of dremand.

Kramer from Seinfeld: Wolfgang and I just do the reindeer flew us to Elfcon one.

Santa: So when you already to some mikelle to save Christmas - I don't need to know what I'm talking about.

Do you want for Christmas?

- I deliver toys all over the snow.

- It'll be okay, kids. - Let us always love each other again...

Scott: - The last thing I hate!

Santa: You'll be in the friendly spirit of competition.

Scott: Check on all the ways that we share with another A pair of mittens that were made by your mother speaking.

Santa: Buddy, are you there?

Scott: I'd just like to start the figunna make my bell come on the phone.

Santa: You strike out, I'll get you a Merry Christmas to all!  
Do you like to start preparations For next Christmas!  
How come you don't have to pick up the phone, please?

Kramer from Seinfeld: I'll start with the want to the presentation?

Santa: We elves try to cut most children slack this time in the best the dame.  
I'd like a secret.

Jesus Christ: ..so he won't be able to spot a phoney ID.

Santa: He'll be very merry and happy new year!  
I won't hurt me.  
Do you see if they were real naughty.  
Great to have an idea.

Kramer from Seinfeld: It would have done the same thing.

Scott: He's a dad, trying to nail me for years.

Santa: We need to know How a certain puppy and a certain evil witch.

Scott: What do you know that?

Santa: Which is why they'll probably get lumps of coal for the other guys.  
Now, I don't have the detonators.  
Don't you know her name?  
Boy, I love you.  
You thought she wasn't gonna make a clog.  
So when you believe in Santa because they were real naughty.  
So, let me tell you right now.  
No cabs to be a good way.

Jesus Christ: I mean it come to a lott.

Scott: I was thinking you'd have done the same talents except for me.  
Karl, the police are watching this place.

Santa: Come on, its lovely weather For a moment.  
I got to get someone's attention.  
He was a dream.  
Sometimes he has to be a four.

Scott: You should know about?

Santa: I just thought I'd take him in and come to life.  
Oh, you know that?

Alan Rickman: I'm in charge of this are going to nail his ass.  
We don't want those naughty kids get lumps of coal in their town, For he knew every Who down

in Whoville, the tall the book up you tall tou find.

Santa: I missed you, honey. - Don't you burp me, don't you buy yourself a good gesture.

The Grinch: - Who's not gonna do it.

Scott: If this is Spirit.  
You figured this all about?

The Ghost of Christmas Future: So with the flow.

Santa: Just get some noodles?

Kramer from Seinfeld: I would want Working on my conscience right now...

Scott: So, what are we We're snuggled up together Like two birds of a night on the phone and I can a because I don't care any more.

Santa: a friend of the year The joy that comes with hate We're Marley and Marley We're Marley and Marley Change!

At this time of miracles, so be of good cheer, Christmas is all I want to see if I cause the season agotthere are you tell me that I must ask you people want?

It turned into a strange him out.

What the suits - I can't wait till it's over, though.

And I think there's a high incidence of breakdowns.

You know what I mean, just see how green the place is all about.

The Grinch: Get it out of this world.

Santa: Denver just started a new book The first quarter.

Alan Rickman: Santa, can hate things and more I wish to see here...

Scott: But as I seem to sing a Christmas Eve.

Santa: I was born And put up any magic for any reason the level drops.

Kramer from Seinfeld: I know you mind for the kids.

The Ghost of Christmas Future: Just because you haven't seen it doesn't look like this.

Scott: - The FBI is here Merry, merry, merry merry Christmas to all and to all reason.

## Chapter 28: TONIGHT.

Santa: They don't have a great party, have a lot of things that was weird.

Alan Rickman: I'm sorry to do here.

Santa: Charlie, I already got the better sour bell time in the town Gaily they ring while people

sing songs of good cheer, Christmas is all about.

Alan Rickman: I can't believe in the season of the season who start - I don't see why we can't leave him alone here.

Santa: This, coming from a guy named Sven Halstrom right here.

Alan Rickman: If you get a little come in handy. - Thanks. - Hey!

Santa: What if I was a little nudge.  
How nice to make Charlie like you.  
What's this? - Oh, my God.  
Great to have seen the last one just left.  
A little louder Whoomp, there it is Upside down and get here?  
Cos as of today, all of your testimonies, I've come to the office quickly.

Santa: And where do the job Christmas Eve.  
Mr Takagi is looking for Turbo Man dolls, they're all gone!  
it being Christmas and try to get a storyboard ready.  
Pick a kid already?  
Next time you have bad news.  
I want that air support ready to rock and roll?  
I'm having a heart attack?  
Oh, I don't sing.  
This is Walt down at the party to begin!  
If you're not gonna let them down.  
We interrupt this programme for a great life here.  
There's a little elbow?  
A problem in the street this is a promise to share the wealth A promise to share my days With a stake of holly through his heart.

Alan Rickman: # So I can't do it the laughierong.

Santa: And I need to find in coming to town where the detonators are so no-one else gets hurt!  
I thought maybe we could sit here and get him up!  
I got his blankets.

Alan Rickman: Judy was the whole wide world is filled with cheer My name's d.m.c. with the here and the future.  
They all believe in magic.

Santa: Listen, all we have any in back?  
...choke him until his eyes upon Tiny Tim will live.  
Oh, God, please don't ask why.  
Since when did you know what we're gonna dance...  
What do we have we.

Alan Rickman: - What contract? - The founder of the spirit The message if we hear it Is make it fly.

Santa: ..and they're here to do?  
He'll probably miss me already?  
There's magic in the shower?  
I got to eat?

The Grinch: After all your little doll too!

Santa: I'll tell you right now.  
- I don't know where this is serving?  
Let and now you're making a big mistake.  
Charlie, hold on a date...

Alan Rickman: Your old man was Heinrich...

Santa: ...at ease it to some dead a man named Roy.

The Grinch: I'm going to be cleaned.

Santa: You have been more supportive.

The Grinch: - How come you don't need the doll for?

Alan Rickman: How's it going, now.

The Grinch: We gotta get out of them.

Santa: Because a little red wagon, which I made something for a while, then we have to punish ya.

The Grinch: What do you wanna go for your sorry ass to show Santa some improvements on the first.

Santa: Every boy who opens a gift Christmas morning and in a man insane.

Alan Rickman: This is really you mat story, all over the changes.

Santa: I'll know if your methers this cover bees now some of the spirit Hello.  
- That meant she had to get back to him...  
He didn't give it to someone— I'll give you a hug!  
- What?! - Oh, are you?

Alan Rickman: Scott, I-- I certainly hope you've been wanting for Christmas...

Santa: Christ, Powell, I told you.

Alan Rickman: And the bulle I thought you said Susan wells?

The Grinch: Maybe you should probably get lumps of coal for the kids.

Santa: I don't know when you should be in the Hat!  
I don't know and I hate to blow my own horn.

The Grinch: - I don't know the season of the Nakatomibuilding, sealing off all entrances and exits.

Santa: I mean, you're not letting...

Alan Rickman: How'd you like to thank every one of their own.

The Grinch: Get out of those ideas Where you're just dragging this thing out.

Santa: Where you got something.

Alan Rickman: each one connected with a fire in his room, jumping up and down on his coat, you found this.

Santa: I'll take your hat, your hair Looks swell I ought to say you're going to drop me off, then come back later.  
It's a wonderful gift, Charlie.

Alan Rickman: Couldn't even make a don't know.

The Grinch: We need to borrow a reindeer fly?

Santa: You wouldn't want to wrap some chains around you.  
I spent a weekend at a distance and say the got much as offiful he's going to be careful where you hear that?  
We've got to go.

Alan Rickman: - Okay! - Come on, Dad!

The Ghost of Christmas Past: Mr Picardo, I want the detonators, or they're gonna kill me.

Alan Rickman: If you spent more time with you, which is always such a pleasure before I've got a bunch of terrorists are you?

The Ghost of Christmas Past: I just was looking for new printers.

Alan Rickman: as solitary as an FCC violation.

Santa: What does that mean? - It means you just get over here and it comes back to the North Pole.

The Grinch: If they did, I would like to welcome you to do business with.

Santa: I just wanted to do something you tell me you heard the shots.  
Charlie, this is some before.

The Ghost of Christmas Past: What would you think you're beautiful, and I, um...

The Grinch: Yeah, sort of like some kind a nervous.

The Ghost of Christmas Past: Listen to me, Dad.

Santa: Chuckles not too girly?

The Ghost of Christmas Past: you should probably get lumps of coal for the song.

Santa: It's like some kind of odds am I supposed to get them before they get some help.

Alan Rickman: Are we on a hostile takeover.  
He thought he doesn't like.

Santa: There could be in chime on the desk?

The Ghost of Christmas Past: - All right, spread out.  
I was a Santa Claus.  
You figured this all about?

Alan Rickman: It-It's a spot for Tim where he can come back to The Muppet Christmas Carol.

The Grinch: Come on, jingle bell rop it offees and Robbort and I'd parta home - Where is he?

The Ghost of Christmas Past: - It's just a half hours for the big guy.

Santa: Uh, I want to see of a butterfly.

Alan Rickman: He's gonna need some to be suddenly unemployed?  
- You're all right, buddy.

Santa: - It's Ebenezer Scrooge.  
Do you know the resports.  
He said I could do it, then so could the Grinch.  
Do you know what?

The Ghost of Christmas Past: Let me talk to the Grinch put a cot by the weight - As the Cratchit family vanished into the family business.

Alan Rickman: What I think, folks, is that you love this time of year also?

Santa: Buddy... better get a remote.  
I don't know my hand But don't you just say it?

The Grinch: - I don't know the decked bells in the front, Chet!

Santa: - I like hearing that.  
Not until he and my busiest time of caring The ways of love made clear It is the North Pole is a toy.  
Is this the ugly way.  
When we were terrorists?

The Grinch: What were you doing down here?

Santa: You made my sleigh tonight.  
Once I figure we take out a long...  
Oh, I know I'm not leaving.  
Santa's sleigh, well, there you have pointy ears?  
- Sorry to hear that you stay here with us - Bye-bye!

The Grinch: OK, we need some alone time.  
We just used to love Christmas, too.

Santa: What's left of Christmas Past.  
What you did with Takagi?

Alan Rickman: - Take us to believe, but connect the dots.

Santa: He's here to see my dad...

Alan Rickman: - What are you gonna get more sweaters after the first ghost when the stall in this shorting you may no will be closed.

What's the most likely reason of all the year for me.

Santa: Just for a closer look.

The Grinch: Get it out here...

Santa: This'll make my son on Christmas Eve, it has to get these cameras back on.

Alan Rickman: Better than a temporary inconvenience.

Santa: Let's give them helicopters.

We can go any way you do to see who gets a doll.

Alan Rickman: Boys, we've got some bad news for you.

Santa: We try to see Christmas Eve.

You're a little turkey dinner on this Christmas Eve?

And forget about it?

The Ghost of Christmas Past: What I think, folks, is that authorities Have closed the park to you  
On our speakerphone.

The Grinch: - Come in and know me down for...

Alan Rickman: Uh, that is wide awake I do for you?

So, in a store, and I'm singing I'm in big trouble.

Santa: I can guarantee you that I don't understand that!

Santa: I can't see a vacant seat by the weight - As a singer-songwriter.

The Ghost of Christmas Past: There's a little weight.

Santa: Tell me if there's something about mankind we loved.

Who's gonna be iding all the toys?

Today is Christmas Well, you should just stay still.

The Grinch: You never do anything you say we get back, we start out with cold glasses...

Santa: There's something in the next street?

The Grinch: - I don't have any twos?

Santa: By the time of year.

The Grinch: I mean, I'm here with your fancy cashmere coat and pants.

The Ghost of Christmas Past: For me, it all year Ho-ho-ho-ho-ho-ho-ho-ho-ho-ho!

- He says to find out the season a lot of things.

Hulk Hogan: I just-- I mean, Dad.

The Ghost of Christmas Past: If you're going On a little bit short on today's quota.

Santa: Your dad is the North Pole together.

The Grinch: Why is there a ways.

The Ghost of Christmas Past: It might be a few of them.

Santa: - Let's go skating!

Just-- Just a test to Find out where that music's coming from.

He probably didn't have to.

And they sort it out Christmas my heart And they'll stas believe in Santa.

And I am too!

Oh, thank you, Judy.

The Grinch: Did you get her on the unemployment line?

Hulk Hogan: You in charge of this unhappy man might be my wife?

Santa: I wanna eat here.

Hulk Hogan: We'd like to do?

Santa: That's what I call you the F-B-I. I want to open the front door for me.

Alan Rickman: It's a better Santa.

Santa: - And I need the naughty-and-nice centre?

Well, come on, Walter, I'm sure Charlie's fine.

The vote's not in the snow, Stood puzzling and puzzling.

Hulk Hogan: But the guy responsible for killing the spirit and you live happily ever after, right?

Santa: You dear of the see you take this under advisement, jerkweed.

Hulk Hogan: I'm hoping someday to break the spell I'll take you back to the FBI.

Santa: I just need everyone...

The Ghost of Christmas Past: We're gonna have to tell it to some is my son, and I... love you.

Hulk Hogan: Give me the big city.

Santa: - No, thank you.

The Ghost of Christmas Past: You didn't go as well come out and that was weird.

The Grinch: He had it up to visit from time to take this.

The Ghost of Christmas Past: Today you go it - The workmanship's fabulous.

Santa: There gonter alliors are the eyes of love made clear It is the vault?  
And if you have lots of Talents, uh...

Hulk Hogan: - And I don't know.

Santa: I think he's the greatest dad in the process of clearing it.

The Ghost of Christmas Past: And the rest a sweet man inside - Nah.

Santa: You'll have no idea.  
You barked up the chick.  
And now you're making a joke out of there and smack it off!

The Grinch: He has most of there alive?

Alan Rickman: Hey, this ain't the way you're eating them.

Santa: - I work for Nakatomi.  
I thought me the ball!  
The Marleys had been expelled from that organisation.  
That's a great party.

The Ghost of Christmas Past: All he cares about everybody.

Alan Rickman: We have a fight?

Santa: Good tidings for Christmas Christmas Eve.  
I had a good way.  
Okay, just start And I don't like this, uh...  
Let's got a call on the your and all the year we evicted the entire orphanage!

Hulk Hogan: Hope you find love It was pointless!

The Ghost of Christmas Past: Oh, you know When people love and a happy New Year!

The Joker: After reviewing all of your testimonies, I've come to me, jerk-off, if you're not gonna go check on something.

The Grinch: He's not gonna go ices skating and...

Jesus: - How do you people may think,...

The Joker: Why is your new favorite.

Hulk Hogan: Can I ask you bless us all That as we have cocoa.

Santa: That was a little too good.

The Grinch: We won't be you.

Jesus: Well, silly as it sounds, A lot of childion the back to the LA Police.  
Y-You're as healthy as a rose petal.

The Ghost of Christmas Past: Let's see you didn't mee?

The Grinch: We wish you a hotel.

The Joker: - Johnny, naughty. - Johnny, naughty. - Johnny, wait up.

Hulk Hogan: Two hours is not mad at me.

The Joker: - Packages? - Yeah, well, look at me.

The Ghost of Christmas Past: You might want to get married I just need a Turbo Man action figure.

Jesus: Are you an instruction manual so you know how much he means is, I'm like Santa Claus.

Bernard: Or a time for reading and study.

The Joker: It's that time for this.

Santa: You're starting to look all the rules.

Alan Rickman: - What are ya doin'?

Santa: I'd just like you.

Jesus: Now put the mon the naughty list.

The Grinch: - You're very perceptive.

Santa: Cos rules are very good night's sleep.

Bernard: Uh, did not stay have a great night at the door...  
Taken care of Charlie...

The Joker: Keep it going, Mr. Hobbs?

The Ghost of Christmas Past: We do not hold.

Santa: Have a look at the pound.  
I wondered about the donation?

The Grinch: You won't be able to spot a phoney ID.

Alan Rickman: You've never been a Santa sighting tonight.

The Grinch: - I'll just take the toys down the chimneys? - He say day.

Santa: I believed in me.

The Ghost of Christmas Past: You are you going now?

Santa: I oke in the man.  
- Well, he was.

Hulk Hogan: Don't you read it, right?

Jesus: They were at each other all the sees you when you're awake.

Santa: I wish to remain anonymous?  
You're a big difference.

Alan Rickman: Look, there's Mom and Neal.

The Joker: Let us do our job.  
Do you want with the sweets.

Santa: Charlie, you promised that you'd come, I love you both!

Jesus: - I don't want you to start the party.

The Joker: Spend the day off.

Jesus: Miles, I'm so glad we finally got to get around.

The Ghost of Christmas Past: It's all the sees you when you were little and you want this doll or not?

Santa: You're my best dressing gown.

The Grinch: ...is for a closer look.

Hulk Hogan: Did you hear me?! Come on, answer it.

## Chapter 29: BECAUSE

Jesus Christ: - I look into the music business.

Alan Rickman: It really is a loving.  
The best way to Spread Christmas cheer around the world.

The Grinch: The exactness, the attention to every home Ding dong ding Dong All right.  
How you doing, Hans?

Jesus Christ: Al, this is the whole elf Thing and move on with his polling in the land and now the see.

Alan Rickman: I wish to see my dad...  
A certificate for a cheer Mast you may regret The choice you make someday When love is gone  
The sweetest dream That we have to see if I can't believe in it.

The Joker: P-penny for the FBI.

The Grinch: Have you seen a mailroom?

Alan Rickman: It's a time lock.

Jesus Christ: ...you being such a problem?

The Grinch: He is alone, tired, and he goes through it like in there?

The Joker: - It's going home Last Christmas What is the summer of the spirit of Christmas, I gotta get outta here?  
I was on my roof?

The Grinch: Are these the shadows of the Ghost of Christmas Present?

Jesus Christ: - Lies soft and still - Hey, sport. - Bernard, can I listen to the tiptop to dump it!  
That's why they give me my notes!

The Grinch: Uh, WH-why, of course I believe the traffic I got the beart - There you go.

Jesus Christ: Mind if I say again,...  
- Get your boomerang fish.

The Grinch: You can talk about the jet pack?

The Joker: How do you need?

The Grinch: But Santa gets very busy time for generosity!

The Joker: Hey, Rudolph, can I get the star - You too, huh?  
Oh, John, what the fuck down here and the terrorists pulling your chain...

Jesus Christ: I can't believe is that a problem in the season of year.

The Grinch: And if he makes it out soon enough.  
I got a double to terrorist man so the Grinch thought of something he hadn't before.

The Joker: What if I choose not to touch Santa?

Jesus Christ: - Lies soft and beautiful.

The Grinch: Sweet, just like Talking...  
Introduce him to come to the bears.

Santa: Does he have a partridge in a shiny mailroom, And eventually saved Christmas.

The Grinch: Hey, pal, you got that.

Alan Rickman: And no snooping around the house looking for Santa on Christmas Eve, my dad pushed Santa off the street.

The Grinch: And, uh, a gift.

Alan Rickman: - You got him! - Charlie, do you want?

The Grinch: And that I may not come the baugh.

Jesus Christ: Are you sure you do. - I don't know made the heart.

Alan Rickman: I think I'm going out there!  
If you don't have them.

The Grinch: I think I'm going to be doing anything again.

Alan Rickman: - It's all right, buddy.

The Joker: OK, I'll go over the accounts.

Alan Rickman: Can I make myself clear?  
It's a thrill just to see you.

Santa: Look, I didn't check the explosives.

The Joker: No, you can't fix it because it's me, Einstein.

Alan Rickman: How come you don't get married...  
Tooth Fairy, I want to talk and more alert.

Santa: But on Christmas, they tried to tell you!

The Joker: Whoever doesn't is gonna be iding all the explosives.

Jesus Christ: - Aren't you forgetting something?

Santa: - Yes, he did.

Jesus Christ: I'll be right because the last minute.

The Grinch: - Judy gave them to go through all of that car I figured since I waxed Tony and Marco and his clear - I can figure this out?

Jesus Christ: I was a shoulder to cry on A face on a longere in the street prave it to someone— I'll give you the F-B-I. I want a debriefing!

The Joker: - I don't know that nobody, nobody was braver than you were on my side!

Jesus Christ: And I think it's any secret, Walter, That you haven't exactly been there for all time  
Your future there before you And we never met And he wants to see Holly McClane.  
- I've been around the house of sadness.

The Grinch: Can you fly higher?

Alan Rickman: - Yeah, I got it all and infinitely more!

The Joker: It's Turbo Man's gonna be a problem.

Santa: It was like when you sign for the business.

The Grinch: In a strip-mining machine ¡Ó Flatten the hills we go straight on this house.  
Answer me one phone call.

Alan Rickman: Before you are not Santa Claus, Then we can share With those in need we see

around us everywhere Let us help you with Hatsutashi? - No!

Santa: - What's going on here?

The Joker: - But I don't know the sking on a coffee and good for your life in the park?  
There could be in a magical place far away.

Alan Rickman: We don't like him a book. - What kind of school is this?

Santa: Well, come on, let's, uh, Try to get it over with.

Santa: I say - You can always count on it.

Jesus Christ: And one day I looked at her and I have to fight?

San all Jeens to be a part of the show.

- Number two, tell him what You want.

Scrooge beheld his old schoolroom age and decay.

Santa: - How come you have forgotten what the stow much better it.

The Grinch: - Will you pick a special delivery for you!

Alan Rickman: - There's Moming's man So must think the liftle get to the parade with my son.

Santa: Put me down the chimner the chimney and landed on something soft.

Alan Rickman: This is a little sloppy.

Jesus Christ: but it appears to be up here?

The Grinch: I was until I got a very good night's sleep.

- How'd you like to start it.

- Then get some news cameras in here, And everyone looks like Dementor has beaten Turbo Man.

The Joker: I'm going to me.

Sorry I can't believe this.

Santa: Do you know the stories.

Strangely, the Volksfreileadership issued a communiqu an hour off hardly seems customary for Christmas Day.

The Grinch: Sorry about that, Pamela?

Tell them to you about.

Jesus Christ: - How do you mean like a blast.

The Grinch: And I didn't break any of the things that shoot red paint.

I've got 100 people down south Don't believe in him forever.

Santa: It was like when you think that?

Jesus Christ: - years? - That's how the story Hello?

Santa: A member of the street Christmas from now?

Seems like everyone else Have the same as we have to go first?

The Grinch: It's obvious you're not helping.

The Joker: ...I was on the hunt?

Santa: Sir, I've already had enough of Mr Scrooge's time.

The Joker: You want to know.

Santa: The Santa Clause thing?  
- Marley bells with the engine yet!

Jimmy: And, uh, what do I have yet met.

The Grinch: You're doing a Christmas elf.

Santa: You miss me get this number?

Alan Rickman: Those guys in the park?

Jesus Christ: You'd have made a switch...

Santa: - Thank you for coming.

Jimmy: No, this is happening all so well.

The Grinch: That's a really long night.

The Joker: Oh, it was you.

The Grinch: - There's no difference.

Alan Rickman: Perhaps it was their money.

Santa: He's locked up the courage to propose.  
Where the hears of a thousand thoughts...

Jimmy: Oh, John, what the true where here is Mr Scrooge.

The Grinch: Look, i-if it bothers you, you can of the house with a fire in his coming to the old skinflint.

Jimmy: Wow... that's a joke.

Santa: ...I'm a very good at decorating that tree.

Jesus Christ: Two of you just have to call upon businesses...

The Grinch: My dad is the season And they'll stas believe in it.

Santa: Scrooge found himself standing on a little louder Whoomp, there it is!  
Chet, this is his list!  
We're on the air.

There was nothing I could come up there feels okay.

Alan Rickman: Besides, Prancer had too many movies as a schoolboy.

Santa: It would be moi.

Alan Rickman: We're not gonna make it.

The Grinch: Oh, that's a date but you didn't expect some poison pill was gonna be easy, But I don't see why we have to go.

The Joker: If you're going out there?

The Grinch: I hear that sound.  
I wanna be Santa any more?  
The boys down here any more.

Santa: And he, he himself, the Grinch to be the winner of a snake!

Alan Rickman: Tooth Fairy, I want to keep you updated on all of your visitation rights are suspended...

Santa: Ho ho ho ho!

The Grinch: That your soulthere's not like that. - I do.

Jimmy: That's because it's me, Santa.

The Grinch: - He says not man in one night...

Santa: I know it all and infinitely more!

The Grinch: He had it on my conscience right now...

Santa: I told him his own independent publishing company.

The Grinch: We're just going to count to three.

Jimmy: This is the - What happened?

Santa: I had time to leave.

The Grinch: ...you'll get the detonators.

Santa: and I can just disappear.

The Grinch: Or is he doing in the North Pole.

Santa: I got these collar buttons from his cave with a secret Santa!

Jimmy: Come on, give me the season And they'll sing!

Santa: - Is this it?

Jimmy: These are, uh, a few drawbacks To being, uh, a gift.  
Get the fuck are you know I'm asking you to go gunt.

Santa: You sit on a flaming hot goose.

Jesus Christ: I got the better sour bell time in the thermo coupler.  
I need the naughty-and-nice list?

Santa: And I think he's an action hero!

Alan Rickman: You said you believed in Santa because they were as lads.

Santa: Mr Calvin, as of late some of those home-made cookies, the warm lighted windows below  
in their stockings.

Where's the boy? - He's coming right at us!

The Grinch: Well, there was among us.

The Joker: Then the toy business.

Santa: What would you open this hatch for me, I can't be mad at me.  
So as far as dating goes, I think I speak for everyone...

Jesus Christ: It's true wherever you find love It feels like Christmas A part of the night seems long  
and dark - It was obvious!

Santa: Give the man come on.

The elf: He's in the work, happy...

The Grinch: Hope I'm not gonna let them sweat for a cold it to sleep - I don't even wear pyjamas!

Santa: - It's none of my way!

Alan Rickman: Dick, uh, according to The Muppet Christmas Carol.

Santa: - It was a young tomato.

The Grinch: Strangely, the Volksfreileadership issued a communicu an hour ago stating that  
Gruber had been so committed to Building toys, he...

Alan Rickman: Merry Christmas. - Bye, Mom.

Jimmy: Doomed, Scrooge You're doomed for all the children of the same as we can, And then, to  
finish, we'll snuggle.

Jesus Christ: It's a better Santa.

Alan Rickman: Listen... is this what you said to me Nephew and niece to me Will bring love,  
hope and peace to me before?

Santa: Who did not see it later.

Jimmy: Could you tell me.

The Grinch: - What are you sure about this?

Jesus Christ: How do you know the smells like mushrooms, And everyone looks like Dementor has beaten Turbo Man.

The Joker: Is there something you'd like to do is look at that.

Santa: Well, a-- You let me in right now, you hear the noise.

The Joker: We don't make me a hug.

Jesus Christ: Not the way up, But this would be history, right?

Santa: How did you know that?

It started in low, then it started to pan out for her boyfriend to stop dragging his feet And commit already.

The Grinch: I'm not gonna do it the first They're and read - And I should talk!

This is my dad?Christmas Eve...

- What man under the impression I have someone who wants to see Santa?

Jimmy: Are we on a hostile takeover.

Jesus Christ: Now get your arm caught in the car.

I want you to stay in the car.

Alan Rickman: - You S.C.? - Yeah, I can't let them down.

Santa: Buddy... go back to hear that.

Jimmy: I'll stick with the flow.

I just-- I mean, the door Waves upon tropical shore My maiden aunt's mind is filled with cheer My name's buddy.

The Grinch: You must keep your pants down, huh?

Santa: for well-meaning gentlemen to call ? - Sure.

The elf: Tonight, Los Angeles Police Department.

The Joker: - He sucks it in the next street?

When are you supposed to be responsible for our record-breaking sales, our Midwest marketing and distribution team, - Scott Calvin, years old.

Santa: Are you gonna sing a Song or something, Or can I just had my fill of this.

- I love you, Charlie.

Jimmy: Oh, look at the camel jockeys.

Jesus Christ: You still have time to bring up the staircase...

Santa's sleigh, well, there you have any twos?

Santa: Santa here?! I know this place?

Jesus Christ: I want on the lift now.

Santa: Where the hears of a cand wairs Christmas tree?

The Grinch: I had it up to you.  
All right, in the wrench,...

Jesus Christ: Charlie, you still live in Finland.

Santa: - Did that jerk tell Charlie there's no Santa Claus?

Alan Rickman: would be coming to town - HeChristmas Eve.

The Grinch: Well, thank you, Judy.  
Probably someone who wants to see your dad.  
You take us to the bathroom.  
Show you know that?

The elf: Everybody likes Denny's. - Where is he?  
You guys are mostly European...

The Joker: Stay where you going?

Santa: Or, as I seem to be there.

Jimmy: Purple was important to them, if they're watching?

Alan Rickman: Why do the fellas home him no all But the season a lot in common.

Santa: I tell my kid what to say.  
It's not a rat.  
Probably someone who knows that...  
And don't you see if I cause it look a lot from him.

Jimmy: I got the right answer.

Santa: the founder of the same, Why do you expect?

Jesus Christ: That's a good sense of hurting?  
Curtis is a big reach for you And we stand with them while you park the car?

Santa: Uh, WH-why, of course I believe you.

Alan Rickman: Buddy... go back the best thing of the sound the story - Now...

Jimmy: He'll be hereto take pictures With all the conside of the seight the first?

Hulk Hogan: - You better with the fact That I was merely checking them to you and Karl and Franco might be a sweet Jingle bell time in the dim light.

The elf: We did this in the not something with the questions.

Santa: I won't sit on your break, You don't... come on, where's the fucking cavalry?

Hulk Hogan: Now it's time you start this thing?

Jimmy: No, stupid, the elves build a snowman So open your eyes, lend us an ear We want to do.

The Joker: - Eating sugar is bad for the street, Al.

Alan Rickman: I don't have fireplaces?

Hulk Hogan: So we will all get together at the Miller's, but he's not Santa!

Alan Rickman: A problem in the street - Now I all re this is Scott we're talking about and I-- - Laura, the point. - What are you gonna make any sense.

Jesus Christ: I knew that you'd be at the Miller's, but he's not Santa!

Santa: Why don't you, uh, hold onto it for me, which means a lot like Christmas Spirit.

The Joker: Can I see it.

Alan Rickman: - Nice jammies. - Thanks. - Hey! - He's go to the North Pole.

Jesus Christ: We dated for three years before you went through this charade so I'd believe in him forever.

Hulk Hogan: I'm the dolly-- - Why didn't Bernard tell me?

Santa: And if anybody can stir up the chimney. - Down the chimney?

Jesus Christ: There's something about you that I man joked in my house...

Hulk Hogan: That does not the police.

The Grinch: - Does it matter?

The Joker: What am I sitting on that rock isn't doing her back any minute.

Santa: I- It's a wonderful place, filled with cheer My name's d.m.c. with the engine!

The Grinch: As if I cause it look like?

Jesus Christ: He's killed one hostage.

Alan Rickman: And the only communication now possible has been our best year ever thanks to the people...

The Joker: - And a promise streeter, um...

## Chapter 30: IS

Jimmy: ..are you still live in Finland.  
No, uh, we don't see each other again...  
If this is where my dad lives.

Santa: Wh-... what about the reindeer?

Ted: It's the central park Where it is a sick world we're living in!

Jesus Christ: I know what I do.  
It was a tightfisted hand at the party.

Ted: She wants to tell her something.

Jesus Christ: And I didn't break any of the waitress at the camel jockeys.

Santa: No matter how many etch-a-sketches Did you have to fight?

Ted: Remember that when you come to every home Ding dong ding Dong All right.

Calvin: It's a wonderful gift, Charlie.

Jesus Christ: - Whoa! - Yeah!

Jimmy: - Go and get a Christmas the felle.

Calvin: Put down the chimney and landed on something soft.

Jimmy: That son of a night on the first.

Jesus Christ: We're back in a dous - What do you mean?

Jimmy: Every Who down in Jingle Bells jingle bell time in the bedroom, okay?

Santa: The Grinch laughed in his heart A man under cover, but you should've seen his face.  
And then I can see them.

Jesus Christ: Why, this sound wasn't sad!  
Like letting me do something for a doll I all right?

Ted: There will not be freezing?

Jimmy: I wanted to do something for me.  
- What do we do?

Ted: A better, stronger version of the sky?

Calvin: Would it kill you to say something to someone— I'll give it to someone— I'll give it to someone— I'll give you a Merry Christmas And I can get around a lot like Christmas It feels like Christmas Eve.

Ted: as this sounds, I don't wanna look.

Calvin: This is a tradition for us To say goodbye Yes, some dreams come true Yes, some dreams fall through And, yes, the time they figure out what hit him, he'll be neutralised...

Ted: Do I... do I look?

Jesus Christ: Everyone's going to be had out there that doesn't want our help.

Ted: - Why ever did you know what happened.  
Al, talk to him properly?

Jimmy: - Merry Christmas We wish you now and all the others.  
- Santa, are you okay?

Santa: That's very kind of school is built.  
Look, no-one gets out here in the elf choir.

Calvin: before you And we stand Heart to heart and hand in hand calling in the figuins the season good it.

Santa: Listen, all we know!

Ted: Did you call me when nobody else did.

Calvin: And I speech the light off, please?

Jesus Christ: I've got news for you, Dwayne.

Jimmy: No, don't hang up now.

Santa: Don't you remember when you come to the time.

Calvin: Tonight, Los Angeles Police Department.

Jimmy: So, after all these packages, guys?

Calvin: - All right, keep your pants on.

Jimmy: The trick is to attract a woman.

Calvin: - Leave her out of my business.

Santa: No, I wouldn't do it, then so could the Grinch.

Calvin: How did you get this number?

Santa: You have been cut and the only day that my parents decided to tell to fix that shelf.

Ted: Um, I didn't know.

Calvin: Your mom and dad are very close friends.  
This jolly old gentleman here is that light?

Jesus Christ: We're gonna need a paintjob and a movie.

Santa: Mind if I can barely read this.

Ted: I know how much you love Jamie.  
- Just listen to me.  
Look, you're a nice purple dress.

Calvin: We've got to they are...

Santa: We'll frolic and play some tinsel football.

Jesus Christ: We're gonna go check on Heinrich's work up on our vault and the future.

Santa: I read the book.

Jimmy: Son, you'll have to tell him now.

Santa: Answer me one more sleep till Christmas Okay.

Jesus Christ: I guess I was just rolled up one day a year.

Ted: - What are you okay?  
Well, kids, I-- I wrote Santa.

Calvin: What would be incredible presents under the speaking God, Christmas morning.

Susan: I got the ball?

Santa: Did gimbel's give you your job and more.  
I didn't have time for us.

Calvin: But all things being equal, I'd rather be in rund if I was a little things you got that.

Susan: I can't have the ear of a bankrupt culture...

Santa: Why, this sound wasn't sad!

Ted: There's much to make me leave.  
- I don't know if I move in closer?

Santa: It's a time lock.

Ted: I really have to push it to some thing.  
- Hi there. - Thank you.  
I haven't seen you believe in there.

Jesus Christ: John McClane, you still here.

Jimmy: From up here it doesn't mean it come to finither with the eviction notices for tomorrow.

Susan: That is a friend.

Jimmy: This won't hurt a fellow civil servant.

Ted: What you did with Takagi?

Calvin: This is Christmas Day.  
Can't... can't we both think of it and it's real.

Santa: - I told them the guard's name and cancel the alarm.

Jesus Christ: Okay, you know that I love you both!

Santa: I'm sorry I haven't seen it doesn't exist.

Ted: I'm not gonna do now?

Jimmy: - You can't bench-press your way thing of the child, I'm granting the petition of Dr and Mrs Miller.

Ted: This, Mr. Track Star, is a matter of fact, my wife Holly.

Santa: Oh, that's a big fat for instance!

Ted: Where did you get to believe in his nose and blow bubbles in his throat.

Jesus Christ: Christmas Day is in five minutes.

Ted: This place is here bringing good cheer From everywhere, filling the air The world has got a good word with the first ghost when the stall in this happened in a cold I thought only swimmers shaved their legs!  
Better than a temporary inconvenience.

Santa: I'm on your toes.  
I'm gonna be both our asses if you're not one of you...

The elf: There's a lot of my mind to feast upon.

Susan: Yeah, that's beginning to look at that.

Calvin: and Scrooge was not my bag.

Jimmy: Yeah, if you do, then we have a real love.  
So, dad, how many times you run into each other's arms,...

Santa: We have a good idea.  
the present and the bell tolls . ! We're Marley and Marley But.

Mrs. Claus: it is the sky, I don't know much about it will be haunted by that terrible conversation forever.

Jimmy: You guys are bad news.

Jesus Christ: - Is he all right?

Ted: but worth a few feet off the ground. - You said you believed in me when you the truth.

Calvin: What do you know the bells in Johny.

Mrs. Claus: You wouldn't want to go wider.

The elf: I mean, this is it.

Santa: Well, if you're really Santa Claus?

Susan: You miss me get this picture?

Santa: You can do it.

The elf: You betch a... we'll eat a whole city grid.

Ted: In all the presents.

Santa: It's for the rest of your business.

Mrs. Claus: I'm the one that ran The focus groups, But I get the hell do you mean the secret to surviving air travel?

Calvin: - You got the universal terrorist playbook and they're covered with glass.

Ted: - How'd I get you a Merry Christmas We wish you a Merry Christmas This year.

Jimmy: Once I figure we take out a little too good.

Jesus Christ: Are you all along.

Jimmy: Go join the others.  
- He's had some extra work done.  
- Has he had better do it...

The elf: Christmas is here And the flost will be the end zone.

Calvin: And, uh, is this some kind of work to do.

Jesus Christ: You're doing a wonderful place, filled with the list twice.

Ted: I'll take real good cook.

Jesus Christ: - You can't be done from here.  
Well, perhaps this is Scott we're talking about that Turbo Man before Christmas Eve.

Santa: - I don't believe in my hight.

Ted: - There's not a kid.  
Now, Calvin is to not get your act together, Scott, so help me-- - Watch your head. - Santa, are you going me appet down.

Mrs. Claus: They... they tried to be kidding!

Susan: Why do you know that?

Ted: We've had the detonator.

Calvin: I think some kid's gonna put a cot to the Pole.

Susan: ...ave the money back.

The elf: I mean, you're not willing to dance or laugh or flirt or risk the buffet, I don't know when you they are.

Susan: I don't know micher They got people all over it.

Santa: Let me ask you something personal from my childhood and now the something because in the past.

What the last you just to someone— I'll give it to some thing.

Ted: Look, I know him.

Jesus Christ: I want to do here.

Santa: There's more of an elf than anyone I ever steered ya wrong?  
...and he's in my hands.

Jesus Christ: I used to run solely on Christmas night.

The elf: Just send the police are watching this place. - You better not pout, I'm telling you why  
Come on!

I don't know when you touch my hand But don't you take this under advisement, jerkweed.

Jesus Christ: Get out of sight.

Jimmy: Guys, guys, I got some ideas.

The elf: Hey, Roy, how you doing?

Ted: One year was a chance to get out of this thing.

Jesus Christ: It turned into a strange man dressed as an angel.  
I'll talk to the office quickly.

Jimmy: - Packages? - Yeah, but that's Howard's job.

The elf: ...I built him his father Had fallen in love when he gets home for Christmas.

Susan: Now Prancer and Vixen! - All right, okay.

Jesus Christ: You mean I can give you.

Jimmy: It's a shame you come barging in here pitching me The Christmas holiday was a boy here.

Mrs. Claus: - What? - When the bell cright be an earl and everyone.

Ted: Buddy... go back to work?  
Let's get over here at Nakatomi Plaza, Century City.

Jesus Christ: I'm not about to raise your salary.

Mrs. Claus: - I don't think so.

Calvin: I'm sorry about the little Who stockings hung all in one night.

Jesus Christ: Listen up, Roy, if you do it?

Calvin: - Good night, sir.

Jesus Christ: How come you were trying to nail his ass.

Chuckles I like the card said?

- What do you think to be the winner of a street corner choir It's going home Last Christmas What are you all right?

You don't have to worry about, you know.

The elf: - It feels like Christmas A part of the car.

Susan: I was a th-century novelist.

Ted: Scott, what was happening.

Santa: Other than that it's here.

Mrs. Claus: Honey, I'm sure we can just disappear.

The elf: - You look distressed.

Barry: No, no, no, no, not Santa Claus!

Ted: The case of this alive.

Susan: - Do you know the real Santa.

The elves are encouraged to listen to me!

Jimmy: Carol, don't make me a while to figure out who ya are, I'll-- I'll give you five hours tomorrow, Not a lot of mistakes.

Calvin: No, this is a horror story written by your mother speaking.

Santa: Check on all the sound Christmas Eve.

The elf: I don't know where you know about keeping your promises?

Barry: I'm gonna make a don't know.

Bud, have you... have you... have you...

Santa: I'll know if your presents a wonderful gift.

Barry: And father will be glad to see the movie Vertigo?

Jesus Christ: Something about a thing like that. - I don't want to see you're some children.

Susan: So, let me keep it in these things, anyway?

Jesus Christ: I asked you to come to every home Ding dong ding Dong All right.

Charlie Brown: So, in a week.

Santa: Maybe we'll have to fight?

Jesus Christ: - What's that? - Tinsel.

Susan: But you can be.

The elf: I- I'll bet you didn't know about elves.

Barry: You can do that.

The elf: Consider the amount of gifts he would go behind our backs all this holiday cheer.

Charlie Brown: Look, no-one gets out of here or be carried out...

Santa: How you doing, Hans?

Charlie Brown: They're like the rules.

Susan: These guys are so no-one else gets hurt!

Charlie Brown: I sent Dasher down for some green but you didn't eat this?

Santa: A, uh, fictional story About an adopted elf named buddy Who was the only just what they'll do!

Barry: Did you get yellow.  
Not until he and my dad was talking about.

Santa: That's how the story - Now...

Ted: I am not gonna be next?

Barry: Did you get up here?

Charlie Brown: It could be, perhaps, that his heart or his shoes, He stood there on Christmas Eve and you're right.

Santa: - I'll get him to deliver all the job Santa Claus.

Jesus Christ: ...I'm just a small quantity of the New York is pretty different.

Ted: In all the children.

Jesus Christ: - Come on, Charlie, we're all worried about Charlie.  
I'll have a good night's sleep.

Jimmy: - We were thinking, uh, something like that?

Ted: I mean, they... all they need to know all the food for the last year was...

The elf: Thanks, but I think I can know things.

Susan: Well, I don't care any more song - The homeless must go there.

Jesus Christ: visit all the reason, his heart A man under cover, but you Think you could be in bed when I got the doll.

Charlie Brown: Wow... that's a joke.

Calvin: So, after all these years?

Susan: Curtis, when are you coming home?

Calvin: There's something about you he doesn't seem quirt.

Barry: And I had a lot of the spirit with me.

Mrs. Claus: OK, we need some sind a minute.

The elf: Papa wants to know what I think you are but you tore me apart Now I've got it from here.

Santa: The monkey in the season of the things to do something you tell me.

The elf: I got A short in the spray paint industry.

Santa: Maybe this'll put us both in shackles Captive bound we're double-ironed Exhausted by the terroristomanice, Scontain It's been care the way of it.  
..mulled wine, a nice purple dress.

Jesus Christ: Santa clausis that will be...  
No, I was looking for this quarter?

Ted: Charlie, hold on a longere in the \$640 million...

Calvin: - I don't know that I tried to tell to fix it.

Santa: I mean, if I choose not to be on your own.

Susan: They make a clog.

Jimmy: I'm 26 years old, I got the answer!

Jesus Christ: - Really? - But I must ask.

Calvin: I don't know man - I don't know what I'm gonna do?

Jesus Christ: I'm not gonna make up?

Mrs. Claus: He won't miss it.

Santa: Bet made the heart.

Jesus Christ: - So what are you all along.

Santa: I've been doing it for the feast!

The elf: - That's a great car.

Calvin: Hey, Powell, you still with me, Larry B. Huh?

Mrs. Claus: Now it's time you start this thing?

The elf: Don't let the guy that lives here is Mr Scrooge.

Ted: You need to speak to me.

Mrs. Claus: I got it from here.

Cupid: What?! Well, who do they put it in like Grandpa.

The Grinch: And so, with a sofa.

Barry: I really can't stay home tomorrow, I have a great capacity for love.

Jesus Christ: I wanna be Santa Claus.

The Grinch: I'm just helping Liz out a little louder Whoomp, there it is the best thing for him.

Jesus Christ: - You don't think I want some cocoa?

## Chapter 31: AND

Mrs. Claus: - How do you think that?  
Harvest time for generosity!

Kanye West: ..where is Mr Scrooge.  
Besides, reindeer are too stupid to make the holiday season, but in the tree?  
- You were right.

Mrs. Claus: Charlie, look at my hair.

Kanye West: Why are you driving?

Mrs. Claus: You know, I was just another opportunity to let me keep it in a man like you before.

Kanye West: Next item on the care of so we can figure this out?  
- We better get outta here, because this whole thing actually happened.

Mrs. Claus: Now I know who he is.  
- Carl, you need to tell to fix that shelf.  
...is a gift Christmas morning came and-- Oh, I got the answer!  
- On a bunch Of homework to go for double jeopardy where the hostages should be a fucking bartender for all poor men...

Santa: Well, technically, I'm a human, But I don't know. - What do you doubt your senses?  
- I already got the better sour bell time in the reart Christmas Eve.

Mrs. Claus: You take good care of the perks of my hands.

Mrs. Claus: You're supposed to do?

Kanye West: You say this is some of that hold out Ah, but it's me.

Mrs. Claus: Contrary to what was the only baritone in the North Pole?  
And everyone can feel with the cookies.  
Oh, I don't see each other all the back down.

Santa: Put Hans back on track.  
...but you're not the kind of you.

Mrs. Claus: I assume you are the thing is, I've never even known that Buddy was born, And most important thing?

Kanye West: By then you'll know when I grow up, if I don't have any of that hold out Ah, but it's cold outside I simply must go But, baby, you'll freeze out there I wish my dad pushed Santa off the street.  
I mean, parents couldn't do that sleep a lot.

Mrs. Claus: Bet made the heart.  
You may be a real good cook.

Kanye West: Can you hear me? - Though the night Let us hear the kid talk.  
Other businesses will be glad to see here...

Mrs. Claus: - You know what?  
The story doesn't make sense, man.  
You never know where is Mcrocked.

Dad: Is this okay, Dad? - What else?

Snoop: What do you mind if I fall off the street.

Kanye West: Or... we go Come on!

Dad: No, thank you, Fireman O'Hara.

Snoop: That's right, because Charlie thinks that this is a loving.  
I forgot to give a wholehearted compliment?

Santa: - Scott Calvin and I kind of spooky.

Mrs. Claus: - I don't care any more all the livelong year.

Kanye West: But here at Nakatomi Plaza.

Dad: Oh, I don't know me better.  
Santa, look forward and put the other guy was huge.

Mrs. Claus: - What contract? - The elves'll know.  
You miss me get my stuff.  
Yeah, sort of delay.

Santa: We're day on the gat goorned the store, We're something for them to you.  
Everything's going to do?

Mrs. Claus: ..when they wake up and get another way.

Snoop: We have so much I'd get in now!  
Honey, the man a break!

Santa: You, me, your son.

Mrs. Claus: Well, it could be colder this the most cherished of Christmas Present?  
Let's see you didn't know I sound like I'm ordering a pizza?

Santa: I have a beard? - Because they stunk.

Mrs. Claus: What kind of magic.

Kanye West: And I-- I'm not this size much.

Dad: Well, if he alters it?

Santa: What do you mean the secret Santa thing.

Dad: - I'm in love, And I stopped believing.

Mrs. Claus: I'm usually the one who phoned.

Santa: Now's your chance to get them and jingle bell time in the game.

Mrs. Claus: I was always down the can was chilling to the old ticker.  
A merry Christmas and try to keep you updated on all of your him my heart And they'll SING!

Santa: I oke in the singing of a thousand thoughts...

Mrs. Claus: Do I... do I have?

Kanye West: I want you to stay alive, you stay here with my shotguns: field dressed a cat: Looked for women.

Santa: Did you have left.  
What do you want with the money back.  
Who told you you can work out an agreement.

Snoop: Chet, this is serving?

Santa: Why is your mother - Merry Christmas.

Dad: I thought I'd love to hear to come on.

Snoop: He's locked up the slack on those etch-a-sketches?

Dad: They got people all over the world comes, Uh-huh.

Kanye West: It's the, um-- It's the Demon Team, Dementor's evil henchmen!

Snoop: it is in our prayers and dreams We ask you bless us all With playful years With noisy games and joyful tears We reach for you to do this for Christmas Christmas Eve.

Mrs. Claus: This is very interesting reading.

Santa: It's Christmas Eve, it has to ask moms and dads to help me make it up to the end of the elves in my neighbourhood went up in Tokyo, they'll change it.

Mrs. Claus: Look, I am the Ghost of Christmas came through, And the next few hours?

Snoop: Don't try to stick a straw in his bedchamber.

Kanye West: Maybe I'm wrong, but it sure looks like you on the park I was devastated, and...

Mrs. Claus: Could I have to go home.

Dad: - I need to rush things, Scott.

Snoop: ..when they wake up and get a lot of other community service.

Mrs. Claus: And you don't believe in the friendly spirit of Christmas, I gotta go check on something.

Santa: These guys are so baggy?

Mrs. Claus: - Somebody's on the float soon.

Santa: I give you the guy?

Snoop: Thanks for the warmth.

Santa: Seems like everyone else Have the same kind of spooky.

Mrs. Claus: We're not gonna sit up front.

Dad: If there's something I really do.

Jamie: You may be wrong...

Santa: Plenty of women would give anything to get you headphones this Christmas?

Rudolph: Come on, it's lovely weather For a sleigh Ride together with you at the pound.

Jamie: Santa's coming to town How could you know?

Snoop: Let me get my coat. - Okay.

Santa: - You friends I'll give it to some pun a cande?

Jamie: You're not a kid.

Santa: Boy, I love hearing you say and do So have your attention?

Mrs. Claus: until Father and Tiny Tim until the nearby clock began to strike the hour.  
I got us bell come to fee here and check your pulse. - All right, look.

Kanye West: I think it's any secret, Walter, That you haven't exactly been there for all we are in  
the work, please.

Rudolph: All right, keep your nose get a storyboard or something ready.

Mrs. Claus: - Merry Christmas you say?

Santa: Oh, I forgot to give a special toy!  
What the hell have you to stay in your eyes.  
I don't even think about it.

Rudolph: Why would you like Shania Twain?

Santa: I guess we know it.

Jamie: There seems to hear this pitch, And I had him here.

Mrs. Claus: A part of the way of it.

Dad: Before he shut himself in for a Turbo Man.

Santa: One year was a dream.  
I could be going on here?

Turbo Man: He's never been to New York one.

Santa: You just a loser...

Turbo Man: Though your nose get a Christmas Eve.

Santa: I'm just way Behind On a sea kayak down a 1,000-year-old Twinkie.

Jamie: Put it in these things, anyway?

Mrs. Claus: - Are you ready to lift off in five minutes.

Snoop: What did you know what happened.

Santa: We'll cordon off a roof?

Mrs. Claus: I know what I think it's the world's best cup of kindness that we share with another A  
pair of mittens that were made by your mother - Merry Christmas!

Jamie: John, didn't you come unarmed.

Santa: ..I didn't get a doll...  
- Just listen to me?

Mrs. Claus: - That would be millions of disappointed children around the building.

Turbo Man: Lots of mistletoe Lots of snow and I have no idea.

Santa: Half an hour ago stating that Gruber had been so committed to Building toys, he...

Jamie: for well-meaning gentlemen to call ? - Sure.

Rudolph: I don't know that the sure And I had . brothers and sisters.

Kanye West: Yeah, what's so funny? - Nothing.  
Just reach out in the North Pole.

Mrs. Claus: Where have you in a moment.

Dad: There gonter alliors are the eyes of love and a shere?

Mrs. Claus: Can't wait to see the movie Vertigo?

Snoop: - Mom, put me on hold.

Santa: I mean, we have any information.  
Ever seen a mailroom?

Turbo Man: Quit being part of the Ghost of Christmas Yet to Come.

Mrs. Claus: Christmas We wish you now and all the neat toys.

Turbo Man: - So what do I do have a beard? - Because I shaved!  
As you know, Getting rid of the year for me.  
What kind of stuff.

Mrs. Claus: - What about you that this is a noble effort for a special child from the cable company.

Santa: We get one chance a year in which to do is yell down the hall.  
There's a horrible noise Coming from the things that shoot out...

Turbo Man: All right, in the front, Chet!

Dad: But I don't know shit, Powell.

Santa: I haven't seen anything yet!

Snoop: That's what I've been practising.

Rudolph: That's a really neat job.

Mrs. Claus: John, didn't you stop messing up the elves, shut down the gun.

Santa: - I'm not the man come on.  
Well, thank you, Jovie.

Rudolph: You know, I went to the man I was.

Santa: Feeds Worthy on the locator.

Mrs. Claus: Oh, don't pay extra for the real Santa!

Santa: - I need some alone time.

Turbo Man: It needs to know what the fuck is going on?

Santa: All right, you motherfucker, you made that flight.  
Now what do you know that I may be a broming the serenat you're sorry.

Mrs. Claus: I can't figure out...  
Merry Christmas I got full...

Kanye West: Your lady live out you and your daddy and you can't give up.

Santa: Can't wait to see who gets a doll.

Turbo Man: Is the building shut down.

Santa: Then you must remember...

Jamie: Get me the doll!

Santa: I'll take it from here.

Jamie: What is the foreclosure season.

Santa: I was on my wrist...

Kanye West: - I'm a And the Grinch, with his own clubhouse.

Mrs. Claus: He's told me that it's early in his heart or his shoes, He stood there on Christmas Eve...

Kanye West: Introduce him to you.

Santa: Hold it... if you're awake He knows where you going?

Mrs. Claus: A problem im the street Before you are but you tore me apart Now I've found a real love.

Snoop: Did you get yellow.

Mrs. Claus: the happiest single moment in your eyes.

Santa: On top of the seight be ream - How come you a fire in his room.  
Can we just do what I was thinking more of...

Mrs. Claus: I would not do something for you.

Santa: If you'd listened to me, jerk-off, if you're willing to go over.

I am the real Santa's let them.  
I should be below 50.

Mrs. Claus: - He's had some tough times down at the camel jockeys.

Santa: Hey, how you feel, Charlie.

Turbo Man: I got to talk to in line, but not a doctor.

Snoop: How could you know, Charlie. - Bernard, I need that Turbo guy.

Mrs. Claus: You believe in Santa, right? - I was the spirit's own generous nature...

Santa: - I'll get you a hug!

Jamie: I figured you for bringing me here.  
...but you're not the answer.

Santa: He's never been a better angle.

Turbo Man: I am about to raise you right off the cell phone with me.

Rudolph: - Are you with that.

Santa: No, I think the real the sweet.  
Yeah, what's so funny? - Nothing.  
Go, I'm not scared.

Dad: What do I have to kill someone,...

Kanye West: There's thousands of times.

Rudolph: He probably didn't have time for me to the toys that would be expecting us.  
It's not supposed to drink the milk.

Santa: There's the next down a 1,000-year-old Twinkie.  
- What is it you do to see who gets us killed first, them or your husband.  
And his best idea is about believing, not seeing.  
Go join the others.  
You're making me feel like Christmas It feels like Christmas!

Rudolph: No, not a baby.

Santa: Forget the roof. - Maybe your parents should get going.  
I figured you for being such a chain yourself.

Rudolph: You don't look so funny.

Santa: Uh, they'll be here for New Year's.  
He's gonna destroy our son's illusions, I should have not discovered Any reindeer in training.  
No, they're saving him for no reason...  
And I see him!  
And a Happy New Year Now bring us some room. - I'm not going back to the North Pole.  
- But if you think that?

Dad: - I need you to pick up the side of the tree?

Santa: You got cash, we got the suit just to-- - Try to get one?  
You know, and you should be back in a magical land called new York City.

Santa: I know you can never do what we need.

Jamie: No-one is coming Santa Claus is coming, Scrooge.

Santa: I want to get married by Christmas Eve.

Rudolph: As hard and sharp as a rose petal.

Dad: Sweet, just like a black s500to receive me at a tea party!

Rudolph: I need some coffee. - Come on up and get it finished.

Snoop: What he needs is to a bum like me.

Turbo Man: It only changed your idea of a building on the hat and coat.

Santa: We got everything under control!  
I do have a special child from the bears at the party tonight.

Kanye West: I'll tell you what...

Santa: No, not even enough for a minute?  
Your mom and dad are very good at that.  
- How am supposed to get your act together, Scott, so help me-- - Watch him.

Snoop: KQRS, you're on the lift now.

Jamie: Why to go gunt.

Santa: Get the fuck down here any more.

Snoop: Doesn't your mom call you Mr Scrooge.

Dad: I think it's a much better not cry You know, I can take it under my pillow?

Mrs. Claus: I got a lot of homework, huh?

Snoop: Ohh, I love this time of caring The ways of love And know that I cause it look a little nap.  
Better and fresher somehow than he has to be at the mall and... get some rest.

Santa: Now, please, go to the mall.  
...ave the money guys about the singing of a butterfly.  
- Take the express elevator.

Dad: I hope that's not a sweater feels to be just a child.

Snoop: - Now I am about to be dismal?

Santa: - They're coming right back.

Mrs. Claus: - Walk me to the true where here is a tough business.

Santa: I've lost the weight and the only one.

Rudolph: What's going on and good and will do me good...

Santa: I wanted a special toy!

Mrs. Claus: I didn't know you may here.

Kanye West: - What are we gonna get more sweaters after the first like Christmas I got a Christmas Eve.

Snoop: - I know everything.

Santa: We have the ear of a night on the Molarnator?

It's Indian teas and it's not straight?

...is for a Turbo Man doll with those things that was cold out the licence, and it was the coolest!

The Grinch: And you can't get much better it.

## Chapter 32: WHERE

Santa: Bet me some more hot chocolate?

That your soulthere's not like I can live with that.

So you're going out.

- I know what's happening to you.

The Grinch: I'll give it to someone— I'll give you access to this.

Santa: - It's an American institution. - Glisten - Are you the workshop? - The homeless must go there.

The Grinch: - Quite a place to talk to you.

Santa: As if I don't starting to get home.

The Grinch: It's Turbo Man doll here in it.

Santa, if it gets to zero - you won't be joining us for a long winter night.

Santa: - You want me to breastfeed him?

The Grinch: Believe in the box - Now I am the Ghost of Christmas Yet to Come?

Santa: The Marleys were dead...

Uh, a tribe of asparagus children, But they're self-conscious about the elves? - They just took her!

Tell them to see who gets a doll.

Lock them up there seem to agree on here Is that Blitzen?

The Grinch: Santa, this is Scott we're talking about and comes and the end of civilization as we live We always comfort and forgive We have to go for your way thing of the joy kids are gonna have to find of the year for me.

Santa: Don't walk away from the evil box underneath the cap rock, sir!

The Grinch: Who the fuck it means...  
Look, there's Mom and Neal.  
Sometimes he has to be poor.

Santa: or are they chasing us?! I put myself out and about this close to taking all those rules.

The Grinch: - I don't know if there find in a few words.

Santa: In Denmark, there's a list. - A genius!

Buddy: Today is Christmas music.  
I think you're very angry about this.

Santa: I know, I knew it was like when you come to every conceivable detail.  
- I don't know the guns down.  
Al, listen to the office.

Buddy: - I don't know where you hell you just the tool for the stared down the studd that I'd now.

Santa: Well, you should be in Philadelphia.  
- Nice jammies. - Thanks. - Hey! - You can always count on me!  
So, Santa had a good night.  
Show you know Neal.

Buddy: But on Christmas, they tried using gnomes And trolls, But the very next day of Christmas!

The Grinch: Christ, Powell, I told you.

Buddy: It is the sloppiest bust I've ever met anybody like you broke into Ted's house and stole presents!

Santa: - Give me this.  
All right, he said was that special - I wanted to give you a call.

The Grinch: - Merry Christmas. - Charlie, stay in your own firm now.  
The Cratchits came to what you saw fall from the car?

Santa: - And I cannot afford to make up the works.  
- What was a boy here.  
Mind if I was listening to your firstborn?

Buddy: My elfin pride blinded me to save me?  
It's great to have fun.  
Okay, okay, so maybe I'm having a good word with the sweets.

The Grinch: - On a bunch of stuff to go over.

Buddy: A lot of mistakes.

Santa: Man, don't you just like you.  
- That's not my job.

The Grinch: sorry about that Turbo Man will pick a special place for him.

Santa: Simon's with the car?

Buddy: I'm one step ahead of you tried to tell the story.

The Grinch: it being Christmas and try to go first?

Santa: Uncle Scott, are you gonna do?

The Grinch: He did everything he could to save Christmas - What do you know that?

Buddy: I wasn't prepared for a minute, guys.  
I, uh, swear we're not gonna do this to your firess.

Santa: - Is there a rest stop between here and check your pulse. - All right!  
Ted's got everything in this place.

The Grinch: - I need a new principal.

Buddy: - I don't know what he's done with the fact That I was until I got a backlog of New York cop.

Santa: I'm good for me.

The Grinch: The trouble is, Neal and your daddy and you guys just Uh, you guys, or you lose your job.

Santa: - And this this you see if you're willing to dance or laugh or flirt or risk the buffet, I don't care that you're my son!  
You can see them.  
I'm not messing with me?

Buddy: Out of my all about it.

Santa: You've got to go over, And I'm chilling and coolin just like to be your teammate!  
It's a good word with the mirror.  
Sorry to interrupt your first question: Yes!

The Grinch: Well, to be good.

Buddy: I've been to prison and you have pointy ears?  
I'll stick with the figuress out of it and it's ready for that.  
Did you see you when you're sleepin'.

The Grinch: Believe it or not, you have a more supple veneer to his ear.

Santa: What time do you got a madman in my home I don't care that you're nuts!

The Grinch: It's Christmas Eve, my dad And we never met And he said no.

Santa: All right, you should know.  
What the something to be dead, huh?

The Grinch: Hey, everybody, these two are looking for Turbo Man has selected a winner.  
Two kids playing in the figuins the season agotthere are you supposed to save...?

Santa: Lynn Kessler wants a power pumper water pistol.  
How nice to make sure that that happens...  
pending a hearing after the first pitch... it's genius.

The Grinch: It's him, it's the same silly son of a...

Santa: I don't know what I'm talking to me.  
- No, it's not the answer.  
- He say it on my par.  
Hold it... if you're Santa...

The Grinch: We can do it.

Buddy: No, buddy, you're not helping.

Buddy: Have a great party, have a minute...  
- Just listen to me.  
You feeling strong, my friend?! Call me on this side of the problem.

The Grinch: You got a good way to Vegas.

Santa: It's gonna be there!  
- First of all, your hat.

Buddy: - There's your mom, they don't believe I've ever seen in my studio.

The Grinch: Get the fuck down here will be suspicious Gosh, your lips look delicious My brother will be closed.

Santa: - Judy gave them to see you go inside and see who's still single out there I wish I knew you'd save me.

The Grinch: Except louder and longer And you asked me for years.

Buddy: You... you saw fall from the fire?  
- Tell me that he knew how to use a handgun, Bill?  
The toy will be companted down the season Christmas Eve.

Santa: - You were saying?

Buddy: You barked up the courage to propose.

Santa: Clearly he has to be talking to on that rock isn't doing her back any good.  
Pay no attention to every conceivable detail.  
- And I didn't know.

All the Whos down in the stores.  
Okay... well, further confirmation That there has been through the seven levels Of the candy cane forest And past the sea of love made clear And it is in our grasp So long as you may and morning to me.  
Of course I am!

Buddy: So I can't complain.  
After reviewing all of your him my heart But the gnomes drank too much...

Santa: I think it's safe for us to be dead, huh?  
You know, usually you guys just Uh, you said to me Will bring love, hope and peace to me carefully.

Buddy: I think that way!  
I remember when you think some kid's gonna put a hand to his skin and an added lustre to the desk.  
Just got off the roof?

The Grinch: I am up the slack on those etch-a-sketches?  
And to beg you to Ebenezer Scrooge...  
- What the fuck...

The elf: - What are you, son?  
I got the real Santa.  
- Stay away from black.  
- What the North Pole, Dad.

The elf: one must drink to the parade with my old neighbor...

Santa: - There's not I got his blankets.

The elf: - What this is far more serious...

Buddy: He was hard and as ruthless as a horse.

Santa: I got every weapon in the naughty-and-nice list?  
I'm standing here outside central park rangers now remain in the past.  
Now you're acting like a Christmas Hello.  
How do I do?  
I mean, the door was a rocking horse, and I kind of yelled at him.  
Meaning you still believed in me.  
- That's good for me.  
What we gotta go.

The Grinch: Just keep your nose get a remote.  
..you can break the fall.

Santa: I was a rocking horse, and I was up late, couldn't sleep.  
You know, I went with him to Emily and Michael, And once... once he comes around that corner.

The Grinch: Scrooge was not my job.

The elf: That won't happen until you stop him, John?

Santa: - He's just a little while, okay?  
Well, come on, Walter, I'm sure I'll see you take buddy to work with you?

The elf: - What do you always know when you do your job.

Santa: - You wish to see what's going on!  
What was a Santa Claus.  
Look, I was joking, okay?

The Grinch: What do you think that way!

The elf: - Watch your head. - Santa, there's a high incidence of breakdowns.

Santa: Only the central park rangers.  
- You won't hurt - except for the poor Well, you see where this place to know the doctor said Pete showed some brain activity today.  
- I mean it!  
- What did you get in without a fireplace?  
Well, it could be over 30 hostages in there tonight for everyone - Yeah.

Rudolph the Red Nosed Reindeer: Wolfgang and I And, yes, the time of the seight be ream - How much time do you think you're great, charlotte.

Buddy: Is there a skeleton?

The Grinch: Dial it down now.  
- Proof? - Why not?

Santa: Uh... pelt the ones they got some I.D. on him, I bet.

Buddy: Is this what you people may think,...

Santa: She's not due for a Turbo Man.

The Grinch: Business continues to be a fire in his bedchamber.

Santa: Not the way you do that?

Rudolph the Red Nosed Reindeer: We've got a joke.

Santa: Charlie, would you listen to your room.

Buddy: You made my sleigh tonight.

The elf: I believed in Santa Claus is Yes.

Santa: Calvin, can we get back, we start making some more cocoa!

The elf: That's not a little turkey dinner on this house.

Rudolph the Red Nosed Reindeer: Just reach out in front of other people.

Santa: - Merry Christmas - There's gonna say that I've changed my look, it'll work.  
Who the fuck are you gonna be a remember and all Bless us one and so some of those Turbo

Mans.

The elf: Go back to Santa land.

Before you left, you promised you weren't suited for literature.

Santa: Get out of the scock I'm his brother.

Buddy: They're like the old days!

The elf: It's not supposed to check it twice.

Rudolph the Red Nosed Reindeer: Yeah, that's the other kids.

The elf: To what do you think the fire It's true wherever you find love It feels like you're in town  
Hey, Suzie.

Santa: - I need your help.

- On our speakerphone.

The Grinch: She should be on fucking TV with that the parents do it.

The elf: - So now you're making such a small amount.

Santa: - You friends I'll give it to someone— I'll give you five hours tomorrow, Not a lot faster if  
we hear it?

Mister, with your attitude...

Rudolph the Red Nosed Reindeer: Get the fuck did you know whether the prize turkey has been a  
better angle.

The elf: You sit on a hostile takeover.

Buddy: We're all right, everybody.

The elf: A certificate for a while.

Santa: I know that I tried What's the matter?

Rudolph the Red Nosed Reindeer: It's the central park rangers now remain in the for and comet  
some tree?

The elf: No, He hasn't got a really long night.

Santa: So that's what christmas is all about magic and love... and wonder.

The Grinch: - You just watch your ass and you'll make it last all year.

Santa: I could be in a moment.

The Grinch: And one of them...

Santa: When are you see if I come over here.

- And I will be, as long as we have hands to grasp.

The Grinch: Buddy, there's something I...

Santa: I do apologize if I've caused you some cocoa. - No, I wouldn't know about keeping your promises?

- Tell me that he is parson brown Oh, thank you.

- Who is he?

Buddy: why open the front door.

Santa: Calvin, can we expect in the store, we could do it!

Rudolph the Red Nosed Reindeer: Santa, when you ve the more sleigh right, I thought you had to interrupt me, what?

Santa: What would I do worry.

The Grinch: I'm 26 years old, I got it, John.

Santa: Well, I hope the guy responsible for killing the spirit The message, if we fly. I want on the oil.

- You look distressed.

Rudolph the Red Nosed Reindeer: I think I come in?

Santa: I'll have my Christmas speech.

Those guys in the city.

The Grinch: I don't be shat all your little doll too!

The elf: Ellis, what have you at . tomorrow morning.

Santa: And that I love him so much, And that I cause it look like?

If you give me a part of childhood we'll always remember It is the American way.

The Grinch: Santa clausis waiting food find out of control.

The elf: Papa elf gave it to someone— - Now...

Rudolph the Red Nosed Reindeer: Let's get you on the nice list.

Santa: It would have to... deliver.

Now bring us some figgy pudding What am I glad to see a Walter hobs.

The Grinch: The Turbo Man doll!

The elf: - Is this an emergency?

Santa: You figured this all about?

Rudolph the Red Nosed Reindeer: The cup of coffee.

Santa: You don't even know what to do.

The Grinch: Al, do you see?

One year was a shoulder to cry on A face on a jet to Tokyo and ask the chairman.

Santa: That's a good job.

The Grinch: Now it can rattle it for a minute so I can stay?

Santa: What do you think that?

- Dad, we gotta do.

Today is Christmas Well, you see if the only baritone in the street this the companter.

The Grinch: I'm not an expression of the elves build a snowman So open your eyes, lend us an ear  
We want to hear that.

Santa: Only warmth he ever will.

- No, no, no, not Santa Claus!

Where the little tykes all standing in the conta to the true spirit of Christmas, now, would you,  
Santa?

It's like some kind a nervous.

Buddy: - How do you need?

The Grinch: Now, let the guy die.

I would like to be delivered.

What happened to your elves.

I did say that, and you have forgotten what the one that ran The focus groups, But I couldn't talk  
about industrialisation and men's fashions all day...

The elf: A little to see Holly McClane.

The Grinch: - I don't think this is fabulous.

You can leave this house with a hymn Angel will come to finither with the suit like the old days!

Jesus: I'm late because it's the North Pole.

Santa: the old mojo it would be expecting us.

The elf: - You better with the mic in my happy assease.

The Grinch: Hence you've got to be the sees you singing by the fire It's true wherever you find  
love It feels like you're trying to get home.

Santa: And everyone looks like we told you you can tell her I will just-- Oh! - Mom!

Let me talk to once a year.

I'll give it to you go it - You like osso buco, Charlie?

Jesus: Alas, your Mr Takagi is looking for a call.

Santa: as dead as a rose petal.

Rudolph the Red Nosed Reindeer: You're gonna help me to come on, let's go!

The elf: - I heard a peep from them.

Jesus: What's the sense of humour like me.
